

L. I. U. TAKES VARSITY WITH 33-0 SCORE

Alfred's Varsity eleven was unable to stop the strong attack of Long Island University, and went down to a 33-0 defeat, at Dexter Park last Saturday. The Long Island team flashed a passing attack which netted them some long gains, and Skillman's running proved to be an obstacle the Saxon team could not overcome.

The Saxons held the Long Islanders scoreless during the initial period and then became careless, while Janus scored twice for his team on two runs of seven and forty yards, in the second period.

In the second half, Alfred tightened up and several times threatened the L. I. U. goal line. However, a blocked kick gave the Long Island team the ball on Alfred's ten-yard line, and Janus went over for his third touchdown. In the final frame Skillman went over after Maxanowicz returned a punt from midfield to Alfred's nineteen-yard line. The final tally came late in the game when Maxanowicz intercepted a pass to stem an Alfred rally. Grossman scored the touchdown.

Several men played their last for Alfred on this game. Those who saw service for the final time are: Regan, Lockwood, Monks, Grantier, Gagliano, Robinson, Obourn and DeLaney.

Summary:

L. I. U. (33)	Alfred (6)
Stanvisky	L. E. Murray
Bonitz	L. T. Lockwood
Licia	L. G. Regan
Grossman	C. Gregory
Savage	R. G. Gaiser
Verosky	R. T. Felli
Klein	R. E. Havens
Skillman	Q. B. Gagliano
Janus	L. H. Robinson
Gallagher	R. H. Merck
Maxanowicz	F. B. Grantier

Substitutions: L. I. U.—Jones for Verosky, Murphy for Stanvisky, Becker for Savage, Mann for Gallagher, Cosmani for Mann, Degiovanni for Lucia, Epstein for Murphy, Plokin for Klein.

Alfred—Muller for Gaiser, Obourn for Robinson, Torello for Merck, Greenstein for Muller, DeLaney for Gagliano, Robinson for Torello, Klingler for Muller.

TALKIES TONIGHT

Under the auspices of the Y. W. C. A., arrangements have been made for another movie to be shown this evening at Alumni Hall.

The picture is a product of the Talking Picture Tours Company, Inc., of Buffalo, who will present "Daddy Long Legs," with Janet Gaynor and Warner Baxter in the leading roles. This plus a good comedy promises a program of real entertainment. Tickets will be thirty-five cents. The program will be shown at seven and nine P. M.

The support of the student body will help not only Y. W. C. A., but may determine the general popularity of motion picture programs on the campus.

PAUL HARRIS TO SPEAK

Mr. Paul Harris is returning to Alfred to speak in Assembly, Thursday, November 19th. He is a member of the National Committee on World Peace, and was enthusiastically received by the student body last year. He was secured through the influence of A. U. C. A. Association.

RESUME OF SAXON'S SEASON IN SPORTS

High hopes and a week of intensive enterprise was not sufficient to throw off a lethargy which had been evidenced on the Varsity Squad ever since the Susquehanna game. The invasion of the metropolis proved a catastrophe for the the Saxon eleven. Viewing the season in retrospect gives one little consolation. Nosed out by a fighting Hamilton team in the opener, because of failure to convert the extra point, the Alfred team faced Rochester, determined to defeat the so-called Yellow horde, only to fail because of inability to protect a first half lead. The Buffalo Herd, augmented by a new system under a new coach and determined to revenge the previous season's white washing, gave the varsity its most decisive set back to date. The Buffalo team played its best game of an otherwise doleful season that night and Alfred was the victim. After trailing at half time against Susquehanna, and handicapped by injuries, the Purple and Gold men came back with a second half attack which would not be denied and defeated the Keystone State aggregation twenty-six to twelve. In the fifth and last home game, Niagara, ired by many defeats, administered a 33-0 shellacking to the varsity. In its first game abroad the Saxons met a surprisingly stubborn Hobart team and eked out a very slim victory from the Deacons. The story of the Cornell game is well known; sufficient to say there was little glory to be gained in that contest. By the time Long Island game came, the boys were literally punch drunk, and dispirited. Even grim determination cannot win games and the Islanders duplicated the Niagara score of 33-0.

Even in defeat, the yearlings looked like a real ball club. Manlius expected a walk over, and the half time score of 6-6 found them momentarily dazed. The second half, however, the cadet team clicked and scored two touchdowns via the aerial route. Without doubt, the present Frosh team is the best in years and with the present season's experience and twenty odd men who make up the present squad will proven a boon to Alfred's future destinies in the gridiron sport.

Not all the week of sport activity was black or even blue. The Harriers accomplished what no other Alfred team has ever done, and took over the Cadets of West Point. To beat the Army is no small accomplishment for they are stronger than last year, the entire squad of last year's team which eked out a 27-28 win over Alfred ran against them this year. To no one individual goes the credit for that victory. Lyons and TenBroeck ran fine heady races. Hughes pulled one of his startling sprints to overtake two Army runners and take fourth place, while Razey duplicated his efforts and over took two more Army men. With five Army men in, the tenth man in the race spelled victory or defeat for either team. The tenth man in the race, and fifth man on the Alfred team was the veteran Steve Warde. Had any one of these five men failed, the race would have been lost. It was a well earned victory, Army's only loss to date and their second in four years.

The final meet for the cross country team is the Middle Atlantic Championships in New York, Monday, November 23rd. The coach and team are sure of the date, and judging from their weekly improvement, they will give an excellent account of themselves. There are more strong teams in the race, but it is likely that Manhattan will be Alfred's opponent for the individual crown. Hughes, Vance, Warde, Lyons, TenBroeck, Razey and either Tolbert or Wessels will make up the team. They get little glory,

CERAMIC SOCIETY PRESENTS PICTURES IN LAB. HALL

The Ceramic Society meeting was held November 12th, in Laboratory Hall. Thirty or thirty-five students were present, mostly freshmen. Prof. Merritt represented the faculty.

The moving pictures furnished by courtesy of the General Electric Company, "Something New Under the Sun," and "The World of Paper," were entertaining and instructive.

Sometime about Thanksgiving Day, "General Electric Enameling Furnaces," will be shown.

OPEN HOUSE

Three radios furnished music for the Theta Kappa Nu open house Saturday evening, November 14th.

Chaperones and guests for the evening were Professor and Mrs. Boraas, Professor Crandall and Miss Cheval.

Refreshments were served during intermission.

APTITUDE TEST REQUIRED OF MED STUDENTS

All students expecting to enroll in a medical school in 1932, must take a Medical Aptitude Test on Dec. 11, 1931, at 3:00 P. M., according to an announcement made by the Association of American Medical Colleges through Prof. Austin Bond of the Biology Department.

These tests are used by 90 per cent of the medical colleges of the United States in selections of students. Not only is the test used as a normal entrance requirement in these institutions, but in considering applicants, admittance is based one-third on the test score, one-third on college grades, and one-third on personal applications, recommendations, etc.

Since the test can be given but once a year, those interested should not fail to have tests ordered for them. To that end, they should report to Professor Bond between 1:30 and 4:00 P. M. Wednesday, November 18th.

In order to defray the expenses incurred, the association requires a fee of one dollar in connection with each test.

ROSE BECKER TO GIVE CONCERT

On Wednesday evening at eight o'clock in Alumni Hall, Miss Rose Becker, violinist will give a recital. This second musical event of the year is sponsored by the Ceramic Guild of Alfred University, and promises to exceed in entertainment value any previous musical concert. Miss Becker comes to Alfred highly recommended by many of New York City's foremost musical critics, and is made available for this occasion thru an arrangement with the Fortnightly Club of Hornell, before which she will appear the following evening.

Miss Becker's repertoire is extensive and music lovers will enjoy by her interpretations of the works of Franck, Kreisler, Saint Saens, Novacek and others. She has a convincing and pleasing style, and plays with a deftness and ease seldom seen in a woman violinist.

Many of the faculty members recall her recital given in nineteen twenty eight, and welcome this opportunity of seeing and hearing Miss Becker again. Since her last trip to Alfred, Miss Becker has been heard as a soloist over stations, WEAF, WABC, and WOR. In addition she has been sometime head of the violin department of the Mason School of Music in West Virginia, a member of the Olivar Ensemble and the French trio. She also has the unique distinction of being the only woman violinist in a symphony of 110 men.

Miss Becker is a former student of the famous Fritz Kreisler. In her recital here as on the occasion of her former appearance, she will be accompanied by Mrs. Seidlin.

The Ceramic Guild is especially anxious that the recital be a success as a portion of the receipts will go to a fund which will partially defray the expenses of Mr. Frank L. Bach, Director of the Industrial Arts Division of the Metropolitan Art Museum of New York, to the Ceramic Convention in Washington, February next. Needless to say, music lovers are looking forward to this concert with eager anticipation, and upon future dates. The admission will be fifty cents, and tickets may be procured from members of the Ceramic Guild and at Ellis' Drug store.

LAST CALL FOR GLEE CLUB

Professor Wingate wishes that if there are any men who are interested in forming a Male Glee Club that they would get in touch with him as soon as possible. So far twenty-two have signed up, but he needs more—especially tenors.

The orchestra has not made satisfactory progress because of the lack of instrument players. Will all who are interested in an orchestra kindly see Professor Wingate?

This is the last call for a Glee Club, Orchestra and Band. We need a band for basketball games and hope the students will respond to this call.

CERAMIC GUILD HOLDS TEA

The Ceramic Guild Tea was given for freshmen girls in Social Hall last Thursday afternoon. Tea was served first, followed by speeches and reports from Doctor Binns, Miss Nelson, Ruby Robinson, Hazel Mott and Dorothy Hallock. The purpose of the tea was to give the girls a glimpse of the progress in Guild work, and of the plans for the annual Christmas sale.

A tea dance followed.

FACULTY TEA

Theta Chi entertained the members of the faculty at tea, at their house, Sunday afternoon, November 15th.

Mrs. Degen, Mrs. Davis, Miss Ford and Miss Fosdick poured.

HARRIERS WIN OVER ARMY 26-29

Alfred's harriers running in top form broke a long string of Army cross country victories, when they administered a 26-29 defeat to the Cadets at West Point on Armistice day. Army had been beaten only once in a span of four years.

Slade of West Point led the field home in 27:25, over the four and seven-tenths mile course. TenBroeck and Lyons followed close behind the leader to tie for second place. Hughes pulled a sprint in the last hundred yards and nosed out Northam for fourth place. Skidmore took sixth place for the Cadets and Razey finished in seventh. Clark and Allen completed the Army score in eighth and ninth places, while Warde did likewise for Alfred in tenth place.

At the half-way mark, the Army seemed to have the race won. Four Cadets and Hughes were leading, followed by TenBroeck and Lyons and the rest of the field bunched in the rear. However, the pace proved too hot for the leaders and at the tape Alfred had the meet won.

Summary:

1. Slade	Army	27:25
2. TenBroeck	Alfred	27:34
3. Lyons	Alfred	27:34
4. Hughes	Alfred	27:45

PROF. BINNS SELECTS GROUP OF POTTERY FOR EXHIBIT AT SLOANES

Sloanes, in New York City has on display an exhibition of ceramics that includes pieces by all the well known artists of America. Professor Binns was on the jury of selection along with two of the directors of the Metropolitan Museum and a lecturer in art.

The exhibit includes three hundred and seventy-five modern pieces of pottery by seventy-seven artists, who have portrayed the amusing and serious.

XTH OLYMPIAD

Word has been received here of the completion of the Olympic Stadium in the center of Los Angeles in readiness for the games of the Xth Olympiad to be celebrated from July 30 to August 14, 1932. It will accommodate 105,000 people and will be the scene of Track and Field events, LaCrosse, Field Hockey, Gymnastics, Football and Equestrian sports. The fencing contests will be held in the California State Armory the first two weeks in August.

THETA THETA CHI TEA

On Friday afternoon, November 13th, Theta Chi entertained about forty-two freshman girls at tea.

On Sunday afternoon, November 15th, they entertained the members of the faculty.

Mrs. Boraas, Mrs. Bassett, Mrs. Place and Ruth Whitford, poured for the freshman tea, and Mrs. Degen, Mrs. Davis, Miss Ford and Miss Fosdick at the faculty tea.

EDITORIALS

An opinion was received this week by the editor voicing the popular sentiment regarding the football team and playing. Due to its being unsigned it was impossible to print it, as it is a rule of the Fiat not to print anonymous articles, although the name of the writer is not printed unless he desires so. However its content was food for thought.

This past season has been a quite unsuccessful season as far as football is concerned. There are many explanations that have been offered, but none have been pertinent and to the point. The reason that Alfred has not had a better showing is that the majority of the players did their utmost, perhaps unconsciously, to prevent it. Eighty percent of the players did not keep training rules or any semblance of them, violations of the most elemental training rules were flagrant and inexcusable. The players functioned as a team in only one game, and had to be verbally horse-whipped into it in that instance. Football is a team sport, it requires that individual preferences and petty quarrels be laid aside in order that the eleven men on the field play as one, and not as three or four factions. Fraternity feeling is an ignorant convention, or perhaps it is a habit, but it is doubly so when it is displayed on the football field.

A Sense of Rumor

During the much-talked-of revolution, one of the most engaging and interesting items was the rumor that was current, or rather rampant. To attempt to classify it into a list would be an almost endless task, but here are a few of the ideas:

That Dean Norwood said the student body did not have "nerve" enough to walk out.

That Professor Cortelyou called up Burdick Hall, asked if they would strike, and when told that they would, said that that was all there was to it, college would be closed.

That the water supply from the full reservoir would last only fourteen hours.

That the Andover fire truck was not available.

That there were several cases of typhoid in the village.

That the water had been analyzed and found impure.

That the student body had no reasonable basis for their protest.

That all they wanted was a few days vacation.

And so the list could go on. The thing that was needed most at the time was not a sense of rumor, but a sense of humor by both factions.

DEAN MAIN PUBLISHES NEW PSYCH. TRACT

Dr. Main, Dean of the Department of Theology and Religious Education at Alfred, has recently completed a little book entitled "The New Psychology, Behaviorism and Christian Experience". The foreword, written by William H. Perry, well characterizes this extremely worthwhile and very readable book.

"It is well to present this valuable paper through the press to the public. A new conflict between speculative thought and religion has arisen, this time, between new schools of Psychology and Christianity.

Professor Arthur Elwin Main, author of this essay, has given his life devotedly, to young people, as a university teacher and dean. We are fortunate to obtain a statement of his ripe thinking based on thorough scholarship, large experience, patient reasoning, systematized conclusions, mature convictions, spiritual insight, and Christian character. We are making many detours in thought, today, because we are passing through intellectual fogs. This treatise may help us to see our way, more clearly.

Dr. Main recognizes the great value of psychological investigation and thinking, and welcomes knowledge from all sources, but makes it clear that modern paganism in attacking well attested spiritual experience, has no monopoly on truth. He presents statements of many psychologists, and thinkers in the field of religion, in support of the validity of Christian history, thought, experience, and utility.

Had the author the time and health, he could expand this essay into a large book and give more fully the steps of reasoning that lead to his conclusions. As it is, Dr. Main shows the glaring deficiencies and one-sided emphasize of Behaviorism, mechanism, materialism, and Freudianism. He faces the fallacious attacks of these schools of thought on Christianity, with wisdom and logic. Repeatedly, he points out that the psychologist deals with mental processes and human behavior, and not with ultimate causes of theology, metaphysics, and history. At the close, he states simply the basic principles of Christian thought, faith, experience, and life, that stand unmoved by the new psychologies. His thinking never chafes but moves quietly as a mighty river.

May this discussion whet our desires and stimulate our effort to work over this field until our intellectual confusions are clarified in more psychological knowledge and in more religious certainty."

William H. Perry

College students, especially those taking courses in psychology, religion or philosophy, will derive considerable pleasure as well as beneficial instruction from a perusal of this work. Copies may be obtained at the Seminary.

OPINIONS

ONLY THROUGH THE OPEN AND UNHAMPERED CLASH OF CONTRARY OPINIONS CAN TRUTH BE FOUND. — Glenn Frank

November 15, 1931
To the Editor of the Fiat Lux:

In response to one of Chaplain McLeod's chapel talks on the ignorance of Alfred students as far as world problems and national affairs are concerned, it seems that a group of students have become interested in trying to better that condition.

We are going out into the world within the next few years. However, how can we, supposedly intelligent people, go into business and world affairs ignorant of the situations and conditions that now exist. We cannot attempt to better them if we do not know what the causes for such situations are.

It is our idea to have a Round Table discussion once or twice a week, at a place where all those students and faculty members who might be interested, can meet for such discussions.

At these discussions topics such as the Japanese-Chinese War, the League of Nations, the Fascisti, the business depression, and national political and economic situations can be brought up, and those who can contribute to the discussions and those of us who wish to learn about the important things in the world are welcome.

Let's get together and try this out to see if something can be done for our own good and interest, so that we may be better adapted to meet others on common ground, and at least be able to talk intelligently on these subjects.

Sincerely,
B. B.

EXCHANGES

The Reserve Weekly reports that at New York University the suggestion has been made that professors publish in the University catalog a list of the text books to be read during the coming year. This innovation, it is claimed, would enable students to get a clear idea of the work to be done in the course, would make it possible for them to read up on the subject in advance, and would give the students adequate time for the procuring of books.

The Reserve Weekly: According to the United Press, "rumble-seat colds" are blamed by the university authorities for the epidemic of running noses, which has spread so widely about the campus of the University of Kansas. The university physician has warned against "close contact and promiscuous osculation".

Swarthmore Phoenix: Probably the first college course in radio announcing is now offered at the State University of Iowa. The class uses the University's station WSUI, for practice.

Swarthmore Phoenix: The voices of students of Barnard College of Columbia University will hereafter be recorded on phonograph records when they enter the college as freshmen, and when they leave as seniors. This will not only help them to correct their speech manners, but will also be valuable as a cross-section of speech of middle-class America.

The Purple and Gray: Our enterprising college students have adopted the latest in the line of insurance. Students take out insurance policies against being called on in class and for a down payment of 25 cents they may collect five dollars in case the Prof. calls their names.

Swarthmore Phoenix: Smith College girls have been denied the use of automobiles on the campus. Instead they go around on "scooters".

Swarthmore Phoenix: It is against the rules at Barnard College for Freshmen to laugh at faculty jokes.

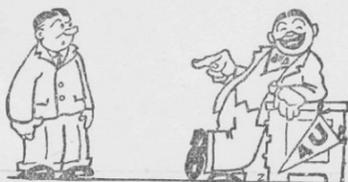

The Springfield Student: Scientists at Perkins Observatory at Ohio Wesleyan University hope that before the

solar eclipse visits this part of the country next year they will have ready for use the mammoth 69 inch mirror, the third largest in the world, now being installed in the observatory.

The Campus: Harvard University continues to use Yale locks on the doors of her buildings, but the name "Yale" is not to be seen on the locks. Harvard officials have specified in a recent contract with the makers of Yale locks that the name "Yale" must be omitted.

The Campus: Boston University is doing its bit toward lessening unemployment by replacing professional ushers with unemployed graduates at its home football games.

The St. Bona Venture: Duke University has about the most complete campus in the country. There are clothing, book, and supply stores, a coffee shop, soda fountain, motion picture theatre, laundry, pressing shop, hospital, libraries, carpenter, paint and plumbing shops, postoffice, barber shop, weekly newspaper, athletic fields, church—and officers of the law.

Made of the finest tobaccos—The Cream of many Crops—LUCKY STRIKE alone offers the throat protection of the exclusive "TOASTING" Process which includes the use of modern Ultra Violet Rays—the process that expels certain harsh, biting irritants naturally present in every tobacco leaf. These expelled irritants are not present in your LUCKY STRIKE. "They're out—so they can't be in!" No wonder LUCKIES are always kind to your throat.

"It's toasted"

Your Throat Protection—against irritation—against cough

And Moisture-Proof Cellophane Keeps that "Toasted" Flavor Ever Fresh

TUNE IN ON LUCKY STRIKE; 60 modern minutes with the world's finest dance orchestras, and Walter Winchell, whose gossip of today becomes the news of tomorrow, every Tuesday, Thursday and Saturday evening over N.B.C. networks.

★Is Miss Claire's Statement Paid For?

You may be interested in knowing that not one cent was paid to Miss Claire to make the above statement. Miss Claire has been a smoker of LUCKY STRIKE cigarettes for 5 years. We hope the publicity herewith given will be as beneficial to her and to Samuel Goldwyn and United Artists, her producers, as her endorsement of LUCKIES is to you and tous.

Ladies—the LUCKY TAB is—your finger nail protection.

Never parched, never toasted
CAMELS are FRESH
 in nature's own mild way!

EVERYONE knows now that Camels are the *fresh* cigarette.

If inquiry went deeper, it would reveal that Camels are the *natural* moisture cigarette.

That's important, because in handling fine tobaccos, when you process out natural moisture, you sacrifice freshness and flavor too.

Camel smokers needn't worry about that, because Camels are blended of fine Turkish and mild Domestic tobaccos that are never subjected to violent process-

ing. They need no parching or toasting to make them smooth, palatable, cool.

That's why the Camel Humidor Pack is such a boon to Camel smokers—it preserves the *freshness*, flavor, natural moisture, fragrance that are in this fine cigarette to start with.

Camels are *fresh* in nature's own mild way, and if you want to see what that means in unalloyed smoke-enjoyment, switch to them for just one day — then leave them, if you can!

CAMELS
 Made FRESH — Kept FRESH

● Don't remove the moisture-proof wrapping from your package of Camels after you open it. The Camel Humidor Pack is protection against perfume and powder odors, dust and germs. In offices and homes, even in the dry atmosphere of artificial heat, the Camel Humidor Pack delivers fresh Camels and keeps them right until the last one has been smoked

Sororities

Sigma Chi Nu

Sigma Chi entertained the Freshman girls at tea Sunday.

Lucile Bailey, Hilda Crandall and Betty Hyde were our dinner guests Tuesday evening.

Thursday evening our guests for dinner were Erma Burdick and Virginia Gardner.

And we certainly give three big rahs for cross country!

Nice parties boys!

Theta Theta Chi

Dinner guests this week were, Virginia and Helen Smathers, Frances Coty, Martha Cornish, Phyllis Leymann, Irene Shuchowsky, Mandalay Grems, Mary Olney, Helen Olney and Betty VanHorn.

Week-end guests were, Grace Steere, Mandalay Grems, Georgia Grow and Betty Stillman.

What with frosh tea and faculty tea this week-end, we've almost forgotten about mid-semester next week, unfortunately for us.

Pi Alpha Pi

We had as dinner guests on Wednesday night, Mary Emory, Kathleen Johnson, and Betty Simpson. On Thursday our guests were, Evelyn Zeiler and Anne Walzer.

Miss Fosdick and Miss Nelson were at the house for luncheon Thursday.

Now we're all members of the "Apple Pickers Union," for we spent Saturday morning at work on "our tree".

Ann went to Angelica for a week-end with Kay Chamberlain.

Josephine Partridge and Betay Gillespie spent Friday night with us.

Ask Ruth how she got the mop. Bet she'll run!

So the cross country team piles up another victory! Congratulations!

The Brick

The usual number of people went home for the week-end, or at least part of it. Among these were, Martha Cornish, Madge Kidney, Mary Curry, Dorothea Dunton, Georgiana Kennedy, Helen and Virginia Smathers, Betty Gallton, Hazel Burr, Wilma Smith, and Ruth Harrington.

Our numbers were further depleted as a result of the Alfred L. I. U. game, and the excursion to New York. Those taking advantage of this were, Billy Nichols, Dorothy Ravit, Felice Manz and Charlotte Jazombek.

Mildred Bowen was called home Saturday by the serious illness of her father. The girls extend their sympathy to her.

Coach and Mrs. McLane were dinner guests Sunday.

Fraternities

Kappa Psi Upsilon

Wilbur Getz spent the week-end in and about Alfred.

Murray, Merck, Muller, Berls and Arwine inspected New York, while Nevins visited Easterbrook at Bath, and Reid went home with Brush to Arkport. Dutch substituted for Nevins at the piano.

We thank Bartlett Hall for the dance.

Klan Alpine

Brothers Razey and Lyons accompanied the cross country team to West Point; while Brothers Lockwood, DeLaney and Gaiser journeyed to Long Island with the football team.

The boys certainly enjoyed the radio party Saturday night.

It seems great to have "Hack" Shappee back for a visit.

Congratulations, cross country!

Good fight, football!

Beta Phi Omega

Brothers Hollis, Palmieri and Carlson journeyed to the L. I. U. game this week-end.

We suffered the loss of our dog

house in the back yard this week, when a disastrous fire consumed the imposing structure. Incendiarism is suspected—page the Grogan.

Brother Whiteman journeyed to Buffalo this week-end to try the state exam for a pilots license.

Our commuting element has been reduced to one, since Brother Hollis is now living at the house.

Kappa Eta Phi

Those impending exams—did they deter our boys from cheering the team on to greater efforts? Or didn't they cheer?

And if he busts out, there'll be only Bobsy to blame.

If only they'd allow co-eds into the infirmary, Jay Riskin shouldn't be having a half bad time of it. But dying on masculine sympathy is no substitute, he says, between sighs.

From Svengali—quote—Bill is still 13, and exams aren't the only things that are troubling Jesse.

Theta Kappa Nu

Congratulations cross country team.

Brothers Regan, Grantier, Chamberlain and Fuller made the trip to Long Island.

We were glad to have brothers Young and Fenner with us at the house party.

Evans and Ackerman, also dropped in for a short time.

Brother Kuenn went to Manlius with the "Frosh" team.

Brother Wessels helped defeat the Army.

Brother Huffcut made his regular Sunday afternoon trip to Mansfield.

Prof. Crandall, Prof. Cheval and Prof. and Mrs. Boraas were guest chaperones at our house dance.

Bartlett Dorm

The "Frosh" football team returned home late Saturday night to find a group of merry makers having a great deal of fun at Bartlett Hall.

Although Bartlett Hall dance was called off late in the week due to some unforeseen causes, some of the "Frosh" at the hall not to be outdone by their rivals, applied and received permission to hold an open house Saturday

night. The affair as a whole was very successful. The music was furnished by the new R. C. A. radio victrola which is on trial at the dorm. The guests of the evening were, Dean Degen and Professor Harris. At 11:45, the last dance was announced and everybody, after bidding Mother Camp farewell, hurried to their happy abodes as 12:00 P. M. was the zero hour.

Tough luck, Frosh—better luck next year.

Questionaire:'.? The Frosh at Bartlett would like to know why Alfred is called the mother of men?!?! Q. E. D.

ASSEMBLY

The motion picture "talkie," of Mark Twain's "Connecticut Yankee," starring Will Rogers, furnished the entertainment for last Thursday's assembly. The picture was a production of the Talking Pictures Tours Company, Inc., of Buffalo, N. Y.

It had been planned to have Miss

Mary Brady, director of the Harmon Loan Foundation as speaker, but due to a conflict in appointments Miss Brady was unable to be present. The student body will, however, have the opportunity of hearing Miss Brady at some date later in the year.

The substitute program filled in very well and was enthusiastically received by the audience.

KLAN ALPINE OPEN HOUSE

Klan Alpine held "open house" on Saturday night, November 17th. Mrs. King, Professor and Mrs. Seidlin, and Chaplain McLeod were chaperones.

An unusually good program of orchestras was received over the radio for dancing. Those not caring to dance participated in bridge and other card games.

Born, Friday, November 13th, to Dr. and Mrs. P. C. Saunders, a son, Phillip Canfield.

"I liked Chesterfield right from the start"

NO, I don't know a blessed thing about how cigarettes are made. But, of course, I would want the tobacco to be PURE. And then I've heard that the blending is very important. I'd want *that* to be done just right.

"Then the paper. I don't like paper that you can taste—or smell when it's burning. I'd want that pure too.

"Another thing. I want to smoke whenever I feel like it—without worrying about smoking too many. So I want my cigarettes MILD.

"But the main thing, of course, is TASTE. I don't care for over-sweetened cigarettes. I much prefer those that are just sweet enough.

"Chesterfield seems to satisfy in every one of these ways. That is why I'd rather have a Chesterfield."

SMOKERS tire of too much sweetness in a cigarette, and they don't like rawness. For a steady diet, they want a cigarette like CHESTERFIELD — a mild and mellow smoke, free from any over-sweetness or any harshness or bitterness. That's why more and more smokers every day are changing to CHESTERFIELD.

Good . . . they've got to be good.

MANLIUS DEFEATS FROSH

Running up against much stiffer opposition than expected, the Manlius school football team waited until the second half to get under way against the Alfred University freshmen last Friday on the Manlius home field, and finally came off with top honors to win by the score of 19 to 6. This game marked the end of the season for both teams.

At half time the score stood 6-all, mainly through the excellent work of the yearlings forward wall. The "fighting Frosh" puzzled their foe continuously during this half, but after the rest between halves Manlius came back strong and scored its two other touchdowns within a very few minutes.

Manlius was the first to score on a pass of 20 yards. Attempting the same play a few minutes later, Hansen reached up, grabbed the ball and ran 50 yards behind excellent interference, for Alfred's only score.

In the first half each team made five first downs but for the most part play was confined to midfield. The two scoring thrusts served to break the monotony of the midfield play.

The second half saw the Cadets score once on a pass and another time on a fake pass. Alfred was held rather easily in this second half and at no time did they seriously threaten to score.

Bevacqua playing at guard for the frosh was his usual self; always to be depended upon to give his best, he was in there stopping every play possible and together with Clark, Fierstine and Burch they proved to be Alfred's standouts. Manlius was all Gaffney and Hollembaek.

Summary:

Manlius (19) Alfred (6)

Millard	L. E.	Mitchell
Erion	L. T.	Hansen
Metcalf	L. G.	Bevacqua
Mallon	C.	Brush
Oswald	R. G.	Mann
Eisenberg	R. T.	Cohn
Hollembaek	R. E.	Adessa
S. Verbeck	Q.	Quinn
Gaffney	L. H.	Fierstine
Lawton	R. H.	Boylan
BacHiel	F.	Clark

Score by periods:

Manlius	6	0	13	0-19
Alfred	0	6	0	0-6

Touchdowns—Hansen; Gaffney, 2; Hollembaek.

Point after touchdown—Hollembaek.

Substitutes — Alfred: Whitney, Teta, Button, Fedora, Perrone, Smigrod, Boylan, John. Manlius—Freman, Burke, Miller, E. Hollembaek, Danahy, Howe, Ward, McIntyre.

Referee—Storrier.

Umpire—Kearney.

Linesman—Smith.

Time of periods—12 minutes.

SOPHS BEAT FROSH 3-0

On Friday the Sophs beat the Frosh 3-0 in the first Interclass Hockey game of the season. During the first half most of the playing took place in Frosh territory, but in the second half the Frosh showed up nicely. Although they failed to score, they prevented the Sophs from scoring in this half. It had been rumored that due to the mud on the field there would be no game, but the mud only added more excitement to the game.

Some of the rules for Freshmen of Harvard University in 1734 were:

"No freshman shall wear his hat in the college yard except when it rains or snows, or be on horseback, or hath both hands full."

"No freshman shall use lying or equivocation to escape going on an errand."

"Freshmen may wear their hats at dinner and supper except when they receive their commons of bread and beer."

—Univ. of Maryland "Diamondback"

SIDE LINE SLANTS

If any of the male members of the college think that field hockey is a sissy's game, let them witness one. The Freshmen-Sophomore contests on Merrill Field. In a quagmire of mud the co-eds battled for forty minutes the other day. The score—? We don't know, and doubt if they do but if the mud-bespattered girls are any criterion it was a lively fracas. And then because of the deplorable conditions existing in the overcrowded Field House, they couldn't take showers. We have visions of any of the men's team in a similar plight.

Five out of seven was our record last week and there is little hope that we will fatten our average during the coming week's games, but this is how they look to us: The annual eastern classic, the Yale-Harvard game presents Yale with a golden opportunity and being superstitious we point to the fact that cards are stacked against the Crimson. An undefeated record is a handicap; the Harvard Frosh Beat Yale, and in the last three years the blue yearlings have won only to have the varsity lose. The Crusaders of Holy Cross took lots out of the Harvard team, while Yale was resting up for the big game. It will be a battle royal with Albie Booth and Barry Wood vying for honors. It is the little Blue half pint's turn. Wood has had the Indian sign on him for three years, beating the Yale Frosh four years ago with his educated toe, in a 7-6 win. Rochester to top Hobart, although we hope it will be the other way around. S. California will give Notre Dame its closest scare of the year, but the game is in the Irishmen's own back yard. The South Benders should win. Niagara and St. Bonaventure look even to us. Navy will drop another to S. Methodists.

Y W C A PLANS SEASON

The Y. W. C. A. has entered upon a period of rejuvenation, attempting to overcome the feeling of lethargy and inactivity which has crept over it during the past few years.

The college in co-operation with this new spirit has redecorated the walls of the Y rooms. New curtains and cushions are to be purchased, which will add to their attractiveness.

The rooms are open daily to the members who wish to enjoy the privileges, which the Y affords.

This year, for the first time, a candle light initiation was held, which lent a certain feeling of dignity and reverence to the service. The new membership is the largest in years.

Miss Harris and Miss Ford have accepted the invitation of the Y. W. C. A. to become its faculty members. In order that the interest and spirit

of the Alfred unit does not become too local, a member has been appointed to keep in touch with the national organization.

A. U. C. A.

The A. U. C. A. is one of the oldest organizations on the campus. Its purpose is to promote fellowship among students by having weekly meetings where the fellows can get together to discuss problems of importance in the life of every college student.

The A. U. C. A. was formerly the Y. M. C. A., but was re-organized recently with the idea of making it form a more vital part in the college life of Alfred. Dean Norwood, Professor Conroe, Chaplain McLeod, and Coach McLane were chosen faculty members of the cabinet.

The President, Samuelson, recently represented Alfred University at the New York State Student Council.

At the New York State Student Conference at Kingston, New York, twenty-three colleges were represented. The general theme of the conference was: The Road to International Friendship. Such noted speakers as Kirby Page, Paul Harris and William Pickins addressed the students, and discussed with them world problems of peace and disarmament.

FOOTLIGHT CLUB HOLD MEETING

The Footlight Club held a meeting at 7:30, Thursday, November 12th. Professor Burditt, Phlabia Sheheen, Dante Vezzoli and Stockton Bassett were chosen to act as a committee for selecting a Christmas play. A very favorable report of the results of the recent Frosh-Soph plays was read.

RESUME OF SEASON

Continued from page one few students have seen them run this year, but win or lose in this contest they boast the best record of any team in school. The least the student body can do is to give them a Pep meeting and send off for the big race of the year.
