PRESIDENT DAVIS BIDS WELCOME TO ALL NEW STUDENTS

Dear Editor of the Fiat Lux:

I am glad to accept your invitation to say a word through the Fiat Lux welcoming new and returning students to the campus.

This ninety-sixth year of Alfred's history is a good year in which to enter college, because the entering class is the Centennial Class, and this college generation will see Alfred's history round out a century, and make the final preparation for the beginning of the second century. It is a rare privilege to help put the finishing touches on a century old institution, which is destined to live for many centuries, and bear the stamp of the first century in all its future history.

I am particularly glad to have the privilege of knowing and welcoming the members of the Class of 1936, and seeing them started on this notable four years. I am glad also for the return of all former students who have been fortunate enough to be able to take up again college work. Welcome back to Alfred!

The presence of every one of Alfred's students this year is an added satisfaction to me as I anticipate the tasks and the privileges and joys of this my last year on the campus as your "Prexy".

The re-organization of the State College of Ceramics is an event in this ninety-sixth year which will also make it outstanding.

If in addition to these special features of the new year, there can be a genuine spirit of scholarly interest, a high quality of character, a fine loyalty and cooperation on the part of all—students and faculty, as I believe there will be, I know this will be a happy and successful year for all of us, and for our Alfred.

Boothe C. Davis,
President.

HARRIERS HANDICAPPED BY LOSS OF VETERANS

With but one regular back, Coach McLeod has been forced to develop a new and untried team with material that lacks the natural ability evidenced in members of past teams. Red Java, star on last years' Frosh track team, seems the most likely prospect and protends to be a man of excellent calibre.

As yet the team has had no time trials and has solely been working on developing form and endurance. A series of developing calisthenics followed by jogs of varying distances has constituted the main training schedule. Undoubtedly, this week the novices will have their first taste of speed as a preliminary tryout for the coming Geneva meet at Alfred.

Wessells, Roe and Cibella, who showed signs of promise on past teams will probably be good running mates for TenBroeck and Java, the nucleus of the squad. Comstock, Parente, and Riley are working up towards the leaders and should be running with them soon.

VARSITY TAKES OPENER FROM DEFIANCE, 6-0

"Mud" Boylan Scores Touchdown On Twenty-Five Yard Run

A flashy Alfred combination, spasmodically clicking, holding in the pinches, fumbling and being penalized, came through in an inexperienced but promising style to down Defiance University with a 6-0 win in the opening game at Merrill Field, Saturday night.

Lacking twice the final drive when within scoring distance distance, this spirited Alfred eleven gave stocky "Mud" Boylan perfect interference in the third quarter for a 25-yd. run off right end for the winning touchdown.

Twice Denance threatened to cross Alfred's goal line. Twice the Purple and Gold presented a solid wall and repelled the invaders. Baffled, Defiance resorted to a passing offense in the final play that was easily broken up by the alert Saxon backs.

Both teams showed clearly the lack of seasoned form by frequent penalities, fumbles, and losses. Defiance might be characterized as more consistent but lacking in drive and ground gaining plays. Spectacular but ragged was the type of play displayed by the Saxon squad.

Alfred received the kickoff on their thirty yard line, but failed to run it back. After two line bucks, the home eleven fumbled but recovered the ball. Hanson kicked the ball to the center of the field. Returning the pigskin to their 48-yd. line. Defiance was thrown for a 5-yd. loss when their line gave on the first play. Alfred then gave a first down to Defiance on a fifteen-yd. penalty for holding. A similar penalty gave the invaders five yards, after two plays with no gain. Then Adessa broke through and nailed the slow starting Defiance back. Receiving the punt on the thirty-five yard ine Merck made ten yards. After a fumble with a loss of five yards, Boylan cracked the line twice for about ten yards. Clark called Hanson back for a beautiful punt to the twenty-one yard line. Goedal received and followed up with a nine-yard gain through center on the first play. Breaking through, Adessa, smeared the next pay and forced Defiance to punt. After a three-yard gain through the tackle hole, Clark reeled off a flashy end run for 26 yards. At the quarter, Hanson tried a pass to Adessa that was knocked down.

Defiance signalled for a free catch of Hanson's punt and chose to follow with a free kickoff. Firestein ran the kickoff back to the opponents 33-yd. line. A beautiful criss cross with Boylan carrying the ball, netted Alfred 21 yards. Two no gain plays were followed by a fumble to nullify the stands plea for a touchdown. Defiance punted to Alfred, but soon regained the pigskin on a second fumble. Failing to make a first down, Defiance kicked deep into Alfred territory. With a few minutes of play Alfred opened with an aerial attack that failed completely. An exchange of intercepted passes completed the half with no score for either team.

Hanson opened the second half with a long kickoff deep into Defiance territory. Following an exchange of punts, Defiance punted to Henning to start the Saxons on their victory drive. Henning tore through three Defiance backs for a substantial fifteen-yard gain, bringing the ball to the 28-yard line. Clark gained four yards around right end. Then, "Mud" Boylan skirted right end with perfect interference for the winning touchdown.

Defiance received the kickoff with a resolve to win the game. A pass from Rex to Fowler gave Defiance a first down and started their drive for a touchdown. Rex, star Defiance back, worked the ball up to the twenty-yard line on a long end run. Alfred then held while Defiance missed pass after pass. The quarter ended after Hanson kicked out of danger from the ten yard-line.

After another exchange of punts with a slight gain for Defiance. Defiance intercepts a pass on Alfred's twenty-four-yard line. Two completed passes gave the invaders a first down and put them within scoring range. After two no-gain plays, Hanson

HEAD COACH GALLOWAY

VARSITY ELEVEN POINTS TO ROCHESTER GAME

With a victory under their belt, the Alfred varsity eleven is undergoing an intensive training schedule for a tough game with Rochester University at Rochester this Saturday. Coach Galloway is polishing off the rough spots that showed up in the opening game and is working towards coordinating and balancing the teams' play.

Opening with Williams College, last week, Rochester scored a moral victory when they held them to a 6-0 victory. Playing out of their class, Rochester showed in this game a type of football that will raise problems for the Purple and Gold color bearers.

Ths week's practice should see Rudy Cohen back working out with the team. However, it is very doubtful whether he will be able to play in this week's game. Red Wallace will still remain on the sidelines, but this is offset by the talent that was displayed in the backfield in the opener last week.

Tapering off towards the end of the week, the squad should round into a form that will be a great improvement over their last try. Retaining their fine spirit and developing better coordination shoud be the key to victory for Alfred at Rochester.

"MEETING AND SOLVING NEW PROBLEMS" TO BE DISCUSSED IN CHAPEL PROGRAM

Regular Chapel began on Monday, September 26th, at ten o'clock in Kenyon Memorial Hall. The increased interest in Chapel during the past three years with the general wholesome attitude toward this oldest of Alfred traditions has been most encouraging to faculty and students alike. Beginning the college year, Chaplain McLeod spoke on the ride through life, stressing the importance of realizing that it can never be a free ride. There are some people who steal a ride, some ride on a pass, some ride half fare, but those who contribute something to the world's progress, always pay. He pointed out that too many people, as described by H. C. Wells, go through life, "fudging and evading and side-stepping, till their first contact with elemental realities is the cold sweat of their death bed."

Tuesday's subject was "O What a Difference," in which the Chaplain pointed out the difference between those who win and those in win in life. The subject of the talks for the remainder of the week were announced as dealing with the general subject, "Meeting and Solving New Problems".

Welcome Freshmen

The Fiat Lux as the medium of student expression welcomes all you new students to Alfred University as share holders in a font of learning with an atmosphere of tradition, your heritage from its founders. Your being here signifies that you welcome the opportunities offered by Alfred. Take care lest you forget the high resolve of your entering.

A Ford followed a Lincoln down the street; a Freshman followed a Senior. The first example typified the highest class of automotive science in contrast to the lowest; the latter contrasted the development of a college student. You Freshmen are not Lincolns yet. Few Seniors can be classed as Lincolns. It is only through taking advantage of all your opportunities and being willing to learn from some one else that you will attain the desired class.

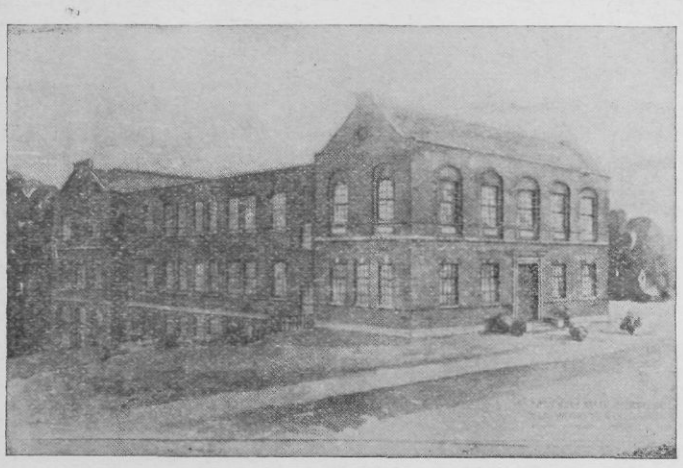
Past experiences have shown that the Frosh who thinks the momentum of his success in high school will carry him to new heights in college has either changed his theory or ended at the bottom of the pile. Alfred depends on you for new ideas, enthusiasm, renewed vigor, and faithful service. Alfred gives you friendship, seasoned wisdom, developed personalities, wholesome traditions, and calm conservatism. Blend yours and ours and you will be the Lincoln of tomorrow.

Friendly Rushing

Once more the old fraternity problem has come upon the horizon, but in a more amiable fashion than in previous years. As yet, all rushing has been strictly within bounds and the fraternities have been on the most friendly basis in years. It is the Fiat's sincere wish that this may continue; but, if it changes, the Fiat Lux is going to back up the Interfraternity Council in exposing any unethical rushing regardless of who it hurts.

For you Freshmen, the Fiat is printing a copy of the Interfraternity Council rules taken from the Frosh handbook. We ask you to familiarize yourself with these rules so that you may report infractions and cooperate with us in exposing infractions. Many of you are going to be fraternity men. If you help this year, it will make the problem easier in future years. Let's continue rushing on a friendly basis!

NEW YORK STATE COLLEGE OF CERAMICS



The New York State College of Ceramics completed recently will be the center of ceramic activity at Alfred this fall. Students and alumni are invited to visit and admire this beautiful home of Ceramics.

RUSHING RULES

ART. V—PLEDGING

Sec. 1. No man shall have a pledge pin in his possession until pledged according to the By-laws of this Constitution, nor shall he be considered pledged until he wears a pledge pin in the proper place, or has *signified in writing his intention of joining* a given fraternity.

Sec. 2. No fraternity shall bid or pledge a man until he has attended Alfred University for the time of a closed season.

No fraternities shall pledge a man who matriculates the second semester until the beginning of the following year.

Sec. 3. The following rules shall be strictly observed in regard to pledging:

(1) Closed season shall be defined as that time from the beginning of college in the fall till the Monday following the day the bids are sent out, except on the special nights during Rushing Week upon which each fraternity in turn entertains the prospective plegees. Upon these nights the fraternity which is doing the entertaining may be allowed the privilege of rushing, but no other fraternity is allowed *this privilege until their night comes.*

(2) During Closed Season, no fraternity shall entertain more than three Freshmen at any one time.

(3) Rush parties will begin on the Tuesday preceeding the week of Thanksgiving. Bids shall be sent out Saturday of that week and returned the following Monday.

(4) Bids shall be sent out by the secretary of the Council at 8:00 A. M., on the last Friday of Rush Week. All bids stamped and addressed, must be in the *hands of the secretary, by that time.*

(5) All accepted bids must be returned in person to the fraternity house before 1 P. M., Monday closing Rush Week. Rejected bids must be mailed to frat houses between 7:30 A. M., and 10:30 A. M., of the Monday ending Rush Week.

(6) No conversation shall be held during Rush Week between fraternity men and eligible men except in frat house the night of the rush party.

(7) All fraternity bids shall be sent out on printed forms supplied by the Council. Nothing else in addition to these cards shall be sent out.

(8) No Freshman shall room or board in any fraternity house until he has been pledged by that fraternity.

Sec. 4. No fraternity shall approach any man after he has been pledged to another fraternity or has signified in writing, his intention of being pledged.

Sec. 5. Any fraternity which solicits the membership of any man in a manner which shall be considered unnatural or unfraternal shall have committed a misdemeanor requiring judicial action by the Council.

Sec. 6. No fraternity shall pledge a man who has worn the pledge pin of another fraternity of this Council until four months have elapsed from the time the first pin was returned.

Sec. 7. If a man should have his pledge pin taken from him, the Council shall be *informed by the fraternity whose pin he* wore.

Sec. 8. The names of all new pledgees shall be reported by each fraternity at each meeting of the Council.

Sec. 10. Any fraternity which belittles, or attempts to belittle or degrade, any other fraternity in the eyes of any person by word or action, shall be considered as having committed a misdemeanor requiring judicial action by the Council.

Sec. 18. Each fraternity agrees to be *governed by this Constitution and its By*laws.

Sec. 19. All rush parties will begin no earlier than 6:30 P. M., and shall be over no later than 12:00.

Back Alfred Cooperative Shows

Alfred can have its co-operative talkin picture shows again this year if everyone will get behind the project and support it, according to information learned today from Dr. Gilbert Campbell, who so efficiently conducted the programs last year.

Because insurance rates have been raised on Alumni Hall, where the shows are run, it is necessary to assure enough money in advance before the programs can be run off. This means 600 tickets must be sold. Don't wait for solicitors to see you. Drop into Ellis' Drug Store today and buy as many tickets as you possibly can.

Anybody can use the ticket. Think of somebody who will use it gladly if you don't care for shows. Fifteen shows out of thirty or more during the college year. You may bring fourteen of your friends and use the whole ticket one night. But don't wait.

CLASS OF 1936

Freshman Week Finds One Hundred and Ninty-Five in Attendance

The class of 1936, the "Centennial Class," has been gradually gathering in Alfred since last Friday and at the opening of the program for Freshman Week, on Tuesday morning, one hundred and ninety-five were in attendance. Many more were expected as the acceptances exceeded the two hundred and fifty mark; the administration are confident of a final registration which will total over two hundred.

The first meal of the college year was served to the Freshmen at the two dormitories on Monday evening. At that time it was learned that no accommodations are left for girls in the Brick and only two half rooms are still vacant in Bartlett Dormitory. The faculty and other members of the administration have been most kindly meeting the incoming trains which bore the many a future "wearer of the green". The last term hardly holds all the odium it has been born in the past, since the length of time for wearing the "Frosh Badge" has been shortened, and furthermore the girls will appear in green berets rather than caps.

On Monday afternoon, conditioned students were offered the opportunity to take examinations to remove the low standing. At the same time the boys in attendance at the Freshman camp for men returned.

The formal program of Freshman Week was inaugurated by a chapel service held in Kenyon Memorial Hall at eight thirty on Tuesday morning, Chaplain James C. McLeod officiating. Following this service, President Boothe C. Davis spoke to the assembled group on "This College of Ours". The announcements of other events which would take place during the day were made then.

At ten in the morning the Freshmen divided; the young ladies going to the Education Lecture rooms in Alumni Hall, where Dean Dora K. Degen spoke to them on "Alfred's Social Ideals," and the boys remaining in Kenyon Memorial Hall to listen to talks by Dean J. Nelson Norwood and Irwin A Conroe, Assistant Dean.

A recess of half an hour was allowed from ten forty-five until eleven fifteen; the Freshmen then reconvened for addresses on "The Trasition from College to High School" by Dr Gilbert W. Campbell and Dean J. Nel son Norwood.

In years past it has been customary to have a picnic lunch served to Freshmen and faculty alike in the pine grove, but this procedure was omitted this year since both dormitories were filled and had begun the serving of meals.

Tuesday afternoon was devoted to examinations; the principal test being one to grade the standard of each Freshman's command of English; this test has become a prerequisite for each Freshman and no one can register without having taken it.

Wednesday's program was preceded by a chapel service; then the staff of the Ceramic College, led by Dean E. M. Holmes, presented an outline of the courses to be offered in that field. At nine-thirty Dean Norwood, Dr. Campbell, Dr. Murray J. Rice and Professor H. O. Burdick spoke in behalf of the courses offered in the Liberal Arts College, for both degrees, either Bachelor of Arts or Bachelor of Science.

Following a short recess, Dean Norwood and E. Claire Green, of the class of 1932, president of the Student Senate for the coming year, spoke to the group on "Student Traditions, Institutions and Government".

The last speakers dealt with the problem of much interest to all the students: "Alfred's Athletics". The coaches of football and cross country, John Galloway and James C. McLeod respectively, and the Director of Athletics, James A. McLane, developed this topic.

The afternoon was devoted to registration for the Freshmen, each member of the class had to have his or her picture taken before going through the registration procedure.

The combined efforts of the Alfred University Christian Association resulted in a very enjoyable reception to Freshmen and faculty members at the Susan Howell Social Hall on Wednesday evening. The presidents, Ruth Kenyon and Donald Stafford, of both organizations, spoke briefly to the gathering; welcoming the new class and presenting to them the ideals and the work of the Christian Associations.

ALFRED–BUFFALO AUTUMN PICNIC

A very large and successful fall picnic of Western New York, Alfred Alumni was held Saturday evening, Sept. 10th, at Niagara Falls, in the State Park, with an attendance of nearly eighty. Mrs. Robert W. Fuller, president of the Association, was in charge. Several hours were spent in pleasant visiting. When it is stated that the edibles represented the skill of a number of well-known "Alfred" housewives, complimentary reference to the spread will not be required.

Among those present were: Dr. and Mrs. Elmer S. Pierce, Mr. and Mrs. M. M. Wilner, Mr. and Mrs. L. R. Ray, Mr. and Mrs. Kenyon of Westerly, R I., and their son, Spicer Kenyon, Mrs. Kenyon and family, Mr. and Mrs. Howard Langworthy, Mr. and Mrs. Harry J. It's great to be back.

What a victory Varsity, and the first game too.

Although it has been fun arranging the new house, we're glad that classes start Monday.

Seems natural to have Mac and Pat around again.

"Isn't it "great to be back"?

The stress of arrivals, registration and settling has left little time for us inmates of Morgan Hall—so here are our best greetings, everyone.

A mighty nice game team, we're proud of your fight and spirit. Make this the first of a victorious season.

Ginny Richter, Mary Emery, Lauretta Thompson and Georgie Kennedy were over-nite guest during the week.

Congratulations, Sigma Chi on the completion of your good looking house.

Phil, Glad and Bunnie spent the week-end at Frosh camp.

Helen and Ginny Smathers came over for registration—Helen to officiate Wednesday nit at the reception for Freshmen.

Theta Kappa Nu

We wish to welcome the class of 1936, into our midst. Hope they do their bit to make this year a great success.

Congratulations Varsity! And remember Rochester is next.

Boy Oh Boy it's great to see so many back for another year, and here's hoping this term is just a little bit better than the past.

It sure looked like ald times last Saturday, when so many of our Alumni were back to the game.

We are pleased that "Hi" Holden and "Hal" Hucut are to be with us again.

Doc Waller says it's going to be great to start eating "Ma" Martin's famous food again.

Most of tne boys have returned for another year.

Brother Samuelsen returned to visit the Bretheren for a few days, before assuming studies at Long Island Med.

Brother Bill Capowski has left for Germany, to study medicine.

We are glad to have Norm LeTourneau back with us again.

Brother Dungan is teaching school in that progressive town of Five Corners.

Nice going, Varsity!

Welcome to Alfred, Freshmen!

Great game Varsity, we're backing you to win next week at Rochester.

Alumni brothers, Strate, Howbridge, Olander, Zschiegner, Amento and Barton came back to see the game and talk over old times with the boys. Mr. and Mrs. Cole and Mr. and Mrs. Kuhl were alumni guest for dinner Sunday.

Swede Olander came back and brought some of his football men over to view the Saturday night game.

Butch Meinfelder, Eddie Haines and Frank Earl are regular again—their cars are running smooth.

We wish to welcome all the Freshmen and new students to Alfred.

Since the training table has ended at the house, things are beginning to look the same again. The "wolves" kept the food from being wasted anyway.

It looked like "homecoming day" at the house, Saturday. Alumni to visit us were: "Ken" Nichols, Deuth Cripps, Lou Obourn, Jack McGraw, Bob Hoehn, "Pete" Shaner, Pat Perrone, Alec Lippman and Gus Larson. They sure got a kick out of seeing Alfred on the long end of the score.

Great game Varsity!

Okay '32-'33, Let's go!

We opened the season with a swishing of brooms and a slapping of paint brushes.

Glad to see "Billy" R. back again.

Brothers Bacher and Rind paid us a visit this week-end; they assisted in the arrangment of our suites.

SOPHS TO WELCOME FRESHMEN AT GYM SATURDAY NIGHT

The Sophomores will officially inaugurate the social season on Alfred's Campus with a Welcome Dance to Freshmen, at the Davis Track and Field House this Saturday at eight-thirty. The Saxons Serenaders, well known orchestra about Alfred will serve the syncopation for the occasion.

President Carl Scott of the host class has been generous enough to invite all the upperclassmen to join in welcoming the Freshmen at the dance and in having a good time. The gymnasium will be suitably decorated in the class colors and the serving of refreshments will be interspersed between dances. This year the Sophomores are to be congratulated for organizing this dance at the most auspicious time of the year. Dancing will be till twelve o'clock with time out for intermissions.

Committees for the dance follow: Refreshments, Eleanor VanTyle, Mildred Tasker, Mandalay Grems; music, Carl Scott, Charles S. Hopkins, Phillip Adessa; decorations, Grace Steere, Evelyn Zeiler, Dorothy Parmalee and Lucille Bailey.
