

**Attention alumni: Do you have a credential file at CDC?**

6/04/15

Credential files (letters of recommendation, certifications) are maintained at the Career Development Center for 10 years after graduation. Pre-Health and Pre-Vet folders are maintained indefinitely. This summer, files from students who graduated in 2005 will be destroyed. For questions concerning your credential file, please email [cdc@alfred.edu](mailto:cdc@alfred.edu).
