

## Flaming Torches Signal Pep Rally Thursday; To Parade From Bartlett

Kappa Nu and Delta Sig Sponsoring Rally—Parade Starts at 7:00 O'clock—To Visit All Fraternities and Sororities—Post "Beat St. Bona" Placards

The pep rally sponsored by Kappa Nu and Delta Sigma Phi fraternities will originate at Bartlett Dormitory, Thursday night at 7:00 o'clock.

Headed by the University Band, directed by Prof. Ray W. Wingate, the parade will march around the campus under the light of flaming torches to the various houses and then proceed to the field. There a large bonfire will greet the parade.

The committees in charge of the rally have had 1000 placards printed bearing the words "Alfred Beat St. Bonaventure." These placards will be posted in Wellsville, Olean and other neighboring towns. They will also be conspicuously posted on the campus.

Delta Sigma Phi fraternity's committee is composed of Charles Hopkins, Bernard Alexander, Albert Muff, Louis Granger, Joseph Sarandria, James Schalzo, Howard Buttery, Richard Vrabec, Albin Anderson and Henry Hackett.

Kappa Nu fraternity's committee consists of Jerry Rosen, Milton Goldstone, Elmer Rosenberg, Clifton Katz, Jack Edelson, Lee Schorr, Sidney Fine, Bernard Berger, Sidney Finklestein and Sidney Tover.

At the time of this writing a committee meeting was scheduled for Monday night to arrange the minor details of the rally.

Although the attendance at former pep rallies has been comparatively small it is hoped that the entire student body will come out to this rally.

## Unique Annual Is Made Ready

Complete Layout For  
Junior Year Book

With the layout completed for Alfred University's 1936 Kanakadea Year Book, Charles D. Henderson, business manager, stated today that he expected one of the largest sales ever recorded for year book production. Embracing many unique features, the book will be different than any other volume issued in recent years, he said.

It is hoped that the book will appeal to all students. Aided by the fact that 1936 will be the centennial anniversary, the staff has a wealth of material to choose from in making up the annual publication as to novel ideas and unique layout.

The business staff has been enlarged and the entire staff revised and put on a competitive basis.

Junior pictures will be taken sometime this week. It is urged that all Juniors keep their appointments.

Candidates from the Sophomore Class for the positions of editor and business manager must apply before Thursday to either William Bruns or Charles Henderson.

## Student Senate Meets To Discuss Problems

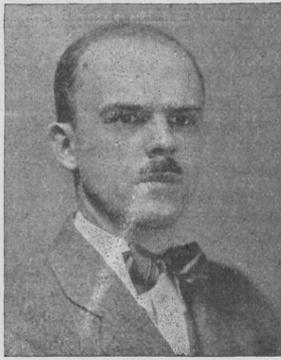

At the Student Senate meeting held last Tuesday at Kenyon Hall, Chuck Riley, president of the Senate, announced that the Keys awarded to members had been sent for from Balfour, Attoboro, Mass. These keys are to be the same as those of last year. A petition was drawn up to be circulated on the campus, asking for permission for Friday night social privileges for private organizations on campus. This petition was sent to the Trustees who met in New York.

Because of the many nominees at the Frosh elections, it was decided to have a ballot vote, eliminating the lowest, and the remaining 3 in each group, to be voted on next Thursday in Assembly.

## Quartette Sings At Recital

Prof. Ray W. Wingate played selections on the pipe organ and the Alfred University Glee Club composed of Messrs. Ruggles, Howe, Drake, Brewster sang several numbers which were very much enjoyed by the audience.

## CONDUCTS STUDY

Prof. Harold Boraas

## Alfred Professor Aids National Study of Transitions

During the past year Alfred University, together with 25 universities, including Harvard, Dartmouth, Yale, Columbia, Williams, Syracuse and Rutgers, participated in a study of the Transition from School to College. Professor Harold Boraas of the Department of Education is collaborator for the study at Alfred.

The investigation was initiated under the auspices of the Research Department of the Yale Divinity School in cooperation with the Connecticut Survey Committee on the Transition from School to College, the Institute of Human Relations of Yale University, the Edward W. Hazen Foundation, and the Student Committee of the Connecticut State Y. M. C. A.

Questionnaires were given by Professor Boraas to 200 high school boys who planned to go to college. From this number 10 cases were selected for intensive study, 6 from Hornell, 2 from Alfred, 1 from Wellsville, and 1 from Olean.

Specific information concerning these boys was gathered by the use of the interview and the questionnaire methods. Parents, pastors, scout-

## Alfred To Send Four Delegates To Convention

Christian Associations To Be Represented At Student Conference at Wells College

The Christian Association will send four student delegates and one faculty advisor to the New York State Student Conference to be held November 2-4, at Wells College, Aurora, N. Y.

Andrew Anderson and Raymond Lesch will represent the A. U. C. A. The Y. W. C. A. will be represented by a junior and senior member also. Chaplain James C. McLeod is the faculty advisor.

"A Christian Perspective for Social Reorganization" is the theme of the conference. Its purpose is "to provide an opportunity for students to gain a deeper understanding of the Student Christian Movement and its work; to become better acquainted with each other, and to exchange experience concerning practical programs as conducted on a College campus."

Among those who are leaders of the conference are: Miss Michi Kawai, noted educator of Tokyo, Japan; Dr. H. C. Engelbrecht, author of the recent book of the month, "Merchants of Death" and Frank Olmstead of New York, secretary of the Medical Students' Club and director of the Summer Service Group.

## Will Select Debate Teams For Forensic Club Debates

The regular meeting of the Alfred Forensic Society was held in the Greene Block last Wednesday at 7:30 o'clock.

Two propositions were chosen by the members for intercollegiate debates this year. The first was: Resolved: That a system of socialized medicine should be supported by the Federal or State Government. The second agreed upon was: Resolved. That local public utilities should be municipally owned.

Teams to represent Alfred University in these intercollegiate debates will be selected the latter part of November.

It was decided that a preliminary debate be held at the Civic Club of Alfred.

It was also voted that the Executive Committee with the help of Mrs. W. P. Cortelyou make out the future forensic meeting programs.

Meeting of the Forensic Society will be held this Wednesday at 8:00 o'clock in the Greene Block. There will be a debate on the subject; Resolved: That Friday night social privileges be granted students of Alfred University, singly.

The negative will be supported by William Butler and Helen Schane. Charles Henderson and Marguerite Bauman will take the affirmative side of the question. The debaters will speak five minutes each. Open discussion will take the place of rebuttal.

## Junior Women Give "Little Sister" Party

In order for the Junior and Frosh girls to become better acquainted, the Junior girls entertained their little sisters at a "Big-Little Sister" picnic held Saturday afternoon at Social Hall.

Miss Bertha Larkin, Mrs. Frances Saunders, Miss Erma Hewitt were the guests. The committee was: Adelaide Horton, chairman, Rose DeRossi, Bernice Mautner and Irene Gage.

## Students Back From Meeting At Allegheny

Miss Charlotte Jazombek And Miss Barbara Bastow Return From Student Government Conference

Former Leads Discussion Several Noted Speakers Included on Program of Intercollegiate Association

Special To The Fiat Lux Meadville, Pa.—Miss Charlotte Jazombek, who with Barbara Bastow represented Alfred University at the Women's Intercollegiate Association for Student Government meeting at Allegheny College, led one of the five discussion groups. Her subject was "Honor Systems—Their Place in Student Life."

The conference, which was the 27th of the W. I. A. S. G., opened on Wednesday afternoon and continued until Saturday. The women who attended are heads of student government organizations in colleges ranging from New England to Florida. "The Philosophy of Student Government," the general topic of the conference, was treated by four main addresses and in a number of general discussion groups.

Miss Sarah M. Sturtevant, president of the National Association of Deans of Women and professor at Columbia University, opened the conference on Wednesday evening with an address on "The Function of Student Government". Other speakers were Dean Thyrsa Amos, University of Pittsburgh; Dean Florence Nicholson, Ohio Wesleyan University; and Dean Karl Loebnick, Syracuse University.

Students Back

## Sudden Death Claims Harold Whitney, '38 At Sunday Midnight

Stricken Ill Friday Night With Abdominal Pain Thought At First To Be Indigestion—Given Treatment At Infirmary—Taken To Hornell Bethesda Hospital—Funeral Wednesday

## Elect Solons, Admit Twelve Into Society

Deutsche Verein Club In First Meeting Selects Miss Roberta Clarke As President

Der Deutsche Verein held a meeting last Wednesday night in the Y. W. C. A. rooms.

The following officers were elected for the present year: President, Roberta Clarke; vice president, Elias Fass; secretary, Frances Douglas; treasurer, Helen Olney.

Twelve new people were elected to membership: John Nevins, Joseph Glasser, Dorothy Schrim, Leslie Edsel, Grace Sarandria, Edward Vogel, Mary Radder, Elmer Rosenberg, Howard Reid, Helen Schane, Duth Norwood and Elizabeth Hallenbeck.

A series of topics has been planned by the program committee to cover the meetings of the year.

It was decided that meetings shall be held the second and fourth Wednesday of each month. A meeting will be held this Wednesday at which time the new members will be initiated. Professor Buchanan will give an address on his recent experience in Germany.

Parents of Harold Whitney, 19, class of '38, who died suddenly at midnight in Bethesda Hospital in Hornell, today were planning his burial from the home in Westfield. Stricken ill early Saturday morning with an abdominal pain, young Whitney had reported to Clawson Infirmary.

Whitney, who resided at the Stanley Stillman home in Sayles Street above Alumni Hall, was taken ill Friday night. It was at first thought that the aggravated condition was merely one of indigestion. Saturday morning, however, Whitney was taken to the infirmary, as the pain grew more severe.

At the infirmary, efforts of Miss Lydia Conover and her assistant, failed to dispel the increasing agony of the student and Dr. R. O. Hitchcock, university physician, ordered the young man's removal to Bethesda Hospital late that afternoon.

As his condition grew worse, Whitney's parents, Mr. and Mrs. Dixon Whitney, were notified. They arrived after he had died. Young Whitney last year was ninth in scholarship among the some 180 students of the freshman class, evidence of his ability as a student. Last year he lived in Bartlett Dormitory.

The body was taken to home in Westfield, where temporary plans are to have the funeral sometime Wednesday afternoon. The deceased was born Jan. 9, 1915, and besides his parents is survived by one brother, Edward, who only last Friday was returned from the hospital to home, after an appendicitis operation.

## Junior Follies Open Rehearsals

Sixty Applicants Given Parts—Start This Week

"The Junior Follies will go into production this week", said Director Gerald Rosen, when interviewed regarding the musical this past weekend.

Tryouts last week brought out the largest number of candidates for a Junior Follies in recent years. More than 60 persons applied for parts. Approximately all were given leads or chorus assignments.

As has been stated before, the Follies this year are being constructed on a purely professional basis, each unit of work being placed in the hands of capable men. To further enhance this work, Director Rosen has added to his staff four new assistants; Ben Racusin, stage manager; Elias Fass, scenery; George Vincent and Phil Smith, lighting effects.

The Follies of this year promise to be the biggest show ever produced at Alfred. Because of the tremendous nature of the enterprise and due to the uncertainty of other Campus functions no definite date has yet been decided upon. This will be announced within a few days however.

"Alfred is capable of putting on a show really worthy of a University of its calibre. I have always felt that with the material we have, we can put on a show that can rival any University. We are now well on our way to reaching that point and it looks as though nothing can stop us," said Rosen.

## Fiat Moves Up Twelve In Staff Election

Miss Ruth Norwood and Nathaniel Cooper, both seniors, were elected assistant editors of the Fiat Lux at a meeting held Tuesday night.

Ten competitors were made reporters at the same meeting. They are: Benjamin Racusin, Weston Drake, Paul Powers, Stanley Orr, Elias Fass, Norman Schachter, Lee Hodges, Sylvia Gailor, Betty Augustine and Doris St. John.

Alumnus Recovering Jane Hawk, '34, is recuperating from a recent operation in the Osteopathic Hospital, Grove City, Pa.

## Several Attend Meeting Of Chemical Society In Rochester

Dr. Paul C. Saunders and Prof. David W. Weaver of the Chemistry Department attended the meeting of the Rochester section of the American Chemical Society a week ago Monday. The following students were also present—Albin Anderson, Burdette Nash and Arthur Bush.

Prof. L. Joslyn Rogers of the University of Toronto was the guest speaker. His address was called "The Chemistry of Crime Detection". The speaker indicated the use of chemistry in criminal work and also gave the history of certain cases which appealed to him from the human angle.

## "Battle Of The Barn" Rages As Frosh-Sophs Slop Paint

All is quiet on the "Western Front". The downtrodden intellectual men of war are crouched in their trenches awaiting the Captain's whistle—their signal to go over the top. The Allies (our Frosh) are entrenched in Bartlett Dorm suspiciously eyeing their objective—the Burdick Barn on the hill overlooking the field of battle. Already the onslaught has cut into their ranks, but the toll has not been heavy.

As you have guessed, this is not a yarn about the "Battle of the Marne" in France, but a yarn about the Frosh-Sophs-Barn. Four times the Frosh have attacked. Four times the Barn has shown with a bright "38"—in three places. But the enemy will not be outdone for long, every day or two a "37" supercedes the "38" and then the late evenings or the early morn finds the brow-beaten "Bartlettites" armed with their battle paint climb-

## Rev. Sommers To Speak On "Munitions" In Weekly Assembly

Facts of the armament trade and the men behind it will be related to the Alfred University student body next Thursday when the Rev. Harry L. Sommers of Canisteo speaks on "Munitions" at the regular college assembly.

Steuben and Allegany county organizations know the Rev. Mr. Sommers well. He is active in Rotary Club work, recently delivering an address on munitions before the Hornell Rotary unit, and in Boy Scout organizing.

One of this section's leaders in the movement for world peace, the Rev. Mr. Sommers has of late devoted many of his speaking engagements to describing some methods practiced by armament makers to promote and prolong wars.

## Campus Court Convicts Four; Judge Java Warns Freshmen

Campus Court held its first session last Tuesday night in Kenyon Memorial Hall. Four freshmen were arraigned. All were convicted and sentenced.

Warren Werner was charged with insubordination and failure to tip his cap to an upperclassman. He was sentenced to wear a sign reading "I forgot to remember" for the rest of the week.

James Morse was accused of walking on the grass in front of the library. He was sentenced to sweep the library steps at ten o'clock every morning for the rest of the week and to wear a small sign entitled "I trespassed".

Thomas McClellan was arraigned for smoking in the Collegiate and was sentenced to wear a baby bonnet and carry a pole with a pail of water attached to each end.

Stanford Sutton was charged with being without a black tie or freshman cap and was sentenced to wear a baby bonnet throughout the week.

Judge Michael "Red" Java says that more "arrests" are expected next week and that freshmen must strictly regard all campus rules as a more careful watch is being maintained.

## College Heads Attend Annual Meeting of Association

President J. Nelson Norwood, Registrar Waldo A. Titsworth, and Deans Alfred E. Whitford, Major E. Holmes and Irwin A. Conroe, attended in Albany the past week the Annual meeting of The Association of Colleges and Universities of the State of New York.

At the opening session of the convocation, Thursday, papers were presented by Dr. William Mather Lewis, president of Lafayette College and Dr. Herbert S. Weet, former superintendent of schools in Rochester. The theme was: "Who Should Go To College and Why."

President Norwood, as one of the college presidents appointed within the year, was the guest of the Association at the luncheon which followed, and was introduced at that time.

## Delta Sig Initiates Six

On Sunday, October 21st, six men were formally initiated to Delta Sigma Phi. They were: Edward Phillips, Lee Hodges, Joseph Sarandria, George Larson, Ralph Tesnow and Orville Landis.

# FIAT LUX

## OPINIONS

ONLY THROUGH THE OPEN AND UNHAMPED CLASH OF CONTRARY OPINIONS CAN TRUTH BE FOUND.—Glen Frank

Dear Editor:—  
 After each Assembly the program is most freely discussed and the speakers criticised by the all-knowing student.

I should like to do some criticizing of the student as he sits in Assembly. First, he enters and starts to throw aeroplanes, or yells, if he is an underclassman; the faculty enters and songs are sung; it is all something uninteresting that must be done to get the necessary Assembly credit, at least, so an observer would think.

The preliminaries over, the student sits back comfortably to rest, after his tedious forenoon, obviously to absorb as little of the program as would penetrate a deep sleep. Others start a diligent conversation with their neighbor, whether or not they are interested. Some also treat their neighbor with wittiest remarks about the program. These are usually the ones who tell us how dry the program was, and how they wished that the program would be submitted to him beforehand. At least those who so ardently criticize should qualify to know more than the speaker, or keep quiet.

No doubt there are many who are interested in the program. Whether it be of interest to every one, or not, it is the primary rudiment of good breeding to consider the other fellow. Fortunately it is only a small percentage that consider themselves above and beyond the intellectual level of the program to the extent that it is not necessary to pay any attention. To those who are of such superior intelligence we might turn over the Assembly upon occasion for our mutual intellectual benefit.

Alfred is fortunate in their ability to get good speakers. If we are to get the most out of this vital part of our education we should try to give our most attentive concentration to those who undoubtedly have helpful and inspiring messages.

Yours,  
 Weston Drake

### Eliminate Nominees At Freshman Meeting

Last Thursday after assembly the Student Senate conducted the Freshman meeting. At the previous election there were so many nominees for office that they had to cast a vote this Thursday to eliminate some of the nominees. The three highest nominees for each office will be voted upon after the next assembly.

William Moran, Rudolph Eller, Tom Holmes, Art Young and Sidney Gillets were week-end visitors at Klan Alpine fraternity.

American Armament manufacturers have been among the chief contributors to numerous patriot societies.

### Rah, Faculty!

It is a fact worthy of our prideful attention that many of our faculty are as true to the athletic spirit of Alfred as they are to its intellectual spirit.

All of which means simply that a considerable number of our professors make it a point to be present at all of the contests and pep rallies held for the athletic teams.

These worthy members undoubtedly attend merely because of their interest and sportmanship. Modesty has prevented them from realizing that their presence is an impetus to the team that no group of mere students could give.

For the man on the field to see his professors in the stands yelling vigorously, "Come on, Alfred" gives new meaning to the cheer. It ceases to be an overflow of spirits of a bunch of rattle-brained college students.—It is the thought of minds who have delved into the mysteries of science, history and literature.

This is keenly felt by the athletes themselves. The prestige that the 100% backing of the University faculty would lend to a game, would make a noticeable difference in the morale and spirit of both the teams and the fellow rooters.

### A Game Suggestion

The lethargy so obvious in the grandstand Saturday night at the Buffalo game has given rise to a number of suggestions for creating a rousing good cheering section for the St. Bonaventure game. This plan which was tried at Alfred several years ago with marked success is worthy of consideration for the coming game.

Let all (and by "all" we mean ALL) the men regardless of class, march to the field and sit on one side of the band, and let ALL the women do likewise seating them selves on the opposite side of the band. Then, both sections including the whole student body could put themselves heart, soul, and lungs behind the team.

Another idea is that a chosen number of people wearing some distinguishing color be seated to form the letters A. U. in the grandstand. It is definitely not a debatable point that the team needs and deserves our support now more than ever before. This is the last chance that the cheering section has to prove what it can do. Isn't it worth trying?

### BOND ADDRESSES FACULTY MEMBERS

Life probably will not be created in test tubes for years to come, Austin D. Bond, associate professor of biology, declared in his address, "Biology as a Liberalizing Subject," before the faculty meeting last week.

"Despite occasional excited announcements that living tissue has been created by man, the progress made thus far does not justify the statement that artificial life will soon be a reality", he explained.

Professor Bond's talk dealt with the generalizations he employs in preference to masses of isolated facts when teaching his two classes of students—those who hope to follow medi-

### Dean M. E. Holmes Speaks To Penn Yan Rotarians

Dean M. E. Holmes addressed the Penn Yan Rotary Club last week on the subject, "Ceramics". He outlined briefly the many ceramic products used in the course of a day by the layman and spoke of the opportunities in the ceramic industry and courses of instruction available at Alfred.

He cited one theory of the origin and development of life as an example of the sort of fact which stays with a student as opposed to the type of learning that is totally forgotten within a few years.

## Saxon Gridman Of 1902 Class Writes Mentor

Editor's Note: The letter which is printed below was sent to Coach Galloway just before the Buffalo game. Dr. Isaac Miles Wright, the author, was graduated from Alfred in 1902 and is now Director of the School of Education at Muhlenberg College.

Muhlenberg College, Allentown, Penn., October 14, 1934  
 School of Education  
 Isaac Miles Wright, Pd. D., Director

My dear Coach Galloway:  
 I notice by the football schedule that Buffalo comes to Alfred this week and I want to send my best wishes to you for this game.

Buffalo came to Alfred for the first time in 1902 and I had the honor of making the first touchdown and Fritz Rosebush the second, 12-0. The old town celebrated that night.

Each Monday morning the football seniors in my class call my attention to the Alfred score—so you see we do follow you throughout the season.

I have the old purple and gold sweater with the 12 inch block A that was given to me at the close of the 1899 season. I wear it on the golf course during cold weather. So the old sentiment continues.

Good luck to you and the boys on Saturday night.

Cordially yours,  
 Ike Wright

### SCHEDULE HOCKEY GAME FOR FROSH-SOPHS; THIS FRIDAY

The Freshman girls will play the Sophomore girls in the first hockey game of the season Friday afternoon at 3:30 o'clock.

This game should be scrappy and fast for it will give the two classes an outlet for their spirit of friendly rivalry.

Both teams have had four practices in preparation for the game and should be in good trim.

### Class Nominees Dine at Bartlett

Five freshman girls dined at Bartlett Dormitory last Wednesday evening. These privileged ones are nominees for various offices in the freshman class.

## Assassination Causes Crisis With Italy Bearing The Brunt

We left our family two weeks ago, if not on the best of terms with one another, at least pretending to desire a peaceful home. Well, they simply put up a good front, Daddy Mussolini, who for several reasons hasn't been able to win to his heart, Yugoslavia and France, when they visited with one another last week, politely turned his back on them and hoped that they would say something nice about him, and maybe even return to his fold.

Well so it is—when the cat's away—things occur—and while everyone was having a swell time at the celebration—some nasty man up and shoots two of our families most important members—Alexander of Yugoslavia and Barthou of France. Everyone became terribly excited and as is likely to occur at such a time—Yugoslavia displayed its hysterical thoughts by creating disturbances before the Italian Consulate and causing anti-Italian riots to ensue.

This case seems to illustrate the usage of some parents—that we bring our children up and are at times repaid with abuse—I wonder how long Daddy is going to stand for this nonsense? If son Paul doesn't soon tell his children to abstain from this treatment and criticism, Mussolini might lose his temper, and resort to a sound spanking for his offspring. And since all know that children are more prone to pull together against a step-father, when he is abusing one of them—trouble might ensue.

Little Yugoslavia is inhabited by Serbs, Croats, Slovenes, Hungarians and Austrians. The Serb and Croat element doesn't like one another—and since Alex was a Serb the Croats were unhappy—they had good reason to be too, since preference was always given the Serbs and they were deprived of many things which the Serbs received. Well, Alex must have known how they felt, because in his will, he provided that the government be run by three regents, Prince Paul (that's to keep it in the family) and two Croats—let's hope that this will diminish the existant friction.

Paul likes the English better than he does the French—will this be important for the Little Ententes guardian? Has Queen Maria's visit to George V anything to do with this

fact—or was she really only trying to get George's forgiveness for King Carol, who just wont be nice to George's daughter Helen—quite a crucial time to choose for such a meeting.

Of the nine kings which Yugoslavia has had, only three of them have died natural deaths—safer being a parachute jumper than a king of Yugoslavia.

Jugoslavians rioting against Italians—May be after all, the eleven year old boy will lead his army against Italy's Infant Infantry—Orchids to F. P. A.

"The King is dead long live the King"—If Doumergue has his way—Pierre Etienne Flandin will be the successor of Barthou. Poland is in great anxiety due to this appointment, fearing that if the new minister is hardboiled—it will imperil the relationships between France and Poland due to the existant partnership between Germany and Poland.—Can't eat your cake and have it too—Poland.

The American reaction to the assassinations last week as we see, was greatly tempered by the three thousand miles of ocean that separates us from the scene of the disaster—Washington's answer to trembling Europe was, "assassinations unlikely to provoke international complications"

Helping to bear out the truth of the Malthusian theory, Spain last week relieved her unemployment situation considerably, when due to the outbreaks throughout the country, approximately one thousand Spaniards lost their lives.

The Germans are getting to be an unruly crowd—and don't think that Hitler isn't worried. Last week, upon hearing of the imprisonment of Bishop Meiser, many Germans paraded to the "Brown House" in Munich and after shouts of Heil Meiser and Down with Mueller, they spat on the sacred walls of the house.

Must be that Mr. Goerings police force isn't very efficient or are they merely desirous of finding out who the fiends of the Third Reich are. Seems to me that those concentration camps which were aired of their prisoners some time ago, are now well inhabited, after that display of dissatisfaction.—It pays to be a diplomat in Europe today, unless your are in search of free board and lodging.

# Good Taste!

Luckies

They Taste Better

The world's finest tobaccos are used in Luckies—the "Cream of the Crop"—only the clean center leaves—for the clean center leaves are the mildest leaves—they cost more—they taste better.

"It's toasted"

## Fraternities Give Parties For Freshman Men Students

Fraternities entertained different groups of men of the Freshman Class last Friday night at rush parties. Two more parties will be held for these same groups, which, however, will visit other fraternities in alternation. Within this period of two weeks, the five-week rushing period will have ended and pledging will be opened.

### Kappa Psi Upsilon

Kappa Psi Upsilon entertained 17 underclassmen at a rush party held at the house last Friday evening.

During the evening bridge and ping pong were played. "Pop" Nash displayed his artistic talents with some caricatures (including one of Mae West) for the amusement of the guests. Movies of Felix Ferdinand's Orchestra and "Tricks in Magic," shown by Varick Nevins, helped to make the evening enjoyable for those present.

The underclassmen entertained were: John Albright, Raymond Andrews, Stanley Ballard, Arnold Bodine, Melrose Hall, Robert Hughes, Roger Hunt, Rodney Jones, John Lynch, Homer Lester, Alfred Nutt, Ralph O'Brien, William Ryan, Vincent Tisi, Raymond Turck, Robert Bleakly and Harold Drysdale.

### Theta Kappa Nu

Theta Nu played host to 20 of the class of '38 last Friday night in their second rush party of the season.

For an hour the guests and members sat around playing cards while a group at the piano sang songs of Theta Nu and popular favorites. After this things began to happen. A shadow skit was presented and loudly acclaimed. Bill Bruns gave a convincing impersonation of Ed Wynn

the fire chief and Dan Kocher baffled everyone with his card tricks.

A peanut race was next in order and the winner was suitably rewarded. After this the entire crew repaired to the bar and drank their fill of cider. Enormous quantities of cookies, doughnuts and gum drops were stowed away beneath many belts before the welcome guests departed.

### Klan Alpine

Klan Alpine fraternity held its second rushing party of the season last Friday night at the house. Members of the freshman class were entertained from 8:00 until 12 o'clock.

Among the freshmen present were Wilbur Bulkley, Harrison De Groff, Roy Dunbar, Martin Dykeman, Royce Forgham, Thomas Kelly, Arthur Mitchell, Ernest Morgan, Harold Myers, John Reid, Hugh Risley, Chas. Shannon, Franklyn Shepard, Stanford Sutton, Donald Wedenburgh, Carl Swanson and Vincent Abel.

Several tables of cards in play were interrupted by the arrival of two fictitious old alumni who returned to Alfred for a week-end. The parts of the alumni were played by John Allingworth and Bob Skinner, who then entertained the crowd with a skit.

Refreshments were served at 10:30 o'clock under the supervision of Mrs. Margaret King.

## Footlight Club Plans Plays For Oct. 29

Last week Wednesday and Thursday try-outs were held by the Footlight Club for the casts of the annual Frosh-Soph Plays. "These three one-act plays promise to be exceptionally good because of the marked dramatic ability shown in both the Freshman and Sophomore classes," says Carl Scott, president of Theta Alpha Phi.

The final cast has been announced as follows:

"The Stranger"—Anthony E. Wills  
Robert Kellogg, a civil engineer  
Robert Skinner  
Mary Kellogg, his wife. . . Martha Kyle  
Jim Sargent, The Stranger

Benjamin Racusin  
Coach . . . . . Lewis Abel  
"The Black Valise"—Alan Baxter  
Mr. Dooley . . . . . Mummerick  
Mrs. Dooley . . . . . Florence Ovenshire  
Mr. Mason . . . . . Frank Park  
Dr. Nicholow . . . . . Jud Gustin  
Policeman . . . . . Jack Merriam

Coaches  
Eleanor VanTyle & Mandalay Gremes  
"Sunset by Slantsky"

Mr. Featherstanhow . . . . Vincent Abel  
Mrs. Featherstanhow  
Imogene Hummel  
Miss Featherstanhow . . . . Barbara Corsaw  
Mr. Paul . . . . . Russell Buckholtz  
Dr. Chrome . . . . . Ralph O'Brien  
Coach—William Mason

## Saxons Renew Rivalry With St. Bonaventure

### Bulletin VARSITY HARRIERS TO MEET SYRACUSE

Alfred University's Cross Country Harriers will meet Syracuse University runners at Syracuse at 3 o'clock, Friday afternoon, it was announced by Coach James C. McLeod, late Monday afternoon, shortly after the meet was secured. Coach McLeod tried to schedule the meet for Alfred, but it was to no avail.

### SPIKED SHOE TAPS TWO COACHES

Tapping of James McLane, director of athletics, and John Galloway, football coach, by members of the Spiked Shoe featured the first student-managed assembly of the year last Thursday.

In a brief ceremony the two athletic mentors, seated on the stage, were notified officially of their election to the national honorary track fraternity.

Preliminary freshman elections were held following the meeting, after which freshman men were examined by Student Senate representatives to make sure the frosh were wearing the regulation black ties and socks and carrying the matches as provided in the Handbook.

Alfred's crippled varsity will meet St. Bonaventure College of Olean this Saturday night under the floodlights of Merrill Field after a ten year lapse in gridiron activities. This year's contest will tend to institute many years of friendly relations with the Bonnies.

Although the Alfred team is greatly weakened by the loss of many first-string mainstays and is being forced to use new men, some with little football experience, their scrappiness will pull them through as it has in the past, many fans believe.

Rudy Cohen, Art Firestine, and Mike Fargione will all be on the sidelines this Saturday night, due to injuries sustained in the Allegheny game, but their places will be filled by other capable aspiring men.

The Bonnies outfit have come through a tough schedule thus far losing close games to Manhattan, St. Vincent, and St. Thomas. Colgate proved out of their class and beat them handily. With five defeats on their record they will try for their first victory against Alfred.

Sammy Zayachek is the outstanding triple-threat man on the Bonaventure team.

## PERSONALS

Mrs. Saunders, chaperone at Sigma Chi, had as her guests on Sunday, Mr. and Mrs. Hickson of Cuba and Mr. and Mrs. Cole of Rochester.

Miss Betty Gottry and Miss Catherine Perham of Hasbrouck Heights, N. J., were recent guests at Sigma Chi.

Kappa Psi has a new pledge. Brutus, one of the German police pups, has abandoned his old home at Burdick and taken up his abode at the fraternity on the hill.

Prof. and Mrs. Charles D. Buchanan were guests at Sigma Chi for dinner Thursday evening.

Mrs. Perkins and her small son Jerry, both of Cuba, were guests of Mrs. Saunders for lunch at Sigma Chi, on Thursday.

Sigma Chi is sadly mourning the temporary absence of its mascot. "Missy doesn't live here any more."

Miss Anita Herrick of Pi Alpha was the week-end guest of Janet Young of Sigma Chi.

Mr. and Mrs. Hummel of Buffalo, visited their daughter, Imogene, last week-end.

Marian Babcock and Ellen Sherwood left for their homes last Friday afternoon to spend a few days with their parents.

Coach John Edward Galloway was a dinner guest of Kappa Nu Fraternity last Tuesday.

Miss Clara Gordon of Port Jervis was a week-end guest of Samuel Topper.

Some of the "Kappa Nuers" visited the shores of Lake Keuka last Saturday to see the cross country meet.

Kappa Nu Fraternity welcomed back Rudy Cohen from the Infirmary where he has been recovering from injuries received in the Allegheny game.

Sigma Chi entertained as week-end guests, Miss Peggy Edwards of Hornell and Miss Florence Schultz, of Silver Creek.

### CONDUCTS STUDY

(Continued from page one) masters, principals, teachers, and the boys themselves were the sources of information. Many months were devoted to the gathering of information from these agencies.

All of the materials is to be gathered together and interpreted in the light of the boy's physical, mental, moral and spiritual problems in his senior year at high school.

### Will Continue Study

The study will be continued throughout the year 1934-35. The 10 selected boys will have entered some one of the collaborating colleges. Professor Boraas will act as collaborator either at Alfred or at Rochester University. Further information will be gathered in the new college environments.

The high school and college problems will then be interpreted to give conclusions relative to the transition from school to college. The principals of the high schools at Hornell, Alfred, Wellsville and Olean, parents, pastors, teachers, scoutmasters and the boys have been very generous and cooperative in the progress of the study.

### Dormitory Women Hold Brief Dancing Party

The Brick held their first social event of the year, Saturday evening after the football game. Little time was had for dancing, especially as the game was late and too many of the girls vanished to change from sport to more formal dress when they came back. Music was furnished by Bill Welch and his "Smoothies". The faculty guests were Chaplain and Mrs. James C. McLeod and Prof. and Mrs. Kaspar Myrvaagnes.

### Sigma Chi Nu Pledges Two Honorary Members

Sigma Chi Nu announces with pleasure the pledging of Mrs. Casper Myrvaagnes and Mrs. David Weaver as honorary members; also, Marjorie Bell and Estelle Makeley, as active members. The pledge service was held at the house.

## To Rush Flag At Grid Game

Between the halves of the St. Bona-Alfred game one of the traditional Frosh-Soph contests will be held under the direction of the vice-president of the Student Senate, Bill Butler. Many students will lose their shirts on or in this contest, which is to be a flag rush. Charlie Mourhess will lead his "Sophomore Soaks" to the post to fight for the honor of A. U. '37. They promise to do all in their power to blot out the simpletons of the freshman class. The sophos motto is "Beware Frosh lest thy hair be torn from thy bald and empty heads". But then, the frosh aren't so dumb, watch them turn out in full force to trample on their rivals. It might even be stated that frosh love Campus Court more than the would-be-loved sophomores.

In view of the fact that such friendly relationships exist between the two underclasses, everyone at the St. Bona's game should enjoy the social fracas between the halves. All upperclassmen are advised to remain in the grandstands lest they be mistaken for something they used to be.

### Dr. Campbell Addresses Revolution Daughters In Wellsville

Dr. Gilbert W. Campbell addressed the Schuyler Chapter of the Daughters of the American Revolution at their annual meeting in Wellsville last Thursday. In prefacing his remarks Dr. Campbell referred to the introductory remarks of a lecturer at one of the State Hospitals recently visited in which it was stated with reference to a particular mental disorder: "We don't know what causes it; we don't know how to treat it; and in cases of cures we don't know whether or not these are permanent". While the present situation in education can not truthfully be stated in such extreme terms, it is true that educators are not agreed as to the value of certain subjects, nor as to the best method of procedure in imparting their content, nor as to the lasting effect of the immediate changes wrought, the present trend is toward a renewed emphasis upon the development of personality. In present uncertainty, guidance in process of developing adaptability should supplant indoctrination.

A man who has been smoking Granger for a long time said this:

"A package of Granger gives me and my old pipe about 9 hours of enjoyment.

"My pipe is about average size, and smoking it leisurely as I like to do, a pipeload of Granger lasts me about 25 minutes, and that means that I get about 21 good pipeloads from every package.

"Was there ever so much enjoyment for so small a cost?"

... in a common-sense package—10c

the pipe tobacco that's MILD  
the pipe tobacco that's COOL

—folks seem to like it

# Jinx Rules As Saxon Teams Receive Setbacks

## BUFFALO NOSES OUT WIN OVER CRIPPLED SAXONS; IS SEASON'S FIRST LOSS

By Stanley Orr

Swept under by a baffling succession of off-tackle slants and long end thrusts, the sadly-crippled Saxons of Alfred University bowed in glorious defeat to the blue clad Bisons of Buffalo.

The Purple and Gold gridmen suffered their initial setback of the season but, courageously as they fought, they fell before the heavier and superior team from the Queen City of the Lakes.

### Four Regulars Out

Alfred was seriously handicapped by the absence from their ranks of four valuable players, Firestine, Cohen, Chamberlin and Fargione, all of whom were injured in last week's clash with Allegheny. The weakened aggregation, though they fought valorously, were unable to stave off the surging blue wave which netted a 14 to 0 victory over the Saxons.

The initial score came in the first period when the Purple and Gold twice held off the Bison's desperate attempts for touchdowns from Alfred's 5 yard stripe and gained the ball on downs. Hodges, in an attempt to punt out of danger, fumbled and recovered behind his own goal for a safety and 2 points for the visitors.

The second period saw another tally for the Bisons when Rosing slid off his right tackle from Alfred's 20 yard marker and followed his interference over for a touchdown. Zuk, much publicized Buffalo fullback, failed to placekick the conversion.

Hyer, who substituted for Belden in the third quarter, romped across the Saxon's goal line for the second touchdown using almost the identical play as the one on which Rosing had scored. Zuk again failed to placekick the point after the touchdown.

Bil Carrier, who for the first time in his career saw service in the Alfred starting line-up, distinguished himself by his brilliant offensive performance. Hodges, the diminutive but speedy quarterback, sprinted for considerable yardage around the Bison's end and his running back of punts was far more spectacular than any of his previous performances.

In view of their fearless defense and their heroic though vain offense, Coach Galloway's gridmen deserve credit rather than condemnation for his defeat:

### THE LINE-UP

|            |        |            |
|------------|--------|------------|
| Alfred     | L. E.  | Buffalo    |
| Trumbull   | L. T.  | Stoll      |
| Fedor      | L. G.  | Rappole    |
| Gale       | C.     | Donatelli  |
| Young      | R. G.  | Rich       |
| Oberhanick | R. T.  | Seubert    |
| Corbman    | R. E.  | Harrington |
| Adessa     | QB.    | Service    |
| Hodges     | FB.    | Pelczynski |
| Besley     | L. HB. | Zuk        |
| Boylan     | R. HB. | Rosing     |
| Carrier    |        | Belden     |

### Substitutions

Alfred—Hayward for Adessa, Shoemaker for Carrier, Clark for Shoemaker, Adessa for Hayward, Keagen for Clark, Topper for Trumbull, Carrier for Keagen, Smigrod for Gale, Perrone for Young, Gale for Smigrod, Phillips for Corbman.

| Score by Periods |   |   |   |         |
|------------------|---|---|---|---------|
|                  | 1 | 2 | 3 | 4 total |
| Alfred           | 0 | 0 | 0 | 0       |
| Buffalo          | 2 | 6 | 6 | 0 14    |

### Statistics

- Passes attempted—Alfred 8; Buffalo 12.
- Passes completed—Alfred 0; Buffalo 2.
- Yards gained passing—Alfred 0; Buffalo 16.
- First downs—Alfred 2; Buffalo 15.
- Punts from scrimmage—Alfred 10; Buffalo 8.
- Average distance of punts—Alfred 43; Buffalo 42.

## SAXON FROSH DEFEATED BY COOK PLAYERS

### Montour Falls Team Wins 31-0 — Yearlings Show Flashy Bits With Strong Aerial Attack

Cook Academy took the measure of Alfred Frosh eleven by a 31-0 win at Montour Falls, Saturday. It was the second defeat for the Yearlings this season.

Despite many injuries the Frosh put up a hard fought battle. A pretty aerial attack was displayed by the Lobaugh coach team. In the second and last quarters the Frosh made several threats at the Cook goal but to no avail.

"Casey" Jones proved to be the mainstay of the Cook outfit by making four out of the five touchdowns. Doran, Thomas, Paquin and Wallace were best for Alfred.

|          |        |            |
|----------|--------|------------|
| Alfred   | L. E.  | Cook       |
| Doran    | L. T.  | Vickio     |
| Ryan     | L. G.  | Reed       |
| Corbman  | C.     | Meeks      |
| Lomas    | R. E.  | McDonnough |
| Gustin   | R. T.  | De Sisti   |
| McMillen | R. G.  | Bueneau    |
| Abbott   | QB.    | Kroker     |
| Bodine   | R. HB. | Nigro      |
| Wallace  | L. HB. | Commerski  |
| Armitage | FB.    | Jones      |
| Thomas   |        | Lovenbruck |

### Students Back

(Continued from page one)

The conference included a performance of Shaw's "Candida" by the Allegheny College Players, a drive, and a dance, in addition to dinners and teas.

Officers of the association are Miss Edith Searles, Allegheny, president; Miss Elizabeth Bellamy, Hood College, secretary; and Miss Charlotte Jazombek, Alfred University, treasurer.

## TWO SAXON TEAMS LOSE TO CORNELL HARRIERS; MEETS HELD IN ITHACA

Alfred University Cross Country Harriers met Cornell University hill and dalers at Cornell and were turnedback by the score of 19-36, Saturday.

The race was run over a course measuring 4.8 miles. The course was practically leveled with only little dip in the first mile. The long level stretches proved to be a great advantage to the Cornell boys.

### Two Captains Fight

Both teams started off fast, running hard for positions, at the end of the first mile Kerr, Cornell's captain, and Java, Alfred's captain, were well in front fighting for the lead. Throughout the greatest part of the race both captains ran even only to have Kerr pull away in the last 200 yards to win in the time of 23:39.

A few seconds after Java, Taylor and Meaden of Cornell came in with three seconds separating them. They were closely followed by Mezitt and Bassett being for fifth and completing the Cornell scoring. Next came Chapin of Cornell, who barely nosed Dawson of Alfred out. Oldfield and Knapp came in tied right after Dawson with Minnick close on their heels.

Comparing the times of the two teams it will be seen the race was much closer than the score indicates. Cornell had a team balance of 1:11 and Alfred's team balance was 1:21. Only one minute separated Taylor of Cornell and Minnick of Alfred, and if any one of Alfred's men had broken in Cornell's last four scoring places it would have been a different story.

### Dawson Shows Ability

The running of Dawson second Alfred man was remarkable. This was Dawson's second Cross Country race in intercollegiate competition and as he gains experience he should become another Java. As last year's veterans round in condition and the team balance improves Alfred will be ready to even things with Cornell in the I. C. A. A. A. meet later in the season.

Coach Moakley worked his men hard and was pointing for Alfred. Coach McLeod is bringing his men along slowly and in looking forward to the Middle Atlantic and the I. C. A. A. A. A. meets. Alfred's next opponent is Army at West Point a week from this coming Wednesday.

### Saxon Frosh Nosed Out

Just before the Varsity race, Alfred Frosh met the Cornell Frosh Cross Country team and were set back by the score of 23-32. Alfred Frosh gave the Cornell outfit coached by Mangan, last year's ace, a close race. It is said that this year's Cornell Frosh cross country team is the best ever to represent the University, and they won out against Alfred's strong team in the last half mile.

Hughes of Alfred ran a great race only to be taken by one fifth of a second by Bohner of Cornell for second place. Cornell of Cornell won the race over the two and half mile course in the time of 12:25.

The Varsity places and times are as follows:

1. Kerr, C.—23:39
2. Java, A.—24:04
3. Taylor, C.—24:26
4. Meaden—C. 24:29
5. Mezitt, C.—24:29
6. Bassett, C.—24:50
7. Chapin, C.—24:50
8. Dawson, A.—24:54
9. Oldfield, A.—25:08
10. Knapp, A.—25:08
11. Minnick, A.—25:26

The Frosh places and times are as follows:

1. Cornell, C.—12:15 1/5
2. Bohner, C.—12:41
3. Hughes, A.—12:41 1/5
4. Keefe, A.—12:50
5. Loughlin, C.—12:54
6. Gaffney, C.—13:24
7. Vance, A.—13:27
8. Mickritz, A.—13:29
9. Agor, C.—13:32
10. Faatz, C.—13:33

In Peru, Dr. Julio C. Tello, archeologist, has discovered a perfectly preserved portion of an Indian building which he says belonged to the ancient Chavin civilization.

Francis Schmidt, Ohio State University (Columbus), football coach, was a captain in the 347th Infantry, A. E. F.
