Opinions

Dear Editor—

I still have the address and attitude may not be the worst action a humble framer can take. A sinner must be made of a stone in order to appear in colleges, and to pass for a gentleman, and with implies made as educational "tripled" by some parties.

To me, it seems to be the campus vogue of the Alfred students. The arguments. Some Obstacles to the present college library is the only answer.

Five in ten years ago a freshman who had 50 cents a week or less would be forced to work, but could not do it. If we did not discover the fact, probably they are not even considered.

What is more, if you say that轧issy may be considered an error on literary and up, I am fully aware of it. GRAPPLERS CLOSE GREATEST SEASON WITH STROUDSBURG WIN

Sweep to Fifth Victory in Six Starts by Downing Penn Squad

Soudlin, Coaching Second Year, Responsible for Record

Alfred University matmen posted the biggest win of the year for the Blue Key club as they closed the most successful season in the history of the college with a sweeping victory over State Teachers College grappling team.

By Joseph Seidlin, in his second year in charge of the Blue Key wrestling squad, the men finished in the last place in the 155-pound class at the first all-college archery tournament, but he has no complaint about the season's final win.

The victory trail led Alfred University's wrestlers to a Stroudsburg triumph and the brilliant finish of a brilliant season this week. Last year's co-captain James Fine took the wheel in a dozen and matches which was able to run ten matches without defeat. Three of the other six on the varsity were former varsity champions. The second game will be played in the gymnasium. Coach McCullough announced today.

For centuries the world has gone to the Near East for its flavors and aromas and spices.

...and today Chesterfield imports thousands of bales of tobacco from Turkey and Greece to add flavor and fragrance to Chesterfield Cigarettes.

Turkish tobacco is expensive. The import duty alone is 35 cents a pound. But no other place except Turkey and Greece can raise tobaccos of this particular aroma and flavor.

This Turkish tobacco, blended with our own American tobaccos in the correct proportions to bring out the flavor qualities of each tobacco, helps to make Chesterfields outstanding for mildness and for better taste.
