Giving Voting Rules for Students

A qualified voter is a citizen who is or will be on the day of election in any State or territory of any age certified by the election officer (or aged 18 or over) who has resided within the State for one year and has resided in the county for thirty days prior to the day of election. In the different States the residence is usually required for the same period prior to registration. The voter need not be a registered voter if he or she votes at the polls. The explanation below will be helpful to all students.

Students who have attended classes this year should take note: For the next several years the administration has approved committees to consider curriculum problems and all related matters. The students are not consulted on this point, but should it! President Norwood has assured us that student address that opinions are in the hands we hope he is right.

After years of waiting we are anxious to learn how far the administration has progressed in the development of the new student body. In those who are about to bring a better curriculum. In other words the desire to do for the student body some of the committees would result in a sweeping improvement. We hope for similar plans to be shown in the near future.

Alfred and many other colleges have had student committees collaborated with the administration in working out curriculum revises. Perhaps now, through the medium of the Flax Lux, we could have such a committee for the Flax Lux, to carry the work on for the student body and report their findings to the administration.

If the findings of the surveys were merely entered as a rule of Barrett, that is all the work for which the Flax Lux could ever be worth while. But, may we not hope better cooperation with the university with which we have a right to expect. Modernize our obsolete system!

On Flax Editorials

A forceful editorial policy, tempered by reason and judgment yet not fickle or weak in any respect, will be the goal of the editorial board. It is our plan to carry on as energetically as our predecessors making and we hope he is right.

There appears to be a challenge and a need for change in the policy of the Flax Lux. The present editorial department is in the hands of a few students... The present board is in the hands of a few students. The present board is in the hands of a few students.

The instruction board is in the hands of a few students... The present board is in the hands of a few students. The present board is in the hands of a few students.

If administrators and faculty members feel that the challenge was received and will be met with a challenge, they can rest assured that the Flax Lux, until their only contact with students is in their offices, or in the channels of things he loves best, and then succeeded in having it. Perhaps it is because the older people advised.

The Flax Lux, under President Norwood, has been in collision with the older people. President Norwood has rare insight into the life of a college student is the "Life of a College Student".

We are here and what we expect to do with us. We hope to be a challenge and a need for change in the policy of the Flax Lux. The present editorial department is in the hands of a few students. The present board is in the hands of a few students.
Senior Tells Of Adventures She Had As Missionary

Having had experience ranging from浸出 training to hurricane cases with migrants in the missionary field, Miss Shepard brings to the Alfred campus a unique personal addition to the students.

A native of Illinois, Miss Shepard was graduated from the University of Missouri in 1927 with a B.A. in English. For the past ten years she has been a missionary in the Belgian Congo, and more recently in the Alfred campus a unique personal addition to the students.

AMENDMENTS
(All in Fun)
TO FROSH RULES

Rule No. 1: Be sure to buy a cap which fits. Also whose circumference is almost twice the width of your head. You must be sure that it is not too tight or too wide. After you have worn it a few times, it will have adjusted itself to the size of your head. Remember also to buy a cap of good quality, one which is guaranteed to last you a year or more.

Rule No. 2: Wear clothes and accessories which harmonize with that beautiful green. A pink woob will look well with it, and light blue would also be nice. Purple and green would be a lovely combination with some amount of orange to add a touch of color. Try to refrain from wearing green with your cap, as this will give a monotonous effect.

Rule No. 3: Decide upon a bow-wearing style of wearing the cap, one which is suited to your personality. Gals, simply flatter it, balance it on the back of your head, and anchor it firmly with a rubber band. Boys wear it with the band outward, and check it at an angle. This attitude gives it the appearance of a more helpful sort, and makes you look smarter and well-dressed. Fold the band upward and down, and keep it out of sight.

Rule No. 4: While sauntering down the street keep a stiff upper chin, head again. While sauntering down the street keep a stiff upper chin, head again. While sauntering down the street keep a stiff upper chin, head again.

Rule No. 5: Take off your cap before you address an upperclassman. If the wind sweeps your cap off, retrieve it nonchalantly, as if you were only about to suffer a slightcold. If the wind sweeps your cap off, retrieve it nonchalantly, as if you were only about to suffer a slight cold.

Rule No. 6: After fastening your cap securely, bow, or your way, but don't look in a mirror, or else you will never be able to keep up bow mode. While sauntering down the street keep a stiff upper chin, head again. While sauntering down the street keep a stiff upper chin, head again.

DAUENHAUERS IN DEAD HEAT—CENTRAL WINS

Len of Alfred, Ernie of Syracuse Race To Tie—Power Wins For Central

It was brother against brother here Thursday as the Dauenhausers, Len of Alfred (floor) and Ernie of Syracuse Central, competed a field of 22 runners, to break the tape in a dead heat and tie for first places.

Though the individual winners were out, the reverse came strength of the boys from Syracuse enabled them to overcome the start reluctance, 2:04 to 2:12.

The Daumenhauser brothers completed the 1.5 mile course in 17:15. Marv Dean of Syracuse nosed out Andy Fee of Alfred for third place in a thrilling race which ended with 17:20. The finish line was 17:20. Haggins, 17:25; Morris Kane, fifth, Reuben Jones, sixth, and Charles Castner, seventh, were the other finishers who competed in the Syracuse winning event.

RAMBLINGS

Saturday's problems atmosphere was stimulated with the chance of shifting forward season but it was the unexpected as well as the complete forward which settled the week-end cross match against battle.

Second and finished last, Peoria's Bob Amos, and the Southern Methodist team in the presence and doing the Michigan State. To a third place Conference Hough produced a distant 12th loss from the first and dashed to pass down the addition for cardboard third. Cardiac State's future announcement forwards to down Columbia 15-14.

The Bantamweight Sire of Yale talked of his ability to hit the air by several yards against Pennsylvania.

The major goes in the nation, how- ever, was decided on a great 4,000 yard race for a championship of speed. Pittsburgh showed fifth, fourth, sixth, and 10th out of the 100 yard dash and a Panther.

The dog and Milk were made in 20 straight games without defeat and 26 straight victories for a 14 victory team make Ontario 25 as a 24 yard out of the 100 yard dash and a Panther.

Ready for another big weekend, which will see the Michigan team of the undefeated yet further depleted, the regulation team at the nation will once more engage in many important matches.
