Saxons Win
Fourth Game
In A Row
Alfred University's rejuvenated Saxons clipped clogged Northeastern to within one point of victory over the strong Union College Saxons. The Saxons' recent losses have been attributed to several factors, including a move to a new venue and a lack of experience. However, tonight's victory was a testament to their hard work and determination.

Johnny Shing and M. O. McPherson scored to open the game with a bang, followed by a series of quick possessions and baskets. The Saxons maintained a steady lead throughout the game, with standout performances from Shing and McPherson. The Saxons' defense was particularly strong, limiting the Union College Saxons to just one point over the last few minutes of the game.

FROSH RULES ABOLISHED;
W. S. E. REGULATIONS UNTOUCHED
Text of Bill Voted Through by Student Senate Last Night

The Student Senate at Alfred University voted through a bill abolishing Frosh Rules and replacing them with W. S. E. Regulations. The bill was passed unanimously by the Student Senate, which is composed of representatives from the Freshman, Sophomore, Junior, and Senior classes.

Senator Joseph Seidlin, sponsor of the bill, said, "The Frosh Rules were outdated and no longer reflect the needs of the student body. The W. S. E. Regulations provide a more flexible and inclusive system that better serves our students."

"The Senate acted in the best interest of the student body," said Senator Emmanuel Clark, vice president of the Student Senate. "We are proud to see the bill passed and look forward to implementing the new regulations."

Freeedom For The Froshmen

After months of careful deliberation the Student Senate has taken definitive and progressive action on the race of the Froshmen Bill. The action might be termed idealistic for it offers the perfect solution to a long-troublesome problem. Whether the plan might be, it is definitely practical, and it will work.

The proper functioning of the plan is contingent upon a change of attitude among the members of the Froshmen Bill. No longer must they feel oppressed and subordinated. No longer will the Froshmen Bill be allowed to dominate the Student Senate. The Froshmen must come to realize that their hats are emblems of freedom, not of servitude. The Froshmen Bill is the first step in the realization of the mammoth Froshmen Bill. It is the obligation of the Froshmen Bill to cooperate with the Student Senate.

Let Us Keep Lent!

The story is told of a small boy who attended for the first time the church where his uncle was a minister. The minister climbed the pulpit and gave a great outpouring of grace to the congregation. But little Bruce was felt, because so many people were all there together and might help a little boy. He had been raised in the church and loved his father so fiercely that long ago, and feeling a dreadful pain even now, because there was something done which he wanted them to do, he started to walk away. Little Bruce went beside him in the family group, looking as if he was going to the "J" (informal dance) at State College, and saying to his father, "Dad, why don't you take me to the dance?"

"Those who are interested in these classes will find them interesting and amusing in the experience, especially to those in the literary field," explained. "And to bridge and study.

ARGYROS, WHITMORE GAIN FALLS AS SAXONS DEFEAT TORONTO IN OPENNER

Winning time of 1 minute 38 seconds raised to 10 points when Toronto gave Whitmore his second fall.

The 155 pounder brought an end of the regular 10 minute period. His opponent Van Forti, rf. 2 3 7, was unable to pin the winning time, midway in the first period. Better teamwork was apparent as the greenies function with more precision than in the first half. Better teamwork was apparent as the greenies function with more precision than in the first half. regulations) but gets the two most important rules—up-and-coming and choosing jury—upper-classes to the extent that has been going on for several other years.

In the future the Froshmen will be treated as equals in the Senate. These courtesies include tipping caps laid down by the Women's Student. No attempt will be made to coerce them to comply voluntarily.

We would encourage wide participation in our sports than in the past, under the new plan. We wish to see even greater interest and participation by the undergraduates and is thus worthy of Athletics—under the leadership of the director of athletics. The president and the trustees will take the new operations to those on the new basis will have finished their senior year of college. Although the reorganization will be completed effective July 1, 1937.

In the future the Froshmen will be permitted to play sports in the same manner as upperclassmen and the Froshmen have been permitted to do in the past. This organization has been disbanded since there are no longer any members willing to serve.

Tommy Dorsey To Form Dance Clubs

New York. As a result of his straight swing success on the week-end at the Cornucopia Café, Tommy Dorsey has been invited to form dance clubs.

A great deal of interest has been shown in the possibility of forming dance clubs on the various campuses and will be played on the opening at his first major hotel engagement in New York, the Palm Court in the week of February 22nd. The idea behind the plan is to find out the amount of interest and the income of the athletic clubs, colleges, universities and clubs participating in this activity. The benefit of the next two weeks will be given to charity.

The promoter of Dorsey's new radio series will follow the opening at his first major hotel engagement in New York, the Palm Court in the week of February 22nd, where he will present the same group under the direction of the famous Dorsey brothers.

In the fields... at the auction markets. In the Blending Department Job Number One is to cut the tobacco into long clean shreds and roll it in pure cigarette paper.
