

AU's Price sets new shutout record

4/10/07

ALFRED, NY Ilana Price (Wilton, CT/Brien McMahon) established a new school record for shutouts when the Alfred University softball team swept a doubleheader from visiting Hilbert College Monday afternoon at Hornell High School. Price tossed a perfect game shutout in a 17-0 AU win that was stopped after five innings. In the second game, a 16-0 Alfred victory also stopped after five innings, she held the visitors scoreless while scattering five hits. Price, who is now 8-2 on the season with a 1.20 earned run average, struck out six Hilbert batters in each game. The two shutouts gives Price four on the season, breaking the record of three that had been set in 2005 by former Saxon hurler and 2006 graduate Brittany Curran.
