

Rasmussen to discuss 'earthly predicament' during environmental seminar

10/02/07

Dr. Virginia Rasmussen will discuss "How Did We Land in This Earthly Predicament? Deciding Our Way Out" during the Friday, Oct. 5 Environmental Studies Seminar scheduled fro 12:20 p.m. in the Roon Lecture Hall, the Science Center, on the Alfred University campus. The seminar is open to the public free of charge. Rasmussen is a resident of the village of Alfred and teaches environmental studies at AU as an adjunct professor. She is associated with the Program on Corporations, Law and Democracy, a "group of people contesting the authority of corporations to govern." The Division of Environmental Studies at Alfred University sponsors the popular seminar series at 12:20 p.m. each Friday during the fall semester, except for Oct. 12, the Friday before fall mid-term break and Nov. 23, the Friday after Thanksgiving. Baked goods and other refreshments will be served during the program.
