Campus Will Be Host Tomorrow To High School Senior Men

First "Guest Day" Held to Introduce Students of Vicinity to Alfred; Guests to View Campus Activities

"Guest Day," to acquaint vicinity high school senior boys with opportunities offered by the Alfred University college of liberal arts, will be held on the campus, Wednesday. A similar day for high school senior girls is planned for spring.

Taking advantage of the public school holiday, February 12, the University has invited boys who are believed to be primarily interested in liberal arts from 20 vicinity and local schools, including Addison, Alfred-Almond, Allentown, Andover, Angelica, Belmont, Bolivar, Canaseraga, Canisteo, Cohocton, Cuba, Dansville, Friendship, Greenwood, Hornell, Olean, Salamanca, Wayland, Wellsville and Whitesville.

Carillon Program Listed

Student hosts, members of the Blue Key, national service organization with a chapter at Alfred, will receive the boys and high school faculty members in Social Hall at 2:30. Each host will spend the afternoon and evening with a group of five or six of the guests. During the afternoon each host will take his group on a tour of the campus. A special program will be played on the Davis Memorial Carillon from 2:45 to 3:45. Later the groups will see part of the University of Buffalo-Alfred wrestling meet.

The boys and accompanying teachers will be guests of the University at dinner; speakers will include President J. Nelson Norwood; Chaplain William H. Genné, Prof. Clifford Potter, Dr. Samuel Scholes, Jr., Dr. Joseph Seidlin, Prof. John E. Whitercraft, and Prof. John Reed Spicer, Counselor to Prospective Students, who returns to Alfred briefly from Columbia University, where he is studying during a year's leave of absence.

Open Forum To Be Held

After dinner, University faculty members will hold an open forum to answer questions and discuss the vocations which are available through a liberal arts course. In the evening the boys will attend the basketball games between the University of Buffalo and Alfred.

The committee making arrangements is composed of George Bunnell, Assistant Plant Manager, Dean M. E. Drake, Chaplain William H. Genné, Stanton Langworthy of the Blue Key, Athletic Director James A. McLane, and Ruth Dare Whitford, Assistant Counselor to Prospective Students.

Students who will act as hosts for the program are: Franklin Morley '41, Paul Pettit '42, Roger Marks '43, Robert Starr '43, Charles Rosenber '41, and Stanton Langworthy '42.

The high school guests and teachers accompanying them to Alfred are Addison High School—Accompanied by William Lundrigan, '34 Carlton Darré, Albert Dinalny Allentown Union School—Lyle Alsworth, Harry Erwin, Keith Gowdy Alfred-Almond Central School—Accompanied by Harold F. McGraw, '27, Prin., Charles Wightman Belmont High School—Accompanied by Howard L. Howbridge '29 Andrew Guidarelli, James Saunders Canisteo Central School—Accompanied by Donald O. Fenner, '30 Dale Burdick, Francis Hiltz, Jack McCallum, Nelson Ripley, Kenneth Stephens Cohocton High School—Accompanied by Edgar King, '34, Prin. Alfred Drum, Robert Mack, Richard Smith, Edsel Thorp Cuba Central School—Accompanied by Alfred L. Colburn, Prin. George Enos, Anthony Micros, James Miller, Norbert Perry, Wayne Rasmussen Dansville High School—Accompanied by C. C. Cullison, teacher Frederick Acomb, Donald Boyd, Robert LaForce, Albert Maloney, Alba Palmer Friendship Central School—Accompanied by Robert E. Witter, '24, Prin., Leslie Greisch, William Potter Hornell High School—Accompanied by Edward W. Cooke, Prin., and Alexander Sheheen, '37 Warren Amphlett, Jack Craft, Howard Deuell, Stanley Hubbard, William Kelly, Joseph Leahy, Joseph Lynch, Joseph Mathe, Joseph McDermott, Paul Nanno Salamanca High School—Accompanied by Mr. Nettleton, teacher Harry Caldwell, Thomas Elsen, Carl Ferrara, Edmund Jachacz, Donald Oglevee, Francis Preston Wellsville High School—Accompanied by Duane H. Andersen, '25, Prin., Stephen Cretcos, Richard Gorton, Charles Roos, Richard Schrader, Bert Serena, Louis Stout, Anthony Toporas

Movies Planned For Assembly

"Uncle Sam Non-Belligerent" is the title of the March of Time to be shown in Assembly in Alumni Hall Thursday morning at 11 o'clock. "Information Please" with its board experts and a picture about our changing English language called "American Spoken Here" will also be shown on the program.

Eleven End Machinery Course

The closing of the first semester at the Ag School meant finals for most students, but for 11 Farm Machinery seniors it meant completion of their course.

They will return in June for the graduation exercises. This is the second group to graduate from this course. Most of them have already received employment.

Names of the graduates, their home towns, and their present employers are listed.

James Alley, Kirkville; John O. Barnett, Wellsville, toolroom attendant, National Emergency Defense Program; Donald Bowman, East Bethany, Batavia Machine Shop Co.; David C. Drews, Hamburg, machine maintenance man, American Brass Co., Buffalo; Sherman E. Green, Portville, shipping clerk, International Harvester Co., Syracuse.

S. Parker Grinnell, Batavia, employed by father; C. Lee Parker, Albion, salesman-demonstrator, Silverking-Bowen Tractor Co., Hamburg; Bert W. Richmond, Alfred; Gordon Whipple, Albion, Selective Service draftee; Charles Woodley, Geneva, in Co., Syracuse; Lawrence Zimmer, Avoca.

Special Chapel Service Planned

In preparation for the World Day of Prayer for Students Sunday, Chaplain William H. Genné has made plans for a special chapel service Friday. The Sunday service in the Union University Church will observe this day of prayer.

Art Staff Visits Tennessee Plant

Professor Charles Harder and members of his staff made a trip to Irwin, Tenn., last week-end to arrange the cooperative program to be carried out by the Research Department of the Ceramic College and the Southern Potteries Company of Irwin, Tenn.

TRAVELER'S DIARY—

Student Records Homeward Journey

By Alice Schryver '42
Syracuse has its New York Central; Hartwick has its Delaware and Hudson, Cornell has its Lackawanna, and Alfred has its Erie, the patient, long-suffering, but undeniably slow Erie.

Comes vacation time and the usual announcement as to rates, air-conditioned cars, and so forth, is given by the dignified Dean, who by now has become well accustomed to the applause and laughing that greet his opening words.

The scene at the station would do credit to a movie star's departure. The students wander aimlessly about, stretching their necks hopefully for some sign of the train; or, they perch resignedly on suitcases and engage in

TWENTY START CAA COURSE

By Jerry Smith
Staff Reporter

Twenty students selected from the thirty-five applicants at the Ag School will begin the second course leading to a Civilian Pilot's license soon.

The course, which is under the supervision of the Civil Aeronautics Authority with Prof. W. B. Harrison as coordinator, will be completed about June 1.

Those completing the course which was started last October will take the final examination for their license, Wednesday, at the Ag School.

Special Instructors Engaged

Ground work in meteorology, navigation and civil aeronautics regulations will be taught on the campus by special instructors while airport officials at the Hornell Airport will take over the actual flying angles.

The three classes of 24 hours each will be instructed in navigation by Prof. L. E. Williams of the Industrial Mechanics Department. Prof. R. J. Brooks of the air conditioning and refrigeration department will teach meteorology; while Jack Pryor of the Hornell Airport will conduct the class in civil aeronautics regulations.

Solo Needed

In addition to the 72 hours ground-work necessary for the license, there will be 35 hours of flying time required. This includes a solo cross-country flight to Rochester.

Marketeers To Present Original Play

Following the precedent set by the Farm Machinery seniors, members of the Sales class who are majoring in Agricultural Business will present an original play about the third week in February at the Ag School.

The play, sponsored by the Marketeers Club, is expected to contain three acts based upon the sale of feeds. It will be followed by a series of sound pictures on some of the major problems of distribution. Executives of the Purina Mills in Buffalo will be invited.

Farm Machinery men who participated in the first play showing the sale and service of an International Harvester product in the Farm Equipment Laboratory last week were Seniors, Sherman Green, Charles Woodley, John Barnett, Donald Bowman, David Drews, Parker Grinnell, Lee Parker, Bert Richmond, Gordon Whipple, and Lawrence Zimmer.

TO DISCUSS WAGNER

Richard Wagner will be the subject of conversation at the German Club meeting to be held at Alumni Hall tomorrow evening at 8:00 o'clock. Prof. K. O. Myrvaagnes will give the club some information about the famous composer.

CAMPUS CURTS

CAMERAS PROVIDED

Cameras and enlargers will be provided by the department to the students in Prof. A. T. Goble's photography class, not by the students themselves as stated in the Fiat Lux of January 14.

IS NEWS CASTER

Edward F. Creagh '38, sports editor of the Olean Times-Herald, is now giving the Times-Herald news broadcast Monday through Friday afternoons at four o'clock.

SENIOR RINGS AVAILABLE

Senior rings for senior students in the Agricultural School have arrived and can be ordered from Herbert Bense '41 and Irving Sattell '41.

TO WRITE REGENTS

Dr. Joseph Seidlin will leave Sunday for Albany, where he will remain for several days making out regents examinations.

ARRANGE SERIES

Arrangements for a series of weekly discussions open to all students have been completed by the officers of the Newman Club. The first discussion will be held this Sunday at 10:30 A. M. in Kenyon Memorial Hall. The time of Sunday mass has been changed to 9 A. M. in order to make these discussions possible.

FOUR TEACHERS JOIN AG SCHOOL

Four teachers have been added to the staff of the Ag School for this semester.

Norman Newman, a graduate of the Rochester Mechanics Institute, will be in charge of the Air Conditioning Laboratory, as an assistant to Professor R. J. Brooks. R. W. Strang, a graduate of Cornell, will be in charge of the Dairy Manufacturing Laboratory classes. A. A. Foster, also a Cornell University graduate, will be a teacher of Agronomy.

Robert Brown, who has been employed by the National Defense Program, has been added to the regular staff of the School and will teach Mathematics and Electrical Power Laboratory. Mr. Brown is a graduate of Georgia Technical Institute.

Orchestra Rehearsal Called for Tonight

All members of the University Orchestra are urged to attend an important rehearsal tonight at 7:30 o'clock in South Hall.

DAIRY CLUB MEETS

A representative of the Diversey Corporation will speak to the Dairy Science Club at its meeting Wednesday evening at 7 o'clock in the Ag School.

Aggies Form Independent Group, To Hold Election

Establishment of an Ag School Independent group will be complete this week when the candidates to be suggested by an Ag School nominating committee are voted into office, Ag Student Senate President Robert Dygert '41 stated today.

DEBATERS TO FACE ST. BONNIES

Norman Ruderman '43 and Peter Keenan '41 will have a decision debate with St. Bonaventure College on Thursday, February 20.—Ruderman and Keenan will have the negative side of the topic: Resolved, The nations of the Western Hemisphere should form a permanent union. The debate will be held before the Wellsville Monday Club, at Wellsville.

Frank Morley '42 and Herman Eichorn '42 will go to Keuka College on Friday, February 21 to hold a non decision debate. They will have the positive side of the same topic.

On February 27, members of Houghton College will come here to debate that topic. Ruderman and Keenan will again take the negative side.

Successor to be Chosen

MADELINE SHORT

Voting for the election of the girl to be the 1941 St. Pat's Queen will be held in the University and Ag School assemblies February 20 and 21.

All Junior and Senior girls are eligible. Voting of the entire student body will determine the Queen and her attendants. Although the eleven girls eligible for the title of Queen will be announced, the identity of the Queen will be kept secret until the night of the Big Ball.

SKI CLUB TO MEET

All Alfred skiers are invited to attend a meeting of the Ski Club in front of the Steinheim, Saturday afternoon at two o'clock. Instructions will be given to beginners in the sport.

The executive committee of the club will meet at 7:30 o'clock tonight at Pi Alpha. Members of the committee are Roy Pardy '41, Charles Jones '44, Elaine Richtmyer '41, Gail Rasbach '43, and Jack Wall '42.

The Club is planning trips to Wellsville and Allegany State Park in the future. They also plan to bring to the campus Bob Blades of Hornell who formerly was a ski instructor at Sun Valley.

ACS to Hear National Prexy

John L. Carruthers, President of the National American Ceramic Society, will be the guest speaker at the next A.C.S. meeting Tuesday, February 18. The topic of his speech will be "The Design and Construction of Tunnel Kilns."

He is from Ohio State University, and will arrive on the Alfred campus about noon of that day. In the afternoon he will meet members of the faculty and student body.

Argosy Pictures Taken

Final steps toward publication of the Argosy were taken last Monday and Tuesday when group pictures were taken of members of the Ag School's varied activity groups.

The nominating committee composed of Dygert, Richard Miller '41, Don Butler '42, Joseph Macali '41, Kenneth Burnett '42, Melvin Miles '41 and Lorraine DeMornay '42 will meet this week to name candidates for the various offices of president, vice-president, secretary-treasurer and social chairman. Ballotting for all Ag Independents will be held—the latter part of this week in the Ag School.

Result of Annual Interest

Organization of this group is the result of an annual interest to include Ag School members in the University Independent organization. After representatives from both schools had conferred with Director Paul E. Orvis and with Dean M. E. Drake, they decided that a separate organization in the Ag School would be more practical than a group of combined schools.

The two groups will cooperate on social functions such as dances, and sleigh rides. Business meetings and transactions will be entirely separate.

Many Are Eligible

About 275 students in the Ag School will be eligible for membership in the organization while there are about 300 students in the University who may, if they choose, become Indies members. Membership in both groups will be based on the interest of each individual who will indicate his desire to join. The custom of previous years to include all outside men and women in the Independent organization has been discontinued. No scholarship qualifications are required.

Ceramists Make Plans For Research

H. R. Straight of the Adel Engineering Company of Adel, Iowa, visited the Ceramic College on Monday to confer with Dean Major E. Holmes and Professor H. G. Schurecht on the initiation of a new research program to be carried on in the experiment station here.

The program will be based on recent discoveries by Mr. Straight and will be concerned in determining the effect of internal lubrication of clay bodies on their behavior in the manufacturing operation.

At present Mr. Straight is touring the country lining up 50 ceramic plants which will consent to finance the program.

Deon Holmes stated, "If it (the research program) materializes as expected, it will be one of the most important things ever attempted by the Ceramic College."

If the program is established it will be under the direction of Prof. Schurecht.

Replaces Lobaugh In Ceramic Faculty

Professor Robert L. Stone has replaced Professor Frank E. Lobaugh as Assistant Professor of Ceramic Engineering in the Ceramic College.

Prof. Stone graduated from the University of Missouri School of Mines in 1934, then went to the North Carolina State College as a Teaching Fellow, and in 1936 received his degree of Master of Science in Ceramic Engineering.

From 1936 to 1939 he served as an instructor in the Department of Ceramics at the North Carolina State College of Agriculture and Engineering and as a junior partner in the firm of Greaves-Walker Engineers.

A member of Keramos and several other honorary organizations, he is the author of several articles on ceramics.

Poppelbaum Returns

Dr. Herman Poppelbaum returned Monday to resume his teaching. He has been on a lecture tour from Massachusetts to California since last November.

Sport tips waken interest

A statistician might find some interesting material in combing the nation's college newspapers for editorials carrying reprimands to the student body for its lack of "school spirit" where sports are concerned.

At some time or other during the year every editor editorializes, decrying a lack of support from the non-athletic student element. But scarcely ever is a remedy uncovered.

We advance the theory here that our athletic department may have found the answer and is in line for commendation. The answer to non-support may be a lack of understanding of the basic elements of the sport. To combat this last fall we saw Coach Yunevich run his grid squad through elementary formations and plays, explaining them via loud speaker.

Again this winter wrestling fans had the new scoring system outlined and demonstrated to them at the Rochester Mechanics match.

All of which may or may not be the answer to non-support and a lack of the old school spirit. But we think it can't fail to help the situation a great deal.

D. W.

Campus Camera

Cooperation is Indie group motto

This week another piece has been added to the pattern of mutual Ag School and University activities. Organization of an Independent group to correspond to the University group will be completed this week marking further progress toward a desirable and worthy goal. Although scholastic and political differences necessitated the formation of separate groups, social cooperation will be an outstanding feature.

In the past cooperation has been achieved in athletics, dramatics, the Hand Book, the Fiat Lux, Blue Key, Frosh Court, and Church activities. This present action meets further needs of students on the campus. That the combination of the interests of the two schools is commendable is evident in the marked progress of student activities in recent years.

The actual organization has been worked out so that neither body will prove cumbersome to the other.

College TOWN

BY THE EDITORS

Apparently the staff of the Alfred Co-operative Movie and the English department don't talk with each other very often. Why this rash statement? You have no doubt heard of the war against the misuse of the hapless phrase "due to" Of course you have—no doubt with some pain. Well—next time you attend the local cinema look for the accursed "due to" and you will see my point.

The story of a twentieth century odyssey has been passing along the grapevine ever since school started in 1941.

Solo cross country flights are all right, but sometimes one can't quite predict what the weather will be like an hour from takeoff on the other side.

So thought Civilian Pilot candidate Dick Humphrey when trapped in a place by the name of Rochester in this vicinity. Trapped, yes, by a snow storm, which came up shortly after he landed in Rochester, Sunday. So he waited until the next morning, which, nevertheless, did not show itself very merciful.

To the rescue came flying instructor Jack Pryor, who took the pilot back to Hornell in his car, came back to Rochester with Humphrey, Monday, and started him to a happy takeoff, and he lived happily ever after.

An enrollment decline in French courses and a decided drop in German class registrations at the University of Connecticut are more than offset by an increase of more than 100 per cent in enrollment in Spanish classes.

It has become apparent, say university officials, that the interest in Spanish is based almost entirely on a belief among students that future relations with Latin America are likely to be much more intimate than the United States previously held.

Students in engineering, agriculture and other professional fields showing new interest in Central and South America, are searching for all available information on those countries.

Recently President A. N. Jorgensen established a Latin-American seminar which meets once a week for two hours of lectures and round-table discussions under direction of four members of the faculty.—ACP

At Hunter college, the world's largest college for women, the average girl prefers sandwiches to hot food for lunch. Tuna fish, egg salad and ham are most popular.

Among the hot dishes chow mein is an overwhelming favorite and in less than two hours more than 80 gallons of chow mein and 35 pounds of rice are sold.—ACP

Counting 34,000 plain old American pennies would be some job—but imagine the headache currently borne by University of Texas inventory checkers, faced with a like number of ancient coins, ranging from early Greek to the Byzantine period.

The University's Swenson coin collection, housed in a six-foot high safe in the Texas Memorial Museum, must be checked each year along with all other State property. Kept in 50 trays, approximately 1,000 coins are Greek, the rest Roman and Byzantine.

The collection was given the University in 1891 by S. M. Swenson, who bought it in Sweden. Although only six trays remain on museum display at one time, the coins have been catalogued and are arranged according to the country issuing them.—ACP

Alfred uses "hello" doormat

Through these columns the students of Alfred extend a welcome to the high school senior men who are to visit our campus tomorrow afternoon and evening. Undoubtedly all of these young men have heard about Alfred but after their visit to the campus they will know more about the activities of a college student. Alfred University men will act as hosts and will show the guests around the school taking them to classrooms, several athletic events and to dinner which will be followed by an open forum discussion.

All students on campus will express their friendliness with their customary "Hello" which has received nation wide fame this year.

A worthy enterprise to extend hospitality and information to vicinity high school seniors will be completed tomorrow afternoon.

Dean Degen urges clear thinking

It is not too long ago that the period of sorority rushing was dreaded by all concerned. For the sorority girls themselves, it meant tense anxiety and intense activity. For the freshmen who were rushed, it meant an unnatural strain with the feeling that they were being appraised with somewhat arbitrary standards.

For those who were either not rushed or not bid, it sometimes meant embarrassment and keen disappointment. I hope that all this is largely a thing of the past. In a world where there are so many vital concerns, it is not worthwhile to be unhappy about the house or group in which one is to live.

Sorority houses on the campus at Alfred came into being to meet the housing problem. Since the dormitory was not large enough to house all of the girls, a few of them decided with the approval of the University to establish a house where a congenial group could live together. Later, at different times, two other groups did the same thing. Since in a sorority house there is less space and closer contacts than in the dormitory, it is necessary to choose for each house, girls who are essentially like-minded. If, in the process of this choosing, girls are not selected by one particular house or by any house, it is no proof that they are not as fine persons or as much contributors to the campus and to the world as those girls who are bid.

In the present rushing season I would like to advise all college women to get the perspective of the whole situation which will make them calm, sane, and large-minded. After all, there are five houses for women on the campus and in each one of them there are and will be women who are equally splendid.

(Signed) DEAN DORA K. DEGEN

Pledge dances fill calendar as new semester starts

By Mary Walker
Staff Reporter

Report cards and final exams became ancient history this week as fraternity pledge dances and sorority rushing helped the new semester off to a promising start.

Amid a night club atmosphere created by the use of spotlights and a false ceiling, Lambda Chi Alpha entertained Saturday evening from 8-12 o'clock with their annual pledge dance held in the gymnasium of South Hall. Guests danced to the music of Andy Grillo's band and were served refreshments from the house soda bar.

Faculty guests included Dr. and Mrs. A. E. McGuire, Director and Mrs. Paul Orvis, Mr. and Mrs. Gerald Burdick, Mr. and Mrs. DeForest W. Truman, and Prof. and Mrs. E. F. Hildebrand.

Guests from the other fraternities were Bud Husted '42, Delta Sig; Pete Keenan '42, Kappa Psi; Frank Maxwell '41, Kappa Nu; Irv Sapperstein '42, Kappa Nu; and Joe Utter '41, Independents.

Ed Ehrenrich '41, chairman, was assisted by Carl Heesler '43, Stan Langworthy '42, Paul Miller '42, Bill Woods '43, Bill Sprague '44, and Bob Bowman '44.

Dancing was to the music of Johnny Harris' band at Kappa Psi's pledge dance Saturday evening from 8-12 o'clock at Social Hall. Dress was semi-formal and refreshments of coffee, ice cream, and cookies were served.

Faculty guests included Prof. and Mrs. C. Duryea Smith III, Prof. and Mrs. K. O. Myrvaagnes, and Dr. and Mrs. Samuel Scholes. Guests from the other fraternities were Charles Rosenberg '41, Carl Kahn '41, and Irv Sapperstein '42, Kappa Nu; Bud Husted '42, Delta Sig; Harold Coleman, Theta Gamma; and Coulson Hageman '42, Kappa Nu.

Peter Keenan '42 and James Lippke '43 were in charge.

Formal rushing for the three sororities on campus started this week. Freshman girls are being entertained at the houses for dinner and Friday over-nights.

A jungle setting will provide the theme for Kappa Nu's pledge dance to be held at the house, Saturday evening from 8-12 o'clock. Dancing will be to the house sound system. A jungle setting will provide the theme for Kappa Nu's pledge dance to be held at the house, Saturday evening from 8-12 o'clock. Dancing will be to the house sound system. A jungle setting will provide the theme for Kappa Nu's pledge dance to be held at the house, Saturday evening from 8-12 o'clock. Dancing will be to the house sound system.

Prof. and Mrs. Charles Harder, Prof. and Mrs. Burton Crandall, and Dr. and Mrs. Harold Boraas will be faculty guests.

Ed Gehrke '41 is in charge of the dance.

A carnival complete with a Monte Carlo atmosphere of games and refreshments of soft drinks provided entertainment for Ag School frosh at Kappa Delta Thursday evening. Don Emens '41 had charge of the party.

Pi Alpha Pi held formal initiation Monday evening for Margaret Aylor '43 and Pat Cragg '43.

Merle Parker '40 was the guest of Kappa Nu last week-end.

Tad Clarke ex-'42 was the guest of Kappa Psi Upsilon last week-end.

Sigma Chi Nu had as week-end guests Annemarie Lustig '40 and Beth Devie '39.

The engagement of Betty Stangel '42, Theta Chi, to Dave Thomas '40, Lambda Chi, was announced on December 27th.

Delta Sigma Phi will hold its pledge dance Saturday evening from 8-12 o'clock in keeping with the theme of St. Valentine's Day. Dancing will be to the music of the Glinksky sound system.

Faculty guests will include Dean and Mrs. M. Ellis Drake and Prof. and Mrs. Clifford Potter.

Ed Schleiter '41 and Harold Weaver '42 are in charge of the dance.

Kappa Delta fraternity will observe their Founders' Day, Sunday, with a dinner to be followed by a program at which Chaplain William Genné will be guest speaker.

Kappa Nu will hold its annual pledge dance Saturday evening from 8 to 12 o'clock. Prof. and Mrs. C. Duryea Smith, III and Dr. and Mrs. Joseph Seidlin will be faculty guests.

Carl Kahn '41, chairman, will be assisted by Cliff Reader '42 and Herbert Berger '41.

Theta Gamma fraternity will have a rush party from 8 to 11 o'clock Thursday evening at the house. Harold Coleman '41 is in charge of arrangements.

Booger Hall entertained guests at dinner Sunday.

A novelty Valentine dance "with all the trimmings" sponsored by the N.Y.A. Girls provided entertainment for all those who attended Friday evening at the Ag School Library. Chairman of the dance was Connie Cimo '42. Music was furnished through the courtesy of the Radio department.

Chaperones were Prof. and Mrs. W. C. Jaeger, and Prof. and Mrs. R. J. Brooks.

Multimillionaire Paul Mellon, already a graduate of Yale and Clare College of Cambridge University, has registered as a freshman at St. John's College, Annapolis, Maryland.

Novelist Sinclair Lewis has joined the University of Wisconsin faculty as a teacher of creative writing with the rank of professor.

School children operate the largest amateur museum in the world. Located in Washington, N. C., it is known as the Bughouse.

Several hundred gold objects dug up from ancient Indian burial grounds in Panama by University of Pennsylvania archeologists have been placed on exhibition in the university museum.

BEYOND THE Valley

By George Hyams

"A despotism may almost be defined as a tired democracy. As fatigue falls on a community, the citizens are less inclined for that eternal vigilance which has truly been called the price of liberty, and they prefer to arm only one single individual to watch the city while they sleep." —G. K. Chesterton

William Randolph Hearst's art collection is now on sale in two New York department stores. Age has made many of the art objects as yellow as his newspapers were in their heyday.

Willkie, after spending a little over a week in England, is coming home. Then he will be able to write a comprehensive 20 volume edition on the country, its people, and its struggle.

The resignation of Justice McReynolds was the best birthday present F. D. R. could have received. (That is outside of having Lana Turner around for his birthday party).

William L. Shirer, upon his return from many years in Germany, reports that the Germans are having a tough time getting clothes. Maybe they blitzed France to get hold of Schiaparelli's dress shoppe.

Mussolini's "fighters" are having as much trouble as the Philadelphia Phillies.

Editor's Mailbag:

Editor, Fiat Lux
May I say a word through the Fiat Lux about the World's Student Service Fund?

In a few days now students and faculty members of Alfred University will be asked to aid students all over the world who are confined in prison camps, are refugees, or are trying as in China to continue their studies elsewhere in most primitive conditions after their campuses and buildings have been bombed to total destruction. Thousands of young men, students before the war, now suffer in prison camps in many countries. The World's Student Service Fund is assisting them to greater comfort, but more especially to new opportunities to continue their education while in camp. This requires books, class rooms, writing materials, apparatus, and organization. Many of them need food. In some cases the ordinary simple things become treasures—a knife, a violin, or a ball may be a God-send. Neither does the Service forget Bibles, alters and other aids to spiritual comfort and religious expression. The needs are great and urgent.

We may feel at times that we are hard up. But compared with these unfortunate thousands we are rolling in wealth. Alfred students have shown in the past, that when confronted with evidence of suffering and misfortune, local or worldwide, they can respond handsomely. Here is a chance for us all, students, faculty and staff, to do much by sacrificing a little. I am sure we shall give generously.

J. NELSON NORWOOD,
President

Editor's Note:
Robert S. Bülheimer, Administrative Secretary of the World Student Service Fund will speak in Assembly February 20 on the work of this organization. The student drive here will be held in connection with this program.

MOVIE TIME TABLE

Tonight—"Escape" with Norma Shearer and Robert Taylor. Shows at 7:00 and 9:27 with feature at 7:43 and 10:10. Season tickets not acceptable.

Thursday—"Flight Command" with Robert Taylor. Shows at 7:00 and 9:37 with feature at 7:43 and 10:20.

Friday and Saturday—"Santa Fe Trail" with Errol Flynn and Olivia de Havilland. Shows at 7:00 and 9:30 with feature at 7:40 and 10:10.

NEXT WEEK

Tuesday—"Bittersweet" with Jeanette MacDonald and Nelson Eddy. Shows at 7:00 and 9:17 with feature at 7:45 and 10:02. Season tickets not acceptable.

Thursday—"No, No, Nanette" with Anna Neagle. Shows at 7:00 and 9:30 with feature at 7:45 and 10:24.

Friday and Saturday—"Marx Brothers Go West" and "Tin Pan Alley". Shows at 6:50 and 9:45 with Alley at 6:50 and 9:50 and West at 8:22 and 11:22.

CAGERS SPLIT ON ROAD, POINT FOR U. OF B.

Grapplers Average .333 for Season, Face Bisons Tomorrow

Waddling

Along Sports Row
By Don Wattles

"Honest wrestling, or the college type, draws big crowds at such places as Penn State, Alfred University, etc.," wrote Joe Cummiskey in PM a while ago. Well, thanks Joe, but smile when you say that to Ed Don George or the Angel. By the way, beef steak is still the best known remedy for a black eye.

You can't keep a good man down. And now Bo Johnson is flirting with a big league football contract. For our money nobody in Sutherland & Co.'s backfield will show the Cyclone up if and when he gets his signature on the line.

"Triglio Cuts Miles' Scoring Lead". Thus ran a headline in the Rochester Times-Union last week. The story related the advances of Oakfield High's Triglio as runner-up in the Genesee-Orleans basketball league. No, it wasn't Pike playing a little high school ball on the side. His kid brother Johnny was the hero, and may have made up his five-point deficit by now. It seems to run in the family.

Alfred vs. Colgate in cross-country and wrestling results in a clean sweep for the Saxons, and Colgate's Student Senate Prexy Wattles maintains a studied, continued silence. "Muscles" Greene demonstrates in one easy lesson how to provide fuel for those muscles by eating two steaks, each weighing a pound and a half, at the football banquet... which gives rise to the prophecy that the shot-put mark will fall again this spring... "U. of P. Trims Army," says the headline, which is just another indication that the Penn is mightier than the sword.

We Knew Him When Department: Joe Meyer ex-'42 can see a lot of big time baseball on the house from now on. His father, who cultivates pearls for a hobby, recently bought a half interest in the Boston Bees, as fine an outfit as ever beat the Dodgers with regularity.

We just make the deadline with a basketball sideline. It seems that Cage Coach Dan Minnick was invited to speak over Station WTRY up in Troy just before the R. P. I. game. The night before, Roy Shudt, commentator, had umpired the Union fray and invited Coach Minnick and the R. P. I. coach to speak on his program.

Before introducing the coaches Shudt remarked that he had seen hundreds of the basketball players in action, such teams as Kate Smith's Celtics, for instance. But never, he said, had he ever seen a better all-around cage performer than Alfred University's Bo Johnson.

FENCERS MEET BUFFALO SQUAD

Second match of the year for Alfred foilsmen takes place tomorrow afternoon when they play host to a squad from the University of Buffalo at the gym. The contest is scheduled to get under way at two o'clock.

The saber-wielders will be out after their first victory of the year, having dropped their only previous match to the Rochester YMCA by a 6-3 count. Captain Milt Valinder and Mary Koner will handle the sabers and foils, Jerry Silverman and Frank Costello the epee, Al Austin and Walt Spaeth the sabers, and Irv Sapperstein the foil.

Future matches include a return engagement with Buffalo sometime in March, and a journey to Syracuse University on February 22.

DEAN RETURNS

Dean A. E. Whitford, after spending some time in Florida for his health, has resumed his duties as Dean of the College of Liberal Arts.

Win, 62-47, At Union; Drop, 50-41, To Techmen

For one night Alfred's Purple and Gold Avalanche really looked like an avalanche on their recent road trip, but twenty-four hours later Lady Luck again turned her back and left the squad in a rut of ill-fortune.

Union College of Schenectady was the victim of the highest scoring onslaught the Minnickmen have unleashed all season when Friday night they were snowed under by a 62-47 score.

Johnson Hits Jackpot

The following evening at Rensselaer Polytechnic Institute at Troy, the Techmen eked out a four-point, 45-41 victory in the closing minutes of the final period with the breaks of the game falling their way.

Bo Johnson found his eye in both tilts and teaming with Pike Triglio swished in bucket after bucket. His total for the two games was 34, while Triglio found the hoop for 23 markers.

The Union massacre saw the Saxons build up a 29-18 lead in the first half and continue their fast-break scoring through the second half to come out on top with a 15-point win. Ellie Hauth added 15 points to Johnson's 16 to take care of the bulk of the scoring.

At R. P. I. it was the same story all over again—with the exception of the last four minutes. At half-time the Purple and Gold was out in front, 24-18, but a fast sprint by the Engineers closed the gap as the clock ran out and left the Alfredians with an even split for two road games.

Play Buffalo Tomorrow

Pointing to make their season's record stand at a 500 percentage, the Minnickmen take to the boards again tomorrow night at home against the Bison of Buffalo. The freshmen will play a preliminary at seven o'clock with the Buffalo yearlings, and the Varsity game is scheduled to get under way at eight fifteen o'clock.

The box-scores:

Alfred	B	F	T
Humphrey, rf.	4	1	9

Score at half-time, Alfred 24, R. P. I. 18.

Tea, Exhibition For Drama Week

National Drama Week is being observed this week by displays at the library and a tea Sunday.

Miss Ruth Greene, librarian, with the cooperation of the Footlight Club, prepared the exhibit which includes drama books, model stages and other materials relating to the theatre.

Sunday afternoon from 3 to 5 o'clock at Social Hall, the Wee Playhouse, the Footlight Club and Theta Alpha Phi are holding a tea also to celebrate the nation wide observance of Drama Week. Betty Tim Kaiser '41 and Paul Bruce Pettit '42 are in charge of the tea.

Scholes Speaks

Dr. S. R. Scholes, head of the glass department spoke at a meeting of the American Association of University Women in Elmira Thursday.

The subject of his speech was "Earth and Fire" and dealt with modern glass production with the use of continuous machinery. He illustrated the lecture with lantern-slides.

Frosh Five Licks Cook, Loses to St. Bonnies

Freshman cagers emerged from the mid-semester lull with a .333 average for three games played. Hapless Cook Academy absorbed its second trouncing of the year from the Greenies, this time to a 37-7 tune.

Sub center Owen Babcock led the scoring as Coach Dan Minnick used his entire squad in subduing the men from Montour Falls.

A tall, agile left guard named Ed Rndzinski displayed the deadliest eye seen on Alfred's court this year as he and his St. Bonaventure freshman team rolled to a 56-49 win on February 1. Rndzinski netted 31 points, 21 of them in the second half. Close on his heels was Ludie Johnston of Alfred with a 25 point total.

Hobart's freshmen hit the jackpot three nights later, piling up a commanding lead in the first half just good enough to stave off a last quarter drive by the Minnickmen to win the contest 50-48.

With a season record of three wins against three losses, the frosh are pointing for wins over Buffalo tomorrow night, Jamestown Extension, Friday night. Both games will be played at the gym.

In Retrospect With The Varsity

Completing its first semester season, Alfred University's varsity five handily defeated a stubborn Hartwick quintet 37-28 at Hartwick in a game played before examinations. Old Faithful "Pike" Triglio again led the Purple and Gold cagers in this triumph tossing in 15 points.

For the first time in three years an overtime struggle ensued at the Alfred Gym when the Saxon courtsters threw a big scare into the St. Bonaventure Indians before dropping a hard fought battle 39-36. Putting on a last period drive, two run-up shots by Triglio and one by "Chief" Cohen knotted the count seconds before the final whistle blew. In the overtime period the Indians applied pressure enough to win a thrilling victory. Again "Pike" Triglio lead the way in a losing cause this time with 15 markers for a nice evening's work.

Taking the bumps for the second time in four days, the Saxon five tasted defeat at the hands of a strong Hobart five at Geneva. Putting on a drive in the second half, the Minnick-men just lacked the punch necessary to pull a victory from the fire dropping the fray by a 50-41 score. Snaring the spotlight as high scorer for the evening was diminutive Willie Gamble, whose performance was one of the bright lights in an otherwise drab evening. Gamble scored 16 points.

Infirmiry Treats Nine Students

Nine students were treated at the Clawson Infirmiry during the last two weeks, according to Miss Lydia Conover, superintendent.

They are Alton Wheeler '44, Marcia Wiley '44, Elizabeth Cosby '43, Burrill Friedman '43, Marie McDermott '44, Laura Berry '42, Theodore Peonessa '42, Fritz Seegart '41, and Wallace Dutkowski '42.

Klan Ahead as Intramurals Enter Last Lap of Year

Intramural basketball gets off on the last lap this week with Klan Alpine still in the van with seven won and none lost. Delta Sig is sticking close to the Klansmen's heels with five victories and one setback.

Future Dodger?

"Bo" JOHNSON

Bo May Get Pro Bid

Four years of spectacular, triple-threat football in Alfred University togs today seem likely to pay dividends to Walter (Bo) Johnson, famed halfback of two undefeated gridiron squads.

Approached recently by Coach Jock Sutherland of the Brooklyn Dodgers, member team of the National Professional Football League, Johnson may affix his signature to a Dodger contract in the near future.

The situation is still indefinite, pending further correspondence from the "canny Scot" of pro-football.

Johnson also intimated recently that this offer may lead to his being given a bid for the College All-Star outfit which annually opposes the New York Giants pro team in a Fresh Air Fund benefit early in September at New York City.

VISITS CAMPUS

Prof. John Reed Spicer, who has been absent on leave studying for his doctor's degree at Columbia University, is spending a few days on the campus supervising matters dealing with his office.

Varsity Track Starts Early

Off to an early start last week was the Varsity track team, starting the long trek of getting into shape for the spring season's indoor and outdoor meets.

Ten veterans reported to Coach McLane for preliminary workouts with more expected soon. Joe Kelly, Frank Morley, Dave Nordquist, Tex Smith, Frank Dalber, Ira Hall, Frank Heasley, Rog Marks, Carlos Morales and Lee Holtink are working out daily at the gym.

Manager Joe Shapiro has issued a call for freshman and sophomore managers. Scrub managers receive gym credit and class numerals for their work.

Holmes to Address Engineers' Meet

Dean Major E. Holmes has been invited to speak at a meeting of the American Institute of Mining and Metallurgical Engineers in New York City on February 17. His topic will be "Ceramic Education and Research in New York State."

Saxon grapplers swing into action, for the fourth time this year, tomorrow afternoon at the gym at three o'clock, in an attempt to even their season's record up to two won and two lost.

University of Buffalo's matmen will be the guests in a match that will be a part of a four-sport day. Two basketball contests will be held in the evening, and a fencing match in the afternoon at two o'clock.

Three matches to date find the Yunevich-men with a record of one victory against two losses. Rochester Mechanics Institute eked out a two-point win in the opener at Alfred, topping the Saxons 16-14 on January 18.

The eight matches were evenly split four to four, but the Mechanicians gained their edge with two pins and two decisions against the three decisions and one pin of the Purple and Gold.

Last week's road trip took in a win over the Red Raiders of Colgate, 17-11, and a 19-11 loss to the physical education teachers at Springfield College in Massachusetts.

Big Mike Green, wrestling in the heavyweight division, turned in the best record for the three matches, maintaining a clean slate with three decisions.

Frenchy LeBlanc, 128 lbs., racked up a decision in the Rochester match and a pin against Colgate. Last year's most consistent point winner, Reggie Miner, was handicapped in all three matches with a bad leg, hangover from the football wars, but turned in a 4-1 decision at Springfield, and a 6-4 decision at Colgate.

Smart Royce Luce, wrestling at 136, dropped a close decision at Springfield and gained decisions against Colgate and Rochester.

Summaries for the three meets:
Rochester Mechanics, 16—Alfred, 14
121 pound—Field (R) pinned Clampa (A). Time, 6:25.
128 pound—LeBlanc (A) decisioned Costello (R). Points, 14-4.
136 pounds—Dauenhauer (A) decisioned Jones (R). Points, 8-2.
145 pounds—Luce (A) pinned Liedecker (R). Time, 6:18.

Gridiron Stars Honored At Banquet, Get Awards

Tall, lean, lantern-jawed Dudley DeGroot, University of Rochester football coach, sold a group of 70 football players, University officials and newspapermen an idea, January 25.

The occasion was a dinner at the Hotel Sherwood in Hornell, honoring the undefeated Saxon football team, and the idea was that athletes in general and football men in particular owe a debt to athletics.

"Stay in Shape"

"You owe football an obligation," he said, "to stay in shape all the time. The trouble with the present generation is that they retire from athletics when they reach 23 or 25."

Pointing out the need for good physical specimens under the national defense program, the speaker urged athletes to set a better example in the future or "we can't justify the expense of the college athletic program."

Toastmaster was Director of Athletics James A. McLane. Brief talks were given preceding the principal speaker by President J. Nelson Norwood, Head Coach Alex Yunevich, late frosh football mentor Frank Lobaugh, Treasurer Burton B. Crandall, and Assistant Coach Daniel Minnick. DeGroot was introduced by Dr. Ben R. Crandall.

Banners Awarded

Coach Yunevich presented each member of the squad with a banner bearing the player's name and the season's scores.

Those who received banners were: Royce Luce, Manager James Lynch, Reginald Miner, Charles Taylor, Bert Rosenson, Jerome Schwartz, Robert Jolley, William Kopko, Paul Kopko, William Hurley, Winston Repert, Stanley Guthrie, Henry Boltek, Merrill Greene, Burton Baker, George Ploetz, Walter Johnson, Francis DiLaura, Edward Gehrke, Ralph Brigham, Alan Parks, John Ledlin, Kola Kipp, Edward Chazan, Wilfred Clay, Harry Meyer, Frank Triggilio, John Eggleton, and Frank Dutkowski.

AGGIES TAKE ONE, DROP TWO

Rochester School of Commerce provided the first grist for the Ag School's win mill, as Fritz Seeger and Gene Moyer netted 12 and 10 points respectively in one of three Aggie contests during mid-semester vacation.

Niagara of Rochester swarmed all over the Triggilio-coached men 47-28, and Brockport won a close game Saturday night in the other two tilts.

Against Niagara of Rochester Moyer and Seeger again did most of the tallying, and it was Moyer's 10 markers in the Brockport Normal fray that kept the Aggies in the game.

With a return contest with Rochester and a duo of games with Jamestown Extension in the near future, the NYSA men will be pointing for some entries in the back side of their won and lost register.

The Brockport box-score:

	B	F	T
Alfred	5	0	10
Moyer	5	0	10
McNelly	0	0	0
ESeger	0	1	1
Bense	3	0	6

Totals	12	11	33

Sorority Rushing

Freshman and transfer women are being rushed by the three Greek houses in the formal rushing period which began with the opening of the second semester.

The open season, somewhat shorter than in recent years, ends with dinner on Sunday. Silence period begins then and lasts until bids are accepted on Tuesday.

Preferential slips will be signed by the rushes at a meeting on Monday evening.

Saxonette Sports

By Muriel Strong

An intra-mural badminton tournament for women is being held, in which a first and second team from each house will participate. The names of all players must be given to Janet Howell '41, today.

Archers are competing in a three-week tournament, February 2-22. The names of the four men and the four women who have shot the highest score each week are telegraphed into the Intercollegiate Archery Meet being held at Oregon State College.

The scores for the week ending February 8 were: Mary Ellen Mills '42, 410; June Chisholm '42, 385; Kay Kastner '41, 384; and Frances Polan '42, 304—a total of 1483.

The men's team was made up of Arnold Johnson '42, 404; William Dennis '43, 400; Seibert App '43, 331; and Kenneth Parker '44, 302—a total of 1439.

Mary Ellen Mills' score of 410 is the highest obtained in a similar Alfred tournament since 1938, when Elizabeth Benz '38, scored 440.

In last year's competition Alfred placed 14th out of 25 teams entered, and 6th of the 9 schools competing, with a total score of 4492.

Alfred will send women to compete with Cornell, Keuka, William Smith, Elmira, Syracuse, Rochester, and Wells, in a playday to be held at Cornell on March 22. The teams to be sent will be swimming, badminton, basketball, and fencing.

A women's fencing tournament was held last night under the management of Betty Cosby.

Women's Intra-mural basketball will start next Monday. The schedule is as follows:

Feb. 17 (Monday)	8 P. M.—Theta Chi vs. Brick II
9 P. M.—Pi Alpha vs. Sigma Chi	
Feb. 18 (Tuesday)	7 P. M.—Theta Chi vs. Brick I
Feb. 24 (Monday)	8 P. M.—Theta Chi vs. N.Y.A.

FRENCH CLUB TO SHOW "HARVEST" FILM

"Harvest", a French film which was judged the best foreign film of the year 1939, will be shown in Alfred under the sponsorship of the French Club on Tuesday, March 4.

The film was first rejected by the New York censors, but their decision was reversed by the New York Board of Regents, and "Harvest" became, according to the New York Herald Tribune, one of the ten best films of the year.

"Harvest" is the story of a man, a woman and the soil, and how a decaying village was made to live again by the love of this man for the soil and for a woman who came into his life one day. The story is set in Provence in the south of France, where the production itself was filmed.

One of the leading roles in the film is taken by Fernandel, recently voted the most popular actor in France. Charles Boyer was voted fourth place in the same poll.

Tentative Cast Of "Portrait" Given

Rehearsals of the "Family Portrait," forthcoming Footlight Club production, are in progress and the play will probably be presented sometime in March.

The tentative cast of the play includes:

Joan Arnold '42, Margaret Aylor '43, Shirley Baldwin, '44, Elizabeth Binns, Robert Burgess, '43, Eleanor Cole '41, Larry Coleman '44, Arthur Crapsey, '42, Lois Creighton '43, David Crump, Joseph Dauchy '41, George Feldner '41, Harold Johnson '41, Betty Tim Kaiser '41, Fred Kaplowitz '44, Don Laurie '44, James Lipke '44, Douglas Manning '42, Elizabeth Olsozowy '41, Paul Bruce Pettit '42, Lucile Pink '43, Audrey Place '42, Winston Repert '43, August Roeder '41, Ruth Rogers '43, Norman Ruderman '43, John Ryan '42, William Schuster '43, Mary Walker '43.

Wisconsin Offers Science Fellowship

A \$600 a year fellowship for graduates who are interested in science is offered by the University of Wisconsin.

Anyone who is to graduate in June and is interested in these fellowships is advised to consult the head of his department and to go to the Registrar's office where the offers of the various colleges are on file. Immediate application is essential; delay will mean loss of the opportunity.

Dr. Inez Rundstrom, oldest active member of the faculty at Gustafus Adolphus college, is beginning her forty-seventh year at the school.

Criminology Photography Added to Curriculum

Criminology, photography, mental hygiene, office machines and principles and methods of discussion are five of the eight courses introduced at Alfred University when the second semester opened, February 5.

Other courses new to the curriculum are special methods in teaching business subjects, tests and measurements, and advanced ceramic chemistry.

In the Ceramics College, courses which are offered each second semester include processing of clays, white-ware technology, enamels, advanced petrography and Applied X-Rays.

In the College of Liberal Arts, 31 courses replace studies which were completed with final examinations in January. General bacteriology, evolution, physiology and special methods in the teaching of biology will be offered by the department of biology; fuels and combustion and semi-micro qualitative analysis will be offered in chemistry; in the field of the classical languages Cicero's Letters will be taught.

In economics, investments and government control of business are being offered; in education, the principles and foundations of the philosophy of education; in the English department, advanced composition, editorial and feature writing, American prose since 1870, Victorian poets, and contemporary American poetry.

In mathematics, trigonometry, analytical geometry, beginning calculus, college geometry, and special methods in the teaching of mathematics; in physics, magnetism and electricity and light; in the department of speech and dramatics, and oral interpretation.

In the department of history and political science, introduction to world politics, state and local governments and special methods in the teaching of history will be offered. Other course include historical geology, advanced astronomy, contemporary religion and special methods in the teaching of modern language.

Cornell Offers Graduate Awards

Several fellowships and scholarships at Cornell University are being offered to graduates of accredited schools and colleges of engineering.

For students desiring to become candidates for advanced degrees in the Engineering Division of the Graduate School, Cornell offers this spring 15 John McMullen Graduate Scholarships with an annual value of \$900, the Elton Huntington Hooker Fellowship in Hydraulics at \$510, the Charles Bull Earle Memorial Fellowship in Electrical Engineering at \$400, and several others in various branches of engineering at \$400 and \$200, with free tuition.

Applications should be directed to the dean of the Graduate School, Cornell University.

Nine New Students Enter Ag School

Eight men and a girl are among the new students who enrolled in the Ag School for the second semester last week.

They are: Joseph Giglio, Rochester, Radio; Guy Muldavin, New Mexico, Special; Wallace Dutkowski, Electricity; Joseph Saccone, Radio, Frederick Schoonmaker, Farm Machinery; Walter Sheard, Freeport, Electricity; Gerard Francis Weins, Rochester, Electricity; and Virginia Davis, Alfred Station, Special.

UNDERGOES OPERATION

Dr. Edgar D. Van Horn of the School of Theology, who underwent an operation in the Dansville Hospital some weeks ago, is recovering. He came home last week.

Smokers know... Chesterfields Satisfy

WITH THEIR MILD, BETTER TASTE

Do you know why Chesterfield gives you more pleasure? Because it's the smoker's cigarette... it has everything a smoker wants... Real Mildness and a Cooler, Better Taste.

Chesterfields are better-tasting and mild... not flat... not strong, because of their right combination of the world's best cigarette tobaccos. You can't buy a better cigarette.

Valentine Greetings from ELLEN DREW, starring in the current Paramount hit "THE MAD DOCTOR"... and from CHESTERFIELD, the Milder, Cooler, Better-Tasting cigarette.

Do you smoke the cigarette that Satisfies... it's the smoker's cigarette
