Coming as a guest to the services of another faith, Dr. Herman Poppelbaum spoke that eternal truth, the belief that all in-telligently, well-educated people hold—that there is no deeper thing than common worship. And this, in a great many words of Jewish and Gentile students, joining in with them in a sincerer period of worship.

The Reawakening

As was the case last year, Rabbi Mallozzi’s presence on campus served to highlight one of us who sorely longs that the fight for toleration is a never-ending struggle which cannot be permitted to disappear from our thoughts for a single moment. Dr. Warren in his lecture to the FIAT, stressed how deeply impressed he was by the poignant simplicity of last Sunday’s church service. As those who attended seemed to be as deeply moved as was the speaker himself. By every sincere action Alfred can signify its intention to stand for the fight for the rights in the struggle for racial toleration.

Dr. Poppelbaum’s appearance at Jewish Services in a room where Rabbi Meissner were dinner guests Sunday, Mar. 28. . . . Microscope “A” Robbins, ‘47 and Eye Examiner of the Student Christian Movement.

Man’s in ability to get along with other men, of all nationalities and creeds, is not an eternal truth; it may seem inevitable, but he can’t leave it in the past. Man’s ability does not mean that it is an impossibility, nor that it is a Utopian theory.

Rabbi Mallozzi reduced the problem of racial prejudices to its low-est terms, declaring it an individual question which each man must answer himself.

The Vet’s Column

By George Klikintz

This column will be devoted to the educational organization which seem to feel that veterans are something to be thrown to the dogs; if you just can’t take them away from us, then sit a spell where there when you are through with them.

I don’t know if you have formed the opinion that the Alvets are trying to help all of them to rid themselves of their doubts. It is not easy for someone who has just awoken from their closing eyes to have the time when you are through with them.

Alfred Fencers Place Third In IC Varsity Tourney

In its first intercollegiate competition, the Alfred fencing team took third place in a three-fencing tournament on March 23 at the University of Chicago. Alfred won two bouts, against Vassar and Mt. Holyoke, and lost one to Brown. The team was represented by Alfred's coach, James McLean. Two members of the team, William L. Bruce and Robert H. Brooks, were awarded plaques by the University of Chicago Fencers' Club.

A Hindu Funeral

Herning, Deutschland. Mr. Zola G. Dech, has spent the winter season in India. On January 29, he observed the proceedings involved in a Hindu funeral in India. The event was attended by a large number of people interested in Indian culture. Mr. Vakil was for whom the funeral was held and who was responsible for many changes in the industrial figures in India. He was a well-known figure in the Tata Steel Corporation and has spent the last years of his life in the service of the company. On 29 January 1945 Mithapur, a small city in India, honored Mr. Vakil. "I've just returned from Mr. Vakil's funeral and naturally am very aware of the great loss sustained by the country," he wrote.

The schedule as released is:

October 5—P. B. at Troy University—October 6—P. B. at Alfred University—November 9—Middle Atlantic Intercollegiate Meet at New York City—November 25—National Colleges Meet at East Lansing, Michigan.

Girls' Basketball Schedule Is Revised

Only two of the original girls' basketball games were played the week of March 25, due to the game being postponed because of the Footlight Club play and due to a P. B. game. Mount Holyoke will play a second game at 2:00 this week against the University of Connecticut.

AIDS: "End of the infection"—the theme of an AIDS awareness campaign, was chosen for the week of March 25. The campaign is sponsored by the AIDS Foundation New York (AFNY).

Ellis Manor Wins

Ellis Manor, the winner of the Alfred ART Comicon, was named "The Latest Style" at Rockwell's Jewelry and Watch Store.

Alfred Manor Win Basketball Trophy

Ellis Manor, the winner of the first round in the intramural basketball tournament, came out on top as the winner of the competition. The team scored 2,052 points against their opponents 1,453 points for the second round, and 883 points for the period with a total of 5,136 points to date.

"A victory luncheon" will be held in the near future for this win. The luncheon is to be given by Ellis Manor's coach, Clarence Sample. Although what is to be served will not be announced, we can be sure that some of the trophy will be presented to the coach.

Dan Minnick will be a guest speaker.

Pre-Season Football Maneuvers Begin

For the past few weeks the linemen and backs have been diligently preparing for the annual game between Alfred and Vassar Men's Gym. Beginning on April 15, Coach Alex Yunevich will take the men outdoors to the practice grounds, which are located on the Alfred campus.

Anyone who is interested in participating in football is requested to report for practice now. Coach Yunevich is particularly interested in finding good linemen.

The team will be pre-season football camp held here in preparation for next fall. Therefore, members of the team are urged to keep up their football strength in the weeks that follow. Spring football is not over, and a good many of the players have already had their first exposure to the game in the winter. This will be a great opportunity for the men to get into shape for next fall.

Spring Song

How many generations have been here
How many still to come
Who here have sat, as now we do
How many will spend
This year the Spring is ours to
spend,
Where two and two do not make
four
My Heart's a California
Who here have sat, as now we do
How many will spend
This year the Spring is ours to
spend,
Where two and two do not make
four
My Heart's a California

Alfred University has seen fit to continue as in the past as a vitally important part of our basic training, for it is our continuing belief that only through such a unique and individualized training, will we be able to teach more than techniques and their application.

TheAAF experts rate the Club's radio program as the most unique broad-cast in the nation's schools and colleges.
