The group of Alfred nationalists loitered in the streets for at least two hours. It is our opinion that the group should have been dispersed by the police in order to maintain peace and order. We believe that the group was acting unlawfully. The police should have taken action to prevent any further disturbance. The group of Alfred nationalists was made up of a number of individuals who were upset about the decision to discontinue the newspaper. They were shouting slogans and carrying signs. We believe that the group was being disruptive and that they should have been dispersed by the police. The police should have taken action to prevent any further disturbance.
