

## Alfred Alumni To Return For Homecoming Friday; Many Activities Planned

### Cross Country And Football Squads To Demonstrate; Alumni Banquet, Concert And Open Houses Included On Program

More than 500 alumni will be welcomed back to Alfred University Friday and Saturday at annual Homecoming festivities, according to W. Harold Reed, alumni secretary.

The number will be drawn from graduates living in Buffalo, Jamestown, Elmira, Syracuse and New York.

The program arranged for the returning grads will open with the Sax-on freshman football team playing the University of Buffalo yearlings Friday evening at Merrill Field. A cross-country meet has been scheduled for the following Saturday afternoon and the Varsity football team will meet Hartwick College under the lights at 8:15 p.m. that evening.

Also during the day will be continuous open house at all fraternities and sororities, a concert on the Davis Memorial Carillon by Carillonist Ray W. Wingate at 4:30 p.m. and a buffet supper beginning at 5 p.m. in the Campus Union building.

General chairman of the program is Mrs. Jean Collin, with Mrs. W. Varick Nevins III and Mrs. Willis C. Russell as co-chairmen of the supper committee.

## Senate To Sponsor Chest Drive; Daniel Kane Is Chairman

A Community Chest drive, separate from the town will get under way on Nov. 1 under the sponsorship of the Student Senate. The drive will not be held in cooperation with the town this year because it was felt that it would be wise to solicit the students before they are "overwhelmed with the expenses of travel and Christmas."

President Jack Jones appointed Daniel Kane '49, a member of last year's Community Chest Committee, to be chairman of this year's drive. Senate members who volunteered to work on the committee were Bruce Byington AT, Patricia Carrigliano AT, Terry Davis AT, Margaret O'Neil '50, John Pitcher AT, and James White '51.

At a meeting of the committee Friday, plans were made to send pledge cards to every student on campus either through the mail or by way of solicitors. The committee decided to end the drive on December 5, with Dec. 1-5 designated as the days on which pledges will be collected. Kane reported that he hoped to obtain some "red feathers" to be distributed to those who give to the fund. He appointed James White, Treasurer for the campaign and Bruce Byington solicitor of the Ag-Tech students.

Other business at the Senate meeting included the appropriation of \$100 to the Committee in charge of buses to the Buffalo game. The bus committee was to return the money received for the tickets this week. The Senate also appropriated \$50 toward a bus to take the band and cheerleaders to Buffalo.

Two other committees were appointed by Jack Jones. William Bayuk '50, was appointed chairman of the Senate election committee. Other members are Daniel Foster '50 and Mary Eagle '49. Arling Hazlett '49, was named chairman of a committee to investigate the possibility of getting a clock for the football score board. Members of Hazlett's committee are Daniel Foster '51 and Litchard Dickinson '50.

## Film To Be Shown In Ceramic Meeting

The first meeting of the American Ceramic Society—Student Branch, will be held Thursday, October 21, at 8:15 p.m. in Physics Hall. A color film taken at the Pottstown, Pa., Clay Products Plant will be presented and the 1948-49 St. Pat's Board will be elected.

These meetings are designed to be of special interest to ceramic engineers and glass technologists, but all ceramic students, especially freshmen and sophomores are welcome to attend.

## ACS Meeting To Hear Talk By Silverman

More than 125 ceramic industrialists will hear Dr. Alexander Silverman, chemistry department head at the University of Pittsburgh, speak on "The Last Decade in American Glass Manufacture," Friday evening at the Hotel Sherwood, Hornell.

The Fall meeting of the Upstate New York Section of the American Ceramic Society was planned to enable guests to attend the annual meeting of the New York Ceramic Association at Alfred the next day, according to George Kirkendale of the College of Ceramics ceramic engineering department, who is chairman.

Dr. Silverman recently has prepared an illustrated lecture on his topic which deals instructively with the glass industry during the past decade, Prof. Kirkendale said.

The belief also was expressed that Dr. Silverman might speak about a new glass which will protect scientists from harmful rays during research (Continued on page Two)

## Dr. Burdick Advises Influenza Injections

All students have been advised to take influenza injections as a preventative measure by Dr. Kenneth Burdick of the Clawson Infirmary. Dr. Burdick stated that those interested should sign up in the Infirmary before Friday. A fee of \$.75 will be charged to cover the cost of the drugs.

According to Dr. Burdick two weeks free hospitalization, including emergency X-rays, are offered to Liberal Arts, Ceramic, and Design students. Ag-Tech students are entitled to hospitalization for one week. The scale of fees for each college accounts for the difference in length of hospitalization. All students must pay for special medications.

Students in need of doctor's attention should plan to visit the Clawson Infirmary between 4 p.m. and 6 p.m., Mondays through Fridays. At other times the doctors are attending to their private practices.

Frank Ivancic spent an evening in the Infirmary last week after coming out of the Clarkson game with his cheek broken in two places.

## Outing Club Acquires Thirty Acre Ski Site

The Alfred Outing Club has completed an agreement for the purchase of a 30 acre tract of land for a ski area according to Lawrence H. Eliot '49, acting chairman of the club. The AOC has been carrying on negotiations for several months in order to obtain the property located on the south side of West University St. near Reynolds St.

Members of the organization worked on plans this past summer for the construction of a new electric ski tow to be erected on the newly acquired site. The new tow, which will exceed the present one in both size and power, extends from West University St. on up into the woods. The approximate length of the tow will be 1000 feet, making the ski run a vertical descent of some 275 feet.

Actual construction work will begin this week with Jesse B. Shapiro '49 heading the ski tow committee, assisted by Richard Smith '49 both of whom have been drawing up plans for the new mechanism. All students who are interested in working on the new tow are urged to contact the above named men.

Due to a Forum program the regularly scheduled meeting of the AOC, tonight, will not be held, but will be postponed until next Tuesday evening.

## County Health Association To Make X-ray Survey

The annual chest clinic and X-ray survey of the Allegany County Health and Tuberculosis Association will be held at Alfred University on October 25 and 26 at the Campus Union.

All new students on the Alfred University campus will receive appointments and the service is available to all townspeople, faculty and staff, without appointment, at the nominal rate of 50 cents each.

## Kanakadea Chooses Two Editors; Photo Schedule Announced

Senior and group pictures for the 1949 Kanakadea will be taken during this week, announced Evelyn Van Riper '49, editor. She also disclosed that Richard Ziegler '49 and John Bradley '50 have been chosen as art editor and associate editor respectively.

The senior pictures will be taken Oct. 15 to 22 in the Union Annex. Any senior who did not get a card is to get in touch with Iona Bohl '49, senior editor at Omicron. The group pictures will be taken from Oct. 25 to 28 at scheduled places. Organizations omitted from the schedule should contact Emily Nichol '49 at Pi Alpha.

The schedule for the group pictures is as follows:

Monday morning, Oct. 25, at Bartlett—Student Senate, 9:00; Ag-Tech Student Council, 9:20; W.S.G., 9:40; Frosh Court, 9:50; N.S.A., 10:00; American Legion, 10:10; R.F.A. Cabinet, 10:30; Newman Club, 10:40; Chapel Choir (in robes), 11:00; Football Club, 11:10; Theta Alpha Pi, 11:30; Alfred Workshop, 11:40 and Alfred Outing Club, 11:55.

Monday afternoon, at Merrill Field—Junior Class (University), 1:00; Sophomore class (University), 1:30; Junior class (Ag-Tech), 2:00; Freshman class (University), 2:30; Freshman class (Ag-Tech), 3:15. At the Bartlett, Spanish Club, 4:45; German Club, 5:00; Latin Club, 5:15; and French Club, 5:30.

Tuesday morning, Oct. 26, Bartlett—Alpha Kappa Omicron, 9:00; Pi Alpha Pi, 9:20; Sigma Chi Nu, 9:40; Theta Theta Chi, 10:00; Beta Sigma Psi, 10:40; Kappa Delta, 11:00; Kappa Nu, 11:20; Kappa Psi 11:40 and Klan Alpine, 12:00.

Tuesday afternoon, at Bartlett—Lambda Chi, 1:00; Theta Gamma, 1:20; Interfraternity Council, 1:40; Intersorority Council, 1:55; Castle, 2:10; American Ceramic Society, 2:30; Keramos, 3:00; Chemistry Club, 3:15; Fiat Lux, 3:35; Kanakadea, 4:00; Ceramic Guild, 4:20; Union Board, 4:40 and the Church Choir, 5:10 at the Union University Church.

Wednesday morning, Oct. 27, at Bartlett—Pi Delta Epsilon, 9:00; Blue (Continued on page Two)

## University Trustee Donates To Library

Mr. John P. Herrick of Olean, a trustee of Alfred University, recently made a gift of slightly over \$2,000 to the Carnegie Library, C. M. Mitchell, librarian, announced this week. The money, according to Mr. Mitchell, will be used during a two-year period for the purchase of much-needed specialized and general reference material which the library is not able to buy from its regular appropriations.

A short time before, Mr. Herrick had donated \$100 to the library for the purchase of books as a memorial to former President Boothe C. Davis, Mr. Curtis F. Randolph, former university treasurer, Mr. Justin B. Bradley, Mr. Frank S. Whitford, and Mr. Charles Stillman.

Mr. Mitchell also announced that a total of 348 books has been added to the University Library collection since June, bringing the total number to just over 68,000 volumes.

A notebook with selected listings of new additions, particularly those with a general appeal, is now available at the delivery desk. This list is kept constantly up-to-date, so that patrons may be informed of new arrivals even when the books are in circulation.

## Miss Shirley Wurz Named As AT Dean

Miss Shirley Wurz, instructor of English, became Ag-Tech Dean of Women this September to replace Miss Jane Clark who is working toward her doctorate at the University of Chicago.

Before coming to Alfred a year and a half ago, Miss Wurz taught high school English in Liberty, New York. She has done graduate work at Syracuse and Columbia University.

At present, Miss Wurz is doing work on a thesis on Folk Literature of the Erie Canal toward her master's degree.

## The Margaret Webster Co. Will Present "Macbeth" In Gymnasium Tonight

### 'Shakespeare On Wheels' Visits Alfred As Part Of Tour To 300 Colleges; Production Called Theatrical Milestone

Alfred University Forum guests will see tonight what has been termed a milestone in theatrical "road" history when the Margaret Webster Shakespeare Company presents "Macbeth" at 8:15 in Men's Gym.

Lady Macbeth

Carol Goodner

Miss Webster's play opened in Buffalo on Sept. 26 and during its seven-months tour through seven states will visit more than 300 colleges.

Called "Shakespeare on Wheels," Miss Webster's company is redballing over the 40,000 miles of countryside in specially constructed buses and trucks, complete with scenery, costumes, props and electrical equipment.

The woman who has snatched "Macbeth" from the dust of the library shelf, is the daughter of the late Dame May Whitty and the late Ben Webster. She has appeared as a member of London's Old Vic and on Broadway in "Family Portrait" with Judith Anderson and in "The Sea Gull" with Lunt and Fontanne. She achieved top honors with her first New York production, staging Shakespeare's "Richard II" for Maurice Evans. She since has done "Hamlet" and "Henry IV." for Evans and Helen Hayes, "Twelfth Night," for Evans and Judith Anderson, "Macbeth," and "Othello" with Paul Robeson and "The Tempest" for Vera Zorina.

Miss Webster will be assisted by a company of 22 young actors, veterans of her many presentations. Heading the cast is American-born Carol Goodner who plays Lady Macbeth, after (Continued on page Two)

## Blue Baron To Play Harvest Ball Music

Blue Baron and his orchestra have been secured for the Harvest Ball which will be held from 9 p.m. to 2 a.m., Friday, Nov. 12 in the Men's Gym, announced Ruth Johnson, chairman of the Autumn Festival. The ball will climax the second annual Ag-Tech Autumn Festival which will be held Nov. 10 to 12.

Included in this three-day festival will be exhibits by the various departments in the Ag-Tech Institute, a tea for parents on Parents Day and open houses at the Ag-Tech dormitories, fraternities and student lounge.

In addition, there will be a flower style show in Wellsville on Nov. 11, held in cooperation with the Wellsville Chamber of Commerce.

Committee heads for the Festival include: exhibits, Carmen Cerio; food, Franklin Kirkman; housing, Al Eastman, parking, Nelson Parks; finance, Carmen Cerio; publicity, Robert Parsons; tea dance, Marion Chudyk, tickets, Kay Hanright and the Ball, Peter Rossi.

Members of the sub-committees include: decorations, Robert Kinsman; booths, Ian Gummo; favors, Nancy White; correspondence, Dorothy Foster and clean-up, Bruce Byington.

## V. A. Representatives To Set Up Office In Alfred

Edwin Sayers, contact representative from the Veterans Administration in Hornell will be at the Campus Union the second Tuesday of each month to help veterans with problems concerning their insurance, claims, hospitalization, and medical and dental care.

Vernon K. Barris, supervising training officer of the Veterans Administration will be in room one of Greene Hall every Monday from 10 a.m. to 12 noon to help veterans with problems concerning educational training benefits.

Veterans may obtain help or information from the Federation Building in Hornell.

## Hallowe'en Carnival Planned For Oct. 29

A costume party, the Halloween Carnival, will be sponsored by the Journeyman's Organization of the School for American Craftsmen from 8:30 to 12 p.m., Oct. 29 in the Men's Gym.

Prizes for the best man's and woman's costumes as well as a door prize will be awarded. Entry requirements will be a costume or at least a mask. The price of admission will be \$.60.

The Tune Twisters of Canisteo will provide the music. Refreshments will be served.

## Bloodmobile Arrives Tomorrow; Students To Try For Record

Students and Red Cross workers are mobilizing for the visit of the Red Cross Bloodmobile tomorrow at the Parish House on University Place. This year appointments will not be necessary and students may give blood at any time between 10:00 a.m. and 5:00 p.m. The only requirements are that students between the ages of 18 and 21 must have wavers signed by their parents and that persons giving blood must not have had malaria or jaundice.

All fraternities and sororities are cooperating," said Wesley H. Parish, Chairman of the drive. "The emphasis is on the students this time, but we'll thoroughly canvass the townspeople in the Spring."

Noting that this is the second visit of the Bloodmobile, Mr. Parish said more than 1000 pints of blood have been returned to the three hospitals in Hornell and Wellsville since Jan. 15, when the program was initiated in the area on an experimental basis. The Clawson Infirmary and Dr. Hitchcock's office also have plasma on hand for emergency use.

Alfred is shooting to break the record of 164 pints of blood donated to the Rochester Regional blood drive last spring. Assisting in this effort are the Gray Ladies, nurses and staff aids and canteen workers.

## A. T. Assembly To Hear Former Espionage Agent

University and Ag-Tech assemblies will have different speakers this week. Kurt Singer, an expert on spy problems and author of two books on espionage, will speak before the Ag-Tech assembly on communist and fascist spies and saboteurs. Mr. Singer has lived in eight European countries and edited one of the first underground newspapers in Germany. He also worked with the Danish and Norwegian undergrounds.

Neil Brant, a member of the Progressive party in Rochester, will present his party's side of the picture to the University assembly. This will be the last of the series of talks by representatives of the three major parties who have been presenting their arguments to the students.

## May We Recommend . . .

At the last meeting of the Student Affairs Committee, the question of drinking at football games was brought up and discussed. It was generally felt that there was more drinking at the second game than there was at the first one.

At the last game, there were a few cases of students drinking so much that they annoyed the people sitting near them. We believe that students would do well to be more temperate in their drinking, especially since a great many people not connected with the University often attend the games.

Since practically everyone is well-known in Alfred, it seems to us that having to be carried out of the ball field reflects badly on the student. Most students would agree that it is extremely poor taste to drink large quantities of beer or liquor in public.

It does not speak well for the individual student or for any group with which he is affiliated, including the University.

## Tuition Fees

An increase of \$20 has brought the tuition fee of Liberal Arts students up to \$500. The apparent reason for this is the general increase of prices.

"Other colleges in this area have increased their tuition to as much as \$600," said Edward K. Lebohrer, University Treasurer. "The tuition fee accounts for only 1/4 of the costs of a University, and the rest is made up of endowments, which are not increasing at the present time."

Some of this money is backing University activities such as Forums and assembly programs. Also, wages of workers connected with the University, such as the ground crew, might be raised.

We would like to see a serious consideration of an increase in the salaries of professors and instructors. We believe such a move will be made eventually, and we would like to see it soon.

## Novice Fiat Reporters Given 'Scoop' By Gorgeous George

An exclusive story for the Fiat was given an unofficer reporter and his "secretary" by Gorgeous George, the famous golden-haired wrestler, at the Hotel Statler, Buffalo this Saturday.

Dressed conservatively in a finger-tip leopard skin cardigan jacket, cream trousers, pale apple green sport shirt and a figured tie of sunshine yellow, Gorgeous revealed:

"Last Sunday, at a hair fashion show held at the Ambassador Hotel in Hollywood, Gorgeous George was crowned king of the show. This is the first time in the history of the world that this has ever happened.

"They had a coronation for me and I received a sepulchre of beauty. Frances Langford was queen and I was king."

The interview was opened when Marie Perrotta asked Georges, who was sitting at an adjacent table, for his autograph. Very politely, he obliged. Pete Rossi, self-appointed Fiat reporter, aided by Palma Clute, who took notes in shorthand, received the following answers to his questions:

Q. Are you going to fight in Buffalo?  
A. Maybe in 2 or 3 weeks, not now.  
Q. Where was your last match and did you win?  
A. Omaha and I won.

When asked the name of his home town, Gorgeous who has lovely wavy blonde tresses, answered, "I am the toast of the coast, California. Gorgeous George, known from coast to coast as bettered toast."

Georgious has been in the wrestling profession for 19 years. He quickly added that he was only 33 to avoid being considered "an old man." He adopted the name "Gorgeous George" in 1941.

"Why do I call myself Gorgeous George?" he explained seriously. "Really, I don't think I'm gorgeous but what is my opinion against millions of others."

The two girls were given a sample of the Gorgeous George kiss. He clasped first Palma then Marie's hand and affectionately kissed—his own, remarking, "My, that was nice!"

Then he grabbed Pete's hand—and shook it. Marie quipped,

"Whatsamatter, doesn't Pete rate?"

As a memento of this occasion, George, flanked by two huge bodyguards and a manager, presented each "reporter" with a Georgian pin, a gold bobby pin which his bodyguards wore on their lapels.

### Shakespeare Forum

(Continued from page 1)  
having appeared in 44 plays and 17 movies. She has spent more than nine years in England, returning to the U. S. in 1939 to portray the glamorous English actress, Lorraine Sheldon in "The Man Who Came to Dinner."

Others in the cast include Joseph Holland who plays the title role in "Macbeth," and Alfred Ryder who plays "Malcolm." Mr. Holland toured in Lillian Hellman's "Watch on the Rhine. In addition to radio work, Mr. Ryder has appeared in "Awake and Sing."

## NIGHT and DAY

By Barbara LaVan

The spirit of football that pervaded the campus this weekend was further enhanced by the "Grid-iron Galop" sponsored by the Junior class. The couples attending found themselves dancing around a large economy-size football placed in the middle of a football field. Penalties for "backfield in motion," "holding," and "incompleted passes" were imposed on several people by referees Stan Garr and Tom McShane. Refreshments of coke and doughnuts were served by hawkers.

### Potpourri

Formal pledging ceremony was held Tuesday evening at Lambda Chi Alpha for Prof. C. Kenneth Snyder, an honorary, and Charles Bryant '50.

Shirley Colley AT was given a birthday party on Oct. 6.

Ruth Sly '51 spent the weekend at Sampson college.

Ingram Paperny '49 was a dinner guest at the Castle, Oct. 10.

Kappa Nu held a party after a buffet supper for the Jewish students, Wednesday. Chaplain Sibley and Prof. and Mrs. Platt were guests.

Dean Elizabeth Geen was a dinner guest at Omicron Tuesday.

Mr. and Mrs. J. Towner were dinner guests at Theta Gamma, Tuesday. Mr. Towner, who is with the Carrier Corp of Syracuse, spoke to the Alfred Student Refrigeration Engineers.

Pi Alpha Pi was entertained at dessert by Alpha Omicron, Wednesday.

Terry Venko '50 spent last weekend at her home in Binghamton.

The Castle gave a Freshman Tea, Sunday.

Iona Bohl '49 was a maid of honor at a wedding in Lions, Saturday.

Ruth Hardy AT and Betty Holdridge '51 stayed at their homes in Syracuse this weekend.

### Still More Summer Weddings

Charles Deignan '49 and Betty Plack of Oneida were married Sept. 14, in Valley Stream, L. I.

Allen Cordts '49 and Ann Jerlstrom were married June 20 in Jamaica, L. I. Mrs. Cordts is secretary to Dean Edward L. Hawthorne.

### Movie Time Table

Wednesday, Oct. 20—Dick Powell in "To The Ends of the Earth." Shows at 7:00 and 9:30; features at 7:41 and 10:00.

Friday, Oct. 22 (No show Saturday due to Football)—Dana Andrews and Gene Tierney in "Behind the Iron Curtain" and "Furia," an Italian film.

## Campus Calendar

**TUESDAY**  
Chapel—11 a.m., Kenyon  
Senate—7:30 p.m., Physics  
Alpha Phi Omega—7:30 p.m., Union  
Forum—8:15 p.m., Gym

**WEDNESDAY**  
Blood Bank—Parish House  
Conservation Club—5:30 p.m., Rm. 15, Ag-Tech

**THURSDAY**  
Assembly—11 a.m., Alumni  
Flying Club—7:30 p.m., Rm. 35, A-T  
American Ceramic Society—8:15 p.m., Physics  
Chorus—8:15 p.m., Social (upstairs)  
Alfred Outing Club—8:30 p.m., Social (downstairs)

**FRIDAY**  
Frosh football with Buffalo—2:15 p.m., Merrill  
Duplicate bridge—8 p.m., Social

**SATURDAY**  
Seventh Day Baptist Services—11 a.m., Village Church  
Openhouses at fraternities and Brick Cross-country with Niagara  
Alumni Banquet—5 p.m., Union  
Football; Varsity vs Hartwick—8:15 p.m., Merrill

**SUNDAY**  
Catholic Mass—9 and 10:30 a.m., Kenyon  
Episcopal Service—9:30 a.m., Gothic Union University Church—11 a.m., Village Church  
Fireside Chat—7:45 p.m., Social

**MONDAY**  
Craft School—7:30 p.m., Social  
Faculty Meeting—8 p.m., Social

"Iron Curtain" at 7:13 and 10:32.  
"Furia" at 8:40 only. Last complete show at 8:40.

## THE RAVING REPORTER

By Douglas Grewer

Freshmen were seen on the campus last week performing unusual antics. This marks the revival of the old custom of penalizing freshmen who violate frosh rules. In order to find out how students feel about this change in policy, we asked the following question: What is your opinion of the present method of handling Frosh violators?

Steve (bird cage) saunders '52—If students want to improve the situation on campus, a court that tries upperclassmen would probably be more beneficial.

Barbara Prentice AT—The few they convict each session represent only a small percentage of the offenders. A system of policing or detecting would facilitate bringing the real offenders to justice.

Phil Hessinger '51—In my opinion all freshmen should be made honorary sophomores so you wouldn't have to ask this question and I could go to Lab.

Robert Lyons AT—The real offenders are the upper classmen; freshmen have not yet had a chance to be corrupted by college morals. (Any John Law who has as yet not made a pinch

should be on the lookout for this frosh who boasts of never wearing his hat).

Helen Miller, Jody Perry '52—Frosh court is all right as long as they don't court too many.

Norman Schoenfeld '51—The only improvement I can suggest would be white hoods to make the judges look more like the Ku Klux Klan.

Jean Tierny AT—Make another boy stand on the statue because I didn't see the last one.

Burt Greenberg '50—Totally inadequate.

Louis Mendez '52—The bird cage is still good on the campus, but we want more birds.

Edwin Finney '51—Hang 'em all. Collin C. Brown '49—I think the frosh should be allowed to adjust themselves to campus life before imposing such ridiculous sentences on them.

### Letters To The Editor—

#### Students Urged to Back Community Chest Drive

Dear Editor,

This will be the second year that Alfred University has had a Community Chest. Last year the drive was both a success and a failure. It was a success in that it gave us many ideas on how to improve our drive this year. It was a failure in that we failed to reach our quota. This, however, was due not to the lack of generosity or industry on the part of the students, but to the mechanics in the operation of the drive.

The purpose of the Community Chest is twofold: it combines the many drives on the campus into one and it insures every organization that it will get its fair share of the funds.

It is firesome to have someone continually asking for donations to this or that cause. The Community Chest will do away with this. In the past, the first few organizations soliciting have always gotten a good response but the later drives have met with failure because students simply balked at the constant succession of drives. That is why we say that the community chest enables each organization to receive its fair share.

The seven organizations represented in the Community Chest are The American Cancer Society, the National Infantile Paralysis Foundation, The Foster Child Plan, the World Student Service Fund, The Allegany County Tuberculosis Association, the National Student Association and The Religious Fellowship of Alfred.

A certain percentage of the money will be left in a miscellaneous fund for any other worthy causes which may arise.

It is hoped that everyone will take a personal interest in this drive and will cooperate to the best of his ability.

Daniel Kane '49  
Chairman, Community Chest

### Campus Capers

by Tony Geraci and Art Wallace

While discussing the merits of turning flips on pinheads with the Saxon Heights Mountaineers we acquired some interesting sidelights on that there place away up in them thar hills. The Mountaineers are considering moving the Carillon to their hill country. They plan to use it as a musical alarm clock, so that they will be on time for their eight o'clock classes.

The heating system at the heights is out of this world. It seems that it has a mania for blowing cold air constantly. However, the hot air emitted nightly by the Heights inhabitants is more than enough to heat the whole town.

We offer the following proof that students have now settled down to being themselves once more:

Sam Maguire is test running his '49 style pin ball machine technique. It looks as if he will never be satisfied unless he can hear that popular tune, "Serenade of the Pin Ball Machine Bells."

Joyce Angerman came back with a Great Dane. She is now the only girl on campus who can return a wolf call with a howl.

Ingram "United Nations" Paperny has returned. Somebody slipped a blade in his razor so now he is walking around incognito.

Bridge games at the Union are on the way out. Last year there were so many games that even the kibitzers had kibitzers. Joe Crispino threatens to revive interest. The first words uttered by his baby daughter were "three no trump." Joe promptly doubled.

Stan Garr has returned with his car (?). We are expecting this chariot to blow up any day now. When it does Stan will still attend classes, but he will be plucking an angelic harp instead of totting a pocket edition of "Mr. Adam."

Sad Sacks of the week—Freshmen who think Ma's is a planet.

Food prices around town are so far out of reality that the veterans want a pair of Schmoos included in their subsistence allowance.

Ode to the class of '52:  
To you boys and girls in green  
We offer a little advice,  
Please try to stay on the beam  
Or Frosh Court will put you on ice.

### ACS Convention

(Continued from page one)  
which he and two others recently have developed.

Most of the group are expected to attend the Alfred meeting on Saturday when Larry F. Livingston, manager of the Extension Division of E. I. duPont de Nemours and Company, will speak on "A Preview of Progress."

Other speakers on Saturday's program will include: Dr. S. R. Scholes, Dean John F. McMahon, Dr. Willis G.

### Memo

TO: THE BOSSLADY  
FROM: JERRYSMITH

Donald Boulton '52 was telling us the other night about his first trip back to home in Schenectady after registering at Alfred. His father, Harold Boulton '29 was asking him what teachers he had. Don was naming faculty after which his father would say, "Don't know him," or "I've heard of him," when Don named one which caused a gleam in Boulton Pere's eye. "I had her in freshman English," he said. The name was "Miss Tupper." Young Boulton has her for English too.

Incidentally, Boulton Junior is following in his father's winged footsteps. Mr. Boulton was cross country captain in 1929 when the team, which included Coach Wilbur C. Getz, beat Colgate, Buffalo YMCA, Rochester and Hobart, won the New York State Conference but lost their two-year championship to Union in the Mid-Atlantic.

Others who were on the faculty at that time, according to the 1929 Kanakadea are: Profs. Marion L. Fosdick and Clara K. Nelson, Dr. and Mrs. Seidlin, Dr. Paul C. Saunders, Registrar Clifford M. Potter, Prof. Eva L. Ford, Dr. Murray J. Rice, Prof. Clarence W. Merritt, Prof. Charles Harder and Dr. M. E. Drake.

Fred Palmer, who is superintendent of buildings and grounds, received a letter the other day addressed to "Chief Electrician, Steinheim Bldg, Alfred, N. Y." Fred never batted an eyelash.

"I got one the other day addressed to 'Assistant Plant Engineer J. Nelson Norwood,'" he said.

But the title to say with a gargle and a snort is that of Miss Mary A. Trimble, who is properly called "Head Resident at the Brick and Social Coordinator." And such a little girl too!

The only person who didn't seem to mind Alfred's 8-0 defeat by Buffalo was A. Mation, commonly referred to as "Matty, the Barber." He was reported to have made a brief appearance at the game in Civic Stadium, Buffalo, and late Sunday a sign in the doorway of his shop announced: "Closed Sunday to celebrate Alfred's Victory."

Someone said once that the typewriter was mightier than the cannon. Mute evidence of that fact is the new name of Mr. Nevins' pride and joy, the Alfred Campus Theater.

It seems that some eager Fiat reporter wrote a story last year about the Alfred Co-op Theater celebrating its 16th anniversary. The article, as are some Fiat stories, was picked up by a local correspondent for WNY dailies and somehow got to Albany, to the office in the Department of Agriculture which handles co-operatives.

A short while later, Mr. Nevins was visited by a representative of this office who advised the movie magnate that he either would have to (1) remove co-op from the name of the theater, or (2) become a real cooperative by incorporating as such.

Mr. Nevins chose alternative number one and so this year we attended the Alfred Campus Theater at co-operative rates.

### Kanakadea Schedule

A brochure containing synopses of reports of work underway will be distributed to Saturday's guests. Articles included are: the New York State Clay and Shale Survey, Refractories, Heavy Clay Products, Glass, Whitewares, Materials and general reports on the Air Force and Navy projects.

## Annual Homecoming Tilt May Draw Capacity Crowd To A. U.

The annual Homecoming grid-battle takes place Saturday, when Alfred University will oppose Hartwick College, 8:15 p.m., under the lights at Merrill Field.

Alfred has a record of seven wins, one tie, and none lost against Hartwick, for a total of eight games. The tie took place the first time the two teams met each other, back in 1936, with neither team scoring.

Last year's contest was a 14-0 victory for Alfred. Hal Brown and Bill Argenti combined efforts to account for two markers and Brown for both conversions in this Saxon victory.

Alfred's record thus far this season will make them a slight favorite, but the game could turn in Hartwick's tide without it being a surprise.

This annual Homecoming game will be attended by an estimated 6,500 spectators, and traditionally is full of color, music, and thrills. This year will be no exception.

## Genesee Defeated By Frosh; Morgan Shatters Own Record

With a display of overwhelming power, the freshman cross country team accumulated a perfect score in defeating Genesee Junior College 15-40 in their first home meet of the season. In winning, captain John Morgan bettered by five seconds the old record of 14:08 for the frosh course which he set in a practice run earlier this year. He was timed in 14:03.8 last Saturday.

Sam Fame, Bill Cordes, Don Reimer, Nick Berg and Herb Shindler finished five abreast behind Morgan. The first Genesee runner was a hundred yards back in seventh place. The entire Alfred team was in before the second opponent crossed the finish line.

Morgan started fast and had built up a twenty yard lead at the half-mile mark. He held his blistering pace, gradually increasing it in the last mile, increasing his lead accordingly. At the finish he was about one hundred yards in front of his five team mates.

This Saturday afternoon the frosh meet the Buffalo Y.M.C.A. team here at two o'clock. The race will start and finish on the practice field.

## Television Commentator Interviews Frank Trost

Frank W. Trost '50, made his first appearance on television Saturday night at the Alfred-UB game when he was interviewed by Ralph Hubbell of WBEN-TV during the half-time.

During the three-minute interview, Trost discussed with Hubbell the game, Alfred, and ceramics. Trost, who aided Hubbell as a spotter, told the TV audience that if Alfred lost, the defeat would be due to Buffalo's ample substitutions and the weather.

"It can't be a fair contest in weather like this," Trost said, referring to the un-strained bouillon which soaked the field. He has been unable to find anyone who saw the telecast as the Fiat goes to press.

## Frosh Beat Hobart 42-7 In First Game

Scoring in every period and three times in the second, the Saxon yearlings got off to a flying start on their four-game schedule Saturday afternoon at Geneva against the Hobart College freshmen. The score of 42-7 was reminiscent of 1947 frosh scores when the team went through its season unbeaten and untied.

Alfred kicked off in the first quarter and recovered the ball on a Hobart fumble. They drove down to Hobart's 15-yard-line but were slapped back on a 15-yard penalty. Then Quarterback Birre completed a long pass to rangy Colin Cochrane who rested the ball on the five-yard-line. Royston scored, and the extra point was made on a line buck.

The three second-period scores were: (1) Bellmar bucked the line and ran 45 yards for a touchdown; (2) Birre scored a T.D. on a quarterback sneak and (3) Royston scored on an off-tackle play.

Mangafrieda scored the fifth touchdown after a seven-yard run and again the point after was good.

Bellmar came through in the final period again on a 25-yard run to hit pay-dirt for the sixth tally. The conversion was good. Hobart made their only touchdown after that on a right end run.

There were three other times when Alfred men crossed the goal line, but in none of the cases were they counted because of penalties.

The Frosh will meet a determined UB junior team at Merrill Field under lights Friday evening before a Homecoming crowd. Kickoff time is 8:15.

## Saxon Hgts., Kappa Psi, Bartlett Win

Saxon Heights, Kappa Psi and the Bartlett Freshmen intermural football teams climbed the ladder this week with victories over the Schmoos, Delta Sig and Lambda Chi, respectively. Games between Kappa and Kappa Nu and between Delta Sig and the Aces were postponed.

On Monday night the Saxon Heights veterans defeated the Schmoos, 8-6, in a very close game where the referees took almost as much punishment from the players as the players gave each other. The winning Saxon Heights touchdown came on a short running play by Prof. C. K. Snyder with only a few seconds remaining in the final quarter.

Tuesday night, Delta Sig beat Kappa Delta 8-0. A fumble behind Kappa Delta's end zone gave the Sigs 2

## Saxon Harriers Win As Wightman, O'Neil Tie For First Place

Paced by Bob Wightman and Dick O'Neil who finished in a dead heat for first place, the varsity cross country team trounced Cortland State Teachers College here Saturday. Paul Flurschütz outprinted Watkins, Cortland's distance star, in the final hundred yards of the race to take third place.

Tom Myers, Paul Bethlem and Don Rosser, all of Alfred crossed the line together in a tie for fifth place to give the varsity a convincing victory in its first home meet. John Anderson, Earl Bechard, Frank Schroeder, Ed Frankel, Larry Bonhotal and Ken Spring negotiated the 4.25 mile course in that order to complete the scoring for Alfred.

As the race was run on a new varsity course, a new record was set, jointly held by Wightman and O'Neil. The score was a one sided 17-38.

The Alfred squad got off to a fast start and at the mile mark five purple shorts were in the lead. In climbing the hill behind Saxon Heights, however, two Cortland harriers passed into fourth and fifth place. Coming back down the hill Myers, Bethlem and Rosser repassed one of them and were never challenged again during the rest of the race. Berchen, the other Cortland ace finished strongly but could not advance further.

The team meets Niagara here this Saturday. The race will begin immediately after the completion of the freshman event.

points on a safety. The touchdown was scored by Bud Rigoulet on a pass from Dick Ziegler.

In Saturday's only game Bartlett's Freshmen defeated Lambda Chi, 12-0. Two long passes to Bartlett's big end, Bob Mangles, paid off in touchdowns. Lambda Chi threatened to score twice but their offense bogged down each time a few yards short of the pay-off line.

Klan Alpine	2	0	0
Kappa Nu	1	0	0
Saxon Hgts	1	0	0
Kappa Psi	1	0	1
Bartlett	2	1	0
Kappa Delta	2	1	0
Delta Sig	1	1	0
Ellis Manor	0	0	1
Aces	0	2	0
Lambda Chi	0	2	0
Schmoos	0	3	0

## Bulls Win 8-0 As Sloppy Field Hinders Contest

The Buffalo Bulls shaded Alfred, 8-0, Saturday evening at rain-drenched Civic Stadium, Buffalo, in a game marked by 26 punts and 17 fumbles. About 3000 spectators braved a continuous rain which made the field so soupy that many plays didn't get off properly and forced the Saxon Hal Brown into a third period punting duel with the winner's Bob Conk.

Buffalo's score came three and one-half minutes in the second period after Conk punted out on the one-yard line. Brown punted back to the Alfred 39 and the Bull's Vjc Cleri and Bill Rudick brought the ball back to the 16 in two plays from where Left Half Back Floyd Price carried around his own right end for the tally. The attempted conversion was unsuccessful.

The safety came after the Saxon's had made a goal-line stand on the one-yard line in the opening minutes of the fourth quarter. Conk punted to the Alfred three and in the next play Quarterback Johnny Barnes was trapped behind his own goal line. It was the second safety scored against the Saxon's this season.

There were 16 punts in the third period with the Saxon's attempting twice to get going on the ground or on passes, but neither speedy ball carriers nor passes were possible. There was only one successful pass in the game and that by Alfred in the last play of the game after the rain had subsided.

This was Buffalo's third straight win, Alfred second loss.

The lineups:

Alfred		Buffalo	
Argentieri	LE	Rhodes	
LaSalle	LT	Molner	
Schweitzer	LG	Diange	
Buzak	C	Miller	
Scott	RG	O'Donnell	
Thompson	RT	Leipler	
Lester	RE	Olsen	
Barnes	QB	Licata	
Brown	LH	Price	
Reilly	RH	Mittelsteadt	
Reuning	FB	Haderer	

The statistics:

Alfred		Buffalo	
2	Fisst downs	6	
47	Yards gained rushing	110	
10	Yards gained passing	0	

## Frosh Women Drop First Softball Game

A junior and sophomore softball team defeated the freshman team on Saturday, with a score of 14 to 4. Alice Schulmeister, '51, and Barbara Theurer, '50, pitched for the winning team; Jean Sauter and Eunice English for the freshmen. Madeline Collins, softball manager, announces that there will be softball practices on Tuesday and Thursday at 4:30 p.m. on the South Hall Field. The senior team will play the freshman team on Saturday at 10 a.m.

A Women's Archery Tournament will be held on Saturday, October 23. The tournament is open to beginners and advanced archers. Prizes will be awarded to the winners.

An all-campus badminton tournament for men and women will be held on Nov. 7 at the Men's Gym. Lucille Losch, badminton manager, advises all those interested, beginners or advanced players, to get in practice now for the one-day tournament. Practices are held on Sunday from 2:30 to 4:30 in the Men's Gym. Be sure to bring your sneakers.

Virginia Mills, '49, and Margaret Griffith, '51, have been chosen as assistant field hockey managers. Hockey practices are held every Friday at 3:30 p.m. and Saturday at 1:30 p.m. on South Hall field.

Women students from Ag-Tech who wish to participate in sports and who have not had a medical exam since

25	Yards lost penalties	40

## Sports Sidelights

With the Intramural Touch Football League well underway with the guiding influence of Intramural Director Mike Green, it is becoming quite evident that some of the teams which were at the top last year have slipped considerably.

The team which has dominated play thus far, as it has in the last four years is Klan Alpine. Klan, led by Bill Stetson, Charles Deignan, and Bill O'Connor, has two 13-0 victories to its credit.

Another team which has shown up well is Delta Sig. They defeated Kappa Delta, a good squad, 8-0. Lambda Chi, one of the top teams last year, seems to have slipped considerably with two defeats against no wins.

This year, if everything goes as it has thus far, the "Big Game" will be between Klan Alpine and Delta Sig. Klan, undefeated-unscored upon in four years, is out to keep its record clean. While Delta Sig, who incidentally held Klan to a 0-0 score last year, seems improved and is sure to go all out for this game, as will Klan.

It has not yet been decided when the two teams will meet, but you can be sure it will be a game to attend.

coming to Alfred should make arrangements for one at the infirmary.

# Campus Union Shows \$4000 Loss From Last Year's Operation

The Campus Union showed a combined deficit of more than \$4000 for the period of July 1, 1947 to June 30, 1948, according to figures released this week by Edward K. Lebohner, University treasurer. This deficit does not include repairs costing approximately \$2000 made on the Union this Summer.

Other recent business of the Union Board reported at the Sept. 23 meeting included appointing a committee to arrange displays. Decision to convert one of the meeting rooms into a room for student meetings was made at the Oct. 11 meeting.

On the cafeteria alone, expenses totaled \$49,645.71 for the fiscal year while receipts totaled \$48,448.13, causing a net loss of \$1197.58.

For the Union as a whole, there was a deficit of \$3262.41 on July 1, 1947. Income from student fees for the period totaled \$3398.29 and expenses for capital expenses totaled \$3082.05. This leaves a profit for the year of \$314.24.

The original deficit plus the cafeteria deficit totals \$4459.99. Subtracting the profit leaves a combined total deficit for the fiscal year of \$4143.75.

A committee consisting of Stanton Garr '50, Thomas McShane '50 and John Boyle '50 has been appointed to contact the Colleges of Ceramics and Liberal Arts and the Craft School about displays of student projects. If displays are acquired, the responsibility for their care will be placed on the patrons of the Union, and not the Union Board.

During the summer, repairs made in the Union amounted to a cost of approximately \$2000. The repairs included refinishing of the floors, enlargement of the kitchen and making a new counter, new equipment which includes the refrigerator and exhaust fans, and painting of the interior walls.

At the second meeting of the Board, Oct. 11, it was decided that one of the small rooms in the Annex will be converted into a lounge, for which new lounge furniture will be provided. It also was decided that another of the smaller rooms will be used for student organization meetings. There will be desk space provided for student government officers. The Union will furnish tables for the meetings until

## Footlight Production Wins High Praises

High praise of the Alfred Footlight Club's production of Sophocles' "Antigone" was forthcoming last weekend at the meeting of the New York State Theatre Conference in Cazenovia. Professor C. D. Smith, chairman of the executive committee, reported that much interest was shown by members of the group toward the panel of photographs of "Antigone" taken by Robert Burdick.

John Boyt, New York designer who was a guest of the conference, used the term "superlative" when discussing the masks made by Warren Gilbertson for the production. Mr. Boyt stated that they compared very favorably with those used on the stage in France.

Prof. Smith declared that the New York State Theatre Conference is the first of several regional conferences to be sponsored by the National Theatre Conference. The organization of the New York State group is considered as a model for other theatre groups.

desks can be procured. The meetings in the Annex will be scheduled through the office of the Dean of Women subject to the approval of the Union Board.

The future lounge has been scheduled on Oct. 25 and 26 for the Chest Clinic. On Saturday, Oct. 23, the Alumni Banquet will be held in the Union. On this date, students are requested not to use the Union between the hours of 2 and 7 p.m.

Other tentative plans such as "General Mixer" parties on weekend nights, and round and square dances will be arranged later.

The Union Board or the Fiat will welcome any criticism or suggestion from the students.

Persons holding 1947-48 Campus Union Meal Tickets can get their money refunded at the Treasurer's Office on or before Friday, October 22, 1948.

## Shakespeare Co. To Present 'Macbeth'

Margaret Webster and an assistant survey a model stage set in the production, "Macbeth," which Miss Webster and her 22-man company will bring to Alfred on Oct. 19. They are sponsored by the Alfred University Forum which will bring five outstanding cultural programs to Alfred this year.

## French Club To Hear Of Summer In France

Le Cercle francais will meet at 8:00 p.m. Wednesday at Social Hall.

Talks in English about summer experiences in France and England will be given by Russell Langworthy '49 and Gayle Harder '49. Color photos will be shown.

New students of French and old members are invited to attend. A special invitation is issued to students in other language clubs

## Snyder Speaks On U.N.

Prof. C. Kenneth Snyder spoke on "The U.N., the Cold War and Conflicting Ideologies of Our Times" at the general faculty meeting 8 p.m., Monday, in Social Hall.

## Next Rush Party, Oct. 20

The fraternities held their first rush parties of the season last Thursday evening. The date of the next party, which was scheduled for Oct. 21, has been changed to Oct. 20, announced president Charles Clark '49.

## Social Hall To Open For Classic Record Concerts

Social Hall will be open this year on weekday afternoons and Saturday during the opera season. The hours will be from 4:00-5:30 Monday through Thursday and 2:00 to 5:30 on Friday. Eli Fass '49, will be librarian of the music library. On Saturdays, students are invited to listen to the opera over the radio.

Bridge cards and tables will also be available if there is a great enough demand for them.

## Buses To Hornell, Sunday

Sunday Time Schedule is as follows:  
Leave Hornell 9:00 A. M. Leave Alfred 9:30 A. M.  
1:00 P. M. 1:30 P. M.  
5:00 P. M. 5:30 P. M.

**R. E. ELLIS**  
Pharmacist  
Alfred New York

## Panel Will Discuss Student Questions At Nov. 4 Assembly

The Nov. 4 assembly program will be a faculty panel according to Dean Edward L. Hawthorne, chairman of the assembly committee. This panel will answer questions submitted by members of the student body. Thus the success of the assembly will depend on the number and types of questions presented by students. Questions, which should pertain to Alfred University and Alfred students, may be placed either in boxes set for the purpose on the Union porch and in the Fiat office or sent to the Dean of Men's office, P.O. box 141.

Dr. Ellsworth Barnard, English department head, E. K. Lebohner, University treasurer, and Prof. J. A. McLane of the athletic department have already accepted an invitation to serve on the panel and several other representatives of the administration and faculty are expected to be present. The moderator will be Dr. Joseph Seidlin, graduate school dean.

The questions submitted will be screened by the assembly committee and those whose answers would be of the most interest and value will be presented to the panel. The deadline for submitting questions, which may be anonymous if so desired, is 9:00 p.m. of Oct. 28.

Some of the general topics that have been suggested for these questions include ROTC, academic regulations and procedures, student counselling, town affairs and government, absentee voting and academic requirements for various professional and graduate schools.

## Brick Girls To Hold Homecoming Party

The Brick will hold an open house after the Homecoming football game, Saturday, Oct. 23. Cider and doughnuts will be served and there will be dancing in the Brick lounge. Committee chairmen are Anne Somers CS; refreshments; June Svahn CS, music; and Barbara Hurlburt '51, clean-up.

Dating-in times at the Brick for 1948-'49 will be Wednesday, Friday and Saturday nights and Saturday and Sunday afternoons.

A coke machine will be installed in the Recreation Room soon and is expected to add to the Brick treasury.

## Andrews To Lecture

(Continued from page One)  
to participate because their understanding and help are vital to a successful law school education."

Prof. Snyder went on to say: "This is the first in a series whereby we hope to bring the legal profession to the Alfred campus to give direct and first-hand advice to our pre-law students. In meetings to follow members of the bar will visit the campus regularly for both individual and group counseling.

"We must balance the academic and classroom approach to modern education with practical and on-the-spot experiences if the modern college is to meet the vast political and social challenges of our generation."
