

Who knows weather there will be any weather? It may not snow on the ski hill but all sorts of things drift into the Fiat Office.

This is the music issue: They say there is music of the sphere. Do the angels play basketball, too?

## Carolers Appearing On Sunday

A musical highlight of the holiday season will be the annual Christmas carol service by the Union University Church Choir next Sunday.

The two performances, at 4:30 and 7:30, will take place in the Village Church. Rev. Leroy Moser, minister, will act as narrator throughout the concert. Mrs. Samuel R. Scholes, Sr., will direct. Mrs. Benjamin Crump is the organist and John Behrenberg will assist on organ and piano.

It is expected that about 70 singers will participate in the adult choir. Most of these people are students although some faculty members and local residents are in the choir. No out-of-towners will be used in the service.

Several carols will be done by the junior choir under the direction of Mrs. Caroline Flansberg. Mrs. Edward Crandall will act as their accompanist.

The Cherub Choir, made up of five and six year olds, will participate for the first time this year. They will be directed by Judith Burdick and Sally McLane.

The program will be made up of carols both old and new. Outstanding among the new carols to be sung is "In Bethlehem Long Ago". Included in the older ones is the 14th century carol "Good Christian Men Rejoice."

Music by the Chapel Choir will augment the program.

Soloists include Carolyn Buanhiet, Don Boulton, Dale Casterline, Prof K. J. Ekdahl, Mrs. Caroline Flansberg, Bruce Goss, Mrs. George Kirkenale, John Peck, Mrs. Samuel R. Scholes, Prof. H. Simpson, Charles Talleur and William Webster.

The Women's Guild of Alfred will entertain the choir between performances at a supper at the Parish House.

The floriculture department is in charge of decorations and Chaplain Myron Sibley and the Footlight Club will direct the lighting at the church.

## Alfred Officials Go to Finance Meet This Week

Paul V. Orvis, AT Director, and Warren Bouck of the AT faculty will represent the Institute at a meeting of the Associated Colleges of New York State in Rochester Thursday.

President M. Ellis Drake will represent the University at the meeting.

The subject for the meeting will be college finances.

Dr. Carroll Newsom of the State Education Department will address the morning session, and a panel discussion in the afternoon will complete the day's program.

William Stopper of Ag-Tech went recently to a meeting of the steering committee set up to plan the program for the annual summer conference of the 11 two-year institutes in the State University.

The meeting was held last Friday and Saturday at the Morrisville Institute.

## Geisinger Will Talk at ACS

The student branch of the American Ceramic Society will hear E. E. Geisinger talk on enamel processes and foreign enamel plants.

Mr. Geisinger is the vice-president of P. Fouler Enamel Co. of Rochester. He was graduated from the University of Akron with a degree in chemistry.

He has been a member of the American Ceramic Society since 1917 and is a Fellow Member of the Society.

## Former Chaplain Moves to Oberlin

A former Alfred University chaplain who resigned from the Denver University faculty last year after refusing to sign a loyalty oath is now serving as chaplain and director of religious education of Oberlin College, Oberlin, Ohio.

Dr. George Ball, who was chaplain here during the 1946-47 school year, made nationwide news last spring when he walked out on Denver University because he was asked to sign an oath that he was not a communist. At the same time he made it plain that he was not a red, but believed that the oath was against the American tradition.

Dr. Ball at that time sharply criticized the University for making the oath mandatory. He said in a lengthy letter to Vice-Chancellor Albert Nelson that the oath failed its purposes and gave "sinister and treasonable purposes a highly welcome opportunity to make a public profession of loyalty in order to screen disloyalty."

During the past summer Dr. and Mrs. Ball spent the summer in Mexico as leaders of a college group sponsored by the Friends Service.

If you are going to sit on the fence make sure it is not spiked. Here's hoping some of you fence sitters get the point.

## Dance Again With Flanagan

Your Man Flanagan

## Ralph Flanagan To Play at Interfraternity Ball Dec. 13

Dance again with Flanagan is an Alfred first for the band and at long last for those on campus.

Ralph Flanagan and his musical congregation, often mentioned by speculators here before the announcement of a contracted band for the yearly Big Nights, has been engaged for the Christmas season dance, according to cochairmen Angelo Luongo and John Hawkes.

Music by this bandleader, often labeled the best dance orchestra styling in the country, will be presented from 9 p.m. until 2 a.m., Dec. 14 in the Men's Gym. Members of the Interfraternity Council are sponsoring the ball.

### A Touch of Miller?

Hailed by disc jockeys and record fans as the man who was instrumental in reviving the dance band business, Flanagan's top drawer material includes several waxings: "Joshua", "Dancing Tambourine", "Toreador", "My Hero", "Stars and Stripes Forever", and his own compositions, "Down the Line", and "Singing Winds."

The last is his theme. "Rag Mop" is one of his best known hits and currently, "Charmaine" is hitting the air waves.

Flanagan uses a 14 piece combination: five saxes, four trombones, three trumpets, drums and string bass.

### It's a Bust

### Flash Flood

### Alarms Brick

By Dorothy Sachs

Who says there's no excitement in Alfred?

Instead of the usual chorus of buzzers, the alarm bells rang out in the Brick Thursday night.

Flocks of girls came rushing out of their rooms clutching favorite minks and teddy bears. The fire bell kept ringing.

"What is it? Where is it? Is it a real fire? There are prows on the fire escape! Aw, it's only an alarm clock." Questions and rumors flashed back and forth, punctuated at intervals by the insistant ringing of the third floor.

Finally some observant soul traced the sound to the "Riviera"—the rear sun porch. Carefully opening the door we found that a sprinkler system pipe had burst and set off the alarm.

The pipe was not shut off before the cold weather started and the Alfred temperatures were just a little more than it could stand. However, Fred Palmer, superintendent of buildings and grounds, saved the day (and the pipe) and the Brick's version of peace and quiet was restored.

### Cups Clatter After Mass For Newmanites Sunday

A communion breakfast will be held in the Ag-Tech cafeteria after Mass on Sunday.

Tickets will be sold after mass for \$75 apiece.

The next meeting of the Newman Club will be at 7:30 p.m., Tuesday, Dec. 11, in the Ag-Tech Lounge.

Everyone that saw and heard the Messiah Sunday night has had a memorable experience.

recognition just recently, he's been in the musical world for many years as a very competent arranger of modern music. His services went to Sammy Kaye, Charlie Barnet, Hal McIntyre, Tommy Tucker, Tony Pastor and Blue Barron.

### You're Gettin' Talent

Probably the most important single honor going to the Flanagan orchestra was Billboard's Disc Jockey Poll in 1950 which yielded the following blue ribbons to RF:

Top band of the year, top swing band of the year, most promising "newer" band of the year, second sweetest band of the year, top pop album of the year: Flanagan's Rogers and Hammerstein styling, most conscientious and helpful in promotion of discs and finally, most cooperative in arranging for personal appearances.

No other band ever made so many firsts in the poll or with such tremendous vote margin over others.

The Interfraternity Council will announce more news on the Ball in next week's Fiat.

## Snow N' Ice Show Operations Now Underway

The ball is beginning to roll. Preparations for the Winter Carnival February 8 thru 10 are underway.

The carnival committee, composed of Alfred Outing Clubbers, who sponsor the cold-season escapade, are working with a 5, 13, 13, 5 offense.

Five finalists will be chosen from 13 candidates on Dec. 13, for the queen contest of the fifth annual Winter Carnival.

Two of the candidates will come from the Brick, and one from each of the sororities, the Castle, Dobson House, Merriam, Rosebush, Wheaton, and Wood Hall. Each candidate must be a resident of the house which sponsors her.

The all-campus election of the five finalists will be held a week from Thursday. From there specially appointed judges will handle the caper and choose the royal lady. The judges will be announced later.

### Pi Deltas Meet Saturday

Those in Pi Delta Epsilon, journalism honorary group, will be expected in the Fiat office Saturday morning at 11.

Prexy Bill Spangenberg announced that there'll be lots of important business.

## Work, Money, Test Data Released

Students who have not taken the Selective Service College Qualification Test and who wish to do so should contact Dean Fred Gertz at Greene Hall.

The next administration of the exam will be on April 24, 1952. Closing date for registration is March 10, 1952.

Dean Gertz urges that all students intending to take the exam to see him as soon as possible.

### Work, Work

The New York State Employment Service has announced 140 openings for male workers for the Christmas holiday in Poughkeepsie. The pay is \$1.26 per hour and the work is "dignified, requiring a fair amount of strength."

Interviews will be held at 2 Washington Street, Poughkeepsie.

### Marine Corps

Major Leitner of the United States marine corps will be on campus Dec. 7 to interview male students interested in joining the marine corps platoon leaders class. Interested students should contact Dean Fred Gertz for an appointment.

### Money For Grads

Dean H. O. Burdick has announced that he has in his office for the convenience of the student body, a list of sources for graduate financial assistance. Dean Burdick's office is on the second floor of Physics Hall.

### Boys in the Back Room

He was virtually unknown until August 1949 when RCA released his "You're Breaking My Heart." The immediate success of this and other platters proved the public was buying a band, not a tune, says his publicity man.

a marvelous opportunity for some of our outstanding students in the science field."

This statement, made by Prof. Earl Jandron of the psych realm, as in reference to the coming fellowship record exam, given at Alfred on January 18.

Each candidate for the exam is required to take a general test of academic ability and one achievement test in one of the following subject matter fields: biology, chemistry, engineering, geology, math, or physics.

The achievement test selected should be in the candidate's major field. If none represents his major field, the candidate is advised to select the test closest to his major.

There will be no charge for the exam, but each applicant must fill out and return an application blank to: Fellowship Office, National Research Council, 2101 Constitution Avenue, N.W., Washington, D.C.

Applications should be obtained from the above address, and must be filled in and mailed back to that address on or before January 7.

Fellows will be selected on the basis of scores achieved on the fellowship record exam, academic records and recommendations regarding each candidate's ability. Results of the exam will be reported only to the National Research Council and the National Science Foundation.

### WSG Re-examines Girls Who Didn't Know Rules

The Women's Student Government headed by Chickie Ballman retested the nineteen girls who flunked the annual test on the alma mater and the WSG rules given several weeks ago along with six girls who didn't come for the test the first time.

They all passed and were spared the humility of the punishments which are usually inflicted on those who fail to pass the test.

No other band ever made so many firsts in the poll or with such tremendous vote margin over others.

The Interfraternity Council will announce more news on the Ball in next week's Fiat.

### Two Girls Pledge to Pi

Two girls not included in last week's list of new sorority pledges are Anne Coatney and Simone Zudeck. Both girls are pledged to Pi Alpha.

## Saxon Cagers To Play Host To Buffalo Bulls Coach McWilliams Stresses Man-To-Man Defense

Buffalo 108, Ontario 37; Buffalo 62, Washington and Jefferson 57; Buffalo 106, McMasters University, 40.

This is the University of Buffalo team that the Saxon hoopmen will be up against tomorrow night at 8:15 p.m. in the Men's Gym.

### Speaks Today

William E. Skadden

## People's Troubles Was Topic Of AT Assembly

Human problems were discussed by William E. Skadden, social psychologist, at the Ag-Tech assembly this morning in Alumni Hall.

### Work, Work

Until recently, Mr. Skadden was executive secretary of the Illinois Welfare Association. His experience includes such assignments as writer and lecturer for the Division of Delinquency Prevention of the Illinois Department of Public Welfare. He has acted as Advisory Board chairman of the Travelers Aid, Marital Relations Councilor and relief chaplain in both the U.S. Senate and the House of Representatives.

### At-Ease Poses of Campus Wanted by Kanakadea

Organizations Editor Rose Sieber, surprisingly still sane, is grateful for the cooperation of all involved in the Kanakadea picture-taking episode at Social Hall last week.

She only used one bottle of aspirin.

"If you're handy with a camera, keep the yearbook in mind, for we can use good shots of house and dorm groups," said the editors this week. "Glean your albums for amusing pictures. The negatives and a note identifying the characters in them go to Betty Lou Ogden at Box G6. Negatives will be returned."

### Two Named Little All American

Two Alfred football stars have been named candidates for the Little All American team according to the National Collegiate Athletic Bureau.

Halfback Ralph DiMicco and hard hitting guard John Fasano won the honor. Both are juniors with a year of eligibility remaining.

DiMicco, the NCAB report said, placed fifth among small college leaders with 1313 yards gained in eight games and tenth in rushing offense with 894 yards.

The report ranked the Alfred team sixth among all small colleges in the nation in defensive play. The Saxons gave up only 157.3 yards per game throughout the season.

NCAB statistics ranked Alfred fourteenth in rushing offense with an average gain of 358.6.

### Kiddies to Invade Lambda Chi Sunday for Party

Lambda Chi is giving its annual Christmas party for the younger set at the house on Sunday afternoon.

## The Great American Game

News of politics, America's biggest sport, is filling the pages of most of the papers. Still 11 months before we are to choose the next occupant of the White House, we are in the midst of the campaign. The propaganda mills are grinding, Win With Whoosie buttons are blossoming like flowering jasmin, predictions and denials follow each other like thunder and lightning.

In the midst of this whirlwind many look with envy at the calm way the British limit electioneering to a few weeks, quietly choose their leaders and return to usual business. Only the newspapers, deprived of a few stories, seem to suffer from it.

But we're not British and we can't do things without some fanfare. With candidates popping into the public eye at every wink, it's time to consider who may chauffeur the donkey and the elephant next November.

The Democrats are keeping their nomination a public secret. It's more or less agreed that Harry will be glad to keep his job if we'll let him. One other possible candidate has been mentioned, Estes Kefauver.

There's more activity in the Republican training camp where Robert Taft and Earl Warren are already in the ring, and where Harold Stassen, Dwight Eisenhower and Paul Douglas are warming up in the neutral corners.

As the campaign begins it's easier to eliminate the chaff than to find a kernel of wisdom. Truman, on the basis of his record, may as well be scratched from the race, if we want any sort of better government than we have now. That leaves Kefauver as a possible standard bearer. He's one of the few Democrats who can recognize corruption and defeat it. If he's to race for the White House, though, he'd better speak his piece on some more issues.

Taft could well be eliminated from the Republican roster. With his off base ideas about curtailing aid to Europe, whittling down the armed forces and sniping away at the UN. His best idea is cutting the budget, but his method is unacceptable.

As for Eisenhower, what do we know about him except his army record? Very little. Before anyone, even the Herald Tribune, can conscientiously back Ike, that gentleman ought to put himself on record about a lot of things, not the least among them foreign policy. And by the way, is Ike a Democrat or a Republican?

Warren, Stassen and Douglas look like good bargains, but they haven't really declared a solid platform yet.

The business of picking a candidate is like fishing for a piece of turkey in the after-Christmas soup. The good stuff is there, but it takes patience to find it. For the time being it's a lot of fun to watch the political pot boil. Maybe in a few weeks there will be some better basis for backing one candidate.

## One Aim-Two Directions

Students are a peculiar ilk. We set a goal for ourselves and then run away from it as though it were some sort of boogey man.

For example, we come here with the idea of learning something. So we scrape together enough of the old man's dough to keep the treasurer happy, finagle a textbook and make a pretense of becoming students by signing up for classes. Then we turn our backs on our investment and cut classes as though they are a hindrance to education.

In a few exceptional cases the classes do impede learning but even these few cases could be immeasurably improved if the students took the ball away from the prof and carried on some lively discussions. It is worthwhile to attend classes if only to heckle. There is room for some heckling in the learning process.

Few of us advocate a no cut rule. Then we should know that no such coercion is necessary to bring us to class. We should realize that one of the purposes of college is to bring students and teachers together for a trade of information and ideas. If we aren't going to bother with that we might as well be in the army. Heaven forbid!

## Whose Victory?

UN forces marched into Korea to stop Red aggression and to unify North and South Korea. The plan has neither succeeded nor failed. The ground war, to all intents and purposes, has come to a halt on the theory that ground taken by either side must be relinquished in the event of an armistice by Dec. 27. Sentiments on both sides of the truce line are, "Why buy ground with lives if we may have to give it up?"

That looks sensible, but what if "peace at any price" sentiments force the UN to accept a mere cease fire without Communist surrender? That will not result in peace, only large numbers of troops standing an uneasy guard over a powder keg that may blow at any minute.

The UN must not be content with an exchange of prisoners instead of behind-the-lines inspection. A peace that does not unify Korea and send the invaders home will be no peace at all. UN victory can only be total with complete control. Anything else will actually be a Communist victory and will open the door for further attacks upon a materially weakened UN. We must not allow that to happen.

Dean Arthur H. Hughes of Trinity College has produced statistics showing that married students had average grades of 80.8 while unmarried students were content with 76.4. It only goes to show two heads are still better than one.

# Annual Messiah Performed Last Sunday

Prof. William Fiedler's chorus and orchestra presented Handel's Messiah in the Village Church Sunday at 8:30 p.m. (See review, page 2).

The great oratorio, special Christmas season highlight on Alfred's campus, was done by the University chorus and instrumental group before a large crowd.

Sopranos Aldie Mockus and Marilyn Richard, Alto Elizabeth Sibley and John Peck and William Webster, basses, presented solos during the Messiah.

Roger Schmidt of Rochester's Eastman School of Music sang the tenor recitatives and arias during this, the fifth annual performance of Handel's work.

Assisting the instrumentalists was Adelbert Purga of Wellsville and By Emerson of Horned's WWHG played the organ.

## Spring Rains Will Wash Out Union Bridge

Alfred is one of more than 300 colleges invited to compete in the 1952 Intercollegiate Bridge Tournament.

Only undergraduates are eligible to play in the duplicate bridge event for the title and trophy.

A preliminary round will be played by mail in February, and the sixteen highest ranking pairs will meet for the face-to-face finals at the Blackstone Hotel in Chicago on April 18 and 19, with their expenses paid by the Tournament Committee.

# Nine Harriers Awarded Letters for '51 Season

Nine members of Alfred's cross country team have received varsity letters for the 1951 season, Athletic Director James A. McLane has announced.

The harriers, who decisively won the New York State Collegiate Track and Field Association small college championship, also came through with four of five dual meet win during the past season. Their lone loss was to Cornell 25-32.

Topping the list of letter winners are Harold Snyder and Freshman Bruce Aiken. Snyder finished or tied

in first in three of the five dual meets and took a second and a third place in the remaining contests. He also paced the field in the small college championship meet.

Aiken, the most promising freshman on the squad, tied for first in one meet; came in second in three meets, just a split second behind the front runner on all three occasions; and came in third in the other meet. In addition he placed second in the state meet by finishing a tenth of a second behind the leader.

Other letter winners are Tom Pigman, Tom McLaughlin, John Morgan, Dan Button, Don Boulton, Bruce Washburn, and Manager Bob Owens.

Senior awards have also been presented to Morgan and Owens.

## Campus Interviews on Cigarette Tests

### No. 29...THE HYENA

Hysteria reigned from the moment he heard the details of those quick-trick cigarette mildness tests. First he giggled... then he guffawed... wound-up rolling in the aisle! He knew that the "single sniff" test or the "one puff" test didn't prove anything! Millions of smokers have reached the same conclusion — there's just one test that really proves cigarette flavor and mildness!

**It's the sensible test... the 30-Day Camel Mildness Test**, which simply asks you to try Camels as your steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments! Once you've enjoyed Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness Tests...

# Look for This Saxon Starting Lineup Tomorrow Night

Millard Evak, 6' 4" forward is a freshman and one of the most talented players on this season's squad. The big forward has all-around court ability and is deadly under the basket. Judging on pre-season performance, Eve figures to be among the top team scorers this season and his height is expected to be a big help to the Saxons. He was named All Conference at Morton High School of Cicero, Illinois.

John Castiglia, 5' 7" guard, a junior from Harrison who established himself as one of the most valuable men on the squad last season. A deadly set-shot artist, John tallied 211 points as a sophomore last season in 14 games for an average of 15.1 points per game. He was the first Alfred player to achieve that record. His free throw average last season was 71.2%.

Bill Coddington, 6' 2" center is one of the outstanding freshmen, certain to see action at center and forward. Bill is a graduate of Hornell High School, where he starred for three years. A fine team player and ball handler, Bill should be a great help under the boards.

Harvey Prinz, 5' 10" forward and regular last season, came up from the ranks of intramural ball where he was high scorer in his freshman year. Last season, Harvey was third high in scoring with 105 points in 14 games. A good rebound artist and ball handler, Harvey may prove to be a valuable asset to the team.

Vern Fitzgerald, 5' 7" guard is an aggressive ball player, who proved himself a good defensive man by his performance last season. This year will mark his second varsity season. A steady player and dependable ball handler, Vern will be attempting to better his shooting eye which was one of the lowest percentage-wise on last year's club.

## 32 Win Varsity Football Awards for '51 Season

Varsity letters have been awarded to 32 members of the 1951 football team, Athletic Director James A. McLane has announced. Caused by the two platoon system they represent the largest number of varsity "A" awards given for a season in Alfred's history.

Players who received varsity letters are: Vern Fitzgerald, Dick Hauser, Ted Olson, Bill Coddington, John and Joe Fasano, Bob Tibbott, Dick Eckner.

Ed Wallace, George Pollicano, John DiMartino, Paul Gavitt, Bob Personius, Fred Gibbs, John Wisniewski, Harry Bulkley, Bill Hall, John Stubbs.

Bill Keers, Ralph DiMicco, Al DiNattis, Les Goble, Andy Ippolito, Marion Davis, Billy Rohan, Patsy Lattari, Tony Mancifrida, Charlie Young and Carl Knapp.

Awards were also presented to managers Al Nies and Harris Britting and trainer Bernard Bertrand.

In addition senior awards were presented to Tibbott, Ippolito and Mancifrida. Dick McLane of Alfred received a shingle for his work as freshman manager of the squad.

Only seven of the 29 players who received awards are graduating this year.

## Pork and Praise Were Football Banquet Items

Saxon gridders tossed aside training rules Thursday night to tackle a fresh opponent—a pork dinner. The playing field—Wellsville Country Club.

Head Coach Alex Yunovich called the signals and they were all pass plays—with the Alfred merchants from the sidelines.

Coach Yunovich called a "no speech" rule then set it aside while he congratulated the team on being "one of the best teams Alfred ever had. I've been there since '37 and I say it was one of the top teams," he added.

"You can also be satisfied that out of an eight game schedule you outplayed every team though I know that sometimes the scores didn't fall right," he said.

Yunovich told the team that the Alfred victory over St. Lawrence was the game when the team came nearer to perfection than any other game in his career. He called the game a one in a lifetime contest.

To the men who will remain on the team next year Yunovich said, "Put the same fight into the history and chemistry books so you'll be here next year. After all, that's why you're at Alfred."

Also St. Lawrence is waiting for us and they are going to have every gun and every cannon loaded," he said.

## Women's Sports

By Betty Lou Ogden

Louise Moore, basketball wheel, has set up the schedule for games this season.

A game Thursday, at 9:30 between Wheaton House and Pi Alpha will be the opener. Saturday morning at 10:45 the Castle and Sigma Chi will meet. Monday are two games, the first at 8 p.m. between Rosebush and Dobson house inmates and the second between Theta Chi and Omicron.

Since there are ten teams this year and the season is badly split up with vacations, scheduled games will not be over until March 17. It is urged, therefore, that no teams attempt to postpone games. There is no other time to schedule them—unless you would care to stay here for Easter vacation.
