Dear Editor:

With the final exams behind us and the semester winding down, I thought it would be a good time to reflect on the activities of the past year and the students who have been involved in them. It is not often that one has the opportunity to look back at a year's work and evaluate the successes and failures. I believe that this is such a year.

The first activity that comes to mind is the annual Homecoming football game. It was a great day for the students and faculty alike. The weather was perfect, the crowd was enthusiastic, and the game was a close one. The students who organized the game should be commended for their hard work and dedication.

Another event that I would like to mention is the annual Spring Dance. This year's dance was held in the Student Center and was attended by students from all over the campus. It was a great opportunity for students to socialize and have fun. The musicians who provided the entertainment were excellent, and the disco lights added to the festive atmosphere.

I would also like to recognize the efforts of the students who were involved in the annual Fundraiser. This event was a great success, and the students who worked on it should be proud of their accomplishments.

Overall, I believe that this year has been a successful one for the students. We have had many opportunities to participate in a variety of activities, and I am confident that we will continue to do so in the future.

Sincerely,

[Your Name]
Female Athletes Are Honored During WAGB Award Session

In a short welcoming speech Tuffy Tucker opened this year's annual awards session which was conducted by the Women's Athletic Governing Board and held in the Brick dormitory.

The first awards to be announced were the singles trophies which were presented to all athletes whose names appeared on the honor roll for the fall semester. A total of 27 athletes were honored.

Mary Jane Henson, Nancy Hillhouse, Eve Sieedin, Mary Jane Colin, Billie Moeller, Jackie Silva, Ann Shenker, Stanislaw Zawacki, Jack Ott and Nancy Lenahan

by Bobby Lottid

I have been a student at Alfred University 211 days. I have eaten about 600 meals at Bartlett, listened to hundreds of civilization lectures—some while awake, made many good friends, and shared with my classmates the experience of learning, doing and tasting of what a college has to offer.

I write this appropriately enough for the new month of May and at the closing of my first year at college. I ask myself what Alfred has made in this impressionable year of university life, and what the future holds. Let me step back and review.

Some Milestones
Coming to college was new to me and with many people purely the reaction to the eventual experience of paper roiled up is a meaning, and reality is the median. I always liked the idea of being a college man, but I gave little importance to the reaction of going to college. The hangover from an assembly—

Five Records Drop As Snyder, Goble, Mahoney Continue Spree

Last Saturday, at the last home meet of the 1953 Track Season at Alfred University, the Saxons beat Buffalo University, and Buffalo State by a score of 60 to 60 in 34-1/2. In doing this, Hal Snyder set two records, Dave Mahoney and Les Goble set one each, and the relay team of Corson, Ken Fitzgerald, Snyder and Goble set a new 4.5 mile relay record.

The team ended with the record setting mile relay, a phenomenon of things to come, as Hal ran the first leg, in 55 seconds. His pace was fast, but to be fast he must have been at the finish line of the first mile record or 14 minutes, 28 seconds.

The next event, another nail-biting one, was the 440 yard dash. Alfred had something in store for us, with a wicked record breaking time of 48.7, and was almost at the finish line the fourth place with 1 minute, 8 seconds. From that day followed, Ken Fitzgerald and Marion Davis did the 880 relay, in 1:59, just going in the first time they broke the tape after 2 minutes, 40 seconds, and the tape was crossed a little over 2 minutes, 45 seconds. And the tape was crossed just 3 minutes, 2 seconds.

The last event was the 1000 yard dash, where Bob Corson was edged out of first place by a half-second. The final of the 1000 yard was won by Bob Corson and the tape was crossed at 2 minutes, 16 seconds. Actually the tape was crossed at 2 minutes, 19 seconds, but the last step was not brought in time.

I find it difficult to understand thoroughly, what Alfred had so much for me that I was not able to satisfy with a record. I understand that the record time was a minute, 53 seconds.

Just classes
But there is more involved. The huge school director, the class of life, the school of living, a school of living, and education, is a talk with a known—over and over the idea of your last quick task and realization of the importance of the particular field, when random advantages of another minute, or a hair was impressed on the memory.

The 100 year old expression, it grows on you. The importance of the class is a strain, and a strain is a discipline.

The Garden of Alfred
But the real thing that I was satisfied with is the college experience. The real college experience of this year, with a time of ten and two seconds.

The index of good quality table-a ratio of high sugar to low nicotine—

SUMMARY

1. THE QUALITY CONTRAST between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the country's six leading cigarette brands.

2. First to Give You Premium Quality in Regular and King-size ... much milder with an extraordinarily good taste—and for your pocketbook; Chesterfield is today's best cigarette buy.

3. A Report Never Before Made About a Cigarette. For well over a year a medical specialist has been giving a group of Chesterfield smokers complete physical examinations every two months. He reports ... no adverse effects to nose, throat and sinuses from smoking Chesterfield.

Don't you want to try a cigarette with a record like this?
