

"St. Joan" Successful, Canada Group Shines

photo by P. Smith, Stratford, Canada
Saint Joan (Frances Hyland) being dragged to the stake by the Executioner (Bob Gibson) and De Stogumber (Ted Fellows) in Canadian Players platform version of George Bernard Shaw's "Saint Joan."

by Merle Chait

One of the finest performances to be given on the Alfred campus within this writer's recollection was presented last Tuesday evening. The production of George Bernard Shaw's "St. Joan," which played to a packed house, was an overwhelming success.

The Canadian Players, using the most modest and simple stage effects produced highly superior results. The artistry displayed in the performance was magnificent.

Playing the role of Joan, Frances Hyland captured her audience and brought them to believe in her as a living person. Though of slight build Miss Hyland assumed her role with the perfect degree of masculinity which it called for. Shaw has created a real and fascinating character whom Miss Hyland brought to life before our eyes. "Whether inspired by genius or God, inspired she (Joan) clearly was; whether or not her voices were real, they were real to her, . . ." and after the performance they were real to us.

Although Joan is such a powerful character that she dominates the play, the other characters provide opportunity for the demonstration of great skill on the part of the other performers. Certainly the performance of William Hutt as the Archbishop and the English Warwick was outstanding. With the lack of costumes and other devices, facial expressions and movement became most important. These Mr. Hutt used in masterful measures and with great adeptness drew two characters of great diversity.

The doubling up of parts, rather than being a drawback, proved to the audience the versatility of the actors. Proving his excellence beyond all doubt, Douglas Campbell artfully portrayed three characters of huge variance. Starting with DeBeaudricourt, the bellowing lord with a weak will, then continuing with the benevolent churchman Cauchon, who wasn't quite up to understanding the heroine, he concluded by depicting an English soldier whose one good deed was to give Joan a cross as she was being burned. Mr. Campbell was thoroughly convincing in every part; surely three men could not have produced a superior effect.

Roland Hewgill as DePoulengey was a poor contrast to DeBeaudricourt. A feeling that the lines were being read detracted greatly from his performance. However, in his interpretation of Bluebeard he established a definite contact with the audience. His interpretation of the character though somewhat exaggerated was consistent. He was most successful as Brother Martin.

The Steward, LaHire and DeStogumber have a certain underlying similarity beyond the interpretation give them by the actor. Excellent in each of these roles, Mr. Fellows must have been exhausted at the end of the performance.

The greatest contrast between two characters played by one actor was that between the Dauphin (King Charles) and the Inquisitor. Portraying first a weak-willed man who wanted to be anything but what he was, George McCowan displayed extraordinary ability. Changing characters completely, he assumed the role of Inquisitor with the ease of a costume change. In this role he so completely became the character that he was able to rivet the attention of everyone in the audience for an involved ten minute speech, during the trial scene. His performance was outstanding.

John Gardiner as Dunois came almost to the point of understanding Joan. He too was a credible character, well portrayed in his support of Joan.

It can't honestly be said that any member of the cast lacked in any aspect of presentation. John Horton, Jack Hutt and Bob Gibson all rendered fine interpretations of their roles.

Technically the production was without flaw, the style of its presentation being perfect for this particular play. A single curtain served for a backdrop, nothing else was needed. The

Bulls Buffaloed By Saxons 26-14

Official Grades

The following system for Grades and Indices, becomes effective in the fall semester of 1955-56. This supersedes the system as described on pages 40-41 of the Alfred University Liberal Arts Catalog for 1955-56.

GRADES AND INDICES

System of Grading. The work of students in each course is graded as: A, superior; B plus, very good; B, good; C plus, C, D plus, average; D, poor; F, failure; I, incomplete; WP, withdrawn-passing; WF, withdrawn-failing.

The lowest passing grade is D. However, D obtained in a course prerequisite to other courses, will not permit the student to register in these courses, i.e., since Psychology II is prerequisite to Psychology 32, a D will earn credit in Psychology II, but will not permit the student to register in Psychology 32, or in any other course for which Psychology II is a prerequisite.

Scholarship Indices. In evaluating scholarship the following system of point values (indices) is used:

Each semester hour at: A, 3.0; B plus 2.5; B, 2.0; C plus, 1.5; C, 1.0; D plus, 0.5; D, 0.0; F, minus 1.0; WF, minus 1.0; WP and I, no point value.

A student's index is obtained by dividing the total number of points by the total number of hours.

Scholastic Requirements. The indices required of students at the end of the Freshman year and each semester of the following years are as follows:

Freshman, 0.7; sophomore (each semester), 1.0; Junior (each semester), 1.1; Senior (each semester), 1.1.

A student whose average index at the end of any semester falls below the minimum scholastic requirement may re-enroll the following semester "on condition." The student's adviser and the Dean of the College determine the nature of the "condition." As a rule a Junior or a Senior may remain "on condition" for only one semester. If the student fails to meet the scholastic requirements at the end of that semester, he will not be permitted to re-enroll. In unusual circumstances the Committee on Scholastic Standards may waive the rule.

Whatever the nature of "the condition," its main objective is to assist the student in gaining or regaining the requisite academic standing in the shortest possible time and in a way that will do the student the most all-around good. That may mean that the student will not be permitted to participate in any extra-curricular activities (athletics, dramatics, music, etc.), or that he will not be permitted to carry a full curricular load, or that he will not be permitted to engage in any extra social activities.

All grades remain on the student's permanent record. If a course is repeated and a higher grade is earned, its index replaces that of the former grade.

Theology School Sponsors Dialogue

November first made famous for the school-boy poem "The Wonderful One Hoss Shay," will be observed with a theological dialogue sponsored by the Alfred University School of Theology. It is announced by Dean Albert N. Rogers. The dialogue is set for 8:00 p.m. in Kenyon Hall.

Linda Napolin, English major, will read the poem by Oliver Wendell Holmes, which compares the building and decay of a remarkable two-wheel England theology. Its description and dialogue are part and parcel of American history and folklore. Dr. Holmes was very critical of New World Calvinism in his day. The poem is taken from a series headed "The Autocrat of the Breakfast Table" which ran a century ago in a national magazine.

Dr. Ernest B. Finch, professor of English, will discuss literary aspects of the poem. Rev. R. Leroy Moser of the Union University Church and Dr. Alfred J. Gross of the School of Theology faculty, will then interpret the poem in the light of present day theology. The present popular interest in theological questions will be compared to the carriage maker's masterpiece which fell apart suddenly, leaving its occupant sitting on a rock.

A discussion period will follow the panel and Dean Rogers will preside.

West and David Goodrich traveled to the Filtrors Corporation, East Rochester, New York, on October 19th to discuss work on this company's undergraduate fellowship. In the interest of the undergraduate fellowship offered by the Central Commercial Company, Darlington, Pennsylvania, Dr. Lawrence and Daniel Schelker visited the company, and while there toured their modern brick plant.

Dr. D. F. Detwiler and E. J. Soxman attended joint meetings of the A.I.M.E. and the A.S.M. and the Metals Show at Philadelphia, October 15-18.

Ag-Tech Offers 'Born Yesterday'

Members of the "Charlatans" will offer two performances of Garson Kanin's "Born Yesterday" as part of the ninth annual Fall Festival activities at the State University Agricultural and Technical Institute in Alfred.

The play will be presented on Nov. 2 and Nov. 3 in the Institute gymnasium at 7:30 p.m.

Under the direction of Mort Clark, speech and drama instructor, students will bring to life the story of Billie Dawn, the beautiful but dumb ex-chorus girl who comes to Washington with the crude, ambitious junk dealer, Harry Brock. Miss Dawn is handled off to magazine reporter Paul Verrall to be "educated." She learns history, politics and the difference between the dominating Brock and the considerate Verrall. Her rebellion against Brock and her attempt to become educated combined with Garson Kanin's gift for witty dialogue make the comedy fast-moving.

Nancy Wolf of Hamburg will play "Billie Dawn" and Dave Niles of Campbell will be "Brock." "Paul Verrall" will be portrayed by Rollein MacDuffie of Pavilion.

Era Scofield, instructor in the science department is technical director for the arena staged production. Miss Carol Cole of Hornell is assistant director.

The public is invited to attend either performance of the play. There will be no admission charge.

Ceramic Profs. Win Honors

Two members of the faculty of the Ceramic College have recently received national recognition.

R. M. Campbell, Chairman of the Department of Ceramic Engineering and at present time, President-Elect of the National Institute of Ceramic Engineers was elected to the General Council of the American Society for Engineering Education.

Professor Campbell will represent the Upper New York — Ontario Section of A.S.E.E. on this Council. The election took place at the recent sectional meeting held at Syracuse University, October 14-15, 1955.

The duties as Council Representative will be assumed directly after the next Annual Meeting which will take place at Iowa State College, Ames Iowa, June 25-29, 1956.

The "American Ceramic Society Bulletin" in announcing the nominations of officers for the American Ceramic Society for the year 1956-57 have listed J. F. McMahon, Dean of the State University College of Ceramics, Alfred University, for the office of President-Elect.

Dean McMahon is at present one of the three Vice Presidents of the organization.

Elections will take place in April 1956.

Research News

Recently, Dr. W. G. Lawrence, chairman of the Research Department and Mr. Tinkelpaugh visited the power plant laboratory and the aeronautical research laboratory at Wright Field, Dayton, Ohio to discuss contracts and high temperature materials which are presently in use at Alfred University.

Dr. Lawrence, in company of R.

Law School Dean Talks At Alfred

Last Friday afternoon at 2:00, Dean Kharas of the Syracuse Law School, addressed an assembled group of pre-law and political science majors. The subject of his informal talk was "Law as a Profession."

Dean Kharas began by stating that not all graduate law students went into private practice and that other related fields offered varied and interesting opportunities. "Five to ten percent of graduate students go into public office as legal advisors and so on," Dean Kharas continued, "and of course a large percentage of lawyers eventually enter politics, thus utilizing their legal experience for the benefit of state and government." Another twenty five per cent are assimilated into the business world as real estate agents, labor relations people and corporation and business executives. Dean Kharas agreed that "a legal education so used is well used."

As to the practice of law itself, the Dean went on to say that it requires great perseverance and a sincere and deep interest.

The rest of Dean Kharas' talk was devoted to the more technical aspects of admittance to law school. The question of admittance after three years of college was discussed. The Dean felt that getting a regular bachelor's degree was more advantageous than gaining a year's time. Also considered were the problems concerned with entering law school prior to or after the service.

The Dean concluded by asking for questions and after a brief question period went on to interview several applicants for Syracuse Law School.

Heavy Schedule For Pres. Drake

Alfred University's president, Dr. M. Ellis Drake, is keeping his traveling bag packed this week and next as a result of a heavy schedule of business engagements outside of Alfred.

President Drake was in New York City from Sunday, October 23, to Wednesday, October 26, where he met with the commission on Colleges and Industry of the Association of American Colleges, and also with a sub-committee of the Commission on Liberal Education of the Association of American Colleges of which he is a member.

Next week, Dr. Drake will be in Buffalo with a group of college presidents calling on corporation executives on behalf of the Empire State Foundation of Independent Liberal Arts Colleges. President Drake is vice-chairman of the Foundation.

Harvest Ball Arrives Nov. 4

The ninth annual Harvest Ball to be presented Nov. 4 at the State University Agricultural and Technical Institute in Alfred will feature the music of "The Blue Knights."

The 17-piece band will provide music for dancing and for the coronation of the Harvest King and Queen. The group is under the direction of A. C. Cappadonia, Institute music director and Allan Schmidt, music director at the Alfred-Almond Central School.

The band consists of music directors from western New York schools. They have studied music and played in dance bands in college and many of them have their own combos.

Angie Daniels of Hornell is a featured vocalist with the band. The baritone has sung professionally with bands in the Rochester and Buffalo areas.

Female vocalist, Merry Young is a soprano and a graduate of Fredonia State Teachers College. The song stylist was a voice major and has had experience in vocal training.

The Harvest Ball will conclude Fall Festival activities and be held in Alfred University Gymnasium 9:30 p.m. to 1:30 a.m.

Campus Religions To Be Panel Topic

We have on this campus representatives of the world's five major religions. For you, the student who at one time or another has desired to know more about the inner meanings and the traditions of these great human faiths, the International Club, Hillel and the Alfred Student Christian Fellowship will sponsor a panel discussion on this topic, Sunday, November 6 at 2:30 p.m., Susan Howell Hall.

Prof. Roland Warren will preside as moderator, and with a qualified student representing each faith, the discussion should be an interesting one. Lu Gywe will speak on Buddhism; Gopal Agarwal, Hinduism; Mohamed Orhun, Islam; Lenny Lefkowitz, Judaism; Judy Koch, Christianity (Protestantism).

Last year Life magazine published a colorful series of articles on the world's great religions. They serve to stimulate interest and provoke discussion. They are now on display at the library for several days.

All interested in the discussion are welcome. Coffee hour afterwards.

Second And Third TD Off Alfred; Shultz Scores Two, Micciche Hurt

by Al Siegel

With the home season completed for '55 the Purple and Gold football squad hit the road with the magic number now being two.

Having six victories under their belts, the Warriors have to only topple Kings Point and Hobart to finish the season with a clean slate. On Saturday, obstacle number one, Kings Point rears its

ugly head. The team will go into the game with one disability, Chet Micciche, who will have to sit it out as an attempted tackle against Buffalo ended his football career at Alfred. On the second play of the second half Micciche attempted to stop a runback of a kick. He succeeded in tripping the runner but he also broke his arm, when the runner tripped over it.

With the exception of this one note of sadness the Purple and Gold were sharp enough to make their one or two breaks work for them as they toppled the Bulls from Buffalo 26-14.

The first 10 minutes of the first quarter saw neither team make any gains. Near the end of the quarter the Saxons got the ball on their own 47. John Zluchoski's 3 yard run put the ball at midfield, and two Moresco to Dennis passes were incomplete, but the second was ruled interference. This gave the Warriors a first down on the 27.

A penalty and a 4 yard run by Moresco put the ball on the 28. Al Moresco then picked out Chuck Shultz as his intended receiver, and receive he did, with a diving catch in the end zone to give the Warriors a 6-0 lead, as the quarter ended. Just before the second one began Al Weaver booted the extra point and the Yunevichmen led 7-0.

Micciche Hurt

The ensuing kickoff finished off Mr. Micciche but it took two exchanges of the ball to give Buffalo a break. This came midway through the period. A run by Dick Doll and Pete Rao gave UB a first down on the AU 31. Two runs by Rao put the ball on the 25, and Doll got the first down when he raced to the 20.

After two runs by Rao and Doll gave UB a first down on the 9 a 5-yard penalty pushed them back to the 14. A 3 yard fumble by Joe Kubisty, the quarterback, put it on the 17. After an incomplete pass his next one was ruled as interfered with on the 5 and a first down was received. Runs by Doll and Rao put the pigskin on the 1 yard line and set Dick Doll up for his plunge thru the center. A halfback, Richard Stuck, booted the extra point, tying the score 7-7 at the half, as the Warriors, could get nowhere in four plays before the gun.

During the intermission the football fans saw the University of Buffalo Air Force ROTC Band, led by Cadet Second Lieutenant Herb Bloomberg go thru their paces. The 20 piece group started with a number which saw a devil with a large "A" across his back heckle them, only to end off by stealing the baton of one of the pretty drum majorettes. While the girls chased him the entire band followed playing "When the Saints Come Marching In." The end saw the devil, Alfred, being beaten and two cheer leaders carrying him off the field. Their final selection was the University of Buffalo Alma Mater.

Anthony Cappadonia's All-Campus Band followed this with a show featuring "Doodles." Number one saw the drum majorettes climbing up a flight of stairs as a snake would do. An Indian dance was the background for the setting of some hills depicting "New York Skyline, 1420." The group formed three mice ready to take off in a race, for "Three Blind Mice," and an original blanket was the background for "Rock-A-Bye Baby." Since the half time had elapsed the group relinquished their time so that the big game could resume.

Interception

After getting the opening kickoff on their own 38 the Bulls worked the ball down to the Alfred 23 in 8 plays, only to have Al Bilanski thwart the drive by recovering a fumble. After the Saxons could get nowhere the Blue and White went from their own 42 down field only to have Ed DeChristopher intercept for AU on the 19.

On the first play from scrimmage the spark that sent the Saxons on to victory was kindled. Taking a handoff from Jim Hartnett, Al Weaver raced 44 yards for a first down on the UB 37. Two runs by Hartnett picked up 6, and a short pass to Chuck Shultz resulted in a TD when the prospective All-American end raced the full distance for the TD. The play covered 30 yards. The score became 14-7 when Weaver kicked the PAT.

During the middle of the fourth quarter, John Dennis and John DeSantis set up another Warrior tally when they recovered a Bull fumble on the visitors 44. On the first play from scrimmage Bill Chaffee raced around end for 25 yards to the 19. After Jay Abbott took a few seconds to recover from an injury, Al Weaver picked up two yards to the 17. Mr. Chaffee then raced around and over for the TD. Weaver's kick was off and the score stood at 20-7 for a few seconds.

90 Yard Run

The opening kickoff saw John Zluchoski boot it to halfback Richard Stuck on the 10 yard line. Stuck raced right up the middle on a play which

Chuck Shultz

saw some nice blocking by UB and some poor blocking and tackling by Alfred and outdistanced the field for 90 yards and a touchdown. He kicked the extra point and the score was 20-14.

On Buffalo's kickoff Jim Ryan tried to duplicate this feat as he took the kick and raced 59 yards before he was stopped on the UB 39. After John Zluchoski picked up 2 yards Jim Ryan got a first down by racing around to the 27. A Hartnett run and a completed pass to Zluchoski lost 11 yards. Hartnett then tossed to Jim Ryan who went the rest of the way to ice up victory number six for Coach Yunevich. Weaver's PAT was again wide, but the Warriors had a 26-14 lead with less than 4 minutes in the ball.

After the Bulls could get nowhere in four plays the Saxons took over possession of the ball. The game ended three runs later when Jim Hartnett ran 6 yards thru the middle to the UB 25. The Purple and Golds victory sets the stage for the Kings Point game Saturday at 1:30 at Tomb Memorial Field at the Academy.

EXTRA POINTS — Oddly enough, in what turned out to be his last game, Chet Micciche and end John Dennis were the co-game captains. . . Warriors made 10 first downs to Buffalo's 12, also fumbled 10 times to Coach Offenhamer's boys' 5. . . the difference was UB recovered 1, AU, 3. . . Purple and Gold attempted 14 passes to 16, completed 7 to 4. . . AU gained 134 to UB 44. . . Shultz caught 4, 2 for TD's. . . Saxons intercepted 2 passes (Hartnett and DeChristopher) while Blue and White could pilfer none.

On the rushing scene the Alfred team picked up 186 yards while UB picked up 136. Saxons punted 5 times to UB's 3. . . average was 33.8 to 29.6. . . Individual rushing leader for UB was Dick Doll with 64 and Pete Rao with 50. . . For AU, Al Weaver got 71, Bill Chaffee 50, Ryan 31, Hartnett and Zluchoski 15. . . Ryan now has 54 points scored to led the club (Continued on page 3)

Industry Greet Alfred Seniors

Each year, representatives from many large industrial corporations in the United States travel to the Alfred campus to interview seniors majoring in specific fields. The purpose of these interviews is to give the students opportunities to see which positions in industry are available to them, as well as to afford an opportunity for the companies to interest students in prospective jobs.

"Twenty companies have expressed interest in holding interviews at Alfred this year," commented Dean Gertz, supervisor of senior placement for the Liberal Arts school.

Most of the interviews will be held during the months of February, March and April. Among the companies who have already reserved placement dates are the Ford Motor Company, Sears Roebuck and Company, General Electric and the Corning Glass Works. These and many of the other corporations are interested in mathematics, science, economics and business majors as well as in Ceramic Engineering and Glass Technologists. They are also interviewing students majoring in related business fields; these students would be utilized in important parts of industry such as public relations, business administration and advertising.

It is not too early for interested seniors to begin thinking about placement for next year. Career booklets and access to the placement files may be obtained in Dean Gertz's office. Seniors will be notified by their department heads as to the date, time and place of their respective interviews.

Freshman Pres. Candidates Present Pleas

The FIAT offered space to all the Freshman class presidential candidates in which they could list their qualifications, and tell the voters what they would attempt to do if they were elected. Printed below are the articles the FIAT received in response to this offer.

Warren Smith

Ours, the class of '59, has shown to date that we have the greatest potential, as a class, in the history of Alfred. Great spirit and co-operation have made the upperclassmen take notice of us. Therefore, we must have competent officers to make our possibilities, realities.

I feel that I have the necessary qualifications to co-ordinate this class' work. I was active throughout my years of high school in class and school government work, and have held responsible jobs in many extra-curricular activities. I wish, also, to state that one of my greatest interests lies in government work. If elected, I will do my utmost to carry on and exalt our reputation. In doing this of course, I will promote a well-rounded project and social schedule. I feel that the most important thing, however, is to

make every member of our class an all-important cog in our class' wheel to success. May I wish the best of luck to my worthy opponents.

Robert McKinley

As a nominee for freshman class president, I was, out of necessity, required to sit down and list my ideas and plans for the class.

Here they are: I would like to see a closer connection between the faculty and the student body; I would like also to see stricter observance of cut rules and study hours. I believe that it is possible to raise the over-all index and still have fun by a better allotment of time and a better evaluation of the more important things of life. My immediate plans for the class include the organization of committees to plan for future class activities. An investigation will also be made concerning the organization of an inde-

pendent student association for those people not in a sorority or fraternity. The class as a whole is a good crew with a tremendous amount of spirit. They show a lot of promise and I am glad to be one of the class of '59.

Robert Snyder

My name is Robert Snyder and I'm running for freshman class president.

What have I got to offer? My executive experience began early in life when at the age of eight, I was elected president of the second grade at P. S. 32. More recently, however, I served as president of the Methodist Youth Fellowship with a membership of fifty and as secretary of the Williamsville Varsity "W" Club. I was active in Boy Scouts and served as patrol leader and scribe. I was a member of the National Honor Society, played football, and ran track. At present, I am running freshman cross country and attending meetings of the student branch of the American Ceramic Society.

If elected, I will strive to fill the office to the best of my ability. I will work for and with the freshman class and carry out your wishes, I am anxious

to see the class make a place for itself on the Alfred campus. I am in favor of freshman class activities, especially social, and will earnestly work to promote as many as possible.

Charles Bradt

This year's freshman class has established itself as one of the most enthusiastic ever, in all phases of college life. For instance, practically everyone who was brought before frosh court served his sentence willingly. The response at football games had also been tremendous to say the least.

It is my opinion that any class with the enthusiasm which this one has, should enjoy all possible advantages. I would like to see a few more varsity teams representing Alfred, such as baseball, swimming, and soccer teams. Also, parties and other such social events on campus are limited mostly to fraternity houses, so that leaves a great many of us freshmen out. Something should be done about this in the form of more social events involving our class. In short, this year's freshman class is a credit to the school and one deserving of many benefits.

New Union

At a recent meeting with various University students, President Drake disclosed that plans for a new student union are at the first stages of preparation. He asked those students present whether they had any suggestions or ideas for things to be included in the new building. Ideas ranging from the necessary, a lounge area, to the dreaming, a combination movie-house-stage area, were brought forth.

President Drake made it clear that the eventual completion of such a building was a long way off, but nevertheless plans and suggestions are needed at this stage.

The editors feel that among the thousand or so students enrolled, there will be a few ideas concerning this new University project. Therefore the FIAT wishes to be the recipient of any of your suggestions. Address your mail to the FIAT LUX, Box 754, or deliver them to the FIAT office. Any and all ideas received will be presented to President Drake for his consideration.

Old Union

Compliments of the whole school to the Union Board and all those concerned on the redecoration of the Union. Improvement of existing facilities is up 100%, especially considering the limited facilities and money the Board had to work with. Until the new Union is a reality, the existing Union will more than do.

The time and money spent in redecoration of the Union can only be justified if each student assumes personally the responsibility of keeping the Union in good shape. Those who take so much pleasure in comparing Alfred's Union to its equivalent on such campuses as Cornell may remember the fine condition those Unions are kept in; one doesn't find chairs scattered haphazardly around the room, torn cushions, or even cigarette butts in anyplace but ashtrays.

The student body can prove that they have enough responsibility to deserve a new Union by taking care of what they have now.

Campus Religious Groups Promise Active Semester

by Barbara Warren

In 1696, John Seldon, in his Table Talk, remarked that "religion is like the fashion, one man wears his doublet slashed, another laced, another plain; but every man has a doublet; so every man has a religion. We differ about the trimming."

On the Alfred campus, religious trimmings differ widely. Congregation within denomination within sect are represented, many differing widely in backgrounds, ideals and aspirations. In correlation with this fact, the need for religious activities differing in the same areas as the groups they serve is recognized. Thus organizations are formed to meet this need and carry on these activities.

Meeting every Sunday evening at 7 p.m. in Howell Hall, the Alfred Student Christian Fellowship is directed by Chaplain Richard Bredenberg. Its officers this year include Judy Koch, president; Joyce Lilley, secretary and David Walcott, treasurer. A vice-president is to be elected in the future. Activities of this group are varied. Last Sunday, they circulated in the village helping the residents in a "treat instead of a trick" Halloween observance. Two retreats are held annually; a planning conference in the fall and a joint get-together with the Ag-Tech fellowship in the spring. Both are held off campus at Silver Lake.

November 6, the group is sponsoring a panel discussion featuring representatives of all the religious groups within the university. According to Miss Koch, the purpose for the panel is "to acquaint the students with the foreign students, as many of us do not know them and many of them do not know us."

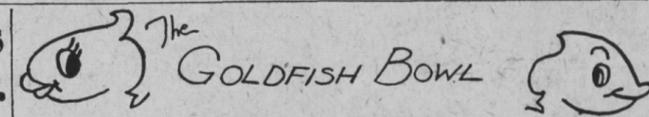

The Newman Club, the Roman Catholic student group on campus, meets every first and third Thursday in Kenyon Chapel. Filling their offices

for the year are president, David Hart; secretary, Ann Sullivan and treasurer, Charles Fink. Each spring they hold a retreat on campus featuring speakers from St. Bonaventure's University. Prominent in the group as adult leader is Father Gerald McMinn of the St. Bonaventures' Academy.

Under the leadership of Gertrude Ery other Sabbath afternoon at 1:30. Wolkenberg, president of Hillel, the Jewish student organization, meets every Ron Howard, Meryl Herrmann and Howie Mendes aid Miss Wolkenberg in the offices of vice president, secretary and treasurer, respectively. The meetings of this group, held in room 2, Alumni Hall, are made up largely of talks by various people on and off campus on subjects of interest to the group. As is the case in many of the religious activities on campus, membership and meetings of Hillel are open to anyone who is interested in attending.

Serving largely the young people of the Seventh Day Baptist denomination but not restricted to this group is Chi Rho, which meets every Friday evening at 8:15 in the Community house. Programs of this organization include movies, talks and discussion groups. Officers for the year are to be elected in the coming weeks.

While the other religious groups on campus do not have organized student activities, students are welcome at their services.

by Judy Dryer

Last weekend was really busy in Alfred, with fraternity parties, sorority parties, and a great football game. There's also news of people going steady, and getting pinned, and engaged, so stick around.

Delta Sig had a party Saturday night after the game. Frank Romano, George Wright, and Jack LaCour were back for the weekend.

Kappa Nu's party after the game was chaperoned by Dr. Detwilers, the Salls, and the Marshalls. The Bowers and the Smalls were guests for Sunday dinner. Marv Eisenberg (Class of '51) was back for the weekend. Eddie Kleban (Class of '54) now an Army PFC in West Germany, recently participated in Exercise Cordon Bleu, a NATO maneuver using U. S., French and British troops. The exercise was a joint training operation staged to teach the three-power forces to work together under simulated battle conditions.

Kappa Psi had a party Saturday night, chaperoned by Mr. and Mrs. Jerry Beck. Ron Webb is engaged to Marilyn Coburn. Lee Semler is pinned to Carol Reed. Jack Little is pinned to Connie Alfieri.

Klan had a party after the game Saturday night. On Sunday afternoon there was a Halloween party for the kids, and Theta Chi was down to help. After the party, there was a buffet dinner for Klan and Theta. Sgt. and Mrs. Clark were guests at dinner Sunday. Dinner guests Monday night were Dr. and Dean Russell. Ed McNamara pinned Joyce Emmick, a sophomore nurse from Sigma Chi. Joyce was serenaded Friday night. The Caribou met to celebrate the pinning.

Lambda Chi's party Saturday night was chaperoned by Mr. and Mrs. Art Young, Mr. and Mrs. Norton, and Bill Delaney. Herm Rittler is going steady with Pat Glass, of Dobson House.

Tau Delta had a party after the game, chaperoned by Mr. and Mrs. Barry Milliman. The Sponges and the Tasmanians met us usual. Todd Lovel was up from Bridgeport, Connecticut to see Dorsey Wier. Nancy Noyes went home for the weekend.

Last Friday night, I was walking along the street, minding my own business, when a car, full of people, stopped beside me, and a voice from the car said, "Judy, do you have a worm?" I was a little bit insulted, but then I realized it was only those cuh-raazy Castle girls and their dates, out on a scavenger hunt. The Castle was having its Halloween party. Chaperones were the Sibleys and the Klitzkes. Leon Ablon (Class of '55) came from New Haven to see Jennie Goibert. Laura Brooks had a visit from Don and May. Dr. and Dean Russell were guests for Sunday dinner.

Pi Alpha had a "Hobo Haven" last Friday night, with an outdoor barbecue. The Champlins and the Kruzases chaperoned. At honorary initiation Monday night, Pi initiated their new house mother, Mrs. Rabe.

Guests for Sunday dinner at Sigma Chi were Lt. and Mrs. Quinn and Mr. and Mrs. Small and their family. Diane Pinney, Sue Olsen, Nikki Matsui, Barb Fifield, and Judy Meer (Bob's sister) were at Sigma for the weekend.

Theta Chi had a Halloween party Friday night at the Hornell Sportsmen's Club. Mr. and Mrs. Leach and Mr. and Mrs. Bower chaperoned. Mrs. Kelly's friends were guests. Klansmen aided with the cleanup Saturday morning. There was a birthday party Thursday evening for Joan Trepasso. Judy Lerner baked the cake. Mrs. Scholes was a guest at dinner Monday evening. San Ellsworth, Peg Cartwright, and Alice Bogaski were back for the weekend. Judy Koch went home to Buffalo.

On Monday evening, October 24, Omicron initiated five new honoraries—Mrs. Jan Novotny, Mrs. Thio Palisouras, Mrs. Dale Thompson, Mrs. Robert White, and Mrs. John Zulia. All the girls at AKO were guests at Cathy Bromely's house in Belvedere Sunday evening. On Thursday, "bigga bigga boggin's" came to Omicron, in the form of a rummage sale at the room of Straka and Moore, formerly of Ohrbach's basement. Pat Kirk was back for the weekend.

That's it for now. See you all again next week.

Cadet Corps

by Phil Feld

Groundwork has been started for Alfred University to win another Warrior of the Pacific Rifle Trophy. This trophy, as you will remember, was won by the present seniors at last year's Summer Camp at Fort Bragg, North Carolina.

The Military Department at Alfred presents a unique program to its cadets. Unlike many schools that concentrate on a few men for their rifle team and give a great deal of range time to the team, the local unit believes that better results can be obtained if each member of the corps fires at least on familiarization course each year and that only a fraction of time be reserved for the team. The validity of this procedure was proven last summer.

Beginning this month each cadet will be required to spend at least two hours down on the range and will fire at least 10 rounds of ammunition in each of four positions.

However Sgt. Pignitaro has stated that one of his chief concerns will be

Poli Sci Meets

This Thursday night there will be a meeting of the Political Science Club. The topic of discussion will be "Race Relations in the United States."

The subject will be discussed in its sociological as well as political aspects. All are invited to participate. The meeting will begin promptly at 8:00 p.m., in Kanakadea Hall.

To produce a winning team. Last year the team started off fast by outshooting Canisius College but the remaining part of the schedule was all chalked up to good experience. The team did show signs of improving at the end of the year and finished 25 in the first Army Area in the National Matches.

This year the team will be hampered by the loss of Chuck Dyer and Pete Ramko, last year's one, two men. Returning from last year will be Dave Finblom, Phil Feld, Neal Finch, Chuck Maass, Bill Houseman, Orrin Thompson, Dick Truesdale, Dick Sturtzbecker and Don Weaver. All freshmen and other members of the corps who are interested in participating in tryouts for the team please report to the range as soon as possible.

Student Outlook

by Marv Bell

All students who are interested in a combined plan of English with Columbia University should go to Dean Marshall's office to fill out applications for the plan. This is primarily for freshmen, but may be capitalized on by upperclassmen who have not yet filled out the preliminary forms.

The coming assembly on Thurs., Nov. 3, will be a presentation of the skills of fencing. Prior to this assembly, all students required to attend assemblies should receive seating assignment cards from the registrar's office. So now you know just where you stand...uh, sit.

On November 7, a representative of the Naval Aviation Cadet Program will be in the Union and the Ceramics Building Lobby to speak to graduating seniors who are interested in the program, and on November 9, a representative of the Marine Corps will be in the Union to speak to members of the graduating class who are interested. Both of these branches are primarily interested in officers' candidate material.

The National Teacher Examinations will be given at 200 testing centers throughout the United States on Saturday, February 11, 1956. The college which a candidate is attending, or the school system in which he is seeking employment, will advise him as to whether he should take the National Teacher Examination and which of the Optional Examinations to select. Application forms and a Bulletin of Information may be obtained from: National Teacher Examinations, Educational Testing Service, 20 Nassau Street, Princeton, New Jersey. Completed applications for taking these annual tests must be received before January 13, 1956.

An opportunity to spend nine months studying in the Scandinavian countries is offered to American college students and graduates for a special fee of \$800, including tuition, board and room. Students will study at famous residential colleges or folk schools, it was recently announced by the American-Scandinavian Council for Adult Education, 127 East 73rd Street, New York 21, N. Y. Estimates for the nine-month seminar including fee of \$800, trans-Atlantic travel from New York to Copenhagen and return, and field trips in Scandinavia are approximately \$1250. Further information may be obtained from the above address.

The United States Civil Service Commission has an examination for Highway Engineer Trainee positions paying \$3,415 and \$4,345 a year, in the Bureau of Public Roads located throughout the U. S. To qualify, applicants must have completed their third or fourth year of a professional engineering curriculum in civil engineering (or expect to complete such study by Sept. 30, 1956), or they must have had at least 4 years of progressive experience in civil engineering. Further information and application forms may be obtained from: U. S. Civil Service Commission, Washington 25, D. C. Applications must be post-marked no later than January 24, 1956.

Mademoiselle's second annual Art Contest is now under way. All women in a college or art school and under 26 years of age may enter. Submit enough work to show your ability—at least five samples, in any medium: line drawings, oils or water colors, collages, anything. The contest closes March 15, 1956. Complete contest details may be secured by writing: Art Contest, Mademoiselle, 575 Madison Avenue, New York 22, N. Y.

St. Joan

(Continued from page one.)

makeup was barely distinguishable, so little was used. Lighting affects were simply constant white lights focused on the actors. Costumes were merely hinted at and the few effects which were used were used well. This presentational style focuses audience attention totally on the actors and eliminates any distracting influences. Facial expressions and movement gave meaning frequently with more force than the dialogue. Almost everything was left to the ability of the actor and each of them fulfilled his parts admirably.

The attitudes described in this play concerning Protestantism, nationalism and the techniques of warfare are representative of the modern mind. Joan herself, can be considered an anachronism, born before her time

Senatorially Speaking

by Judy Lerner

The following may seem rather explosive for one's first journalistic endeavor, but perhaps that in itself is the reason. For a long time now I have had much to say regarding Senate affairs, and now that I have the opportunity, I plan on speaking my mind.

It seems to me now as it has for the past three years, during which time I was "alternate" from the Brick, interested non-member at large, and now finally, representative from Theta Theta Chi, that many of our Student Senate representatives are not really representatives at all.

All too often senators vote according to their own personal whims, and therefore, without any regard for the sentiments of the houses that elected them to office. More tragic than this failing is the fact that the thought of the general welfare more than just occasionally, is eluded, avoided, or simply circumspeted. Let's face it... we could pin the blame on student apathy for a change, and maybe there's something worthwhile in that. But somehow I'm inclined to think that some of our representatives are not fully aware of their responsibilities, and are taking too much into their own hands. House meetings are the place to discuss Senate problems which pertain to the students of Alfred University. Representatives should not be shy in getting house reactions on current issues.

and hardly understood by her contemporaries. The conflict of the play is the conflict which arises from the struggle between Joan's ideals and those already established by the state and the church. Joan has an extreme power of persuasion; she could put spirit into men and lead them to victory. All this the people were ready to accept but they wouldn't accept her as a permanent part of their lives. It was her superior attitude that made her contemporaries lead her to the stake. Their jealousy of her careless attitude to authority didn't reach her because for her, God was the only authority. The lines which sum up Joan's struggle occur in the question which is left with the audience. "O, God, that madest this beautiful earth, when will it be ready to receive Thy saints? How, long, O, Lord, how long?"

Certainly the impact of this fine production doesn't come all at once. The intensity which pervaded the entire production dominated the audience long after they had left the theater.

Ceramics Gives Dept. News

A trip to Binns-Merrill Hall netted assorted news items from the various departments of the Ceramic College.

Plans for a plant trip for senior engineering students are rapidly taking shape. Leaving Alfred by bus Sunday, November 13, they will visit plants in the Southern Pennsylvania and Baltimore, Maryland areas returning Saturday, November 19.

Dean J. F. McMahon has the following interviewers lined up to be at the Ceramic College in the near future: Mr. Charles Flemming of the National Carbon Company will interview both Ceramic and Liberal Arts students; Dr. Howard Young of the DuPont Company, Mr. Orville O. Kenworthy of the Ferro Enamel Company.

The College of Ceramics acknowledges the recent gifts of three new pieces of equipment for use in teaching and research: a laboratory screen and a magnetic separator from the Exolon Company and a hand press with molds for the making of glass articles from the Corning Glass Works.

The total value of this new equipment is approximately \$3,000.

The "American Glass Review" is at present publishing a series of papers given at the glass symposium held here at the Ceramic College last June.

"Glass As An Engineering Material" by E. B. Shand of the Corning Glass Works, "Fusion Cast Refractories" by F. E. Thompson, Cohart Refractories Company, and "Lehrs and Kilns" by H. C. Weller of the Surfact Combustion Corporation have already appeared and Dean J. F. McMahon's lecture on "Research Horizons" is soon to be published.

The Glass Technology Department has recently received a set of Cohart Zac blocks for the construction of a glass melting tank. It is hoped that the tank can be built during the coming semester.

Fireside Chatter

At 8 p.m. Sunday evening October 30, twenty-six faculty homes were host to the Freshman class. The occasion was the annual Fireside Chat. The purpose of these chats was to discuss the activities of Orientation Week.

Student advisers were present to lead the discussions and to encourage participation in them. Students were asked for their reactions to Orientation Week and their suggestions for its improvement.

The criticisms offered by the present Freshman class are of great importance in planning for future Orientation Week activities.

In addition to participating in the discussions, the faculty hosts and hostesses also provided refreshments for the students.

Football

Design Says. . .

Now on exhibit in the basement of Binns-Merrill Hall are several recently acquired reproductions of famous sculpture pieces of the past, objects of the Chinese, Greek, Roman, Egyptian, African and Mayan civilizations dating from 1400 B. C. to the 19th century.

These reproductions are part of the permanent collection being started by the design department.

Also shown are primitive pieces from the Steinheim collection here in Alfred.

Last Friday, October 28, Val Cushing and Herbie Cohen, teaching assistants in the design school attended the annual Industrial Arts Conference held at the State University of New York College for Teachers at Buffalo.

Mr. Cushing and Mr. Cohen gave demonstrations and presented an exhibit illustrating the molding, throwing and decorating of ceramic forms.

Model UN Council Planned For Dec. 9

Dr. Frederick Englemann, of the department of Political Science, announced the organization of a student United Nations Model Security Council for New York State, to be held in Syracuse on December 9 and 10.

At a later date in April, a Model General Assembly, composed of delegates from sixty colleges from the middle Atlantic states, will meet and debate relevant problems.

As yet, neither the agenda nor the representative nations for the Syracuse Council are known, but it is suggested that all students interested in acting as delegates to either of the two meetings, contact Dr. Englemann as soon as possible.

I.F. Council Meets Change Rush Dates

The Interfraternity Council held a meeting last Tuesday evening, October 25th. The Council altered the dates of two of the rushing activities. The rush parties originally scheduled for Wednesday, November ninth, have been deferred to the following evening. This is due to the presentation of the annual Freshman Banquet which will be held at the Brick on November ninth. Moreover, all the informal rush parties scheduled for Saturday November twelfth, will be pushed ahead to Sunday due to the football game to be played against Hobart at Geneva.

Ping Pong Contest

On November 5 the fall table tennis tournament will begin in the South Hall gym.

The tournament director is Joe Fingginners and to advanced players. All those who want to enter the competition are requested to report on the 5th at 3:30 p.m. If for any reason it is impossible to report at that time there will be a sign-up sheet on the bulletin board in the Student Union.

The tournament director is Joe Finglayson, and the group which will be running the contest consists of Joe, Gopal Agarwal and Elliott Laskey. The faculty advisor will be Professor Sass.

All contestants are requested to report promptly and to bring sneakers. The final will be played off before Christmas vacation.

Thrift is one of the greatest of virtues, especially when your savings are in United States Savings Bonds.

Newman Club

At a meeting of the Newman Club held Thursday at Kenyon Chapel, the Reverend Gerald McMinn, O.F.M., was moderator of an informal discussion of Catholic principles and beliefs.

Prior to the discussion, President Dave Hart presided at a business meeting of the club. Tony Kamler was appointed chairman of the committee for the annual Communion Breakfast. A suggestion was made to reserve one Sunday a month as Communion Sunday and to follow it by an informal breakfast gathering. Father McMinn stressed the importance of the sacrament of Holy Communion; it should not be subordinated to a social activity.

The possibility of sponsoring a Catholic movie was also discussed. A committee was appointed to obtain further information.

Father McMinn reminded the group of the privilege enjoyed by an altar boy. Any one interested in serving the Mass should contact him or Dave Hart.

Yearbook Progress

Plans for the Kanakadea, Alfred University's annual, are nearing completion to meet the first deadline November 20th. The yearbook for 55-56 promises to be different, as informality is being stressed.

Senior pictures have all been taken and the faculty is now being photographed. The staff is busily compiling facts and information.

Any senior who signed an I.O.U. is asked to contact Jidge Reid at Sigma Chi as soon as possible.

French Class Held Weekly By Cheval

Every Tuesday evening from 7:30 to 9:30 P.M. Miss Cheval conducts a French Conversation Class in Room 8 Kenyon Hall. This group consists mainly of residents of Alfred and other nearby places, but all students and teachers on the campus who are interested in conversing in French are welcome to attend.

Intersorority

On November 10, 1955, between the hours of 3:00 to 5:00 p.m., Omicron, Pi, Sigma and Theta will hold Open House. An invitation is extended to all Freshmen and upperclass women who have not experienced a rushing period at Alfred.

Prior to this date, there will be a meeting of the Intersorority Council to which these girls will also be invited, at which time the president and rush chairman will discuss the rushing system and answer questions about any phase of sorority life.

Deferment Test

College students interested in taking the Selective Service College Qualification Test have until midnight, tonight, to submit applications. The test center in this area is South Hall, Alfred University. The purpose of the testing program is to provide evidence for the use of local boards in considering deferment of a registrant from military service as a student. Applications and additional information may be obtained from Dean Gertz. Hurry up on this one. There's only a few hours left.

The Psychology Department requests that all freshmen who took the ACE Psychological Exam make an appointment with Professor Pulos. All the orientation exams have been interpreted and are now on file.

E & B Movies

The Economics and Business department will exhibit three films tomorrow at 12:30 and 4:00 p.m. in room 6 South Hall.

A fourteen-minute presentation by Ford will start the program. Entitled, "Tickets to Freedom," and narrated by Edward R. Murrow, it appeals to Americans to exercise their right to vote.

The story of making and shaping public and private opinion is depicted in "Does it Matter What You Think?" presented by the UAW. This is a seventeen-minute film.

The final picture will be "And A Voice Shall be Heard," prepared by General Electric. A twenty-two minute picture, it deals with a civil defense unit which springs into action after a mock atom bomb attack on Syracuse.

W. S. G.

Last Tuesday the W.S.G. met in Kenyon Hall. The meeting was called to order by president, Carol Steinberg. Routine business was transacted.

It was decided that the freshman test would be given Tuesday, Nov. 1, in Kenyon Chapel. The test must be taken by all freshmen women and transfer students who were not on campus before this year.

Disa And Data

by Al Siegel

On October 21 the latest set of NCAA football statistics were released. At this time the Saxons had played three games. All of the new figures mentioned were for the first five games.

This release had the Saxons listed sixth among the small colleges on the offense with 118 yards in 221 plays for an average of 372.7 per game. The latest, unofficial statistics, has Alfred netting 1467 yards on 324 plays, an average of 293 per game. Only other Alfred opponent listed was Hobart which was in the number 28 slot with an average of 327.0 per contest.

On defense the Saxons were number 27 with the opponents using 136 plays to get 434 yards for an average of 144.7. Now the totals read 259 and 523 yards gained for an average of 105, per. Saxon opponents making the list were Hobart, number 12, with a 122.3 average and Buffalo number 10 with an average of 116.3 per contest.

On rushing offense the Saxons were number 5 with 390.3 per game accumulated on 928 yards in 190 plays. Now the statistics show 1264 yards gained on 27 tries.

Two Saxon opponents made the list as leaders in forward passing. Roy Dragon of Albright was number 3 with 32 of 63 passes completed, gaining 330 yards and getting 4 TD's. This was a .500 percentage. The Buffalo

quarterback, Kubisty, was number 9 with 28 of 54 completed for 301 yards and no TD's. This is a percentage of 51.9. Each man had only 3 intercepted.

Al Moresco was listed as the number 5 punter, with a 42.0 average on 10 punts. He has now kicked 16 times for a 40.0 average.

Jim Ryan has picked up 405 yards on 65 plays for an average of 6.2 for every one of his carries. Bill Chaffee is the number 2 man with 244 yards gained on 40 runs, an average of 6.0.

Mr. Moresco has 5 completed passes in 19 attempts for 11 yards with 1 interception, while Jim Hartnett has 7 of 18 with 2 intercepted, gaining 46 yards in the air.

In winning their first five contests the Warriors of Coach Yunevich have notched 22 touchdowns and 7 extra points, a total of 139 points. The opposition had 1 touchdown and extra point for a total of 7.

Individually Jim Ryan leads the way with 8 TD's and 1 extra point for 49 on the season. Tony Weaver is second with 4 markers for 24 points.

While the Saxons have completed only 16 of 47 passes for 203 yards, the opposition has made 17 good in 69 attempts, gaining only 154 yards.

These statistics show just how decisively the Saxons have dominated the grid scene in their 5 contests, and why the Purple and Gold are always to be feared on the gridiron.

Saxon Spotlight

by Joe Finlayson

Klan Alpine retained their hold on 1st place in the intramural football league this week, and Delta Sig remained in the runner-up slot. However, the week's highlights were focused on the third and fourth place teams, Kappa Psi and Lambda Chi.

Saturday, Kappa Psi trounced the strong Rodies squad, 20-0,

behind the superlative passing of Sid Smith. After being held scoreless in the first quarter the Black and Gold began to move. Smith threw 50 yards to John Swartz in the end zone early in the second quarter to break the ice. Swartz then kicked the extra point. Later in the quarter, Smith found his mark again, this time to Hank Graham on a sleeper play, for 10 yards, and a second Kappa Psi touchdown.

To wrap up the game, Smith, in the last quarter, threw a 50-yard pass to Stu Kester, who raced a short distance for the final TD. Graham went across with the extra point, on a pitch-out from Smitty.

Lambda Chi, in a game played last Sunday, defeated the Ards, 12-0. Don Overby intercepted a Dick Curran pass early in the game, and raced 40 yards into the end zone for the first TD. The second score was made when Ed Spirko caught a 15-yard screen pass from Dean Elliott in the end zone.

The freshmen from Bartlett defeated their rival freshmen from Cannon, 6-0 on Saturday. Bob Meer passed 35 yards, to Marty Stenzler, in the second half, for the lone TD.

There were two forfeited games that went into the record this week. The Mosts forfeited their game to Klan last Sunday, and Saturday, the Ards

suffered their second setback of the season, by forfeiting to Kappa Nu.

Lambda Chi and Klan started a scheduled game that had to be postponed until a later date, due to darkness. Delta Sig had no games scheduled this week.

Saturday, November 5th, the full schedule resumes, with the Ards opposing Bartlett at 8 a. m. At 10 a. m. Delta Sig plays Kappa Psi. The Mosts take on Kappa Nu at noon. Cannon Hall plays Klan at 2 p. m., and Lambda Chi concludes the day's events with Rodies at 4 p. m. On Sunday, November 6, Cannon plays Rodies, and the Mosts are pitted against Lambda Chi. Starting time for the first game is 2 p. m.

The league standings as of October 29th:

	Won	Lost	Tied
Klan Alpine	5	0	0
Delta Sig	3	0	1
Kappa Psi	4	1	0
Lambda Chi	3	1	0
Rodies	2	2	1
Kappa Nu	2	3	0
Ards	1	3	1
Bartlett	1	3	1
Cannon	0	4	0
Mosts	0	4	0

Cornell Victors In X-Country

The Cornell University cross-country team, victors over Syracuse, Penn State, Colgate and Yale added Alfred to their growing list on Saturday, but got a very unexpected fight for it.

Running on the home course the Saxons were out with nothing to lose and everything to gain. Closest any team has come to beating Big Red all year was Penn State, 22-33. The Purple and Gold are now the second closest as the Ithacans won 24-35.

Had freshman ace Frank Finnerty not pulled a stitch near the end of the race, while in second place, it would have been even closer. Leading the Cornell team to victory was Mike Midler, who ran the course in 19:53.2, a course record. The old standard set by Finnerty which lasted three weeks, was broken by Midler by 14 seconds.

In second place was John Rosenbaum of Cornell, while Dave Eckel of the same school finished third. First Warrior over the line was Frank Gilbert who took fourth. Finnerty came home fifth, and a great dash at the finish gave Doug Smith sixth place just ahead of Kirk McCreary of Cornell.

In the eighth position was Dave Wilcox of Alfred followed by four Cornellites, Dick Gould, Dom Secor, Bob Lytle and Al Patterson. Bruce Boulton DiBenedetto, Dave Hill, Paul Jones finished 13 for Alfred while Barney and George Norton beat Tex Severance to the finish line.

The Cornell frosh won rather handily as they ran up a 17-43 count. Bob Cravenmen led the way with a time of 12:32.6. The number two position went to Kay of the Red, and Berndt just did beat out Alfred's Larry Eaton for the number 3 spot.

Hill and Ignal were fifth and sixth for Ithaca and Alfred's Bryan Fisher was seventh. Just behind Cornell's Adams came Fred Luhrs of AU, and Falcone just did beat out two AU men.

Foster and Connors came in eleventh and twelfth for the Purple and Gold. Cornell's Berberon was 13 and AU's Snyder, Kappus and Sandford followed.

Coach Tuttle's varsity harriers wound up with a 3-2 slate, with dual victories over Colgate, Canisius and Cortland, while Syracuse and Cornell beat them.

Saturday the Tuttlemen will be running in the New York State Meet at Endicott.

Point Preview

by Len Fagen

This Saturday the Alfred Saxons play at Tombs Field in Great Neck, Long Island as they take on the Mariners of Kings Point.

The game will be the second of a home and home series that began last year with the Long Island school taking a 18-15 decision. This stopped the Warrior winning streak of eight games.

Coaching the Kings Pointers is Clem Stralka, the former Georgetown and Washington Redskins line star. His two assistants are Tim Stapleton and Bob Windish.

Faced with the loss of his entire first team through graduation he has been trying to perform the herculean task of trying to get out a team that would be equal to last year's. His first string last year matched the best record of the Academy in football when they turned in a 5-3 record for the campaign. In addition, two of the team had been cited by the Associated Press as "Little All-Americans." They were Carm Raagucci and Don Carlson.

In last year's game John Zluchoski and Jim Murphy scored touchdowns for Alfred and Jim Ryan added a PAT. The Purple and Gold also got a safety when Don Carlin fell on a Kings Point back in the end zone after a kickoff. Scoring for KP was Lipscomb, Robbins and DeScisciolo.

As the Pointers went into their game with Usala Saturday they sported a 1-2 record. They lost to R.P.I. in their opener 7-0 and then beat Wagner College 7-6. Two weeks ago the University of Rochester topped the Cadets 44-0 at Rochester.

The tentative starting team for the Mariners is composed of Tom Chimento and Ed Russell at the ends; Marty O'Boyle and John Gamby, tackles; Jerome Mayone and Dave White, guards; and Jim Lockwood, captain and center of the squad.

The starting backfield is made up of Bill Harris at quarterback, Rudy Enders and Jack Lipscomb at the half-back positions and Hal Kruse is at the fullback slot.

For the Warriors there are two great driving forces in wanting to down the Academy. First they want to avenge last year's heartbreaking defeat, and the other big force is that a goodly number of the boys come from the New York area, and this is their one chance to play before their relatives and friends.

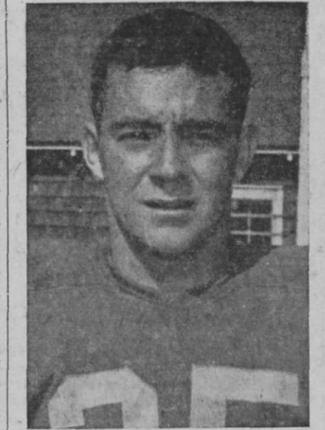

Of the five seniors on the squad four hail from the Island, and messrs Al Bilanski, Chet Micciche, John Dennis and George Meyer have never played in a game at New York while in a Saxon uniform. Others from the Metropolitan area include Dick Errico, Nick Teta, Don Carlin, Ed DeChristopher, John Farnan, Andy Maguire and Herman Lederberg.

Besides a top flight game the many Saxon fans who will be flocking to the game will be able to see the parade of the Regiment of Cadet-Midshipmen, accompanied by the famous marching band of the Academy which takes place one half hour before the game begins.

Game time is 1:30 p. m. If you want good seats get there early. The Purple and Gold will have a big crowd at

Aided In Buffalo Defeat

Three big factors in Alfred's win over UB were Bill Chaffee, Nick Teta and John DeSantis. Bill scored one touchdown for the Saxons. Nick Teta showed fine line work on both offense and defense. John DeSantis played one of his best games at the tackle slot and recovered a UB fumble.

John DeSantis

More than 13,700 pieces of property had to be acquired by the New York State Thruway for construction of the cross-tate expressway. This 21,000 acres of land is larger than the borough of Manhattan.

Varsity Practice

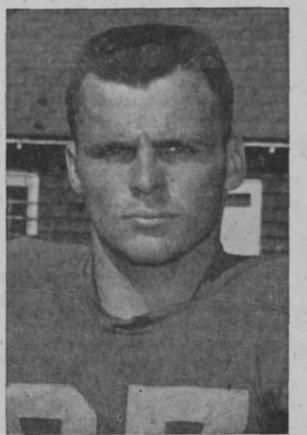

The varsity basketball team meets for the first time tonight at 8 p. m. All interested in trying out for the squad are requested to report to Coach McWilliams in the gym at that time.

Last week the freshmen turned out in great numbers for their opening screenings. A field of 45 was cut down to 21 a week ago today, and this group in turn was cut to 15 last night.

The 21 were Roger Shields, Gary Tucker, Bob Hildebrandt, Charles Greenhouse, Bob Reintsam, Charles Bratt, George Kokis, Steve Cohen, Charles Stirling, Gene Drew, Francis Underhill, Joe Genzer, Bob Good, Cyrus Berlowitz, Don Wilkow, George Graves, Frank DiGangi, Paul Feeley, Sam Warner, Joe Byrnes and Jack McNamara.

Coaching the freshmen this year will be Patsy Lattari, who will take over right after the conclusion of the football season. Bill Rodemoyer is the manager of the frosh.

The contest as a great number are making the trip from Alfred.

Bill Chaffee

Nick Teta

Emergency repair trucks owned by private garages patrol the New State Thruway 24 hours a day to provide motorists with speedy, efficient road service in case their vehicle has mechanical trouble.

"Relax — it's just the doorbell.
Junior will call after 6!"

Of course Dad is wound up like a 98¢ watch the nights you call home. He needs any news about you — badly! He's told all the old stories so many times that his friends are avoiding him like the plague. All he wants is new material. You've made the hopscoth team. Or joined Ima Psycho fraternity. Anything! And remember, if you need a little extra oil to lubricate your billfold, there's no better way to prime the pump than with frequent phone calls. In fact, if you call any night after 6 or all day Sunday, when Bargain Rates are in effect, Dad will think you've learned how to handle cash — silly boy! New York Telephone Company.
