

## **Parents plan post-game dinner for football players**

10/22/12

The Parents of the Saxons Football Team would like to give our boys another dinner after next week's game at Utica. We have decided on serving "garbage plates" as the main dish. We will also need cases of water, desserts and anything else you are willing to do. Please call Cathy DiFlavio at 716-479-4920, Sheri Steeves at 585-354-2576, or Carol Harrington at 585-755-4925. The boys have been playing their hearts out and never go down without a fight. Let's show them our appreciation with a hot meal.
