

# Homecoming Day at AU Will Start at 11:30 A.M.

Homecoming, 1959 will commence October 10 at 11:30 A.M. at Terra Cotta Field with a cross country dual meet between A.U. and Buffalo State.

The kickoff for the much awaited football game will be at 2:00 P.M. at Merrill Field. The Saxons will face St. Lawrence University. Freshmen will be eager to see the outcome of this game, for if A.U. defeats St. Lawrence, beanies will go flying.

After the game, the Alumni Association, with the aid of Mr. Robert Kelly, will serve a buffet supper for alumni and friends at 5 P.M. in the Men's Gym. The prices are \$1.00 for adults and \$.50 for children under 12. An evening of social dancing is planned for after the supper. Mr. Harold Huffcutt, '32, will be in charge of registering the alumni at the dinner.

In conjunction with Homecoming weekend the 26th annual meeting of the Ceramic Association of

New York will be held October 9 and 10. Dr. Louis Navias will open the meeting. President M. Ellis Drake shall follow with a welcome to the members on Friday morning. The guest speaker shall be Dr. Finla G. Crawford, of Syracuse University who will lecture on the St. Lawrence-Niagara Development.

A ladies program will be held on Friday for the wives of the members of the Alumni Association. It shall include a lecture by Professor Kurt Ekdahl on the subject of wood.

The tradition of Homecoming began in October 1924. At this time the alumni revisited the campus for a variety of activities which included a football game with St. Bonaventure. The following year, fraternities and sororities held open houses and a dance was added for the enjoyment of alumni and students. Fall Homecoming has since been an annual event.

# Endowment Fund To Receive Bequest From Hatch Estate

Alfred University will receive a bequest of approximately \$1,200,000 under the terms of the will of the late Miss Florence Hatch of New York City.

The bequest is the largest ever received in the history of the institution which celebrated its one-hundredth birthday as a state chartered University in 1957. The Hatch Fund will be added to the University's endowment fund. The announcement of the gift was made by President Drake immediately after the will had been filed for probate in Surrogates Court for New York County.

Miss Hatch was elected a trustee of the University in 1924 filling a post vacated by the death of her father, a former Supreme Court Justice of New York State.

She served on the Board of Trustees for 35 years, longer than any other woman.

A native of western New York

State, Miss Hatch made her home in New York City for many years and maintained a summer residence at the old family home in Friendship until several years ago.

The bequest to Alfred University is the largest in the will, but the total value of the estate has not yet been determined. Under the terms of the bequest, Miss Hatch named Alfred University to receive the principal of a trust fund which was established for her by her father and made the institution the residuary legatee of her own estate. The will provides that the funds shall be "added to the general endowment of the University and be known as the Hatch Fund."

Income from the Hatch Fund will add an estimated \$40,000 to \$50,000 a year to the University's endowment income. The endowment funds are administered by the Trustees Committee on Investments headed by Chairman L. Meredith Maxon, Vice-President of the

First Boston Corp., New York City.

"Miss Hatch maintained a lively interest in the University throughout her 35 years as a member of the Board of Trustees," Drake said. "She served as a member and at times as Chairman of the Committee on Education of Women. She took a particular interest in promising students and helped a number of young people through college." During her years on the board, enrollment rose from approximately 500 to nearly 1,400.

Her father, Edward Wingate Hatch, was a native of Friendship, N.Y., and first held public office as a District Attorney of Erie County from 1881 to 1886. He was a justice of the Supreme Court in Buffalo and he also held a similar post in New York City. After reaching the first department of the appellate division of the Supreme Court in 1890, Justice Hatch resigned this office to become a partner in a private legal firm in New York City.

## Honorary Doctorate To Be Given to W. Hanford

Dr. W. E. Hanford, Vice President for Research and Development for Olin Mathieson Chemical Corp., will be honored at Founders' Day convocation to be held by Alfred University on October 15.

President M. Ellis Drake will confer an honorary degree of Doctor of Science upon Hanford, who has served for two years on the advisory committee for the Graduate Program in Catalysis at Alfred University.

Hanford was born in Bristol, Pa., and earned his B.S. degree from the Philadelphia College of Science and Pharmacy in 1930. He then attended the University of Illinois, where he received his Master of Science degree in 1932 and his Ph. D. in 1935.

In June, 1956, he received an honorary D. Sc. degree from the Philadelphia College of Science and Pharmacy.

From 1935 to 1942, Hanford was associated with the E. I. duPont deNemours Company, Wilmington, Delaware, and then worked for four years with General Aniline and Film Corp., Easton, Pa.

Hanford became Vice President for Research of the M. W. Kellogg Company, New York, in 1946 and in 1953 he also became a member of the Board of Directors of the

## Presentation of The Brothers K.

The Alfred University Footlite Club has begun tryouts for acting and technical positions in their fall production of Dostoyevsky's "The Brothers Karamazov," the first of the club's three major productions of the year.

This well-known Russian murder mystery was an outstanding success Off-Broadway last season, and also received wide acclaim as a recent motion picture. The A.U. Footlite Club is the first non-professional organization to produce the play.

Professor C. D. Smith III, director for the production, began casting yesterday and will continue today and Thursday. Tryouts are being held for all interested students, including Freshmen.

Yung Suk Kim, a graduate student from South Korea, is now studying Ceramic Design in the College of Ceramics.

Yung Suk Kim was born in Chung Jin, North Korea in February, 1935. After the Japanese defeat in 1945, Yung and her family moved to Soeul, South Korea where she presently lives with her four sisters and a younger brother.

Yung, who studied English in her school in South Korea, was given the opportunity to further her studies in the United States by the sponsorship of the International Corporation Administration which pays all her expenses.

Three hundred other Korean students were also subsidized by this organization upon recommendation of their teachers to study abroad anywhere from three to twelve months.

Yung's arrival at Alfred in September was preceded by a visit to

Washington, D.C., where she and other foreign students spent seven days of orientation with various professors and government officials.

Before coming to the United States, Yung attended the Engineering College of Seoul University for four years where she majored in chemical engineering and received her Bachelor of Science degree.

At Alfred, Yung is now taking ceramic design courses which will enable her to teach ceramic design in the Fine Arts Department of Hong Ik College in Seoul.

When asked her opinion of Alfred she replied that she liked it very much and found the autumn landscape very beautiful. Yung also finds people in the Alfred student body "extremely friendly and helpful." She also admits that university students here are much more "energetic" than in her native land.

## Mayor Robert M. Wagner To Speak At Nurses Convention

Four Alfred student nurses are presently attending the annual state convention of the Student Nurse Association of New York State (SNAUYS).

Representing Alfred will be Sally Benedict, president of section Number Eleven; Louisa McConnell, president of the Alfred Chapter; Pat Sharp, and Judy Wyman.

In addition to acting as an Alfred delegate, Judy Wyman is also the Section Eleven contestant for "Miss Student Nurse of New York State." Final judging in this contest will be made on the basis of scholarship, poise, speaking ability, and appearance.

At the convention, the nurses will hear messages from Mary M. Richardson, President of the New York State League for Nursing, Esther M. Thompson of the New York State Nurses Association, and Mayor Robert Wagner.

Also featured at the convention will be exhibits coordinated by each of the thirteen sections of the state. Section Eleven, of which Alfred is a member, will be contributing to a display depicting the problems of mental illness. This will be done in collaboration with St. James Hospital of Hornell, and

Louisa McConnell, Alfred University Senior Nurse and President of SNAUYS shown with part of Mental Health Exhibit.

Arnot-Ogden and St. Joseph's, McConnell is shown looking over both of Elmira.

In the accompanying picture, Alfred Chapter President, Louisa

## Letters to the Editor

### Joy Rides?!

I have been a brother of one of the fraternities on this campus for over two years. In the past six months, I have had two experiences which I feel should come to the attention of the fraternity members on campus, as well as those intending to join these groups. However, please don't confuse my issue . . . I am all for fraternities, "Help Week," and all the activities involved. These are invaluable and necessary to creating enthusiasm and brotherhood.

During last year's "Help Week," I was taken for a "joy ride" by some of our pledges, and left several miles from school at 3:00 a.m. Fortunately I was able to get to a telephone and arrange to be taken back to school.

This past Friday evening, some of the brothers in my house, thought that taking me at this time, on a similar journey would be particularly exciting, because I was intoxicated. Again I was left about three miles from town. As the car drove off, the laughter within no longer reached my ears. I looked about and saw a lake. Although I had been drinking, my sense seemed clear. I remembered the story of an M.I.T. student, who was a similar victim. However, he walked into a lake and was hauled up dead the next day. Fortunately for me, I had been on this road previously and was able to return home.

I am not condemning the practices of any one fraternity or all of the fraternities who practice this sport. The responsibility does not lie with them entirely. The fault must lie within the small number of fraternity men who indulge in this form of entertainment—who can comfortably sleep knowing that they have left a brother who is intoxicated in the middle of nowhere. These youngsters will never get anywhere in the world, for they possess no conscience and no common sense.

In a few weeks, fraternities will begin selecting new members. I ask them to take in only those who are deserving of being called brothers.

And, I appeal to the mature fraternity men, to restrain the activities of the fellows who have not come to an appreciation of the word "brotherhood."

**PLEASE:** If we want to keep fraternities on this campus, let's clean up our houses. We can do it, we must do it!

### Hillel

Sun. Oct. 11—Yom Kippur services  
7:30 p.m., in Howell Hall  
Mon. Oct. 12—Services—10 to 12 a.m.; 4 to 5 p.m., in Howell Hall

### Something New!?

Beta Omega, still in the process of being formed, welcomes all those interested in a new way of living.

### Varsity A

At the organizational meeting of the Varsity A Club, plans were laid out for a full year of activities. The chief purpose of the Varsity A Club is the awarding of the trophy to the Senior Athlete of the Year.

This award is given to the senior athlete who in the judgment of the club members, has been outstanding during his four years on the Alfred campus. This trophy will be presented at the annual Moving-Up Day Assembly in the spring.

You are eligible for the Varsity A Club, if you are an undergraduate, and the holder of a Varsity award. May we call to your attention, that as part of this year's program, all club members will be wearing their sweaters the second Wednesday of every month.

Also, on the activities slate this year, the club will be sponsoring a Freshman vs. Varsity Game sometime at the end of the season. In addition, tentative plans are being laid for a Sock Hop to follow the Alfred-Hamilton Game on January 8.

This year, the Varsity A group will be responsible for paying one-half the total cost of the Senior Award Trophy. With this in mind, the club plans to take an active part in campus activities this year. All eligible members are urged to attend the next meeting . . . time and place to be announced.

## Friendly Frosh Found Frantic

by May Rosenfelt

This is the head of the Executive Department of the Bureau of the Frosh Inspection Court of Alfred University reporting to you from Alfred, New York.

It has been brought to the attention of the Observation Committee of the Court that various students have been witnessed in the process of washing windows of the Student Union late at night.

An even stranger sight, a group of Frosh boys have been spotted in the act of picking up old beer cans that have been accumulating over the years behind Cannon, Bassi and Bartlett.

Another reliable source reports that a group of musical individuals has been gathering in front of the Huddle and participating in group singing under the watchful eyes of the Vigilante Committee of the Blue Key Society.

Wierd processions of sign-bearing persons have also been sighted in various parts of the campus.

These activities that have been plaguing the AU Frosh for the past few days are due to the combined efforts of the members of the Frosh Court. They include Judge Larry Wender, Prosecuting Attorney Doug Klosen and as members of the jury: Sally Boyd, Archie Bresnick, Earle Conabee, Betsy Gilmore, Brenda Johnson, Bobbi Lewis, Paula Rosenbloom, Ben Schneider, Tom Schukind, Sandy Smith, Jim Tenzel, Jim Tuzzo and Connie Wechselblatt.

This is your raving reporter signing off till next week.

# Airborne Capt. Member Of Alfred ROTC Cadre

The ROTC cadre at Alfred University has gained a new member in the person of Captain Laurence H. Reece.

Captain Reece is 31 years old and he has been in the army, in his words for "nine long years." The Captain graduated from Norwich University Military School in Northfield, Vt., where he was a history major and a distance runner.

He and his wife Zora reside in Alfred with their three children, Laurence age 7, Deborah, age 5, and Jacqueline, age 18 months.

In 1946 he attended the airborne school in Japan when he was an enlisted man. In 1948 he returned to school and upon graduation in 1952 he received his regular army commission.

The captain has served with various units throughout the country and in 1953 he was with the 40th and 24th Infantry Divisions in Korea. Until the fall of 1958 he was with the 101st Airborne Division at Ft. Campbell, Ky., where he served as platoon leader and executive officer. He is an expert with both the M-1 rifle and the carbine.

This past summer Captain Reece attended Ranger school where he spent 2 weeks at Ft. Benning, Ga., 3 weeks in the Florida Everglades learning jungle survival and 3

# Gridders Meet Larries Saturday After Losing to Juniata College

by Eric Harrison

This Saturday afternoon Alfred's football Saxons will be looking to break into the victory column against St. Lawrence at 1:30 at Merrill Field. A victory against the Larries, who are unbeaten in three games thus far, should make Homecoming a rousing success.

The visitors will bring in a much improved aggregation of ballplayers. For the past few seasons St. Lawrence's football fortunes have been about nil. In fact they had one streak where they went 20 games in a row without winning. However after impressive victories over Queens (Canada), Hobart, and the Army B team, the football prospects of the Scarlet and Brown seem to be on the upswing.

In the 19 game series between the two "11's", the Saxons hold a 10-9 advantage, with last year's game going to Alfred by an 8-0 score.

Juniata's Navy Blue and Gold Indians defeated Alfred's Purple and Gold Saxons 42-0 on the visitor's home field in Huntingdon, Pennsylvania this past Saturday.

Alfred won the toss and elected to receive. After failing to gain yardage, Dick De Mott punted to the Juniata 40, where Q.B. Bob Schwabenberg took it and ran it back to his own 46. The Indians were also unable to move, but they put the Saxons in a hole by punting to the 14. With their backs to the wall Jue Yannuzzi kicked out of bounds for Alfred on their 31. Juniata got as far as the 10. Here Alfred's forward wall pushed them back to the 26, where they finally relinquished the ball.

With Steve Kelly directing the team, Alfred moved for a first down. Juniata halfback Harry Long intercepted a Kelly aerial

intended for Yannuzzi and scampered 39 yards for a touchdown.

Midway through the second quarter, Juniata began a drive from the Alfred 31 following a 35 yard punt return by halfback Stan Walasik. The Indians pushed over for their second score when Phil Rohm went into the end zone from the 1. Dick Ott converted.

Late in the quarter Bog Schwabenberg connected with Bill Berrier on the Saxon 2. On the next play Berrier scored with 46 seconds left in the half. Berrier kicked the point and Juniata led 21-0 at the intermission.

The second half was more or less a repeat of the first with the home forces pounding across the goal line three more times and once again kicking all three conversions.

Harry Long broke off tackle on the second scrimmage play of the third quarter and went 56 yards for his second T.D. of the day.

The final two Indian touchdowns came in the fourth quarter. Freshman quarterback Ron Porubon pitched a 57 yard pass to Dick Ott with 11:00 minutes left in the game. Five minutes later Porubon again connected, this time with end Jim Sechrist for an 18 yard pass-run play for Juniata's final score.

Bill Berrier, Harry Long, Ron Porubon and linesmen Roy Martin and Bob Solomon were outstanding for the winners. Though playing for a losing cause Bill McAfee played a fine game for the Saxons.

Saxon rooters should not feel discouraged because of Saturday's defeat. It must be remembered that Juniata is one of the powers of small college football. Their

record for the past seven years stands at 50 wins, 1 loss and 1 tie.

The Alfred University football football team is a group of boys the students should be proud of, win or lose. Their efforts are channeled to make Alfred a respected university. The game with Juniata is history. St. Lawrence, Hobart, Trinity, Ithaca and Brockport lie ahead, and the football players will be out on the field doing their best to bring Alfred a winning record.

Led by Joe DiCamillo, the 1959 Alfred Cross-Country team opened its season by romping to a 19-36-77 win over Canisius and Cortland last Saturday afternoon.

Right from the start, the Saxons were in command. Frank Finnerty, Larrie Seet, DiCamillo, and Carl Blanchard broke out in front, never to be headed during the race. The only doubt was at about the three mile mark when Finnerty and Sweet, who were running well ahead, took a wrong turn and lost several hundred yards. At this point, DiCamillo sprang to the lead and held it strongly to the finish of the 4.6 mile course. Sweet and

Finnerty found their way back on course just in time to grab 3rd and 4th place for the Warriors, which insured them the victory.

Carl Blanchard finished very strongly in second position. Charlie Williams nailed down the winning score for the AU team as he staged a fast finishing sprint to beat out Cortland's fifth man, Jack Lawson.

Two promising sophomores, John Bidwell and Dave O'Dell, each made strong showings.

Both the frosh and varsity teams see action next week as Buffalo State and Ithaca journey to Alfred for the 1959 Homecoming festivities. The frosh race will start from Terra Cotta field at 11:00 a.m. Saturday; the varsity will run at 11:30 a.m.
