### Small Freshman Class---Dance and Reception Get Students Acquainted---Changes in Faculty

Alfred University's 79th year began last Wednesday morning when, at 9 o'clock, the office of Dean Kenyon was opened for registration after chapel exercises at Kenyon Memorial Hall. The incoming class, owing probably to the war, and its various and far-reaching effects, was smaller than usual, numbering only twenty-nine. The class of 1915 has lost three members, and 1916 has lost several, but the class of 1917 still numbers above fifty, so that the total number of registrations up to the present is 125, about 45 less than last year.

On Wednesday evening a dance was held in Firemens Hall for the purpose of getting the new students acquainted and starting off the year with a good time. The dance, while not largely attended, was successful in accomplishing its object. Prof. and Mrs. Bole, Prof. and Mrs. Montgomery, Prof. Bennehoff and Miss Weed acted as chaperones.

Several notable changes have been made in the faculty for this year. Prof. Gambriel of the Education department, has left to take post-graduate work at Columbia and is succeeded by Prof. Ford Clarke, Alfred '10. Prof. Clarke has taught at Ishpeming, Mich., and Leroy, N. Y.; and during the past year, has done post-graduate work at the University of Chicago, and is well fitted to assume his responsibilities here.

The vacancy in the English department caused by the resignation of Prof. Little, is to be filled by Miss Porter of Ripley, N. Y. Miss Porter has a master's degree in Arts from the University of

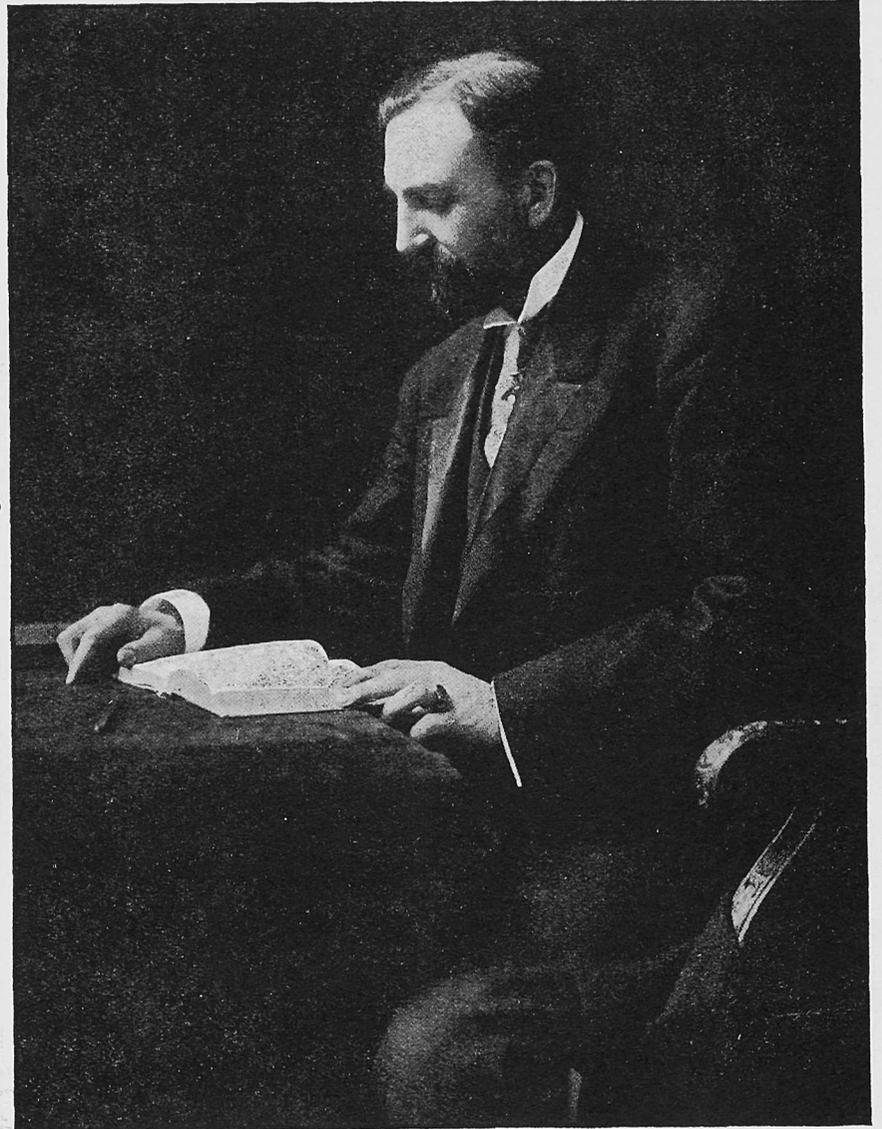

Chicago, where she pursued post-graduate study after her graduation from Mount Holyoke and comes to us highly recommended from Lake Erie College where, for the past three years, she has occupied the chair of Professor of English. Her ranking here will be that of Associate Professor of English.

Three new instructors, from the class of 1914, have been added to the faculty this year. Ivan Fisk, whose reputation in athletics is a well-known and enviable one, will act as athletic director; G. M. Wilson, who has acted in the capacity of student instructor in the Education Department, comes back to us well fitted for his work, both by his experience and by a special summer course in Pedagogy at Columbia; Morton Mix will continue his work in the Modern Language department, having taken work at Columbia this summer. His experience in modern language teaching, reinforced by European travel and study, assures his success.

Miss Madelia Tuttle of Hornell, who took work in the State School last year, is to be with us this year as instructor in public speaking. Miss Tuttle's reputation as a reader is well known here, and we are glad to welcome her to the faculty.

The annual reception by the Christian Associations of Alfred University for the incoming Freshman class, was held at the Brick, Thursday evening. The class of 1918 was given a hearty welcome by about 100 students and members of the faculty.

#### PROCS GO DOWN

Procs were posted this morning, resulting in victory for the Sophomores. The restrictions of the rules this year made the contest much more exciting than usual, the Freshmen, in spite of their limited numbers, putting up an extremely plucky fight. The greatest activity centered at the livery stable from the walls of which, despite the determined defense, 1918's assault with the aid of pepper handled with great dexterity by the ladies of the class

#### FOOTBALL 1914

The football situation which loomed up so black to Coach Farr, Thursday afternoon was somewhat brightened when sixteen men reported Friday afternoon for practice. Football in Alfred is at a crisis. We must have a winning team or the sport will be discontinued. Material is scarce because of the light registration, but with the right spirit from the student body, a winning team can be developed. A good schedule has been arranged which includes

The reception was held in the reception rooms and large first floor hallway of the Brick. The latter was charmingly decorated with college colors and class pennants and flowers. The color scheme was that of the college colors, purple and gold, the effect being carried out by the use of golden rod and wild asters for the banking of the stairways. There were many tete-a-tetes and lounges resplendent with sofa pillows placed around so that ample seats were provided for all. In two corners were placed tables from which punch and wafers were served by members of the Y. W. C. A. throughout the evening.

As each guest arrived, his name was asked at the desk and then written on a gold card on which was printed in purple, "I am" "Who are you?" The card was then pinned on the person whose name it bore and in this way the formality of personal introduction was done away with. After passing down the receiving line, he then stood in line himself in this way meeting all those present.

After everyone had met everybody else, the following program was given:

The reception was closed by the giving of the class yells and for the first time the class yell of the class of 1918, "Ever ready, never late, A. U. —one eight" was given.

**THE Y. W. C. A. HOUSE PARTY**

Before beginning their college work, the members of the Y. W. C. A. cabinet were entertained at a house party. Sunday evening, Mildred Saunders, Ruth Hunt, Ina Withey, Eva Williams, Mabel Michler, Nathalie Wanzer, Mildred Taber and Nina Palmiter

met at Edith Burdick's home, and, dressed in middies and bloomers, they started up the road to a destination unknown to most of them. They looked much like some stragglers from a gypsy camp with the "Alfred Sun" push cart holding a large basket of dishes, a frying pan, numerous suit cases and bags. But they were a happy crowd and showed their good spirits by singing songs all the way.

In a short time the destination was reached the Ellis farm house. It was an ideal place for such a house party, the large white house surrounded on two sides by rows of spruce trees giving a feeling of seclusion. Bed time soon came and by counting "Enee mame, mine, mo," the girls decided who should sleep together.

Monday morning at 9 o'clock, the girls did ample justice to a breakfast of fruit, cereal, bacon and eggs, muffins, coffee. Then, after a mock wedding under the spruce trees, they left for a long hike through the fields and woods. The girls took many pictures, one of the most amusing being that taken in an open field around a pile of lime bags.

At 2 o'clock they returned to the house, hungry as bears, and the roast beef, potatoes and green corn disappeared as if by magic.

The afternoon was spent in reading under the trees. When the mail came, it brought a letter from the president, Susan Hooker. In this she told how much sorrow it gave her to resign as president of Alfred's Y. W. C. A. as she can not return to A. U. This fact and the absence of the secretary, Dorothy Wells, were the only things to mar the girls' pleasure.

After a supper of hot biscuit and syrup, the evening was spent in games and singing. Then Mabel's package of pancake flour was discovered to be a box of chocolates. Just before bed time the Round Robin Cabinet letter, which had been written by the various members during the summer, was read. This was full of interest for all and told of many plans to make our Y. W. a live factor this coming year. Each girl was filled with enthusiasm to put her best into the work.

The next day a cabinet meeting was held on top of a nearby hill, in which it was decided to elect

a new president Sunday night. The dinner table that day was crowned by the Y. W. cake, a large layer cake bearing the letters Y. W. C. A. The afternoon was spent in reading and just before supper, the girls bade good-bye to their kind hostesses, each one sorry indeed, to think that the time had passed so quickly, but all eager to see the rest of their college friends. No "cabineteer" will ever forget those happy days in which all became closer friends.

**CERAMIC SCHOOL NOTES**

The school has opened with a registration of 38. The course in Ceramic Engineering is proving attractive to the men, while the applied arts course is sought by both men and women. There are three members of the Senior class and they are already entering upon the research work which is to result in the graduation thesis.

The equipment is to be increased by the addition of a standard Rattler for testing the wearing power of paving brick. On account of the noise and dust attendant upon the testing, this will be installed in the package shed outside the main building. It will be driven by a special motor to which the current will be wired from the main dynamo.

**THE NEW COACH**

Dr. Richard S. Farr of Lodi, N. Y., our football coach, arrived in town Thursday and at once took charge of the squad. Dr. Farr graduated in the class of 1914 from the College of Medicine, University of Vermont. In Vermont he played three years on the Varsity, one year at center and two years at left-end. His prep school work was done in Starkey Seminary where he played three years at right-half. Dr. Farr comes highly recommended as a man and as a coach.

**ENTERTAINED AT ANGELICA**

Miss Ina Withey, '16, Miss Jessamine Fenner, '16, of Almond, Raymond M. Howe, '15, M. H. Pfaff, '15, Earl L. Burdick, '16, and C. A. Barney ex-'16 of New York were entertained by Miss Elsie Thrall ex-'16, and Miss Susan Hooker ex-'15, at their homes in Angelica over the weekend.

### DARTMOUTH HAS BUILDING FOR STUDENT SOCIAL LIFE

What the gymnasium and the stadium are to baseball, track and football, Robinson Hall will be to Dartmouth's non-athletic interests. This splendid building, the gift of Wallace F. Robinson, of Boston, and now nearing completion, will be at once a frank recognition of the fact that students may legitimately pay attention to things other than their studies, and a potent factor in concentrating the increasing influence now being wielded by college sports. It is not in hostility to athletics that this temple is being erected; it is really in a spirit of helping the other extra-curricular activities to a position of greater importance.

"Dartmouth's student organizations, with the exception of athletics, are in need of adequate quarters where their activities may be properly concentrated and efficiently controlled," said the donor, Mr. Robinson. "As a man of affairs, with a long business experience, I believe that suitably housed and provided with the means for the conduct of their business and for the social intercourse incidental to the activities of young men of similar tastes and abilities, these organizations would present a strong counterpose to athleticism on one hand and to social cliques on the other. They would thus afford a just balance of intellectual and artistic expression as against bodily prowess and muscular skill.

"In order to insure the continued democracy of the college, I have stipulated that no organi-

zation shall make use of the building except those in which the qualification for membership is proved ability only."—Exchange.

### EDUCATION IN PHILIPPINES

A feature of the new administration in the Philippines is the educational program, which is to be greatly enlarged and popularized. Vice-Governor Martin, who is also secretary of public instruction, according to advices received, has determined to devote himself especially to the improvement of the health of the school children. Already remarkable results have been attained in this direction. In the Manila schools alone last year out of 24,000 children examined, 7619 required medical attention, and as a result the more serious forms of skin diseases and trachoma are now under control. In one province many children were afflicted with hookworm. There are already nearly half a million children in the schools, and it is believed that by this attention to their welfare the entire Filipino people will soon be greatly improved physically and mentally.—Exchange.

### PINE CREST LODGE

The management of Pine Crest Lodge desires to announce that picnic and corn roast parties desiring to use the camp will be welcome to do so on condition that such parties communicate with the management before-hand, that they leave the camp property undisturbed and do not leave refuse, papers, etc., strewn about. Pine Crest is not a public resort, but a private camp.

## WE'RE OFF!

Fiat Lux extends a hearty greeting to old friends and to the new ones of the faculty and of the class of 1918. We hope that this year may be a most successful one, and with this in view, we are asking your cooperation in return for which we shall try to give you the best possible paper.

Our policy, as before, will continue to be conservative, reflecting, as far as possible, the sentiment of the student body, striving to give a fair representation of the work of the various organizations, and whenever possible, offering constructive criticism. Contributed articles on questions of interest—college politics, etc.—news items and suggestions will always be gratefully received. Remember that it's YOUR paper.

Football prospects should be good. We have material and we have a new coach and a good one. It's up to the material and the student body; the Doctor will do the rest. We wish him and you all the success in the world.

Cooperation, as we've often been reminded, is the key of success. In view of our small numbers we need to remember this this year more than ever before.

Once more we seize with trembling fingers our poor old inky instrument of illegibility to produce a few moldy ideas for your attention. We trust that our academic readers have lived happily and successfully through the lingering vacation and have returned to school and books with higher aims than ever. We are glad to see you back. We trust we shall become well enough acquainted with the new Freshmen to cause them to take out a subscription for the Fiat Lux. It is a fine paper—otherwise (?) we should not contribute to it. While the Freshman class this year is not quite up to the universal standard, it has an extremely intelligent and winsome appearance. We can see one of its green-capped representatives from our window this very moment and it causes us to heave a deep, rib-cracking sigh of retrospective recollection. How "Tempus" does "fugit."

Here's an idea—a brilliant one. Did you know that the publishing and managing of the Junior Kanakadea is a whale of a proposition? The book is for the entire school and our college should back it up more unanimously. Its expenses are to a great extent, paid by advertising fees paid by merchants and dealers in nearby towns. The next time you make a purchase in Wellsville or Hornell, just say to the clerk or the merchant, "I saw your ad in the Kanakadea, our college year book"—and you will be doing something to help the next Junior class. We have seen the Kanakadea through its long course of construction and we know what it means.

The frosh number only twenty-nine but—you never can tell you know! We're looking to you, 1918, to make up in prep all you may, through unfortunate circumstances, lack in mere numbers.

If you don't think the war is affecting the U. S. A. take a slant at our registration this year!

Procs! Procs! Procs!

Bill Buck, our football captain, is a very fine sort of a chap. He is a pleasant fellow and one you would no doubt like to become better acquainted with. One good method would be to draw out a football uniform and come down on the field evenings and hear the old boy talk. He had rather a lonesome time of it on the field for awhile, but more men are appearing in armor now. Join the happy throng. If you can't play on the first team, come and scrimmage against Bill's linemen to help their muscles for the game Friday.

NEW CLASSROOMS

Two new classrooms and offices have been added this year by the partitioning off of the old library room on the second floor of Kenyon Memorial Hall. The departments of Modern and Classical languages are thus given much needed room for expansion. The rooms are commodious and well equipped and Professors Hart and Titsworth are to be congratulated upon securing such excellent quarters.

Y. W. C. A.

The first meeting of the Y. W. C. A. was led by the vice president, Nina Palmiter and Eva Williams. A letter written by Susan Hooker to the cabinet, and containing her resignation as president of the Association, was read. Miss Nathalie Wanzer was unanimously elected president. This meeting was a Polly Anna meeting, and the girls told of so many things of which they should be glad. It was very successful and was largely attended.

ALUMNI

E. H. Hollenbeck of Jasper, who graduated from Alfred in 1875, was in town Sunday looking over the improvements in campus and town.

Mrs. Angie Lewis VanWie, Alfred '92, wife of Rev. Frank VanWie, died Wednesday, Sept. 16, at her home in Halstead, Pa., of heart trouble.

5. In the tug of war contest an equal number of men shall be selected from each class, and said contest shall take place as designated by the Senate.

### ARTICLE IV—BANQUETS

Underclass banquets shall be held during the first week in October and on any day of the week except during the period of time between midnight of each day and 5 o'clock in the morning and also between sundown on Friday and 5 o'clock the following Monday morning. This part shall apply to any assembly or preparation for a banquet by any member or members of the class. The contest shall consist of a banquet of at least four courses for which formal preparation has been made at least twenty-four hours in advance. The distance shall be limited to a direct radius of

fifteen miles from Alfred. An upperclassman chosen by the class shall be present and act as umpire, and in case a dispute arises it shall be referred to the Student Senate for settlement.

The class holding the banquet must have three-fourths of its members present. It is to count as a victory for the opposing class only when a majority of its members are present and give their class yell before the banquet is completed.

### ARTICLE V—PROCS

1. Procs shall be posted only during the week beginning on Monday following the opening of college. They must be removed before 6:15 A. M. in order to count as a victory for the Freshmen.

2. No proc shall be posted after the first one is removed or defaced by the Freshmen or after the town clock has struck six.

3. The ringing of the chapel bell before or at 6 A. M. shall be the signal that the first proc has been removed. If the bell is rung by or for the Freshmen before any proc shall have been removed the contest shall be considered a victory for the Sophomores. At 6:15 the chapel bell shall be rung by a Senior member of the Student Senate as a signal that the contest is closed. The chapel bell must at all times be accessible to both classes.

4. The procs, which shall not be smaller than one square foot, and not more than ten in number, must be posted within a radius of half a mile of the flag pole on the campus, not beyond the edge of the village proper. They must be posted in the open, that is, they must not be concealed by any moveable object nor in any building, nor above eight feet from the ground, measurement to be made from the center of the proc.

5. No mechanical method of detention shall be permitted by either class.

6. No proc shall be posted on either Saturday or Sunday mornings.

### ARTICLE VI

1. In the spring of each year after the revision of rules they shall be printed in readiness for distribution at the first College Assembly the following fall.

2. All cases of violation of these Rules are to be referred to the Student Senate for settlement.

3. The Senate shall enforce the Rules and publish all decisions in the Fiat Lux.

### FOOTBALL 1914

Continued from page one

Chamberlain Military Institute, St. Bonaventure,, Hobart, Mansfield and two games with Thiel College.

A new tackling dummy has been secured by the Athletic Association and will be in use this week. This adds materially to the football equipment.

The old men who are out are Capt. Buck, Howe, Bowman, Griffiths, Bliss, King, Perkins, Beltz, Norton, Pitts, Ayars, Sheppard and Pfaff, and among the new men are Crawford, Gaiss, Bass and Brainard. Today a second team will be out and the first scrimmage will be held.

It is up to the student body to get the right spirit, to talk football, and to think football. Football is THE college game, why should not Alfred be classed with other colleges of our size? We rank with them in scholarship, why can we not be ranked with them in football?

It has been arranged this year for the team to dress in the locker room.

The first game of the season will be played Friday afternoon, Sept. 25, at 4 o'clock, when the Varsity will meet Chamberlain Military Institute in the first game of the season. Chamberlain has a fast team and a good game is anticipated.

The management hopes to see every student out yelling himself hoarse. Show the team and the Coach that you are behind them and doing your best to help win. Remember to come out..

### PROCS GO DOWN

and bottles of ink judiciously hurled—to say nothing of some little hair-pulling—proved irresistible, culminating in the defacement of the proc. Other outlying procs had not, however, been removed when the chapel bell rang at 6:15.

## LYCEUM COLUMN

No meeting of the men's lyceums was held last Saturday night. The prospects for the year are not very bright at present, but, with the arranging of schedules and the college calendar, we may hope to see a revival of interest in this waning activity. The calendar is so arranged this year as to eliminate confliction with the lyceum hour, and it is to be hoped that as a result, there will be better attendance and more enthusiasm than has been manifested for the past two years.

## ATHENAEAN

The Athenaeum Lyceum opened for its regular work of the year last Saturday evening. Much enthusiasm and interest was shown and a most successful year is assured. The following program was splendidly rendered and received with much applause:

Devotions Ruth Hunt  
Music Mildred Saunders  
Reading Hazel Parker  
Piano Duet

Rose Trenkle, Nellie Wells  
Selection Eunice Anderson  
Piano Solo Nathalie Wanzer

The closing number was an original stunt arranged by Edna Jackson, assisted by Edith Burdick, Mabel Michler and Hazel Parker.

In the business meeting the officers for the first quarter were elected:

President, Mildred Saunders  
Vice President, Katryne Vander Veer  
Secretary, Jessica Davis  
Treasurer, Eva Williams  
Critic, Nellie Wells  
Tellers, Hazel Perkins, Eunice Anderson

Next Saturday evening the Athenaeans are planning to entertain the Freshmen girls.

## ALFRIEDIAN

Devotions Lucy Whitford  
Welcome to the Freshmen—A poem by Ellen Holmes  
Reading—Moo—Cow Moo

Robert Greene  
Whistling Solo Carol Stillman  
Reading Zulieka Richardson  
Address by the President

Arlotta Bass  
Leaves of 20th Century  
Genevieve Hart

Vocal Duet  
Mabel Hood and Mildred Taber

After the program the lyceum adjourned for a social time. A chafing dish lunch was served and games were played. The meeting closed with college songs and cheers for the Freshmen and Alfredians.

## Y. M. C. A.

A large audience which was present at Y. M. C. A. Sunday evening was given a treat in an interesting talk on the subject, "The Christian Religion" by Prof. Ford S. Clarke. Prof. Clarke's talk was to the point and was enjoyed by all. He told of some of the questions arising from the modern belief that social service is religion.

At a business meeting following the program the following men were voted into active membership: Barry Bowman, '17; Hubert Bliss, '17, Clesson Poole, '18, Clifford Potter, '18, and Harry Weaver, '18.

There will be a meeting of the cabinet of the Y. M. C. A. at the Y. M. C. A. room next Saturday night at 7:15 o'clock.
