My Sir:-

With reference to your letter on the 8th,
we do not seem to be able to locate any record of shipping
an Oven to Camp Tegawitha, Mt. Pocono, Pa. Doubtless this
was ordered by one of our dealers for shipment to themselves,
they to re-ship to Mt. Pocono, and in this way we would not[space added]
know final destination of Oven.

If you will give us further information about
this matter, we will be glad to send you complete instructions
for operating the Oven.

Very truly yours,
The G. S. Blodgett Company, INC.
