OFFICIAL NEWSPAPER OF TOWN AND VILLAGE OF ALFRED AND ALFRED-ALMOND CENTRAL SCHOOL DISTRICT

IT'S MILLER TIME!!

AU's most generous donor will address graduates

ALFRED—Dr. Marlin Miller, Jr., '54 a visionary businessman and Alfred University's most-generous donor, will deliver the address at Alfred University's commencement ceremony at 10 a.m. Saturday, May 18, in the Galanis Family Arena, McLane Center, on the Alfred University campus.

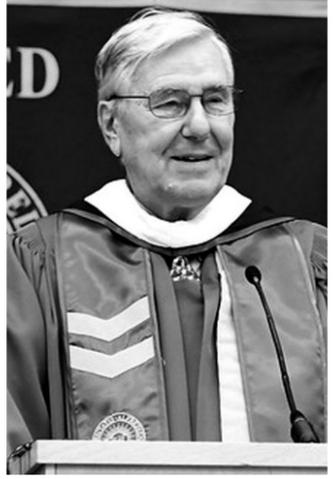

The University will award Miller, who received a Doctor of Science degree, honoris causa, in 1989, a second honorary degree, the Doctor of Arts, during the ceremony.

"We asked Marlin Miller to deliver our commencement address this year because he is among the most remarkable people ever to be associated with Alfred University," said President Mark Zupan. "He was a ceramic engineering major who was introduced to the arts by his first wife, the late Marcianne Mapel Miller '54. She was an artist who also did theater, and Marcianne's passions became Marlin's too. Most of his significant gifts to the University

have been in support of Performing Arts and the School of Art and Design, thus the decision to award him a second honorary degree, this one in the arts."

Another reason is Miller's leadership, Zupan noted. A member of the Board of Trustees since 1972, Miller served a six-year term as chairman, from 1983-89, and helped to launch the University's first major fund-raising campaign, which led to the renovation of Alumni Hall, built in 1851 and the University's oldest building. He's worked with six of the University's 14 presidents, from Leland Miles, who was president when Miller joined the board, through Zupan, who took office in July 2016.

He has served on every major committee of the Board, and is a long-standing member of its Executive Committee and its Strategic Planning Committee. "Marlin Miller has been involved in every major decision made by the Board of Trustees for

Dr. Marlin Miller Jr. '54

nearly 50 years," Zupan said. Part of his impact is his philanthropy, which has resulted in nearly \$75 million in gifts to the University. With his gifts, Miller has built three new buildings – the Miller Performing Arts Center, Miller Theater and the Alfred Ceramic Art Museum -- and contributed to the construction or renovation of others, including Alumni Hall, the Saxon Inn, Kanakadea Hall,

and Tefft Residence Hall, as well as the link that will connect Tefft and Moskowitz halls. He has made a challenge grant that he hopes will encourage others to also invest in residence hall renovations.

Miller has endowed several scholarships; each year, about 35 students benefit from a scholarship fund he has created, some in his own name and others in honor of friends and fellow trustees.

Giving in honor of others is one hallmark of Miller's philanthropy. One of his first major gifts was the Gertz Chair in memory of Fred Gertz, former professor of technical writing and dean of students, who was one of Miller's mentors. Another gift created the Robert Turner Professorship in Ceramic Art and the Theodore Randall International Chair in Art, the first two endowed positions in the School of Art and Design at Alfred University. In honor of his lifelong friendship with Wayne Higby, the director of the Alfred Ceramic Art Mu-

seum, Miller endowed the directorship in his name.

"Through our strategic planning process, we identified improved residence halls as a need for the University," Zupan noted. Miller made a gift to renovate Tefft Residence Hall, in honor of Phillip Tefft '38, who was chairman of the Board of Trustees when Miller joined the board. Miller has often credited Tefft with teaching him what it is to be a philanthropist. Miller has subsequently made two additional gifts to support residence hall renovations.

"I can enumerate the major gifts Marlin has made to the University, but what only a handful of us remember is that Marlin is quick to write a check when he sees other needs at the University, not just the 'big stuff,'" Zupan noted.

"But beyond his leadership, beyond his generosity, there are dozens of Alfred University faculty, staff and alumni, who are proud to call Marlin Miller a friend," said Zupan.

Alfred State holds 35th annual Honors Convocation

ALFRED—Alfred State College celebrated the achievements of hundreds of students recently during the 35th annual Honors Convocation, with Dr. Kristin Poppo, provost, presiding over the event, and SUNY Distinguished Teaching Professor of English and Humanities Dr. Aniko Constantine serving as grand marshal.

Dr. Katz gave the benediction just prior to the academic recessional by the Alfred State Concert Band to close out the ceremony.

Claire Wragg, an electrical construction and maintenance electrician major from Corning, right, received the Provost's Award for Academic Excellence from Provost Dr. Kristin Poppo, left, at Alfred State's 35th annual Honors Convocation.

The Community Making Project, organized by Amie Acton of Yarn Over in Alfred Station, was an overwhelming success. Above, from left, JoAnne White, volunteer coordinator at Hart Comfort House, Acton and Scott Swift, Executive Director of Hart Comfort House pose with a sampling of the donated goods. Final

count was 62 handmade items: 33 bears, 25 blankets, and 4 shawls. Donations came in from across Allegany and Steuben County and beyond, contributing to a treasured gift for the residents of the Hart House and their families.

"The project was inspired by one of our community members, Zoe Coombs who passed away last year" said Acton. "I gave her a hand-knit bear the last time I visited and it provided great comfort in her final days. I wanted to organize a project that would do the same for others. I think Zoe would approve!"

A family trip to our nation's capital included a stop at the Folger Shakespeare Library. Among other delights was this charming poster which was filled with so many delightful, some quirky, "welcomes," that several of us stopped in the Great Hall and read it from top to bottom. We were left chuckling at the final "welcome," as well as appreciating the others.

Vidalia onion recipes from paradise

[Editor's Note: Like most of the recipes she shared with our readers over the past couple of decades, Ellen Shultz's Sunny Side Up columns are worth repeating.]

Several winters ago we made a jaunt to a tiny island called Cedar Key, off the west coast of Florida out below the panhandle. I had read about it somewhere as one of the forgotten paradises. Many people we talked to about going there said, "Why are you going? There's nothing there." How wrong they were.

It is indeed a little paradise of sand and sea, very little developed by today's standards. There were not hordes of people and we had time and space to explore. The "natives" were delightful and the food delicious. We thoroughly enjoyed our stay.

As usual, I picked up a cookbook, published by the local grocery store this time. It has the catchy title-Cookbook, a Recipe Collection. In it I found some more Vidalia onion recipes. Here's a good one.

Vidalia Onion and Potato Casserole

2 lb. frozen hash brown potatoes 1 1/2 c. finely chopped
1 c. no-fat sour cream Vidalia onions
1 c. grated cheese 1/2 c. melted butter
1 (10 oz.) jar roasted red pepper salsa

Thaw potatoes thoroughly and crumble; combine with other ingredients. Place in a 9x13 inch casserole dish.

Topping:

1/4 c. melted butter 2 c. crushed corn flakes

Combine and spread over casserole. Bake for 45 minutes at 375 degrees. Serves eight.

Thanks to football players

An open letter to AU Football Coach Bob Rankl:

Sorry I didn't get this sent earlier!

We had five of your players helping us at the Box of Books Library on April 13th. They were just a tremendous help. We had them cleaning the gutters, cleaning up dead leaves, digging down around some tiles on a walking path and putting fresh gravel around them, as well as taking out a huge (12-15 inches in diameter) forsythia root. The forsythia root had defeated other volunteers but they kept

at it, really put some muscle into it and finally got it out. Then we trimmed the remaining forsythia down to the ground. They made a huge pile of debris for the Village to pick up and cart away.

We are all in agreement that we couldn't have done what they did in 8 hours and they all got it done in 2.

On top of that they were gracious, eager to help and just a pleasure to be around. We are very grateful and appreciate their service and your willingness to make them available for these projects.

Many thanks and kudos to all of them: Quinn Winkler, Austin Pierce, Alex Gardner, Bradley Claycomb and Brandon Parker.

They did a fantastic job!!

With much appreciation, Steve Crandall, on behalf of Alfred Box of Books Library

All That Glitter Is Not Fibonacci's Sequins

Fibonacci,
I never got ye...
Nor those clever little numbers in your Sequence.
Their link to Pythagoras
Would no doubt stagger us...
But only if we ever were a geek once.

1, 1, 2, 3, 5, 8—
You lost me outt' the gate,
But that's okay, just play your little game.
13, 21—
Just tell me when you're done—
I don't see why they ever brought you fame.

The Golden Section
Is a thing of perfection...
But just don't ever ask me to explain it.
It appears in the pentagram,
And prob'ly the centigram—
Sure's an equal opportunity thing, ain' it?

The Golden Mean
I hear is keen;
Golden Spiral, though, can't get my mind around.
Well, no danger that I'll mangle
Your precious Gold' Rectangle...
It doesn't square with me—it's right profound.

And I don't dare tangle
With the Golden Triangle...
Cuz once you do, they're bound to have your number.
No, Filius Bonacci,
I never, ever got ye...
But thanks—you've made me feel a little dumber.

A Mother's Love

A Mother's Love

A love like no other.
The bond between
mother and child,
a bond like steel.

A mother's love
will fight all storms,
will stand the test of time.
A mother will do anything
to protect,
to teach,
to guide.

A mother will kiss the pain away.
She will nurse away all ills.
Her love overcomes,
is free of condition,
sees no faults.

A love that wishes well,
and worries,
while encouraging
her hatchlings to fly.

A mother's love
dries your tears,
sets you straight
when you don't know best.

A mother forgives
mean words
that were never really meant,
weathers pain in an empty nest.

A mother's love is not
just for the time spent at home,
hers' is a love that lasts beyond,
a love that sees youth where there is none.
You will forever be her child,
her baby will never change in her eyes.

Through hardships,
sickness,
pain,
guilt,
happiness,
love,
loss and gain,
a love that sees no fault or shame.
through mistakes it remains.

A love like no other,
A mother's love sustains.

Quite frankly, we'd like you to subscribe to the Sun!

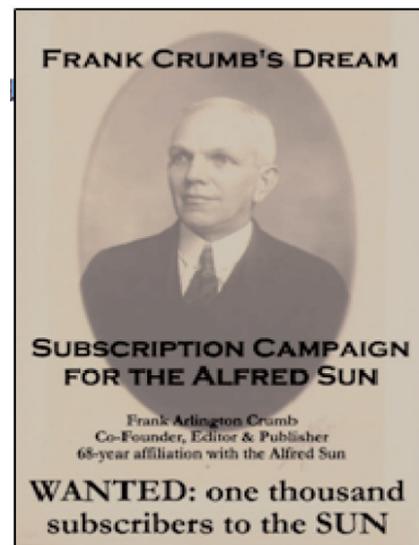

Back in 1884, a simple item appeared in the Alfred Sun that said, "Wanted, one thousand subscribers to the Sun."

That goal suggested by Sun co-founder and legendary Editor and Publisher Frank A. Crumb, was met before the new millennium. But now we'd like to keep the dream alive. So we've set a goal of 135 new subscribers to mark the SUN's 135th anniversary.

During Frank Crumb's Dream Campaign, we offer new subscribers 13 months for the year's subscription price of \$35. That's \$65 off the news stand price. And you'll read hometown news and interesting stories found nowhere else!

If you would like to help keep Frank Crumb's Dream alive, send your name and address or that of a loved

one with check payable to "Alfred Sun" to: Frank Crumb's Dream, c/o Alfred Sun, P.O. Box 811, Alfred, NY 14802. We thank you and Frank thanks you!

ALFRED ART WALK

Four special events to highlight May 16 Art Walk

ALFRED—Four special events will be featured in the May Art Walk in Alfred. Stroll through Alfred on Thursday, May 16, during this month's Art Walk and view exhibitions in galleries and venues throughout the village and on the campuses of Alfred University and Alfred State College.

Alfred Art Walk, which is free and open to the public, is held the third Thursday of each month. The April Art Walk, held from 5-8 p.m., will feature four special events:

- Terracotta Celdon Building, Main Street, Alfred. "Thesis Part I. Sitting With Marta by Andrés Monzón": 5-8 p.m. The artist says of the event: "This exhibition is comprised of a series of ceramic objects inspired by my grandmother, Marta Echeverri Gutiérrez (1925-2016). Due to instability and political unrest in our native Colombia during the 1990's and early 2000's, hundreds of thousands of people, including most of our family members, left the country. Marta however, did not. When I moved back to Colombia after more than a decade in exile, Marta and I spent hours together in her dining room, sometimes in silence. We shared meals, looked at photographs, discussed her childhood, marriage, and her experience relocating to Cuba in the 1940s."

- Cohen Center Gallery, 55 N. Main St., Alfred. Pottery sale, Ray Allstadt and Chris Alveshere, 5-8 p.m.

Nutrition in a Nutshell

By MARIA ADAM

Thriving Tip: Sunshine

Spring is here in Alfred, slowly but surely, and the sun is warmly inviting us into its rays. Are you ready to properly protect yourself from the sun and receive its nourishing benefits?

It is common to generously lavish your skin with the highest SPF sunscreen available. However, there are three problems with commercial sunscreens.

First of all, they are made of chemicals that are harmful to your body. Our skin is our largest organ. Anytime we apply something to our skin, it is directly absorbed into the bloodstream and thus enters every cell of our body. If we can't eat it, then we should question if it should be put on our body.

Secondly, commercial sunscreens block UVB rays (related to burning) while not protecting the body from UVA rays, which damage the skin and increase aging. Both cause cancer, however, UVA rays are the most harmful and cause the deadliest form of skin cancer, cutaneous malignant melanoma.

Thirdly, our bodies produce Vitamin D through UVB rays. Thus, using commercial sunscreen disables our bodies' greatest defense to skin cancer and other diseases—Vitamin D.

So, what is the best method for protecting your skin? Exposure to the sun in short intervals is ideal. Twenty minutes in full sun allows the time to absorb ample Vitamin D without risking harmful effects. However, if you will be in the sun for longer periods than that, protective clothing and/or a non-nano zinc oxide sunscreen are the way to go! (See resources below.)

Non-nano zinc oxide provides a natural mineral which blocks damaging UVA and UVB rays but still allows Vitamin D absorption.

Implementing these simple changes will allow you to receive all the benefits our sun provides! So be safe, and soak in the sunshine!

The DIY Farmer's Wife Approach

By KRISTINA SNYDER
Alfred Sun Columnist

DIY Fork Tender Short Ribs

Springtime is busy on the farm, not a lot of time to prepare meals. I love a tried and true instant pot recipe! With mouth-watering spices and the right amount of twang, this recipe is great for a chilly spring night. Short ribs are a flavorful cut of beef but with the bones and fat they are also one of the most nutrient dense. However, I have found short ribs much harder to cook using traditional methods than other cuts of beef like steak or roasts. Using this slow cooking method results in tender, juicy and flavor packed beef. Serve this over a side of cauliflower rice and some fresh spring greens! If you don't have a pressure cooker, use a crockpot on low for 6 hours.

What You Need:

2 pkg. organic grass fed short ribs 1t paprika
1/2 t cumin 1t mustard powder
salt and pepper 1c bone broth
3T fish sauce 3T balsamic vinegar

1. Place short ribs on cookie sheet, sprinkle paprika, cumin, mustard, salt and pepper over top. 2. Broil for 3 minutes. 3. Transfer to instant pot w/liquid. Pour bone broth, fish sauce, balsamic over top; set pot to manual cooking 30 minutes. 4. Go weed the garden 30 minutes, return to enjoy!

ALFRED NUTRITION SITE LUNCHEON

Lisa Karr gains the attention of the Alfred Almond Central School Senior Chorus as they prepare to sing in honor of Older Americans Month.

Alfred area residents gather for May Celebration

ALFRED—The Alfred Nutrition Site at the Union University Church Center was the scene of a celebration recognizing older Americans on May 2, 2019. Graciously hosted by Deb Pearson, site coordinator, the

event was attended by about thirty people. Included in the number are several of our friends and neighbors who qualify as older Americans. In addition, several Village, Town, and County public servants attended.

As Deb introduced various persons, a big, yellow bus arrived from Alfred-Almond Central School and parked

out front on Church Street. About forty younger Americans (Senior Chorus), an accompanist Christina Conklin, and director Lisa Karr emerged and streamed into the room. A beautifully rendered short program ensued.

Numbers the chorus sang included: El Vitos, sung in Spanish; a version of the very familiar, beloved, Danny

Boy; an African song; and a number from the film, The Greatest Showman.

The singers trooped back to their bus, and the diners enjoyed a delicious lunch, while the cheerful buzz of conversations filled the room.

As one attendee commented, "That was a really nice, community event."

Deb Pearson, Site Coordinator, displays the beautiful (and delicious) cake created to celebrate the occasion.

A few community members enjoy conversation. Office for the Aging personnel smile in the background.

Clark to be added at National Memorial

The late Nicholas Clark, a 2011 Alfred University graduate who was shot and killed last July while serving in the line of duty as a New York State trooper, will have his name added to the National Law Enforcement Officers Memorial in Washington, D.C.

Clark and 370 other fallen law enforcement officers will be honored during the 31st annual Candlelight Vigil held on the National Mall, between 7th and 12th streets on Monday, May 13, at 8 p.m.

Clark was a star football player at Alfred University, playing four seasons and establishing himself as one of the best to ever suit up

as a Saxon. He was a two-time All-America and Empire 8 Conference Defensive Player of the Year honoree as well as a four-time Empire 8 all-star, two-time ECAC All-Region selection, and ECAC Merit Award winner.

After graduating from Alfred University in 2011 with a degree in environmental studies in 2011, Clark tried out for the Buffalo Bills before settling on a career in law enforcement, graduating from New York State Police's Basic School in 2015. He was stationed as a state trooper at the Bath barracks when he was killed in the line of duty July 2, 2018.

AU presents ICU awards, recognition

ALFRED—On Friday, May 3, Alfred University held its first annual Institute for Cultural Unity (ICU) Awards and Senior Recognition Reception. The event, hosted by Brian Saltsman, director for Student Diversity and Inclusion, recognized seniors affiliated with the Institute. Five awards – voted on by clubs, Agents of Change (student leaders in the ICU), and members of the ICU – were presented to students.

Saltsman began the evening by thanking the staff of the Center for Student Involvement, the Agents of Change, AU Fresh, and Student Senate Diversity Chairs for this year, Balynda Ali and Kayla Colter.

Kayla assisted Saltsman in distributing green and black cords for graduating seniors. Green symbolizes luck, wealth and independence while Black symbolizes sophistication and maturity.

The ICU Advocacy Award was won by Asians in America for increasing awareness about a diversity-related issue across campus and taking a leadership role in the advancement of an issue or cause on campus. The ICU Philanthropy Award was earned by the Caribbean Student Association, for their leadership in sup-

porting and implementing fundraising programs and fostering a culture of giving. Dillon Smith and Austin Aiken won the ICU Collaboration Award for HalloweenFest, which enhanced the sense of community on campus.

The ICU Icon Award went to Keshawn LaPlante for creating a welcoming environment through encouragement of understanding between persons of different races, sexes, sexual orientation or identity, ethnicity, age, disability, or religious heritage.

The ICU's Ally to Diversity and Cultural Unity Award went to Kathy Woughter, vice president of Student Affairs, for exemplifying the ideal model of transformative and altruistic allyship to the Institute of Cultural Unity's organizations and constituencies. Saltsman announced that the going forward, this award will be named the Kathy Woughter Ally to Diversity and Cultural Unity Award.

Saltsman closed by the program by thanking attendees and again congratulating all the graduating seniors, award winners, and everyone who has worked hard to realize Alfred University's potential to transform lives through inclusion and diversity.

Barry Baskerville and Buried Treasure latest in Dr. Richard Kellogg's books

ALFRED—Dr. Richard Kellogg, professor emeritus of psychology at Alfred State College, is the author of a new book titled "Barry Baskerville and the Buried Treasure."

This book is the sixth entry in a series of mysteries for children, and is available on the Amazon website. It contains beautiful color illustrations by noted Hawaiian artist Gary Kato.

As in previous adventures, young Barry dreams of becoming a famous detective like his hero, Sherlock Holmes. Accordingly, he both amazes and irritates his friends and teachers with his baffling

riddles and logic problems.

In this mystery, Barry's family inherits a farm from Uncle Henry Baskerville. A valuable treasure is hidden somewhere on the property. Barry must utilize all his powers of observation and deduction to solve the case and locate the treasure.

"Barry Baskerville and the Buried Treasure" introduces young readers to the legendary Sherlock Holmes while enhancing their problem-solving skills. The story welcomes them into the world of enchantment occupied by the great detective and his loyal companion, Dr. John Watson.

Pictured is cover of "Barry Baskerville and the Buried Treasure," the sixth book in the series about a boy detective written by Dr. Richard Kellogg, professor emeritus of psychology at Alfred State.

Friends from the Confucius Institute at Alfred University shared a dinner and program of Chinese Costume, Dance, and Tai Chi with the Almond 20th Century Club at the Club's April meeting. Here, those in attendance gather for a photo. A good time was had by all!

ALFRED-ALMOND SPORTS ROUNDUP A-A boys seek league title

By **BARB WELCH**

Alfred Sun Sports Reporter

ALMOND—The Eagles (6-5) lost April 30 at Arkport Canaseraga 7-3. Defensively, the Eagles were solid with just 1 miscue. Hits were even at 6 per squad, but the Wolves were more fruitful with theirs. Offensively, Freshman Ty Kenney led the way going 3 for 3 with a walk and scoring 2 runs. Austin Swackhammer had another solid day going 2 for 4.

A-A defeated Andover at home 8-6 on May 2. Freshman Ty Kenney earned the win on the mound, pitching 4 1/3 innings, surrendering just 1 hit, 2 walks and striking out 5. Will Tormey picked up the save by striking out the side in the 7th. Offensively, the Eagles accepted 11 free passes and produced 7 hits. Sophomore Cameron Claire led the team going 2 for 2 with a walk, and 3 RBIs. Will Tormey and Dylan Guthrie each went 2 for 3 with 1 run scored and 1 RBI.

The Eagles failed to defend The Nest May 3 being blanked by Bradford Hammondsport 8-0. Managing only 2 hits, Ty Kenney and Dylan Guthrie each had a double.

Facing the unbeaten Honeoye Bulldogs Saturday morning, May 4, the Eagles were again beaten 10-1. Both teams managed just 2 hits and both squads struck out 12 times. But 10 defensive miscues spoiled a great effort on the mound by Will Tormey, who pitched 6 innings, permitted 2 hits, struck out 10 and walked 3. Laertes Cushing pitched the 7th, striking out 2 and walking none. Dyland Guthrie was 1 for 1 at the plate with an RBI and a walk and Will went 1 for 3.

The 6-5 Eagles look to capture a league title starting with a Wed., May 8 5 pm home game vs. the Addison Knights. They host Canisteo-Greenwood at 5 p.m. Friday, May 10 and Whitesville at 12 noon Saturday, May 11.

Girls Varsity Softball (5-2)

Coach John Gemmell's Lady Eagles hosted Hammondsport Bradford on May 3 in a grudge match between two teams who were tied for first place in the league. The visiting Braves scored two runs in the 2nd inning to take the early lead. The Lady Eagles responded with 2 runs of their own in the 4th inning as Lindsey, Logan and Renee provided the offense to tie the game. The score remained tied until the 7th inning when the visitors took advantage of a small opening and plated 3 runs to escape with a 5-2 victory. Lindsey and Logan led the way offensively, as each registered a hit and scored a run. Ali pitched a complete game allowing 4 earned runs and striking out 5 batters.

The girls defeated Avoca-Prattsburgh 9-1 on May 2. Coming off their first loss of the season the Lady Eagles put forth a total team effort, as all 14 members contributed to the victory. Ali picked up her 5th win of the year pitching a complete game six hitter, allowing 1 run while striking out 7 Tiger batters. The defense played error free ball, highlighted by some solid play at first base by Morgan. Renee led the way offensively with 3 hits, while Logan added 2 hits of her own. Amy made the scoreboard dance with 3 RBIs while Olivia tallied 2 RBIs on the night.

JV Girls Softball Improve to 4-3

Reagan Comer drilled a 2 out 2 RBI single in the top of the 7th to put the finishing touches on a 12-4 victory over Arkport-Canaseraga for the JV Softball team May 2. Kayla Snyder struck out 7 batters and had a base-clearing triple in the 4th to help her own cause. Isabel Badeau added 2 hits while Jessica, Alyssa, Paris, and Aleah all had hits. It was a great defensive effort by Coach Steve Donlon's Lady Eagles who improved to 4-3 on the season.

The Modified Lady Eagles had a thrilling victory over Canisteo-Greenwood on April 30. A-A started out strong with 3 quick outs defensively and 5 quick runs offensively. Lady Eagles Ali Hurd, Taylor Flaitz, Kaiden Margeson, Alexis Rao, Aurora Middaugh and Clarissa Flint all had hits. Olivia Flaitz also added a double, Ali Hurd had a triple and Taylor Flaitz added both a double and a triple. Their defense was strong, only allowing 10 runs over the course of the game. Final score 21-10.

Boys Varsity Track and Field

Coach Greg Cook's Boys Varsity Track and Field team competed in the Hornell Invitational this past May 3. The team came away with runner-up finishes by Ethan Hann in the 3000 steeplechase and Davon Bloom in the Triple jump. The team of Ethan, Logan, Ben and Aquila finished fourth in the 3200 relay. The team ended the regular meet season May 7 when they traveled to Jasper-Troupsburg.

Girls Track and Field

Coach Kert Decker's Girls Track team traveled to Canisteo-Greenwood with less than full strength to take on the defending league and Class CC Section V Champs. The team ended up defeating Campbell-Savona 89-23, but losing to the hosts 102-34. Winning events on the day were Andrea McMahon in the 100 hurdles, Maeve Looney in the 400, Hanna Tormey in the 3000, and Lauren Kelly in the Triple Jump. The team is now 3-2-1 on the season and competed in Hornell May 3 at a large, 22-school invitational.

(Photo) THE TERRA COTTA building in Alfred was recently sold by Alfred University to the Alfred Historical Society. The Society plans to bear the expense of moving the building into the proposed College of Ceramics art complex. Terra Cotta was built in 1892 by the Celadon Terra Cotta Co. of Alfred. It represented all the tile and terra cotta produced by the company. The building now stands as the only remains of a major Alfred industry. This industry was cited as a major reason for locating what is now the SUNY College of Ceramics at Alfred. The building will be used as a teaching museum in the College of Ceramics.

The Alfred Village Board authorized the issuance of an additional \$190,000 in serial bonds Monday evening to finance the proposed sewage treatment plant expansion. This additional bond issue is the result of state-mandated changes in the village's original plans made in 1967, when the trustees authorized a bond issue of \$321,000 for the expansion of the plant...

(Photo) Mr. and Mrs. Stanley Butts receive the first Lions Club Award for Community Service from Lion President Gene Van Horn, at the dinner given in their honor April 24.

Mr. and Mrs. Stanley Butts were the recipients of the first Alfred Lions Club Award for Outstanding Community Service, which was presented at the regular meeting of the club April 24. Mr. and Mrs. Butts were guests of the club. In presenting the citation, Lion Bill Walker, chairman of the community betterment committee, commented: "For many years the Butts have answered the fire phones, which also means the ambulance calls. They must immediately contact a crew of two men to man the ambulance—not always an easy task in our busy village. Stan sounds the siren at noon daily, to make sure it is functioning properly. Maintenance of Firemen's Hall and the equipment has been one of his voluntary duties, including repairs to furnaces, replacing windows, putting on and taking off tire chains, etc. Mrs. Butts had voluntarily taken care of the ambulance linen for years—a chore not always pleasant. Stan and Lydia put on the annual Firemen's Clambake for a number of years. Stan has spent many hours in first aid and advanced first aid class training for ambulance work, not to mention the hours of firemen's meetings and practices. Active in the Seventh Day Baptist Church, Stan has performed many acts of maintenance service for the church; has taught church school classes and acted as advisor to the young people's group. He is known as a great story teller for children's programs, and an incomparable chef for youth campouts and collegiate camping weekends. He has served as trustee and in other offices of the church..."

25 Years Ago, May 12, 1994

The village's waste water treatment plant, Hot Dog Day and the proposed property tax maintenance law were the topics of discussion at the Alfred Village Board's May 3 meeting. On April 15, a sticky chalk colored material was discovered in the waste water treatment plant. A chemical analysis revealed that the substance was some type of grease solvent. Village officials were baffled as to the source of the contamination. Since detected, the mysterious compound has caused the plant to be unable to complete the final processing of waste...

Tinkertown—Nearly 25 area residents were on hand for the dedication and "first run" of "Infinitus" and some still didn't know what it was all about. Nevertheless, Stanlee Hardware owner Bob Volk offered the following dedicatory statement: "Friends, Romans and Tinkerpeople, bend me your earlobes. I have come to praise tinkers, not to bury them. The tinkerjobs that men do live after them. Their perfect jobs are oft interred with their bones. So let it be with 'Infinitus.' Four score and seven score years ago our fathers, and mothers, brought forth on this stretch of dirt road a new community, conceived in liberty and dedicated to the proposition that all men are created tinkers. Now we are engaged in a great snivel bore, testing whether this community, or any community so decided and so freficated, can ong stay pure. We're all wet at a great location in that community. We have come to alive-icate the front window of that location as a final resting place for the product of fertile minds that gave their all that we might laugh... Wannabe Tinkertown Mayor Jim Palmer was given the honor of conducting the ribbon cutting, rope cutting, and chain cutting, while Alfred Town Supervisor Brent Reynolds ordered the unveiling of Infinitus. The crowd was amazed as the contraption eased through its procedures without any difficulties on its first run. A vacuum pump activated by the opening of the front door sucked a ping pong ball from a bucket, through a transparent maze, through a series of pipes, then shuts off the vacuum and releases another ping pong ball that in turn takes a gravity run through clear tubes and coming to rest in the originating bucket. Reynolds, in his remarks, noted that Infinitus "is not a strange mucous disease, not a fungus that grows between your toes nor what you experience when the Buffalo Bills go to a fifth straight Super Bowl... Reynolds acknowledged the genius that birthed the idea, Bob Volk, and the Infinitus engineers who conceived and brought forth Infinitus, Paul Landis and Lincoln Young..."

What's in a name? (By Matt Mueller) What's in a name? Area residents driving past a couple of familiar buildings in Alfred Station recently may have noticed signs on them lacking something old and including something new. Gone is the word, "Vesuvius," the name of the 1995 purchaser of Hi-Tech Ceramics. December 23, 2008, was the closing date for the sale that changed the name of the local manufacturer of foundry industry filter systems to Sud-Chemie Hi-Tech Ceramics Inc... Sud-Chemie, based in Munich, Germany, explained its acquisition of Hi-Tech in a January 1, 2009, press release: With the expansion of its product portfolio Sud-Chemie, a global specialty chemicals company for absorbents and catalysts, strengthens its leading market position for foundry chemicals."

THE GLORY OF AMERICA

Thursday, May 9

William Bradford, the spiritual father of the Plymouth colony, whom the Pilgrims re-elected governor year after year, died on this day in 1657. He was also their chronicler, often recording their reliance on God in the midst of many tragedies:

“But these things did not dismay them (though they did sometimes trouble them) for their desires were set on the ways of God, and to enjoy His ordinances; but they rested on His Providence and knew whom they had believed.”

ALLEGANY COUNTY CHURCHES

Dozens turn out in county for National Day of Prayer events

ALLEGANY COUNTY--Dozens of residents turned out at multiple Allegany County community churches on Thursday, May 2 for a unified focus on praying for America and loving one another during National Day of Prayer observances.

A dozen and a half churches held community prayer gatherings in one-hour segments from 6 a.m. to 8 p.m., including one prayer breakfast and two all-day openings of participating churches.

The most sessions were in Wellsville, including Full Gospel, Trinity Lutheran, Yorks Corners, First United Methodist, Presbyterian, Riverside Assembly of God, Wellsville Bible, Shepherd of the Valley, Brookside Wesleyan, and Crosstown Alliance churches.

Double locations were in Almond at Almond Union of Churches, where the morning started with a breakfast attended by residents and several pastors from Eastern Allegany County churches, and Alfred-Almond Bible Church, and in Scio at Knight Creek and Genesis Bible churches.

Other prayer locations included Hallsport Christian Church, United Methodist Churches in Rushford and Belfast, and the Seventh Day Baptist Church in Alfred Station.

The National Day of Prayer was created in 1952 by a joint resolution of the United States Congress and signed into law by President Harry S Truman. A privately funded task force encourages nation-wide participation in the event, communicating the need for personal repentance and prayer and mobilizing the Christian community to intercede for America's leaders and its families. The Task Force represents a Judeo-Christian expression of the national observance, based on an understanding that the United States was birthed in prayer and in reverence for the God of the Bible.

President Donald and First Lady Melania Trump took part in a National Day of Prayer service at the White House Thursday morning, after holding a National Day of Prayer dinner Wednesday night.

The theme, adopted from the verse "Love one another, just as I have loved you" from John 13:34 of the Bible, is reflected in seven centers of influence in America, including government, military, media arts, business, education, church and family.

In addition to prayers for loving one another in general, focused prayers included churches, families, workplaces, communities and cities, and all ethnicities and people to love one another.

other. In addition, prayer was for Christians to "love God and each other so much that we will agree clearly, unite visibly, and pray extraordinarily for the next great spiritual awakening in America."

Church leaders and interested congregants in Allegany County and Upper Potter County, Pa., also gathered Wednesday, May 8, at Penn-York Camp at Ulysses to pray for community transformation and revival throughout the headwaters of the Genesee Valley.

These efforts, along with others, are coordinated by Mission Genesee Valley, a coalition of churches, other Christian organizations and individuals seeking transformation and revival.

The group hosts regular Friday night rotating location prayer gatherings for host locations, their communities, the county and other individual and broader concerns, with May gatherings from 7 p.m. to 8 p.m. May 3 at the Hope Center, 4194 Bolivar Road - Suite 5, Wellsville; May 10 at Genesis Bible Church, 4193 State Route 19-South, Belmont (Scio); May 17 at Andover Alliance Church, 5 Rochambeau Avenue; and May 24 at Almond Union of Churches, 11 Main Street, Almond.

Twice-a-month 6 to 8 p.m. Sunday night praise, worship and prayer gathering, will be held only once on a different night in May due to Mother's Day and Memorial Day weekend. Yorks Corners Mennonite Church, 3350 County Road 29, Wellsville, will host the session on Sunday, May 19, part of an ongoing focus on combating issues of addiction, abuse, racism, suicide, poverty, family dysfunction and more that pastors say are extremely serious issues throughout this area, the United States and the world.

County community prayer gatherings during the week include 6:30 a.m. to 7:30 a.m. sessions every weekday at Knights Creek Church, 2987 Knights Creek Road (County Road 9), Scio; 8 a.m. to 9 a.m. Wednesdays at Belfast Free Methodist Church, 11 Chestnut Street; and 10:30 to 11:30 a.m. Saturdays at the Powerhouse Youth Center, 23 West Main Street, Fillmore.

Further information on these gatherings is available at www.facebook.com/TransformationJourneyUSA or Pastor Dan Kenyon, coalition chair, at wbc@ne.twcbc.com or (585) 593-6471. Registration for the May 8 activity is available from Pastor Gene Miller at gene@yorkscorners.org or (585) 593-3287.

Baker's Bridge group to visit Richburg May 17

ALFRED STATION—The Baker's Bridge Historical Association's Annual May Field Trip on Friday, May 17. Des-

tinuation is the Richburg-Wirt Museum located at 243 Main Street in Richburg, Town of Wirt, Allegany County.

Those planning to participate are invited to meet at the Alfred Station S.D.B. Church parking lot at 9 a.m. to car-pool, or arrive at the museum at 10 a.m. to begin the group tour. The Richburg Historical Society will provide lunch at the museum.

Those in attendance at the April 15 meeting of Baker's Bridge learned of connections between the Alfred area and Richburg, particularly its Seventh Day Baptist heritage. The museum is located in the former Richburg S.D.B. Church that closed its doors in 2000 and merged with the nearby Little Genesee S.D.B. Church.

Melanie Johnston, guest speaker at that April 15 meeting, told of Edwin Bliss who was born and reared in the Town of Genesee, Allegany County, settled in Richburg after the Civil War, then moved in 1882 to Alfred with multiple business interests. Among business ventures was organizing University Bank, manufacturing the Triumph washing machine in Tinkertown, where he also operated a printing press and sawmill.

The May 17 Field Trip will prove most interesting to area residents interested in Allegany County history.

Five scouts were recognized for being in Scouting for five years Tiger, Wolf, Bear, Webelos and Arrow of Light. Micah McClain, Lucas Stearns, Sam Bensley,

Matt Goho and Ryan Washburn are pictured with Den Leader Todd Goho.

ALFRED UNIVERSITY SPORTS ROUND-UP

AU sophomore named AQHA Reserve Nat'l Champion

Sophomore Kristie Wagner (Pittfield, PA/Youngsville) was named the 2018-19 AQHA Advanced Western Horsemanship Reserve National Champion on Saturday at the IHSA/AQHA National Championships hosted at the New York State Fairgrounds Expo Center.

Wagner, who qualified for the National Championship event after winning the Indi-

vidual Advanced Horsemanship event at the National Semifinals at the University Findlay, continued her impressive season, finishing as the Reserve National Champion in the event. She is the first AU rider to earn the honor since teammate Haley Ruffner (Allegheny/Allegheny-Limestone) finished as the Reserve National Champion in the event in 2017 as a sophomore.

Ruffner finished her stellar career at AU with a 14th-place performance in the High Point Western Rider competition. She had a mark of 9.00 in Phase I and a mark of 18.00 in Phase II for a total of 27.00 points finishing 14th of 24 against the best riders among Division I, II and III team across the nation.

Softball 2nd in E8

The AU softball team forced

a game five after beating #2 seeded St. John Fisher College on Sunday morning but fell in the nightcap, finishing second in the Empire 8 Championship Tournament hosted by Stevens Institute of Technology.

The Saxons (23-20, 9-5 Empire 8) first topped Fisher, 13-8 on the cold, rainy and windy city morning behind a six-run first inning, two runs in both the fourth and fifth innings and an insurance three-run sixth inning. It was a rough third and seventh innings in the championship finale that propelled Fisher to the title and the automatic bid into the NCAA Tournament.

"If you would have asked me on Friday if I thought we could play five games and score 17 runs on Championship Sunday, I may have said you were a little crazy. AUSB had grit and resiliency this weekend after a slow start on Friday," Head Coach Luke Wesneski said. "Coaching this team was a blast this weekend and all year. I am super proud of all of them and the seniors are going out with a bang as we will all miss them. I want to give a big shout out to Kelley [Staub] for hitting her first college bomb. I can't say enough about our lineup from top to bottom and we are excited about what the future holds."

The #3 seed Saxons opened the tournament with a 3-0 loss to St. John Fisher.

From the losers bracket, AU took 10 innings to eliminate #4 seed Nazareth, 3-0. Next up was a game with host and #1 seed Stevens and the Saxons went 11 innings to defeat the Ducks, 4-3.

AU then handed St. John Fisher its first loss of the tournament, 13-8, before falling in

the finale to the Cardinals, 11-4.

Track & Field

The women's track & field team finished sixth in the Empire 8 Outdoor Track & Field Championships on Saturday at Houghton College.

Danielle Perry (Leicester/York Central) on the podium in the triple jump as she also earned All-Empire 8 Second Team with her second place hop-skip-jump of 10.81m. She was the top finisher for the Saxons on the weekend for both the women and men's teams.

Megan Alper (Belmont, MA) was close to earning her own All-Conference recognition as she finished third in the 200-meter dash with a time of 26.23 as she was 0.15 away from second place and 0.23 seconds away from hitting the All-Atlantic Regional Track & Field Conference qualifying mark of 26.00.

Madison Palmer (East Aurora) finished fourth in the shot put with a toss of 11.75m which is an AARTFC mark. She rounded out the top individual finishers for the Saxons on Saturday.

The 4x100-meter relay team of Alper, Sierra Wilson (Youngstown/Lewiston-Porter), Gabby Griffin (Sterling/Hannibal) and Perry finished in 53.51 for fifth.

The men's team finished fifth in the Empire 8 Outdoor Track & Field Championships on Saturday at Houghton.

The top finish for the Saxons was the 4x100-meter relay team of Jackson Trimboli (Arkport), Rashid Abuelmaali (Latham/Shaker), Papa Dioum (Harlem) and Alex Spicer (Corning-Painted Post) in 44.86 for fifth place.

HITS AND MISSES:

The Kentucky Derby ... the "Run For the Roses" ... a sloppy mess! While I don't pretend to be a horse racing expert by any means, well except once per year at the 'Derby when I bet, the final results of Saturday's big race are still confusing here. After seeing numerous replays, "winning horse" Maximum Security (#7) did indeed wander down-the-stretch in front of War of Will. I bring this up because nothing seemed to have been said about the finish or blocking of that horse! Country House was declared the winner after a wait worthy of the phantom double play at second base in MLB. Maximum Security is DQ'd and War of Will is blocked out. A crazy finish on a track that could've served quite well for a mud volleyball game on Hot Dog Day in Alfred!

My "expert" predictions for the race in this space last week were: Tacitus - Omaha Beach - Code Of Honor. Tacitus finished third, the favored Beach was scratched early on and Honor was second. So, 1-2-3 finished up 3-x-2. Not bad!

It was quite the weekend for SJ Fisher athletics as the men's and women's lax teams won E8 titles and the softball team was victorious as well as they stopped Alfred University in the conference championships. Each lacrosse squad beat Stevens to grab automatic NCAA berths. The Saxons were no-hit by SJF in their opener, then beat Nazareth in extra innings, Stevens in extra innings, Fisher in the first championship tilt of the double-elimination tourney and then lost the finals, 11-4. Nice comeback by AU (23-20) after their opening loss. Games were at Stevens so tough weekend for the Ducks all around.

The Alfred State softball team lost to Thomas More in the ACAA championships, as some games were played at Alfred University. The Pioneers lost their opener to Finlandia, beat Delhi, beat Finlandia and then fell to TM, 10-2 in five innings. Thomas More won the women's ACAA title in hoops at Alfred this year as well and then won the NCAA championship.

RIT beat Union to win the Liberty League men's lax title and Cortland topped Geneseo to grab the SUNYAC crown. The winners will be in the NCAA's along with Union, Fisher and Morrisville. My "Final Four" here would be: Tufts - Salisbury - RIT - York with Salisbury the winner against Tufts.

In the D3 women's lax bracket, those in include: William Smith, Ithaca, Morrisville, Brockport and Fisher. The winner

THE DUGOUT CONTINUED...

... Middlebury over Salisbury.

In the D1 men's lacrosse bracket, Joe Alberici (AU) and his Army West Point Black Knights are in as they won the Patriot League. Alberici a D3 All-American with the Saxons, a Hall of Famer and perhaps the best laxer ever in Alfred togs? He has been at West Point for 14-years after serving as an assistant at Duke. They will play UPenn first. Syracuse made the field and will play Loyola (MD) in their opener. Predicted winner ... Virginia.

Tim Mead and his Walsh baseball program was at (27-22) as of Sunday past after dropping 3/4 to Tiffin. The Cavs are in Mason, Ohio this week at Prasco Park for the G-MAC league tournament.

Tim Mead ... not of Andover, has been named the new President of the Baseball Hall of Fame and Museum in Cooperstown! The "other" Mead has been in the front office for the LA Angels of Anaheim for a number of years, 40+.

Skip Sherman (A-A) and his Genesee CC baseball team is at (26-15) with potential games still on tap against: Jamestown CC, Erie CC and Niagara County CC before the Region III Sub-Regionals. Wonder if JCC still plays in the stadium where the Jamestown Expos used to play? Gids and I met Brian S.Granger there once when the ex-Top Shop softball player worked for the organization. Met Joe Pepitone there ... (if remembering all correctly. And that could be a big if!

A-A graduates Jake Taft, Mr. Timmer, Brownie and perhaps a rare public appearance by Our Man Frank is on tap for this weekend at the 'Trop to see a Yanks- Rays game.

Bob Brown, his wife Ellen and son Michael were at a Braves - Marlins game last week, dining on some "superb" food from Obie's prior to the contest.

Derck Frechette recently ran in The Villages Running of the Squares 5K at Spanish Springs and took fourth-place in his age group (70-74) with a time of 26:15. Robert Tebo of Tupper Lake stopped by from the ADK's to win that age group.

Dave Gaisser (A-A) recently ran in the Hammock Race Series in Florida and posted a 10K time of 48:18, his personal best.

Big D, formerly of the Torrey Painting Striders, also took in some PBA50 bowling action at the Spanish Springs Lanes as Walter Ray Williams, Jr. won for the second straight week and this one was a major. Norm Duke was third in this field of scattered Hall of Famers. Met Duke once, about 3-years ago, on the sweet Mount Dora CC course and we "let" his group play thru!

The Hornell Invitational track & field meet was this past weekend and remember going there as a kid with Big Dale to watch this event. The Alfred-Almond boys were T12 and the girls 12th. Wish I could remember the name of the athlete from Bolivar who was dominate in this meet the one year we went. Richmond or Rettemund, something along those lines. "Sure" Cody will fill me in on it.

The Florence Freedom

of the Frontier Baseball League released OF Jimmy Heck last week ... much to the chagrin of "Fish" from nearby Taylor Mill, KY.

The New England Revolution of MLS named Kevin Hitchcock an assistant soccer coach. No relation to Johnny W. Nuttall.

Greg Paulus (Duke) is now an assistant basketball coach on the staff at Niagara University under new HC, Patrick Beilein. Paulus was most recently on staff at George Washington where Austin Kelley (Genesee Valley) is Director of Basketball Operations and Recruiting Coordinator. "Expect" to see more hires at Niagara, maybe former Purple Eagles walk-on and Bishop Kearney great Dave Houle or Bill "Dish" Bowe, formerly of Alfred State and Cortland as a player, coached at SUNY Brockport.

Backing up to a paragraph from last week, the mother of Lisa Rusinko's went to school with #17, John Havlicek, an all-time Boston Celtic great. Not sure where the school was but Our Man Frank supplied that info.

The annual Allegany County AOH Irish Bowling event will be held in Andover on June 8th according to Di-

rector of Operations, Brian Cannon.

Had dinner with John Baker at the Pub 235 in Webster on (4/26) as Cheesy Eddie's in Rochester is about ready to have their Grand Opening of site #2, in Henrietta, on May 23rd. Excellent meal and many thanks to Bakes!

Golfed on Monday past with Cutter at Woodlyn Hills in Nunda. Beautiful day on a soggy layout as Cutter thrashed me, 95-105. Walt Cook and Bob Baker on "injured reserve" and unable to join us this day, unfortunately.

No big sports plans on tap this weekend. Might head over to RIT to watch some NCAA lax action on Saturday ... if it ever warms up. Later this month am headed to Livingston Manor near Roscoe and (almost) to Connecticut to see Lauren-Jason-Quinn, then to the Senior PGA Championship the next weekend at Oak Hill in Rochester and then off to see the Dodgers play in Pittsburgh after that. Had invited Larry Caruso of Frito Lay to go to PNC Park with me, but he "doesn't like going to places he's never been to before!"

A Happy Mother's Day weekend !!
