The tables were most brilliantly decorated with the class colors of orange and green, while palms and chrysanthemums were artistically arranged about the dining halls.

MANSFIELD CHEER MEETING

Another mass meeting more than justified. Thursday night in Kenyon Memorial was the meeting; Friday was its justification. In the absence of cheer leader Wingate, Randolph led the cheers and there was no lack of noise to register accurately the fate of Mansfield. Down town, the Mansfield team gathered together in groups must have felt, too, the determination that lay behind the outbursts that swept down the hill. It was no longer the novelty that prompted the spirit; that had had time to wear off. It was the steady pressure of a determination to succeed, and to bend every talent toward that end. We won.

ALFRED OUTCLASSES MANSFIELD IN 40-7 ARGUMENT

VARSITY HAD EVERYTHING--COMPLETELY DEMORALIZED THE NORMAL TEAM--SPECTACULAR PLAYS ABOUND

"We have met the enemy, and they are ours—six touchdowns and four goals." This is the message that greeted strangers who encountered the crowd returning from the Varsity's latest victory — over Mansfield State Normal on the Alfred field, last Friday afternoon. The score was 40 to 7, but one might have thought it was only 8 to 7 by the enthusiasm which the students showed. The rejoicing was of that grim variety that exhibits itself only by gritted teeth, sparkling eyes and a general air of satisfaction.

The result of the game was a soothing balm, a panacea powder that healed the old open sore of thirty-four stitches acquired on Mansfield's gridiron last year. The scar is still present but all pain has left the injured portions and the patient rests in peace.

Again the Alfred team showed itself to be above the average small college eleven in endurance and knowledge of football. She rushed the Mansfield men from the blow of the first whistle and she continued to rush them throughout the game. A study of the score by periods, given at the end of this article, best explains the true spirit of the game. Alfred scored 7 points in the first quarter, in the second she tallied 13 more. In the third the Normal boys came back with a rush and not only held the purple and gold scoreless but swept by her for one touchdown and nearly for a second. This onslaught, so bravely executed, left the men from Pennsylvania weak and pas-

sive and during the last session the Varsity crossed the red and black goal line for 20 additional marks.

The first score came from straight football, Kirke being the man who accompanied the ball across the line. The initial quarter left Alfred in possession of the ball on Mansfield's 16 yard line. In the beginning of the second period Maure was pulled back into the right half position and in four consecutive plays crossed the chalk for six more points. Again Alfred approached the red and black goal, "Mac" tried a place kick but the ball wobbled, Mansfield was downed with it on her 6 yard line. Wilcox punted but little Conderman was too fast for him, the pigskin went only as far as his arms and Buck fell on it as it jumped wildly about behind the goal line.

Mansfield took a brace in the third quarter and outplaying the Varsity, ran the ball to within a yard of Alfred's goal line only to lose it when Rockwell fumbled and an Alfred man turned a possible touchdown into a touchback. The Normal men were in earnest, however, and after recovering the ball in mid-field, Baxter completed a 25 yard forward pass and a few plays later, Sweeley, after a 20 yard end run, lodged the yellow ball where it counted 6 points. Wilcox kicked the goal and the possibility of putting a coat of whitewash on the Mansfield team disappeared like a cigarette when the Coach happens around.

FIAT FAIR DECEMBER 13TH AND 14TH

Big Preparations Underway—Hope to Clear Paper of Debt

December 13th and 14th are the dates set for the placing of the Fiat upon a sound financial basis. These are the days that have been settled upon definitely for holding the annual Fiat Lux fair.

The committees have been chosen and active work has already been started as it is realized that a great deal of work must be done to accomplish the task of clearing the Fiat debt, which the Fiat board has undertaken. There will be the same old stand-by booths such as the candy, fancy work, grab bag, and ice cream while novelties have been added in the way of a tea room, police court and many other things that will furnish a new surprise every minute.

In the way of entertainment there will be the Footlight Club tryout play one evening while the other evening the Ag school will present a farce, the Glee Club will make its initial appearance and another number as yet undeveloped, will comprise an unusually attractive program.

The chairmen of the committees are as follows: fancy work, Marion Elliott; candy, Leighton Boyes; entertainment, Harold Nash and Cyrus Bloodgood; ice cream, Stanton Davis; fish pond, Elliott Wight; program, Edward Saunders; advertising, Ernest Perkins.

FOOTLIGHT CLUB PLAY

All College students who desire to enter the contest for a place on the caste of the "Try Out" play, are requested to hand their names to the committee immediately, as the play has been chosen and work must commence at once.

The committee are Robert Greene, Harold Clausen, Harold Nash.

—Leland Dennis '17, spent the week-end at his home near Canisteo.

—Elliott Wight '16, spent Wednesday afternoon with his friend, Tom Barry '15, at Almond.

—Miss Lillian Hodge of Horseheads returned to her home last Monday evening after spending Sunday and Monday with her friend, Miss VanDuzer, Ag '18.

—The Ag Frosh caps are "some" caps as we have mentioned elsewhere in this issue and we are glad to see them take to the new custom with so little commotion.

—The Ag freshmen certainly extended themselves when they planned their recent banquet. It has been said that the affair was superior in every way to any former class doings ever held by an Ag freshman class. The committee deserve full credit for their careful work in planning the evening's entertainment.

N. Y. S. A. CHAPEL TALKS

The chapel talk last Tuesday morning was given by Prof. Pontius. His well written paper on "The Student's Relation to the School" was listened to with interest by those present. Among the numerous points brought out in the talk were the reasons why a student comes to school, and what the school offers in return in the way of courses, athletics, etc.

Prof. Pontius laid particular stress on the friends that the student makes as an important part of the student's life, both in school and in later years.

— Thursday morning Miss Julia Wood read from "Review of Reviews" a portion of an article regarding the publication of activities in the present conflict of great nations. To explain the worthlessness of some reports and the inaccuracy of others was her chief object.

N. Y. S. A. JUNIOR SOCIAL

On Wednesday evening the class of 1917 N. Y. S. A. held their first "get-together." Through the kindness of Prof. Thomas the Grange Hall was procured. Games were played the first part of the evening after which everyone went to the dining room where a light luncheon was served. Toasts were responded to in behalf of officers of the class by Mr. Eaton. Prof. Pontius was then called on and this ended the speeches. Everyone again turned to the hall proper where a little of the Terpsichorean art held sway ably expedited by the melodious tunes of the victrola.

At the close of the evening's entertainment the Alma Mater was sung and each repaired to his respective abode satisfied that the Ag Juniors were by no means asleep in the line of entertaining.

Prof. Pontius and Miss Barkhouse were the chaperones.

COUNTRY LIFE CLUB

The weekly meeting of the Country Life Club held in Agricultural Hall Nov. 11th, consisted of one of the most interesting programs held so far this year. Because of the mass meeting held previous to the Mansfield game, the program did not start until 8:15. The following program was rendered:

Paper on Poultry	Ethel Barnhart
Gleanings	Laurence Burgott
Read by Kenneth Trescott	
Recitation	Fabian Fisher
Vocal Solo	Marjorie Blanchard

The paper on poultry by Miss Barnhart was especially interesting as it was an account of an amateur who began the poultry business intending to make \$1,000 a year from 30 hens.

The Gleanings were excellent, having many items that would be of interest to farmers throughout the country. One article gave some idea of the development of the farm tractor.

The recitation by Mr. Fisher and the solo by Miss Blanchard gave evidence of plenty of train-

"WE HAVE ARRIVED"

Ag Frosh Make Their Debut— Their Salutation

"We have arrived and we shall stay, till the jolly time is at an end." Who are We? Why we are the new freshmen caps who arrived at Bassett's store last Thursday. Did we stay there long? Well, not all of us anyway for within five hours after our debut into Alfred society at least forty of us were adorning those ivory vacuums commonly known as the Freshman Domes.

Some of the Ags feel real proud of us and why shouldn't they? Who would not be proud and yes even feel honored to have that complex conglomeration of wood, ivory and bristles, decorated beyond recognition by a most exquisite example of the hatter's art. We really are quite stunning don't you know, oh yes; quite strikingly noticeable, for

with our bright yellow cow-catchers, our green bodies and little yellow whistles, we railroad our way into the very soul of the college and townspeople whose hearts fairly break with sympathy and bemoan the fact that such beautiful creations as we should be compelled to ride atop such nutty pates. Yea, verily, for a whole year excepting holidays and Sundays must we protrude our yellow noses into every nook and corner of the University campus.

But our's is not such a hard lot after all. The Children of the Soil and Kitchen as a whole, received us with welcome arms and very few of them shed many salty tears over the prospect of being branded for one whole year as to their real standing in Alfred's "social 400." It can be said to the credit of the class as a whole, that they have taken their medicine like true men and women and that they can look forward in expectation to next fall when as stalwart Juniors they will be the ones whose hearts will be rent with sympathy for that new and tender class, the Ag Freshmen.

FOOTBALL SCHEDULE IN COMPLETE

St Bonaventure Cancelled—No Team Secured As Yet

Owing to the fact that St. Bonaventure cancelled at the eleventh hour, we are without a game for this week. Mgr. Whitford has approached several schools in view of a game but has been unable to schedule one, to date. Thiel and Hobart were the likely ones, but both refused with "thanks." Efforts are being made to provide a contest which will present a good exhibition of football, and be thoroughly in keeping with the present athletic policy.

Mgr. Burdick is negotiating for a game for the Varsity Reserves with Corning North Side High School. It is highly probable that this game will be staged before Thursday. Corning has a fast team this year and should keep the "Reserves" busy every minute.

MORE SWEATERS

The number of sweaters donated, to date, is nine. Burdick Hall has pledged two, the Brick girls one, C. S. Hurlburt one, and F. L. Titsworth '08, of Plainfield, N. J., one. Let the good work go on. If enough are not donated soon we may have to go begging.

The last vestige of doubt has been removed. Alfred can have a winning team when she is willing to work for one. Even before the season's end we have proved what a good coach, an enthusiastic student body, and a fighting team can do for a college. It has swept us all off the dead level of residence in a place into a proud appreciation of it and the spirit for which it stands.

It is the coach who has made a team; it is the team which has made us victorious; and what have we done? We have built big fires, and painted huge signs, and we have marched to the thrilling music of a band. Yes, we have done these things, they are worthy of praise, but why did we do them? Was it not the team, who, by their magnificent conduct, forced us to? They furnished an inspiration to which we simply reached. Then, have we, the student body done nothing of our own volition to claim our share of the reward. We have cheered on the football field; we have urged the men to success. It is to our credit that we did cheer, but with what did we cheer. We can scarcely be held responsible at present for the answer; we shall

be, however, unless it is changed soon. Aside from the Ray, Ray yell and the Aggie cry, our only medium of expression was through the form of hashed over prep school yells, that are older than many of us can remember. We ought to retain them until something better comes to light, but then, such ancient borrowings as the sky rocket and rickety axe, and who are, who are, who are we, should be buried abruptly and in strictest silence.

Who are we indeed, that we should be compelled to purloin the productions of prep schools or even other colleges? Who are we that we should be compelled to take the taunts of outsiders to "change the record," knowing in our hearts that the criticism is keenly just. Is our duty clear; do we feel the obligation which reaches to every one of us in the student body? We have brains, let us use them. We are Alfred University; therefore, in everything let us be distinctly Alfred University. We need bow to no one either in athletic skill, or in the other things which make up our ideal of character. We are a peculiar people; and we want to be. We want to develop a culture and an individuality which shall proclaim an Alfred man from Portland to San Francisco.

Then let us make our own yells. Let every member of the University send two or three University yells to the editor of the Fiat, in order that they may be submitted in a comparative way to the school. This is not simply a request; it is a demand which the college makes upon you. Are you loyal enough to answer it? Be sure to send in something.

What are the opinions of the students and alumni about college affairs? Every Alfred man or woman wants to see his or her college pursue the best policy; the one that will enable them to be the proudest of their Alma Mater. The Fiat unlike most other student publications, does not receive any reflection of such opinions except in an indirect way. It is for communications upon university affairs that the Fiat now asks. It seems needless to state what spirit should dominate such communications for only those of

a constructive character would be appreciated. A special column will be devoted to such letters and it is our most earnest hope that this invitation will be heartily responded to. Let yourself be a factor in determining Alfred's policy in her various activities.

Letters do not necessarily have to be signed with the writer's name, although the value of any opinion is, of course, greatly enhanced by such information. In case anyone does not wish his name published we would be glad to accommodate him in that respect. In respect to letters, the originality of which the Fiat is not acquainted with, we do, however, retain the privilege of rejecting any such letters as we may deem advisable.

It would seem that in our last issue the part played by the faculty ruling as affecting the cancellation of the Buffalo game was overemphasized. We were told by the management that it was cancelled because of too many games so that our assumption was that the faculty ruling was the thing that stood in the way. It has been called to our attention that while this entered into the question there were also other reasons equally as decisive, the most important of which was that there were too many games within a limited time (this was before St. Bonaventure cancelled) to allow the management to feel justified in playing them all under the present financial condition of the Athletic Association. The faculty has been very active in their support of football this year and we are glad to correct what was an injustice to them.

PRESIDENT'S RECEPTION TO CLASS OF 1919

Invitations were sent out during the past week for President and Mrs. Davis' reception to the Freshman class which will take place Thursday of this week. This reception to the "baby" class is an annual affair and as such is one of the most enjoyable events during the college year. Every year, that freshman class has the "best time ever" and it is certain that this year's entertainment will follow the usual course in that respect.

WILL SWEETLAND RETURN ANOTHER YEAR?

Mgr. Whitford Thinks So—Salary Increase Necessary, However

Will Coach Sweetland return another year is the biggest question now that the football season is nearly at a close. That he has accomplished wonders this year is only a mild form of stating it, but it suffices to infer that he has accomplished what many had claimed was impossible. From the first it was realized that Sweetland was a far better coach than small colleges could ordinarily hope to secure and that it was due to a combination of circumstances that Alfred was so favored with the lucky horseshoe as to obtain his services.

As it was he appeared on the scene and has in one short year made athletic history for Alfred. There remains, however, a big task ahead. The work so ably done this year needs the continuance of the same coach at the helm another year or else what may perhaps mean a dropping back to the old way.

Graduate Manager Whitford, when seen in regard to the coach's return said, "I think you can say that the coach will return. However, we cannot hope to retain him without a substantial increase in salary. There was a combination of circumstances that enabled us to secure Sweetland this year which won't be operative for next year. So while it evolves itself much into a question of paying considerably more money I think that some method will be found to solve this problem and that Sweetland will return next year to complete the work he has started."

Every Alfred person is acquainted with this situation but they agree with Mgr. Whitford that in some way or other sufficient money will be raised so that insofar as this matter has any bearing upon Sweetland's return it will be satisfactorily met. At any rate, there is at present only one choice for next year's coach and that one is E. R. Sweetland, Cornell 1899.

DR. THOMAS PEACE PRIZE CONTEST

Announcement Made of Fifth Contest — Preliminaries January 13th

The first announcement of the fifth annual "Dr. Thomas World Peace Prize Contest" was made at Assembly last Wednesday, when all Sophomores and Juniors who are interested in this contest were requested to hand their names to Prof. Porter at once. The first draft of orations must be in the hands of the committee before the Christmas holidays. The preliminary contest will be held January 13, and the finals will take place as soon thereafter as possible.

The "Dr. Thomas Contest" was founded in 1912, by Mrs. Vandelia Varnum Thomas, an alumna of Alfred University, in honor of her late husband. The first prize is \$50, the second \$25 in gold. First prize last year was awarded to Erling Ayars '17; second prize to Edna Jackson '17; while honorable mention was voted William Stevens '17.

The man winning highest place is eligible to participate in the State Intercollegiate contest which will be held at Syracuse some time in the spring. Last year Mr. Ayars represented Alfred at the State contest.

It is hoped that a large number will enter the contest, as a great deal can be gained from a study of the subject of "World Peace," even if all are not able to win the prize money.

ALFRED VS. MANSFIELD

Continued from page one

During the last quarter the Mansfield team was a beaten bunch. Kirke secured another touchdown. Decker fell on the ball which Rockwell fumbled on the next kickoff and Maure soon carried it over again from the twenty yard line. Buck was the next and last man to tear up the sacred sod behind the red and black goal line. This was made possible by a 20 yard pass from Cottrell to Buck, and a 3 yard plunge.

The field was quite soggy but the snappy wind and clear sky made it seem like real football weather. From the point of view of "Alfred's revenge" the game was interesting. The way King ran the team, the manner in which Kirke made a record of 110 yards gain, the work of Maure and Buck when pulled back into half back positions, the veteran-like nerve shown by young Cottrell in kicking, passing and playing the safety position and the ability of Conderman to find a way through Mansfield's offensive line gives Varsity supporters additional reason for the justification of their trust in their team. The work of Dorance, a new man, at left guard, deserves much credit as well. Also the fine work of Sweeley as end runner and halfback commander of the Mansfield team, and Duffy in the line, was noticeable and with the exception of the last quarter the

Normal fellows waged a hard fight.

The game by quarters:

First Quarter

Kirke After Big Gains Scores First Touchdown — Maure Completes Short Kick Off

Mansfield kicked to Alfred at the south goal, Kirke ran the ball to his 36 yard line. As soon as he was up, King used him for 3 yards, Cottrell in two plays made a generous first down, King twice bucked the line in the wake of his back field for another 10 yards. Twice more the linesmen had to move but Sweeley intercepted a forward and the Normal boys tried their offensive strength, only to have to kick. Alfred was fined for holding and although she completed a ten yard pass she was forced to punt. Sweeley pulled a 15 yard run but King threw Coronway for a loss, Wilcox hit the stone wall and then kicked. Down the field from her 44 yard line the purple and gold went, Kirke taking 10 and 15 yards at a lick and the other backs helping until the ball stopped on Mansfield's 2 yard line. King worked up a yard further. Mansfield was fined 18 inches for being offside and Kirke went over for the first score. He later kicked the goal. 0-7.

"Mac" kicked off to Mansfield with a short kick, Maure picked up the ball and ran it to the red and black 27 yard line. Just after "Mac" had gained 5 yards and Cottrell 6, the quarter ended with Alfred in possession of the

ball on Mansfield's 16 yard line. Mansfield 0 Alfred 7.

Second Quarter

Capt. Maure Rushes Line For Touchdown—Conderman Blocks Kick—Buck Falls On Ball Behind Goal Line

Maure as right half in four plays rushed the Pennsylvania team for the second touch down. Kirke failed to kick the goal. 0-13.

King kicked, Sweeley running the pigskin to his 35 yard line. Alfred was fined 15 yards for interfering with Baxter as he attempted to catch a pass. Mansfield made one first down but was forced to kick. Alfred duplicated this act but "Mac" had to go them one better by recovering the ball on the Normal school's 46 yard line when Sweeley fumbled. (Conderman was substituted at left guard for Dorrance). Kirke swung in for a 20 yard run and on Mansfield's 20 yard line Kirke tried a place kick. Rockwell was downed with the ball, which went wide, on his 6 yard line. The red and black were set back half this for holding and Wilcox kicked. Conderman blocked the play and Buck fell on the elusive leather. Kirke kicked the goal. 0-20.

Wilcox received Alfred's kick off and was just halted in midfield when the half ended.

Mansfield 0—Alfred 20.

Third Quarter

Rockwell's Fumble Loses One Touchdown—Sweeley Runs 20 Yards to Goal Line—Mac and Maure Work Exchange Pass on Kick Off

Coronway returned the kick off 40 yards to Alfred's 35 yard line. Wilcox and Sweeley secured a first down, Rockwell and Coronway made the referee wave the linesmen along again with the ball on Alfred's 5 yard line. The purple and gold held them to a two yard advance for two plays and on the next action Rockwell fumbled and an Alfred man fell on the ball behind his goal line for a touchback.

Cottrell kicked after Alfred failed to advance from the 20 yard line and Mansfield settled grimly to work on the Varsity's 40 yard line. Wilcox passed to Baxter for 25 yards and two plays

later Sweeley ran 20 yards to a touchdown. Wilcox caught the punt out and kicked the goal 7-20.

Mansfield kicked to Alfred Mac receiving the ball, gave it to Maure on passing him and Capt. carried it up the side lines to his 45 yard line. Kirke carried the line of scrimmage ten yards further but on the next series of plays Cottrell was forced to kick. The teams lined up on Mansfield's 30 yard line, Conderman broke up a pass, a second went to the ground and even though Alfred was set back for offside she got the ball on downs on the red and black 43 yard line. Kirke and Cottrell earned 7 yards. Maure made first down and then some. Buck pounded right tackle three

times for a total of 12 yards and the quarter ended with Alfred over the ball on Mansfield's 19 yard line.

Mansfield 7—Alfred 20.

Fourth Quarter

Varsity Lets Loose—Capt. Maure Runs 20 Yards for Touchdown—Cottrell and Buck Work Long Pass

The ball was rushed along and straight over in 6 plays. Kirke making the last run and kicking the goal 7-27.

Now Alfred let loose. Decker fell on the pigskin on Mansfield's 35 yard line when Rockwell tried in vain to perform as a juggler. Kirke made 2 yards, Buck 2, Maure 5 and Kirke closed up the deal. Maure started the new series of downs with a 5 yard gain. Buck pulled up 2 yards closer and Maure ran 20 yards to a touchdown. Conderman caught the punt out but Kirke failed to kick the goal and the score stood 7-33.

Williams took Kirke's place and King kicked to the Normal school team. From this 35 yard line Sweeley made 15 yards. Conderman sifted through and threw Wilcox for a loss. King broke a pass, little Williams thought it a good stunt, so he did it himself and although an elaborate passing play worked, it netted only a yard and Alfred took over Mansfield's bankrupt business and began to make it pay. Williams gained 8 yards. King one and Cottrell made first down. Williams in two plays pulled along 7 more and Buck made the balance of the required ten. Cottrell passed to Buck for 20 yards, to the 3

yard line, and Buck plunged these three in the next action. Cottrell kicked the goal. 7-40.

Coronway ran Alfred's kick off to his 35 yard line. A forward failed, Conderman threw Coronway for a 6 yard loss and Wilcox punted. Cottrell ran the ball back to Mansfield's 45 yard line. King ripped through for 27 yards. Mac gained a couple and a forward had just failed when the whistle blew and the game was over with Alfred over the ball on the red and black 15 yard line.

Mansfield 7—Alfred 40.

ATHENAEAN PARTY

An Athenaean party was held Tuesday night in the upper class parlors of the Brick. Plans for the year's work were formed and an enthusiastic lyceum rally planned. The hostesses of the evening were Edna Jackson '17, Hazel Perkins '17, Wilhelmina Jackson '18, and Alice Baker '18.

Y. W. C. A. CONVENTION

Miss Nellie Wells '17, went to Rochester, Friday morning to attend the Western New York Student Conference of the Y. W. C. A.

The sessions which took up most of two days, were held at the Y. W. C. A. building.

For an instant his heart stopped short and he shivered with intense delight. Then he ventured another glance and turned a most serene pink the while his artless toes continued to meet and his conscious thumbs to twirl. Musically, and with subtle cadence, breathed a heavenly voice upon the air. He murmured "yes'm" desperately and then they carried him out. "Angels," he mumbled, and "Paradise," and "Nectar of the Gods," but he was all wrong. It was the tea room of the Fiat Fair.

**STUDENT VOLUNTEER CONVENTION AT ROCHESTER,
DECEMBER 3-5**

The Student Volunteer Convention will be held in Rochester December 3-5 inclusive. This will be a very inspiring and instructive conference and it is hoped that Alfred's Y. W. C. A. and Y. M. C. A. will have a large representation there this year. The proceeds of the lyceum box social of Saturday evening will be given in part toward defraying the expenses of the delegates to the convention while other means of raising funds will soon be initiated.

LYCEUM BOX SOCIAL

“Good fun,” “good eats” and “good entertainment” are some of the things that characterized the box social of Saturday night. Although only about fifty people were present, a very enthusiastic audience applauded the program composed of the following numbers:

Devotions	Katryne Vander Veer
Reading	Miss Weed
Violin Solo	Helen Ryan
Accompanied by Elsie Swallow	
The Japanese Girl	
Mable Hood, Mildred Taber	
“Rubber Boots” a very amusing farce	
was given by the cast:	
Pauline	Mildred Taber
Lou	Genevieve Hart
Sophie	Hazel Perkins
Tramp	Harold Clausen

Next came the selling of the boxes and the patronage of the candy booth, both of which added considerably to the Y. W. C. A. Conference Fund. After lunch stunts as “Cross Questions and Crooked Answers,” “Clothes Race” and “Virginia Reel,” were entered into by the entire crowd. The inevitable “Tucker-wants-a-wife” followed by the “Alma Mater” closed a very enjoyable and successful evening.

RIGHT CONSTITUTION THIS TIME

In this week's Fiat we are running the College Student Government Constitution. In one of the early issues we made note to the effect that we were publishing said constitution but in fact it was the constitution of the Fiat. These constitutions are left standing at the Sun Office so that they need no proof reading and appear only in the editor's proof. Due to some inexplicable reason this mistake was not seen by him until too late for correction. As the Student Senate has desired its publication we now do so as the first opportunity since then we have had.

ASSEMBLY POSTPONED INDEFINITELY

The first university assembly which was postponed last week, until this evening, has been postponed indefinitely. As a football game will probably be arranged for this week, the management thought it best to postpone it to a time when the football men would be able to attend.

ASSEMBLY

Wednesday, November 10th, Dean Main gave to the student body a “Discussion of Some Stories of Origin,” in which he presented theories of creation as found in the old ethical myths of India and Egypt. Dean Main gave us something to think about by stating that “What we think of God, determines what we think of ourselves.”

POLLY—ANNA PARTY

The Sophomore Girls surprised Pauline Babcock and Anna Savage, Thursday night with a birthday celebration. After a general good time refreshments were served, consisting of punch, wafers and birthday cake.

CERAMIC NOTES

The Studio Tea Wednesday afternoon was in charge of the Freshmen girls. About twenty-five attended, reporting a pleasant hour.

Challie, Challie please, a few more evidences of acceleration. Who is that—hush, here he comes again. What a forehead, what a dignity, what an excellent complexion; and yet, my dear Charles, does he not seem to you to be very rapid? I am grieved at you Challie; you should have concealed your ignorance. All rapid people attend the Fiat Fair.
