From the President's Desk

To the Class of 1959:

I consider it a real privilege to welcome you to Alfred University. We have been anticipating your arrival on the campus for many months, and we are happy to see you. It is my hope and expectation that your Alfred years will be among the happiest and most fruitful of your lives.

Alfred University is a century-old institution of higher learning, rich in opportunities and traditions and offering much to its students. You will find many opportunities here which will enrich your lives if you take advantage of them.

You will find that Alfred is a student-centered University. A well-developed plan of student government and student participation in University government and policy making are distinguishing features of life on the Alfred campus. Alfred is also a friendly place and you will make many friends among your fellow students and teachers.

The true measure of a college or university is the quality of its product. Alfred has long been known for its academic excellence and the high degree of success achieved in preparing its graduates for useful and happy lives. I know that you, like the many generations of students who have gone before, have come to Alfred with high hopes. You may be sure that we of the faculties will do everything in our power to assist you in the realization of your dreams.

... traditions

As much a part of Alfred as the 10 a.m. coffee break and the noon mail are traditions such as

THE BELLS . . .

Whenever an Alfredian thinks of his campus, one of his first recollections is usually that of the bells. The Carillon, the only one from the old world in this country, was brought to Alfred from Belgium in June, 1937, and at the present time the collection includes forty-three bells. Additional bells were added in the summer of 1953, and the steel tower erected. Carillonneur Dr. Ray W. Wingate gives Friday and Sunday afternoon concerts.

AND THE "HELLO" COMMUNITY . . .

Alfred prides itself on its friendly spirit. It has long been a custom to say "hello" to everyone, students or townspeople, whether or not you actually know them. This tradition does a great deal toward increasing friendliness among students and between students, townspeople and faculty members.

One situation which often confuses newcomers to Alfred is the fact that all stores are closed on Saturdays and open on Sundays. The bank is closed both Saturdays and Sundays. It is well to remember also that village stores are closed on Wednesday afternoons.

Homecoming

(October 8)

Homecoming, the first big social event of the year is the time when many of the Alfred grads return for a "big weekend," including an alumni banquet, a football game, fraternity and sorority open houses and a general rehashing period of past escapades.

As an added attraction, the Military Ball is scheduled for the Friday evening of the weekend. At this time, four coeds are made honorary officers by a previous vote of the ROTC cadets.

Winter Carnival

(February 17-19)

The Winter Carnival is sponsored annually by the Alfred Outing Club. With the cooperation of the weather man, skiing and skating contests, snow sculpture, a barbecue and a Sno-Ball are planned. A queen is chosen each year and she presents trophies to the various contest winners.

St. Pat's Festival

(March 15 & 16)

Unique among campus events is the celebration of the birthday of St. Pat, the patron saint of ceramic engineers. This year marks the twentieth anniversary of the festival which includes a jazz concert, a Ceramic College open house, ceramic exhibits, and a play presented by the Footlight Club. A ceramic senior is chosen by the St. Pat's Board, which sponsors the festivities, to represent St. Pat himself. The high point of the weekend is the crowning of the St. Pat's Queen at the all-campus Ball, which always features a leading name band.

Moving Up Day

(May 3)

About three weeks before final exams is the day marking the moving-up of one class to the next and the honoring of the out-going senior class. A special student-faculty committee is already at work arranging the program which will include the annual assembly and step-singing contest plus the traditional dance, open houses and push-ball contest.

... songs and yells

Songs

ALMA MATER

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook hums along,
And the favoring sun ever shines;
In a valley so fair where the forest trees share
Dominion o'er hillside and glen,
Stands the pioneer college of Western New York—
Alfred, the mother of men.

— Chorus —

Hail to thee Alfred, thou guide of our youth,
Sweet, benign mother, all hail!
Sing out thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

She was founded in toil, cemented with blood,
And nurtured thro' yearnings and tears,
Her treasure the hearts of brave heroes who stood
Undaunted throughout trying years:
Each stone was a prayer and her battlements there
Have mem'ries of purposes strong,
Staunch daughters and sons are her monuments fair,
And they lift up the grateful song.

— Chorus —

SONG OF THE BELL

By the roaring, roaring banks
Of the old Kanakadea,
Oft I've lingered in the springtime long ago;
While the waters rushed along,
And the hills took up the song;
And a gentle voice was calling sweet and low.
O, I hear the echoes ringing from the belfry on the
hill,
And the song inspires my heart to do and dare;
Calling me to love and duty, calling me to faith
and prayer,
For the bell is ringing, ringing, ringing still.

ON SAXON WARRIORS

On Saxon warriors,
The Purple and the Gold defend;
On Saxon warriors,
Ever on like men.
Crash thru the opponent's line
And victory will come our way
Fight, fight for Alfred.
And she will win the day.

Military Training

RESERVE OFFICERS' TRAINING CORPS

An ROTC unit has been established at Alfred University which will provide a general military curriculum. This means that the ROTC cadet will be given general army training without reference to any one arm or technical service.

For those cadets who so elect and are chosen to pursue the advanced course (third and fourth academic years), a choice of branch will be made prior to commissioning based upon the needs of the service and the individual's desires and capabilities.

Basic course (first and second academic years) will be presented in three class-hours per week, while advanced course cadets will receive five hours instruction per week.

Credits count toward graduation as in any other course. Draft deferments will be authorized to those who qualify.

Full details will be available at registration, September 19. The program is compulsory for entering students, provided they are physically able to qualify.

FRESHMAN WEEK

Freshman Week is planned to acquaint the new students with Alfred, its activities, traditions and school life. During this time, freshmen meet the personnel deans, the academic deans and campus leaders who do their best to answer questions and make the freshmen feel at home. Included on the program are meetings, teas, movies, tours of the campus and get-acquainted dances. In addition, tests will be given and finally, there will be registration for the first year at Alfred.

FROSH COURT

Frosh Court is administered by the senior members of Blue Key and representatives of the WSG. Once a week the "justices" hold court in Alumni Hall. Violators of the freshman rules are given a chance to plead their cases and then are freed or sentenced. "Ignorance of the law is no excuse."

FRESHMAN RULES — 1955-56

1. All freshmen men and women are required to wear the regulation green cap with the yellow button without alteration from 6 a.m. to 6 p.m. Monday through Friday and at all home athletic events from Freshman Week to Homecoming.

ATTENDANCE REGULATIONS

The faculty believes that attendance regulations should instill the qualities of courtesy, consideration and self reliance and have, therefore, adopted the following regulations.

1. Regular class attendance is required of every student. Instructors will promptly report to the Dean of Men or the Dean of Women students who are absent for any reason three or more times. This report will be made at the time of the third absence no matter what credit is assigned to the course.

2. Absence from University exercises two days before or after a vacation is regarded as interfering with the best interests of the student and of the University. The penalty for an unexcused absence at those times will be determined by the Absence Committee. Excuses before or after a vacation may be granted only by the Personnel Deans and only to students with a standing of at least "C" in the course. The absence excuse issued by the Personnel Deans removes the student from the jurisdiction of the Absence Committee and does not imply any request to the instructor to make up work. The student has to make up through his own efforts the work he has missed.

3. Two unexcused absences from assembly per semester are allowed. All excuses are submitted to the Dean of Women.

4. All unexcused absences beyond the three permitted each semester in physical education should be made up by arrangement with the instructors. The department of physical education has special regulations governing required attendance and excuses for men and women.

ABSENCE PENALTIES

5. If a student's total number of absences, whether or not they be excused absences, exceeds 20 per cent of the total number of hours that the class concerned meets during the semester, the student's case will be taken under consideration by the Absence Committee. Individual instructors have the right to set an announced limit lower than the 20 per cent mentioned in this section.

6. If a student is absent from an announced one-hour quiz or a final examination and has not been excused because of official University business or illness, it shall be the decision of the Academic Dean and the instructor whether or not the missed quiz or final examination may be made up. If the Dean and the instructor grant permission, the student will be required to pay a fee of \$1.00 for a make-up quiz and \$5.00 for a final examination. These fees are to be paid to the Treasurer's Office, and the student will present the receipt to the instructor. The instructor should announce the time and place of final to his classes to avoid the occasional absence from a final examination resulting from a misunderstanding or misreading of the printed schedule.

7. The department of military science and tactics has special attendance regulations which govern its students. These regulations follow:

BASIC COURSE

1. Unexcused absences from ROTC classes will be dealt with in the following manner.

a. The third unexcused absence will result in "five demerits."

b. The fourth unexcused absence will result in "ten demerits."

c. The fifth unexcused absence will result in "twenty demerits."

d. The sixth unexcused absence will result in "forty demerits."

e. The seventh unexcused absence will result in **AUTOMATIC DISMISSAL** from the course.

2. Excused absences will be granted only in the event of illness or extreme personal hardship.

a. Medical excuses will bear the signature of the University physician or chief nurse.

b. Personal hardship excuses will bear the signature of the Dean of Men or the Director of Athletics if the excuse involves an athletic road trip or allied athletic functions. Such excuses will state the reason for the authorized absence.

3. To be valid, all excused absence slips or notices must be submitted to the ROTC instructor whose class or classes have been missed by the student within **8 days of the last date covered by the excused absence**. It will be a cadet responsibility to meet this requirement. Excuses submitted outside this eight-day limitation will not be honored and the absence will be recorded as unexcused.

4. **Demerits for unexcused absences can not be worked off**. These demerits will be applied to the leadership grade and if the total points deducted result in the School-of-Soldier grade dropping below 60 per cent the cadet concerned is liable to dismissal from the course.

ADVANCED COURSE

1. The instructions of paragraphs 1, 2 and 3 of the policy as defined for the basic course in this communication will apply also to all advance course students.

2. All unexcused absences of students enrolled in the advanced course will subject the student to a pay

cut equal to the value of two days' subsistence pay for each class period missed under unexcused circumstances.

PARKING REGULATIONS

Resident freshmen are not permitted to have cars on campus or in the village of Alfred. Campus traffic and parking regulations have already been distributed.

STUDENT MARRIAGES

Students who plan to be married are expected to observe the following regulations:

1. The personnel deans must be notified of marriage plans in advance;
2. The parents of both students must also be notified;
3. If college work is continued after marriage, and both students continue to live in Alfred, the couple must live together.

ELIGIBILITY RULINGS

A student "on condition" may not be permitted (1) to participate in any extra curricular activities (athletics, dramatics, music, etc.) or (2) to carry a full curricular load, or (3) to engage in any extra social activities, or (4) to engage in any combination of (1), (2) or (3). Whatever the nature of "the condition," its main objective is to assist the student in gaining or regaining the requisite academic standing in the shortest possible time and in a way that will do the student the most all-round good.

ALFRED UNIVERSITY LIBRARY

The Alfred University Library, located on Main Street, was erected in 1912 as a gift of Andrew Carnegie. The regulations are:

nurses. It is equipped for minor X-ray examinations, infra-red and short wave therapy and ordinary clinical laboratory examinations. The regulations of the infirmary are:

1. It is the responsibility of the student to report immediately, night or day, to the infirmary in the event of illness.

2. Except for emergencies, the doctor will be at the infirmary from 3:30 p.m. to 5:30 p.m., Monday through Friday.

3. Student fees provide for a maximum of 14 days of infirmary care per year. Beyond this number of days, a charge of \$4 a day is made.

When a student is transported to a hospital, he becomes a private patient with a freedom of choice concerning a physician and must assume liability for all debts. House calls are chargeable to the student.

a. Assume responsibility for payment of all medical bills.

8. All permanent and temporary excuses from physical education will be issued at the infirmary and must be filed at the Registrar's office.

9. Students' visiting hours at the infirmary are from 1 to 3 p.m. and 7 to 8 p.m.

10. After being admitted to the infirmary, students are not allowed visitors for the first 24 hours without special permission.

11. No student suffering from an infectious ailment will be allowed visitors until he is past the stage of transmission.

11. In the event of an emergency, the infirmary must be notified and instructions obtained. Do not call the doctor.

FINANCIAL ASSISTANCE AND SCHOLARSHIPS

University students desiring financial assistance or scholarships should see the chairman of the Committee on Student Financial Assistance, whose office is in Greene Hall.

Part-time employment is available to students in the University.

COUNSELING

Every student has a faculty advisor from whom he receives his mid-semester's grades and with whom he meets during the school year in conference. Academic, social, financial and other personal problems

SCHOOLS AND COLLEGES

Alfred University had its beginnings in a select school which opened in the village of Alfred on December 5, 1836. This school was chartered in 1843 as "Alfred Academy" and in 1857 the New York State legislature passed an act creating Alfred University. Courses in liberal arts and theology were instituted from which have evolved the present College of Liberal Arts and the School of Theology.

Near the opening of the present century the State of New York established a school affiliated with the University. The school which is now the College of Ceramics was established in 1900. This college is a unit of the State University of New York but is administered by the Alfred University Board of Trustees and is an integral part of Alfred University.

In 1947 a Graduate School was organized which coordinates all instruction in the University on the graduate level.
