... traditions

As much a part of Alfred as the coffee break and the noon mail are traditions such as —

THE BELLS . . .

Whenever an Alfredian thinks of his campus, one of his first recollections is usually that of the bells. The Carillon was brought to Alfred from Belgium in June, 1937, and at the present time the collection includes forty-three bells. Additional bells were added in the summer of 1953, and the steel tower erected. Carillonneur Dr. Ray W. Wingate gives Friday and Sunday afternoon concerts.

AND THE COMMUNITY . . .

Alfred prides itself on its friendly spirit. It has long been a custom to say "hello" to everyone, students or townspeople, whether or not you actually know them. This tradition does a great deal toward increasing friendliness among students and between students, townspeople and faculty members.

One situation which often confuses newcomers to Alfred is the fact that all stores are closed on Saturdays and open on Sundays. The reason for this is that many of the residents attend the Seventh Day Baptist Church. The bank is closed both Saturday and Sunday. It is well to remember that village stores are closed on Wednesday afternoon.

Homecoming

October 14

Each year in early October, Alfred University affords its Alumni the opportunity to return to the campus to relive the joys and pleasures of yesterday at the annual Homecoming festivities.

Alumni from all parts of the country return in great numbers to this gala weekend to take part in the program which includes: Alumni Council meeting, Admission Workshop, Cross-Country meet, Football Game, Fraternity and Sorority Open Houses, Alumni Buffet Dinner, and Homecoming Dance. Students are invited to attend the evening dance.

St. Pat's Festival

March 16, 17

Unique among campus events is the celebration of the birthday of St. Pat, the patron saint of ceramic engineers. The festival includes a jazz concert, a Ceramic College open house and ceramic exhibits. A ceramic senior is chosen by the St. Pat's Board, which sponsors the festivities, to represent St. Pat himself. The high point of the weekend is the crowning of the St. Pat's Queen at the all-campus Ball, which always features a name band.

Moving Up Day

May 3

About three weeks before final exams is the day marking the moving-up of one class to the next and the honoring of the out-going senior class. A special student-faculty committee is already at work arranging the program which will include the annual assembly and step-singing contest plus the traditional dance, open houses, and push-ball contest.

Parents Weekend

May 4, 5, 6

Parents Weekend is one of the highlights of campus social and cultural programs in the spring. Students, faculty and parents work together to provide a weekend of activities which will better acquaint parents with Alfred University and will develop a closer relationship among students, parents and faculty. Activities of the weekend include the University Forum, the Fine Arts Festival, "Parents College," meetings with faculty, ROTC military review, concerts, inter-collegiate athletic events and fraternity and sorority open houses.

Songs

ALMA MATER

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook hums along,
And the favoring sun ever shines;
In a valley so fair where the forest trees share
Dominion o'er hillside and glen,
Stands the pioneer college of Western New York—
Alfred, the mother of men.

— Chorus —

Hail to thee Alfred, thou guide of our youth,
Sweet, benign mother, all hail!
Sing out thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

ALFRED HAIL

Alfred hail, our noble Alma Mater,
May thy halls of learning stand forever.
Alfred may we thy sons be true, and ever loyal to
thee,
Thy wisdom shine for aye, nor fade from
memory.

By the roaring, roaring banks
Of the old Kanakadea,
Oft I've lingered in the springtime long ago;
While the waters rushed along,
And the hills took up the song;
And a gentle voice was calling sweet and low.
O, I hear the echoes ringing from the belfry on the
hill,
And the song inspires my heart to do and dare;
Calling me to love and duty, calling me to faith
and prayer,
For the bell is ringing, ringing, ringing still.

ON SAXON WARRIORS

On Saxon Warriors,
The Purple and the Gold defend;
On Saxon warriors,
Ever on like men.
Crash thru the opponent's line
And victory will come our way
Fight, fight for Alfred,
And she will win the day.

To the Freshmen:

On behalf of the Alfred University student body, I welcome you to your school. Your high school Alma Mater is now a thing of the past. Your pride will eventually be centered here at Alfred where one's academic and social status is weighed not by past performance, rather by present endeavors. First impressions are important, and it is essential you begin these four years conducting yourself as befits a college freshman.

For the next four years, Alfred will be your home. A majority of your time will be spent here on campus. This time should be intelligently allocated for academic, social and general extra-curricular activities. To overemphasize one and consequently fall short on another will not be to your own best interests in your progress toward a higher and fuller education.

Alfred poses a challenge to her students. Thus, the University provides you with the means by which you may fulfill the fondest hopes of yourself, your family and friends. The very fact that you have been accepted at Alfred verifies your capabilities to cope with this challenge. It is your responsibility to avail yourself of the tools for an education which are at your fingertips at Alfred. To act responsibly means success.

The record you make as a freshman sets the pattern for your future years at college. Try to get a good start from the very beginning.

On behalf of the student body and myself, I extend to you our best wishes for your college days. If I can be of any assistance, please feel free to contact me.

Alex Zoldan
 President—Student Senate

Student Senate

Among the duties of the Senate are the running of annual campus elections, allocation of the campus budget, and promotion of good student-faculty relations.

NSA

Coordinator — John Gutierrez

The National Student Association is a confederation of over 300 student governments of colleges and universities throughout the United States. It is student run and through individual campus representatives, it gives student governments the opportunity to evaluate student problems. The NSA provides many services to the Alfred campus each year.

Interfraternity Council

President — Earl Stapleton

Coordinating fraternity rushing and activities is the function of the Interfraternity Council, made up of elected representatives of all the fraternities on campus. The Council is responsible for the pamphlets which the freshmen men will receive within the next few weeks regarding rules and regulations of rushing and introducing the Alfred fraternity system to the incoming student. The big social event of the year is the annual Interfraternity Ball held after tapping.

Campus Center Board

President — Joel Gottlieb

The Alfred Campus Center was established to provide a recreational, social and service center for the mutual enrichment of University students, faculty and staff, all of whom are active members of the Center.

coffee hour, feature-length film, folk sing, faculty-panel debate or discussion, visiting lecturer, bridge, ping-pong or checkers tournament, and a fine arts exhibit. A stereo system provides music for relaxation in the McNamera Room.

The Campus Center is more than a place which offers programs of enjoyment and interest. It is a place to meet people and develop lasting friendships. The Center hopes to make a valuable contribution to the development of the individual by being a guiding force as well as the center of campus activities.

The cooperation of all who use the Center is requested in observing the following regulations:

- No food or beverages in the Lounge area.
- Ash trays are to be used.
- Common sense is to be used in the treatment of the furniture and facilities.
- Periodicals are not to be removed from the Parents Lounge.

WOMEN'S STUDENT GOVERNMENT

To the Women and Men of the Class of '65:

The Women's Student Government takes great pleasure in welcoming you and in wishing you the best success at Alfred University.

Your success and happiness at Alfred will depend upon your attitude in both academic and social matters. You must be interested in learning and therefore willing to work. You will find that the main difficulty in your curriculum does not lie in the incomprehensibility of the material, but only in the method of learning you will undertake. From now on you will read the material yourself, finding its meaning and picking out the important facts. This process necessitates your being able to read and think, or rather, your willingness to learn how to read and think. Furthermore, you must understand that your professors are willing to help for they realize that it is sometimes difficult to adjust to the new learning methods.

In addition, you will find that through wise budgeting of your time, you will be able to participate in and enjoy some of the various social activities on campus. Be friendly, be yourself and you will find success and happiness.

Personally, and on behalf of the W.S.G., I wish you all the best of luck.

Rose Marie Ciullo
W.S.G. President, 1961-62

ATTENDANCE REGULATIONS

The administration believes that attendance regulations should instill the qualities of courtesy, consideration and responsibility and therefore has adopted the following attendance regulations:

1. Regular class attendance is required. A student may be dropped from a course whenever the number of his unexcused absences exceed by one the number of credits assigned to that course.

Exception: Sophomores, Juniors, and Seniors who have attained a 2.0 index or better for the previous year are granted permissible attendance in classes. This does not apply to Assembly Charter Day or other all-University programs. This privilege will be withdrawn in individual cases if there is any abuse of the practice or if a student is absent from a course to such an extent as to jeopardize his credit in that course.

Names of the students accorded the above privilege will be furnished to the faculty at the beginning of each fall semester.

2. Each faculty member shall keep daily attendance records for each class.
3. Whenever a student's absences in a course exceed by one the number of credits assigned to that course (e.g. four absences in a three credit course) the professor shall report the name of the student with the dates of the absences to the Dean of Men. (The above exceptions are excluded)
4. Students whose unexcused absences exceed the number allowed may be dropped from the course.
5. It is understood that any faculty member or department may apply additional regulations for attendance in a course. The Department of Physical Education has special regulations governing required attendance and excuses for men and women.

6. Two unexcused absences from Assembly per semester are allowed. All excuses are submitted to the Dean of Men.

7. If a student is absent from an announced one-hour quiz or a final examination and has not been excused because of official University business or illness, it shall be the decision of the Academic Dean and the instructor whether or not the missed quiz or final examination may be made up. The instructor should announce the time and place of finals to his classes to avoid the occasional absence from a final examination resulting from a misunderstanding or misreading of the printed schedule.

8. Attendance at ROTC Classes:

- a. General

University regulations applying to all class attendance apply also to ROTC classes. However, since much ROTC instruction is designed to teach a student facts or procedures he will require later at summer camp or on active duty, it is the student's responsibility to make up all ROTC classwork. Also, since ROTC cadets are constantly under observation and are being graded for leadership potential in addition to academic achievement, it behooves each cadet to be punctual and uniform in attendance and performance in class as well as in other military work.

- b. Absence from Class

- (1) ROTC cadets who miss instruction or examinations because of absence from class will receive a zero grade until the work is made up.

- (2) A cadet obtaining a medical excuse that states "Excused from marching," will attend drill periods, but will not be required to march.

PARKING REGULATIONS

Resident freshmen are not permitted to have cars. Campus traffic and parking regulations have already been distributed.

ELIGIBILITY RULES

A student "on condition" may not be permitted (1) to participate in any extracurricular activities (athletics, dramatics, music, etc.) or (2) to carry a full curricular load, or (3) to engage in any extra social activities, or (4) to engage in any combination of (1), (2) or (3). Whatever the nature of "the condition," its main objective is to assist the student in gaining or regaining the requisite academic standing in the shortest possible time and in a way that will do the student the most all-round good.

INSURANCE

Alfred University does not carry insurance protecting the personal effects of dormitory residents against fire and similar hazards. Students are urged to consult with their parents to make certain that there is proper coverage.

It is equipped for minor X-ray examinations, infra-red and short wave therapy and ordinary clinical laboratory examinations. The regulations of the infirmary are:

1. It is the responsibility of the student to report immediately, night or day, to the infirmary in the event of illness.

2. Except for emergencies, the doctor will be at the infirmary from 3:30 p.m. to 5:30 p.m., Monday through Friday.

3. Student fees provide for a maximum of 14 days of infirmary care per year. Beyond this number of days, a charge of \$4 a day is made.

4. The infirmary is prepared to provide the following services:

a. Ordinary nursing care.

b. Certain common drugs and medicines.

c. Treatment for minor ailments and injuries.

d. Ordinary clinical laboratory examinations.

e. Minor X-ray examinations.

g. Treatment of chronic illnesses within the limits of facilities. The University, however, can assume no responsibility for illnesses which existed prior to admissions.

5. Any medical, hospital or surgical service which the infirmary is not equipped to provide must be paid for by the student. When a student is transported to a hospital, he becomes a private patient with a freedom of choice concerning a physician and

must assume liability for all debts. House calls are chargeable to the student.

6. If a student wishes to be treated by a physician of his own choice, he must:

- a. Assume responsibility for payment of all medical bills.

Part-time employment is available to students in the University.

ADVISING

Academic, social, financial and other personal problems are discussed individually, and solutions are sought, if necessary, with the help of interested faculty members. In addition, the personnel deans, the academic deans, the counselor and the director of the religious program are available as skilled counselors as are the members of the psychology department.

Schools and Colleges

Alfred University had its beginnings in a select school which opened in the village of Alfred on December 5, 1836. This school was chartered in 1843 as "Alfred Academy" and in 1857 the New York State legislature passed an act creating Alfred University. Courses in liberal arts and theology were instituted from which have evolved the present College of Liberal Arts and the School of Theology.

In 1900 the State of New York established a school affiliated with the University. The school became in 1932 the College of Ceramics. This college is a unit of the State University of New York but is administered by the Alfred University Board of Trustees and is an integral part of Alfred University.

In 1953 the School of Nursing was established. This school grew out of a Cadet Nursing Program which began on campus in 1943.

In 1947 a Graduate School was organized which coordinates all instruction in the University on the graduate level.
