COLLEGE OF LIBERAL ARTS

Alfred University had its beginnings in a select school which opened in the village of Alfred on December 5, 1836. This school was chartered in 1843 as "Alfred Academy" and in 1857 the New York State legislature passed an act creating Alfred University. Courses in liberal arts and theology were instituted from which have evolved the present College of Liberal Arts.

COLLEGE OF CERAMICS

In 1900, the State of New York established a school affiliated with the University. The school became in 1932 the College of Ceramics. This college is a unit of the State University of New York but is administered by the Alfred University Board of Trustees and is an integral part of Alfred University.

From the President's Desk

To the Class of 1968:

I consider it a real privilege to welcome you to Alfred University. We have been anticipating your arrival for many months, and we are happy to see you.

Alfred University is proud of its teaching staff and curricula. It provides many educational opportunities which will enrich your lives if you take advantage of them.

You will find that Alfred is a student-centered university. A well-developed plan of student government and student participation in university government and policy making are distinguishing features of life on the Alfred campus. Alfred is also known as a friendly university, and you will soon have many friends among your fellow students and teachers.

The true measure of a college or university is the quality of its product. Alfred has an enviable reputation for the high quality of its academic programs and the success it has achieved in the preparation of its graduates for useful and happy lives. I know that you, like the many generations of students who have preceded you, have come to Alfred with high hopes. You may be sure that we of the faculties will do everything in our power to assist you in the realization of your dreams. It is my hope and expectation that your Alfred years will be among the happiest and most fruitful of your lives.

September, 1964

M. ELLIS DRAKE
President

Welcome from Student Senate

To the Class of 1968:

Welcome to Alfred University as students and student-citizens. You are in a unique position. As we in the Student Senate are endeavoring to realize a new form of self-government, you will be the first "new" class to take part in the structuring of this more meaningful student government program.

The goal of the Senate in months ahead will be to work toward a Student Association—a student government plan devised in harmony with the central and major purposes of higher education, rather than a mere extra-curricular activity program. In the Class of 1968, we hope to find student leaders to carry on the work in the future.

I hope that Alfred University will provide a rewarding and meaningful experience for you; however, it is up to you to make it so. Above all, I wish you success academically. May Alfred serve to "engender a sense of friendship and membership in the campus community" of which you are an important member.

WILLIAM O. VANECH
President of the Student Senate

... traditions

As much a part of Alfred as the coffee break and the noon mail are traditions such as —

THE COMMUNITY . . .

Alfred prides itself on its friendly spirit. It has long been a custom to say "hello" to everyone, students or townspeople, whether or not you actually know them. This tradition does a great deal toward increasing friendliness among students and between students, townspeople and faculty members.

One situation which often confuses newcomers to Alfred is the fact that all stores are closed Saturday and open Sunday. The reason for this is that many of the residents attend the Seventh Day Baptist Church. The bank is closed both Saturday and Sunday. It is well to remember that village stores are closed on Wednesday afternoon.

THE UNIVERSITY . . .

THE BELLS

Whenever an Alfredian thinks of his campus, one of his first recollections is usually that of the bells. The Carillon was brought to Alfred from Belgium in June, 1937, and at the present time the collection includes forty-three bells. Additional bells were added in the summer of 1953, and the steel tower erected. Carillonneur Dr. Ray Wingate gives Friday and Sunday afternoon concerts.

Homecoming

October 17

Each year in early October, Alfred University affords its Alumni the opportunity to return to the campus to relive the joys and pleasures of yesteryear at the annual Homecoming festivities.

Alumni from all parts of the country return in great numbers to this gala weekend to take part in the program which includes: Alumni Council meetings, Admissions Workshops, Cross-Country meet, Football Game, Fraternity and Sorority Open Houses, Alumni Buffet Dinner.

St. Pat's Festival

March 19, 20

Unique among campus events is the celebration of the birthday of St. Patrick, the patron saint of ceramic engineers. The festival includes a jazz concert, a Ceramic College open house and ceramic exhibits. A ceramic senior is chosen by the St. Pat's Board, which sponsors the festivities, to represent St. Pat himself. The highpoint of the weekend is the crowning of St. Pat's Queen at the all-campus Ball, which always features a name band.

Moving-Up Day

May 6

About three weeks before final exams is the day marking the moving-up of one class to the next and

the honoring of the out-going senior class. A special student-faculty committee is already at work arranging the program which will include the annual assembly and step-singing contest plus the traditional dance, open houses, and push-ball contest.

Parents Weekend

May 7, 8, 9

Parents Weekend is one of the highlights of campus social and cultural programs in the spring. Students, faculty and parents work together to provide a weekend of activities which will better acquaint parents with Alfred University and will develop a closer relationship among students, parents and faculty. Activities of the weekend include a Footlight Club play, the Fine Arts Festival, "Parents College," meetings with faculty, ROTC military review, concerts, intercollegiate athletic events and fraternity and sorority open houses.

The Board of Managers is the operational governing body of the Center.

Interfraternity Council

President—Donald Kleban

Coordinating fraternity rushing and activities is the function of the Interfraternity Council, composed of elected representatives of all the fraternities on campus. The Council is responsible for the pamphlets which the freshman men will receive within the next few weeks regarding rules and regulations of

rushing and introducing the Alfred fraternity system to the incoming student. The big social event of the year is the annual Interfraternity Ball held after tapping.

ADVISING

In addition, the Personnel Deans, the Academic Deans, the Counselor and the Director of the Religious Program are available as skilled counselors.

Counseling Center

A Counseling Service is available to assist students to understand and use wisely their educational, vocational and personal potentialities and the opportunities which they can have or can develop. Psycho-

Counseling interviews can be scheduled by the student to assist him in the clarification of goals, greater self-direction and to achieve a more effective adjustment to himself and others.

The Counseling Center in South Hall is open from 9:00 a.m. to 5:00 p.m., Monday through Friday. Appointments may be made by telephone, mail, or in person. Songs

ALMA MATER

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook hums along,
And the favoring sun ever shines;
In a valley so fair where the forest trees share
Dominion o'er hillside and glen,
Stands the pioneer college of Western New York—
Alfred, the mother of men.

Chorus

Hail to thee Alfred, thou guide of our youth,
Sweet, benign mother, all hail!
Sing out thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

ALFRED HAIL

Alfred hail, our noble Alma Mater,
May thy halls of learning stand forever.
Alfred may we thy sons be true, and ever loyal to thee,
Thy wisdom shine for aye, nor fade from
memory.

SONG OF THE BELL

By the roaring, roaring banks
Of the old Kanakadea,

Oft I've lingered in the springtime long ago;
While the waters rushed along;
And the hills took up the song;

And a gentle voice was calling sweet and low.
O, I hear the echoes ringing from the belfry on the
hill,

And the song inspires my heart to do and dare;
Calling me to love and duty, calling me to faith
and prayer,
For the bell is ringing, ringing, ringing still.

ON SAXON WARRIORS

On Saxon warriors,
The Purple and the Gold defend;

On Saxon Warriors,
Ever on like men.

Crash thru the opponent's line
And victory will come our way
Fight, fight for Alfred.
And she will win the day.
