TENTH CENTURY CLUB HOMESTAY EIGHT HOMECOMING

War-time Get-together Frustrates Be-
Low Zero Weather

It was just a war-time get-together, the clouds had come creeping in through the huts and the train connections were terribly discouraging but both this lack of formality, the cold of a banquet room, nor the monotony of the speaker's voices would have made any difference. But all the old regulars would make a failure out of an Alfred reunion, especially a Twentieth Century Club Home Coming. It was the eighth Club banquet that occupied the last few hours of 1917 when a large alumni gathered in the under-
class parties in the Ladies Hall.

The rest of the building was cold, the outer thermostat looked in the window and did what it was thought as well as off outside, but where the ban-
quets were set up lighted candle and between them Arrow was and some favors there was both warm air and fog.

Dr. W. F. Creasy of the "Quartumor's Corps" had arranged a very effective of the "Stations" information and supervised by "Tout-
"Alfred, there was an exceptionally interesting program of "Assembly," the main topic but when it was opened Mrs. Main opened the Parent Fund Committee saying, "The Twentieth Century Club has sub-
scribed over $3,000 and the total sub-
scription is $100,000. The fact that a representative of the government offers standing assistance."

"Mrs. Mathilde Vosler, Alfred '14, who has been the Bennington, Vt., Grammar School principal, has resigned to become a special woman's work worker. Her resignation becomes effective January 1."

Mrs. Vosler's work will be in con-
nection with the training camps in what is called the south Atlantic division which includes the states south of Maryland and east of the Mississippi river.

Once the expenses of the work are to be taken care of by the recently raised Self Help fund, the Y. M. C. A. is to direct the recreation activity of the men in the camps and the woman's war relief is to supervise the training of the women for general headquarters in Richmond, Va.

The expenses of the work are to be borne by the United States and Mrs. Vosler is enthusiastic over the prospect and as she is going into a field that offers special opportunities for use of her training, her friends feel that her success is assured from the beginning. Even before the United States be-
comes a factor in the war, Mrs. Vosler was asked to do the work and Mrs. Vosler has done it. She has not only taken care of the housing of the men, but has also been successful in her work but her personality has given her a
large place in the affections of the community.

The Civic League and its successor, the Public Welfare association, has been extremely fortunate in the selection of its chairmen, but it is especially fortunate when the Rev. Dr. J. E. Prentis, is to be the next chair-
en when the Club meets again in February, 1918.

"Why In College in 1917?" was the remaining paper of the program that was presented from the ranks of newly de-
ploited present senior class, "We stand ready for the call of our country."

The ballot for the new officers was taken, and the new officers were then announced. Miss Mathilde Vosler was re-elected President as usual when the officers were announced. Miss Mathilde Vosler was re-elected President as usual when the officers were announced.

"At the Varsity basketball team meets Colgate on Sunday night, Dec. 17. The game was fast from beginning to end and it was impossible to predict the final score until the last blowing of the referee's whistle. At the end of the game Colgate had scored 14-10 in their favor, but Colgate came back strong in the second half, and after the President and office's hand helped to turn the tide so that the final score read Colgate 32, Alfred 22. It was a good game with a splendid referee--Avery of Richmond."

"No impartial observer will testify that there were a few openings in the Club due to the unexpected closing of college last December, it was impossible to fill these positions until the present appeal was made." By Thursday, Jan. 17, but the numbers enrolled in the War-time Get-together are now 6, and 10 have responded to the call of patrio-
members and students to the Student Fund program of the Student body. It is understood that the convention at Syracuse, Dec. 5 and 6 was made up of twenty-two delegates representing eight of the colleges and this was the purpose to plan new and successful line of achievement in religious work."

CAMPUS NEWS

Tom Place, '22, expects to enter the class of 1500 in Columbia engineering this fall.

Roland Cowing of Elmira was visiting friends at the K. K. K. house during the past week.

Birch Randolph '29 and Sarah Randolph '21, were called home Sunday by the death of their brother, Franklin, Jr. 20.

S. G. Groen '34, has been home for the past week. "Bob" has given us several very interesting talks on telling us about army life and of the work of our A. F. A. C.

For the past week E. J. Fitzpatrick has had charge of Pref. and Mrs. McRae's classes. Prof. McRae, who had returned from abroad during vacation, returned to Alfred Friday accompanied by Mrs. McRae. They have again assumed charge of their classes.

RED CROSS

The College branch Red Cross will meet twice a week, on Wednesday day as formerly, and on Saturday nights at seven-thirty. The squares are expected to be available for a new position for the next year that you write to, President immediately for a registration blank. Then, when the appointment season opens in April or May, your record will be complete and you will be ready to apply for a position. The division may be able to nominate you for the next year which you would like to apply through them.

The College Red Cross is very active and is a large order for bed bakers, and when that is completed, there will be a large order for bed sheets. The new yarn will not come, but is expected soon, so that those who are without knitting, will be supplied, shortly.
