

Student Development Work Group

January 5, 2007

Members: Dave Snyder, Angela Dunham, Kate Hilfinger

Chair: Kate Hilfinger

Student suggestions taken from surveys:

- Help with new patron registration into ALEPH
- Being available to answer questions (weekend help?)
- Desire to be made aware of things they need to improve
- Where we keep extra supplies

Action:

Create a suggestion box. Staff will compile suggestions and make a weekly update to a journal that we will keep at The Desk for student reference.
