

Student Development Work Group

Present: Kathleen, Diane, Joyce & Peggy

Absent: Dave (not by choice he doesn't work on Wed. mornings but that was convenient for the majority)

12/04/2002

Student Deveolpment Work Group met today to finalize plans for the recognition of our student workers.

The committee decided to give each student a calculator wrapped with candy canes & a bow and tag. We appreciate the fact that everyone does not celebrate Xmas and felt that this would be appropriate. Diane will make tags or labels on the computer. Peggy will buy the ribbon, and the candy. We will give the gifts to each dept and they will be responsible for the distribution.

It was also decided that on the Fri. 12/13/02 the last day of classes and on M/T/W 12/16-18th we would have a plate of cookies or treats in each dept. The committee will bake cookies but we will also ask other staff members to bake if they like. One suggestion was that if you do bake please put the cookies, or bars in zip lock bags so there are no plate returns and also the items will remain fresh.

*Respectfully submitted,
Peg Argentieri, Chairperson*
