Prof. Chas. F. Bruns
Alfred

Dear Sir:

Your letter at hand.
I have written Mr. W. S. Linn
and I thank you for your
advice.

I of course look up the
matter with the California
people and met with a flat-
refusal, they simply saying
that they contemplate no such
thing. It is for them for that
Mr. Speer failed to interest his
firm.

I thank you.

Yours very truly

Paul G. Cox.
