

November 21, 1905.

Mr. Arthur E. Baggs,
Marblehead, Mass.

My dear Arthur:-

In reply to your letter I would say that I am getting your glazes in hand, but really there has been such a demand for the mills, that it has been impossible to give you earlier attention. I am glad to hear of your work and will do all I can to help you.

Yours sincerely,

CFB/B.
