Congratulations to all graduates!

Please take a minute to fill out the Career Development Center's graduate survey to help us get a jump-start on our annual First Destinations report for the Class of 2007.

Whether you have your plans settled or not (e.g. employment or graduate school), we'd like to hear about it. The CDC uses your responses to understand the job and grad school market for AU students. The information is confidential and is not reported in a personally identifiable way.

If you have any questions about the survey or need assistance with your career plans, please contact us at 871.2164 or cdc@alfred.edu. Thank you from the CDC staff.
