### Herrick closed until August 21st

Herrick Library will be closed until after the University Breakfast on August 21st. Our construction is nearing completion, but there are still ongoing installations that will be in process next week.

Both the Library staff and the ITS staff have their phones and computers hooked up, so please call us with your questions and problems. We will be able to respond to your concerns via phone or e-mail and can arrange to meet with you if needed.

Thanks once again for your understanding and your support during the completion of this renovation project.

### College of Ceramics Employees - Health Insurance

Please disregard any letters you may have received stating you are eligible for COBRA coverage since your employment has been terminated. In the transition to the Banner payroll, our insurance was issued a new group number, which automatically generates these letters from the Insurance system. If you have any questions, please feel free to contact Human Resources.
