AU Football Team Up One Spot in Rankings

The Alfred University football team moved up one spot, to 11th, in the D3football.com national poll released today. The Saxons (7-0, 4-0 Empire 8) improved from 12th in the polls after Saturday's 53-21 defeat of visiting Husson College.

Alfred's seven wins to start the season are the most for an AU football team since the 1981 Saxons finished the regular season 10-0 en route to the schools first and only trip to the NCAA Division III championship tournament. At 4-0, Alfred stands alone atop the Empire 8 Conference standings.

AU will end the regular season with three straight road games: at Hobart next Saturday (Oct. 27), at Ithaca (Nov. 3), and at St. John Fisher (Nov. 10). Kickoff for all three games is 1 p.m.

Ithaca and Fisher are the Saxons' final Empire 8 Conference foes. Fisher is in second place in the conference with a 4-1 Empire 8 mark. If Fisher beats visiting Utica on Saturday, the AU-Fisher contest Nov. 10 will be for the Empire 8 title and an automatic bid to the NCAA Division III championships.

Last Saturday's win over Husson was the 60th at AU for head coach Dave Murray. Two school records were tied by sophomore wide receiver Jared Manzer (Johnson City, NY/Johnson City). His 90-yard punt return for a TD tied the record for longest punt return. His three touchdown receptions also tied the school single-game record, shared with former Saxons Charles Young (vs. Hamilton, 1971) and Joe Haven (vs. Brockport, 1989).

Alfred Fashion Runway to Tie the Knot

Alfred University has announced plans for its second annual 'Alfred Runway' program, which challenges students to create fashion designs and attire. The event will be held at 8 p.m. on Saturday, Oct. 27 in the Miller Performing Arts Center.

This year's theme is entitled "Fashion Ties The Knot" and will ask fashion teams to design wedding attire for two models. The official challenge reads; "In a time where the definition of marriage faces great debate, Alfred University students are invited to share their viewpoint through fashion."

Teams will design and construct wedding attire for two models that could explore other cultures, visit the past, imagine the future, embrace tradition, or confront the establishment. Each team is asked to create both a visual and verbal statement in a setting where all viewpoints will be welcomed and respected."

Teams of no more than five people (including models) will design, construct, and model attire for two individuals in an attempt to expand upon the stated challenge. Teams must consist of a majority of Alfred University students but can contain up to two University professionals, community members or Alfred State College students.

Fashion attire must be constructed rather than purchased and judges will be instructed to score more favorably upon attire that is original.

Models will be expected to participate in two runway walks. The first entitled "Down the Aisle" will portray a wedding procession of the design team's imagining. The second scene entitled "The Reception" tests the fashion's ability to dance at a post-wedding celebration. The fashion team will select music and choreograph both walks. A question and answer segment will allow fashion teams to explain their vision.

Guest judges are currently being sought and will be announced in the coming month. Last year's inaugural event included a visit by Project Runway winner Jay McCarroll and over 10 teams competing for the title of Alfred Runway winner.

Kevin Jacobs, Alfred University career counselor, will be registering teams starting October 1st and the deadline for registering is October 15th. Jacobs can be contacted for more information and official rules at jacobsj@alfred.edu and 607-871-2164.

Alfred Hockey Seeks Coach

Alfred Hockey currently competes with teams in the WPCCHA and the CHA and plays regular season games in UNYCHL, which is a league that was started by Alfred Hockey and three other schools.

The last few years Alfred Hockey has played many tournaments and games that use NCAA rules and our lack of a head coach has not always met with favor. Alfred Hockey is looking for a head coach that will allow the team to continue to compete at higher and higher levels of hockey.

If you are interested please contact auhockey@alfred.edu or amorosjw@alfred.edu

Iraqi speaker to visit AU

Alfred University will be fortunate to have Dr. Dahlia Wasfi visit the campus on Monday, Oct. 29, at 7 p.m., in Nevins Theater.

The topic is "The Status of Healthcare in Iraq Today."

Dr. Wasfi was born in Iraq, but her family fled the Saddam Hussein regime during her childhood, and immigrated to the U.S. She graduated from the University of Pennsylvania School of Medicine in 1997. In 2006, she returned to Iraq to visit, and since then Dr. Wasfi has been speaking about her experiences, traveling across the country to share her story.

Her talks include plenty of pictures and first-hand accounts, and her assessment of the healthcare system in Iraq and it's impact upon Iraqi society will provide for a very interesting talk.

The program is sponsored by SAB, SAFE, and Center for Student Involvement.
