Alfred Today is a campus-wide listing of announcements for the Alfred University Campus which runs Monday-Friday while school is in session; it will be sent as needed during campus breaks. Please use the form created for listing announcements. It is really quite simple. There is a link to the form in the [MyAU](#) and [OurAU](#) menus under Submit Content. It can also be found [here](#). Announcements must be received no later than 2 p.m. the day before the item is to be used. Items may be used twice within the same week, but must be sent twice. Submissions are subject to editing and will be screened for appropriateness.

Letters to faculty from Special Academic Services

In the past, our office has distributed letters to all students who have self-identified as having some type of disability. The students have been strongly encouraged to give these letters to their adviser and professors during the first week of classes each semester. We will continue this practice for all returning students.

In response to faculty requests, we will implement a new procedure for new, first-time freshmen who have given me consent. I will be e-mailing the letter directly to the adviser and to faculty as soon as the student registers for classes. As always, I am not allowed to indicate the student's specific disability.

The letter is intended to alert you to the fact that the student has a disability and qualifies for accommodations. It asks that you work with the student in further developing his or her learning strengths and in helping to provide the appropriate accommodations. In the e-mail letters regarding new, first-time freshmen, I have tried to give slightly more specific information about each student. It is my hope that the student will take the time to meet with you and discuss his/her disabilities, learning strengths, and needs in more detail.

If at any time you have concerns or questions regarding a student or their accommodations, please do not hesitate to contact me.

Please keep in mind that not all new, first-time freshmen have given me permission to send out these letters. Also, all information that you receive regarding students with disabilities is confidential.

I hope that you find this process to be helpful.

Thank you.
Dr. Terry Taggart
Director, Special Academic Services

Tennis camp deadline extended to Aug. 4

The deadline for a tennis skills camp to be held on campus Aug. 7-11 has been extended to Friday, Aug. 4. This program, for boys and girls entering grades 7-12, will provide training at the beginner through advanced levels.

Camp sessions, taught by Dave Brady, Alfred-Almond tennis coach, will be held Monday through Friday, from 4-6:30 p.m. each day. The cost for children or grandchildren of AU employees is \$120.

This is a great opportunity for kids to have fun as they improve their stroke technique, footwork, and court strategy.

To enroll campers in this program, please complete the attached form and send it along with your payment, to the Office of Summer Programs.
