My dear Ruth;

I thank you very much for your letter. I am very glad of the development by which it will be possible for Margaret Prentice to take up the work and I will await Mr. Ellis' communication. I do not think we need worry over the duration of the engagement. It would probably be from year to year anyway. I do not think Frobisher would be the man for the place.

Please keep me advised of anything which may transpire.

Very truly yours,
