EXECUTIVE COMMITTEE

Dear Guy:

The Jury on the Binns Medal has awarded it for 1927 to Arthur Baggs. It is the suggestion of the Jury that this be given to him semi-privately as, for instance, in a group of his friends.

I would like to appoint you my deputy to get together a few of those who know and appreciate Arthur's work and hand him the Medal in the name of the Jury of Award. If you will consent to do this, I will send the Medal to your care.

Very truly yours,
