

Alfred University Librarians Meeting

January 24, 2018

Herrick Conference Room

Attending: Ellen Bahr, Steve Crandall, John Hosford, Laurie McFadden, Mechele Romanchok, Mark Smith, Brian Sullivan

Agenda

The meeting had a single agenda item, to discuss next steps in the libraries' reorganization process. A proposal from the librarians for a new administrative structure and interim leadership was discussed.

Everyone was asked to provide further input to Ellen by Friday, January 26. We agreed to share the proposal with the Provost for feedback and to eventually meet with him to discuss the next steps.
