Sports, Open-Houses, Dance, Main Attractions Saturday On Blue Key Program

Andy Grillo will furnish the swing for the final event in the big celebration program on Saturday, the 25th of this month, when the Blue Key Club takes the stage for the conclusion of the annual Homecoming festivities.

Any official festivities will be staged at 21:00 hours in the OSU Hall, the festivity will proceed with the vocal accompaniment of the Kappa Sigma Quartet and with the instrumental music of the Blue Key Club.

The first item of the program will be the recognition of the seniors who have held high office in the organization during the past year and the presentation of the seniority awards. The next item of the program will be the presentation of the Blue Key Charter to the new charter member, who will be announced later in the evening.

The main event of the program will be the presentation of the Blue Key Charter to the new member, who will be announced later in the evening.

In conclusion, the Blue Key Club will present a short address to the students, followed by a reception in the OSU Hall.

Registrar Gives Gym Regulations On Attendance

Many students have been made aware of the new gym regulations by the establishment of a gym council. The rules and regulations are as follows:

1. Students may use the gym only when supervised by a faculty member.
2. No smoking or drinking is allowed in the gym.
3. No food or drink is allowed in the gym.
4. No conversation is allowed in the gym.
5. No use of cellular phones is allowed in the gym.

These rules are in effect to maintain a safe and conducive environment for all students. Students are reminded to follow these rules and regulations to ensure the safety and enjoyment of all.

Ag-Tech Institute Opens With Registration Yesterday

The New Intensive Schedule Will Allow Students To Return To The Home Farm By April 10

About 900 freshmen were enrolled in the Agricultural and Technical Institute at Alfred University yesterday.

"This is our largest freshman class," said Dean E. W. Wingate. "We have over 900 students, and over 400 of them are from New York State.

Many of these students are planning to major in agriculture, and we hope to see them through to graduation.

The new intensive schedule will allow students to complete their degree in one year, instead of two.

On Blue Key Program

On the occasion of National Newspaper Week, October 1-8, the Blue Key Club will host a series of events to promote the importance of journalism.

Signs, parades, and speeches will be held to celebrate the role of newspapers in our society. These events will be held throughout the week, culminating in a rally on Saturday, October 8.

"We are excited to bring attention to the importance of journalism," said club president. "Newspapers are the voice of the people, and we want to make sure that everyone understands their role.

Many Business Dept. Graduates Receive Jobs

A large number of business department graduates have been employed in various positions since graduation. Many have taken positions in the banking, insurance, and retail industries.

The following students are among those who have found employment:

- Robert B. Bell, employed at the Bausch & Lomb Optical Co.
- Margaret Aylor, employed at the Atlantic Refining Co.
- John Setchel '45, Roger Wightman '45, employed at Stromberg Carlson in Rochester and Buffalo.
- Dorothy Schilz, employed with the Bausch & Lomb Optical Co.
- Rhoda Ungar, employed for the South American Sales Co.
- Robert B. Moore '46, employed at the Bausch & Lomb Optical Co.
- Betty Van Gorder '45, employed at the Western Electric Co.
- Stuart Davis '44, of the Students' Senate, will be in charge of the open-houses, dance, and other activities planned for the fall semester.

Further contests will be held and the faculty will announce the winners. The first cup Sigma Chi has won in the two colleges. The total number of cups for last semester's highest in ceramic engineering course.

This typing course is free to anyone interested in learning the art of typing.

All students are urged to consult with the president of the course, Mr. Setchel, to arrange for an appointment.

The last evening of the course is on Tuesday, October 10, at 7:30 p.m. in the OSU Hall.
The Alfred hills are blossoming out in their full glory of red, yellow, orange and the balance of the rainbow, offering many opportunities for hiking and picnics. Alfred students are praying for nice weather as the week-end comes into view.

Next Saturday will be the crowning event of the week-end for the whole student body. The whole day will be packed with fun, beginning with an orchestra concert in the gymnasium, the proceeds of which will go to the Dramatics fund. Following the concert, a reception will be held in the Drill Hall. A madhatter tea will be held at 3:30 p.m. in the dining room, the proceeds going to the Dramatics fund.

On Sunday afternoon, the tennis court will be open for the first time in the season, and two Palm Beach tournaments will be held. There will be a slight charge admitted for tennis players. Other activities in the gymnasium will be Friday and Saturday evenings.

Alfred students and faculty are requested to go to the free press, before the end of the week, to buy the organization's bonds. The bonds are being sold at a price which will give the holder a fifty percent discount when the bonds are sold at par in the market. The bonds are non-transferable and the organization is not responsible for the market value of the bonds.

Editorial Note

The best way to get on a free press is to do something to help the organization. The free press is an organization which has been in existence for over ten years and has been responsible for many good things for the town and the students. It is a good place to park money and make some money as well. The free press is also a good place to get a job and make some friends.
