Dear Cousin

I am now
stopping here in charge
of Capt Allen's Cattle,
My brother Modeste
arrived here some two months
ago from Canada, I
heard all the news
my relations are all in
good health, and are
doing well, I came
to this side mostly to
see you, but you are
still getting further away
from me, but I hope
that upon your receiving
this letter that you will
answer it, and let me know
all the news, and how you
are getting on my family

are all well, hoping
that you are the same

I remain
Your Cousin
Edward Lambert
