Washington Semester Program Fall 2012

The Division of Social Sciences is now taking applications for the Washington Semester Program for Fall 2012.

The Washington Semester Program is sponsored by American University and enables students to spend a semester in Washington, D.C., studying public policy in a variety of areas.

Students who have participated in the program have used their experience and contacts to obtain excellent positions in Washington and elsewhere.

In addition to taking coursework, students will meet with government officials and political leaders in seminar sessions and will participate in an internship of their choosing.

In addition to its major focus on American national government, the program also has a number of options utilizing non-governmental resources in the Washington area, including working with interest groups and art and cultural institutions. Some of these are: journalism, law enforcement, public law, economics, international business, international organizations, and women and politics.

Course credits and grades are fully transferable to the student's transcript. Students can obtain additional information on the program at www.washingtonsemester.com. Juniors or seniors are eligible to participate, and scholarships are available. Over the past year, Andrew Dupre and Rudy Dieudonne attended the program.

Those interested should contact Karen Mix in room 208 of the Olin Building. Applications should be completed by Friday, March 23, 2012.

Important Health News for Women!

Pap smears are now recommended for women 21 years old or older. If you are nearing age 21, graduating this semester, or are over 21 and have not had a Pap smear in the last year, the Health Service will be accepting appointments for Pap smears, or other gynecological procedures requiring lab work, until the third week of April.

For these or any other reproductive health appointments, call 871.2400 to schedule an appointment with Cathi Burys, NP.

Health Services would also like to announce that a shipment of Nuva Rings has come in. If you currently have one or would like to try this method of birth control please call Health Services at 871-2400 and make an appointment with Cathy Burys! Please remember that the Nuva Ring IS NOT a form of protection against STDs and HIV/AIDS.
