### **Hazard Communication Refresher Blackboard Training**

Hazard Communication (Right-To-Know) refresher training is required annually at Alfred University of all employees who have not taken Chemical Hygiene training. This includes all Work Study and graduate students.

We have designed the Hazard Communication refresher Blackboard training presentation and test to comply with the law and allow more flexibility with regard to the employee's personal work schedule. The presentation must be viewed and the test completed as instructed in order for the employee to be credited with completing the course.

This course will be available on Blackboard now until March 31, 2012. For instructions on how to log on to Blackboard go to the EH&S web site: <http://our.alfred.edu/ind...> , scroll down to the bottom of the page and click on the word Blackboard.
