Charged Tax Via Internet Purchase?

With the ease of the Internet, shopping has become even easier. However, it's harder to maintain our tax exemption status. There are different ways you can get the tax charge removed or reimbursed.

If you are shopping online and notice there are taxes being charged, you can continue with the purchase and then contact the vendor via phone, email, or live chat. When contacting the vendor, please include your order number and our NYS Tax Exempt Form. When submitting the tax exemption form write the name of the vendor on the line under blanket certificate (check this box as well) and write in the date of purchase next to the Controller's signature.

Make sure you are using a current tax exemption certificate (one is attached).

If you do not feel comfortable continuing your purchase, you can cancel your order and contact the vendor prior to placing the order. You may have to submit a tax exempt form prior to ordering.

For questions concerning tax reimbursement, please contact Office & Procurement Services @ x2698.

For upcoming graduates who would like to become more familiar with the Alma Mater - Words are listed below, along with a link to hear the song.

This link can also be accessed by anyone wanting to learn the song.

HAIL TO THEE ALFRED - ALMA MATER OF ALFRED UNIVERSITY

Nestled away 'mid the Empire State hills,
'Neath the watch-care of sentinel pines,
Where the murmuring song of the brook hums along,
And a favoring sun ever shines;
In a valley so fair where the forest trees share
Dominion o'er hillside and glen,
Stands the pioneer college of Western New York
Alfred, we hail thee again.

CHORUS

Hail to thee Alfred, thou guide of our youth,
Sweet benign mother, all hail!
Sing out thy anthems of duty and truth;
May thy clear ringing music ne'er fail.

Lecture: Women in the Civil War

Speaker: Craig Braack, Allegany County Historian
Tuesday, March 27 at 7 p.m.
Nancy Howe Auditorium
David A. Howe Public Library
155 N. Main St., Wellsville
585-593-3410

Thousands of books have been written on America's Civil War, but only a few of these cover the various roles women played during this critical period in American history. While the majority of women in the North and South maintained their homes and farms during the war, many chose other paths as spies, soldiers, nurses, and serving on the Women's Christian and Federal Sanitation Commissions.

Join Craig for this illustrated program. This library-sponsored lecture is free and open to the general public.
