ION Broadband Light-Up

The \$40 million federally funded broadband expansion project that began nearly three years ago will begin serving the Alfred University campus this Friday, June 1 at 8 p.m.

On-campus network connectivity will not be affected by this change, however incoming and outgoing network communications will be offline beginning at 8 p.m. We anticipate the migration should only take one to two hours unless there are unexpected complications.

Activation of this newly installed fiber optic network will not only result in significantly increased bandwidth, but will also place the University in a unique and important position as an Internet Point of Presence (POP), an important partner in providing communications infrastructure to Western New York State.

Chemical Waste Removal

The spring/summer chemical waste removal will occur during June 2012. Both hazardous and non-regulated waste will be accepted.

All chemical waste must be received in your respective Central Accumulation Area (CAA) no later than Wednesday June 6, 2012. Advanced Waste Solutions will be packaging for transport Wednesday-Friday, June 13, 14 and 15.

NYSCC contact Dean x3020 (Harder Hall CAA) or Shanti x2497 (McMahon CAA); non-statutory AU contact Dean x3020 to arrange for receipt of your waste in Myers Hall CAA.

All Satellite Accumulation Area labels MUST be filled-out completely with EPA# for respective college, building name, Room # or area name, start date, initials, chemical name(s) of constituents in the

accumulation container with volume or weight, and waste characteristics prior to receipt in Central Accumulation. Note: Per EPA regulations you have only 72 hours from an SAA full date to transfer the container to the proper CAA. SAA containers must be capped or sealed with container lid, have clean exterior, and SAA label easily legible.

If you have any questions contact Dean Perry.

All Satellite Accumulation Areas must be empty prior to June 6th, with a notation to that effect made on your submitted June 2012 Satellite Accumulation Area Weekly Inspection sheet.

Completed Hazardous Waste and Non-Regulated Waste Log Forms MUST be sent to Dean Perry no later than Wednesday, June 6th and may be mailed (117 Myers Hall), faxed to x2086, or e-mailed to: perrydr@alfred.edu. Advanced Waste must have this information prior to packing in order to obtain required approvals from the TSDF.

Hazardous Waste Log Forms are available at <http://our.alfred.edu/ind...> under the heading "AU EH&S Forms".

Construction Notice

Starting Monday 5/14/12

The College of Ceramics will be undergoing several construction projects in Harder Hall and Binns Merrill Hall. The lower Harder Hall Parking Lot, the access lane and the parking between the Maintenance building and Binns Merrill will be shut down, to parking and through traffic.

The lot will be used to stage construction material and equipment supporting the projects.

The parking lots will remain closed until the start of the fall semester in August.

If access is needed to Harder Hall Loading Dock, please contact Ceramic Maintenance for coordination.

Thank you all, for your patience and cooperation during this time. For any questions or concerns please contact me.
