Observatory Open Houses

The Stull Observatory is open to the public this summer on clear Thursday evenings from 10 p.m. to midnight. There is no charge.

At Observatory open houses, student astronomers will demonstrate the use of our of our 5 major telescopes, giving the public a look at objects like the Moon, planets, nebulae, galaxies, and more.

Reservations are requested for groups larger than 10 people.

The Observatory is on the southeast corner of the Alfred University campus.

Fifth Annual 'From the Earth'

Saturday, July 7, 2012

10 a.m. - 5 p.m.

"FROM THE EARTH" is an event that celebrates our connections to the earth. Visit multiple locations around Alfred, Alfred Station, and Almond and be inspired by flower gardens and an organic dairy farm, meet an alpaca at a mill where its fleece is processed, learn how to milk a goat and make cheese, help assemble a timber frame joint made from local wood, visit a pottery studio and watch a potter throwing clay on a wheel, take a guided bird walk led by an expert, enjoy educational activities with the kids, and purchase perennial plants, organic vegetables, and home baked bread. You can even enjoy food produced locally by "From the Earth" participants.

For more information and sites to visit, see attachment below.
