PDDR Committee Club Final Meeting of 2011-12 & Lawn Party

Friday, July 27 3-3:45 pm sharp. The final meeting of the faculty club PDDR (Parents Who Drink and Drive Responsibly) will be held to celebrate the tenure of outgoing club president Professor Ezra Shales (and wish him farewell as he commences his sabbatical year and incipient relocation) and to inaugurate the incoming committee leadership of Professor Angie To. This year's guests of honor are Linda White and Freddy Fredrickson, who will regale the club with pep talks designed to raise morale and boost worker efficiency. The club is open to new membership joining at this time and welcomes any and all mature members of the community who wish to work towards a more sociable world. This is a non-discriminating club so that if you are sympathetic to its mission you may join, childless or not. Come enjoy a cool beverage on the lawn of 56 West University Street. Attendance will be taken by Committee Secretary John Hosford.

State-Wide Burn Ban Issued

Gov. Andrew M. Cuomo recently urged all New Yorkers to take extra caution, as dry weather conditions have led to a heightened danger of wildfires across Upstate and Western New York. In addition, the state instituted a statewide residential burn ban for 90 days through Oct. 10.

At the Governor's direction, the following steps have been taken to properly prepare the state for the increased danger of fires.

The New York State Emergency Operations Center (EOC) in Albany is closely monitoring the situation and is prepared to provide a heightened state of readiness. Representatives from the Office of Emergency Management (State OEM), Department of Environmental Conservation (DEC), and Office of Fire Prevention and Control (OFPC) will staff the State EOC on a 24/7 basis as necessary.

DEC will issue an emergency regulation implementing a statewide ban on residential brush burning through October 10, 2012. Violators of the open burning state regulation are subject to both criminal and civil enforcement actions. In addition, the Department of Environmental Conservation will suspend all burning permits previously issued. A moratorium on new permits is now in effect through October 10.

The Governor urged New Yorkers to take extra caution and do the following:

-Refrain from starting any type of outdoor fire and in cases where a fire must be started, take

extreme caution.

- Be watchful and keep a close eye when grilling outdoors.
- For those who smoke, make sure a lit cigarette is completely extinguished.
- When camping, use existing campfire rings when possible and keep fires small.
- Scrape away litter, duff, and any burnable material within a 10 foot diameter circle. This will keep the campfire from spreading.
- Never leave a campfire unattended.
- Drown the fire with water. Make sure all embers, coals, and sticks are wet. Stir the remains, add more water, and stir again.
- Use a cooking stove instead of a campfire to prepare meals.
