Traffic on Main Street on 8/23

On Thursday, Aug. 23, both AU and ASC will be welcoming new students to campus starting at 8 a.m. We suggest that faculty and staff avoid the traffic light on Main St. if at all possible, as there will almost certainly be a long line.

All faculty and staff are welcome to stop in to McLane Center between 8 a.m. and 1 p.m. to welcome our new students and their families as they get checked in. It's a great atmosphere as our incoming students prepare to start Orientation and become part of the AU community for the next several years.

First-Year Students: Mandatory Fire Safety Training

Please join Environmental Health and Safety and guests Shawn Simons and Alvero Llanos for a special Fire Safety Presentation on Tuesday, Aug. 28 at 4 p.m. or 8:30 p.m. in Holmes Auditorium. First Year students are required to attend; but all are welcome.

In the frigid predawn hours of Jan. 19, 2000, the lives of thousands, maybe even millions, we're changed because of a great tragedy on the campus of Seton Hall University. A Fire.

Los Angeles-based filmmaker Guido Verweyen documented the trials and tribulations associated with two students' recovery in a 50-minute documentary entitled, "After the Fire: A Story of Heroes and Cowards," based on the reporting of journalist and author Robin Gaby Fisher's seven-part series in the Star-Ledger and later, New York Times best-selling book, "After the Fire: A True Story of Friendship

and Survival."

Location: Holmes Auditorium

NYS Launches Internship Website; Acceptance Applications for Fall '12

State launches new Website listing internship opportunities in all state agencies; over 400 internships available to students

New York State today launched a new one-stop website that allows students to view and apply for internship opportunities across an array of state agencies both downstate and upstate. The website is a product of Governor Andrew M. Cuomo's New New York Leaders Initiative, which is focused on attracting new talent to state government through both a fellowship program and an internship program. With the new internship website, applicants can view job descriptions, create profiles, specify interests, and upload resumes, writing samples and letters of recommendation.

"The internship program is designed to attract and mentor a new generation of talented leaders for New York State," said Governor Andrew M. Cuomo. "I'm encouraging the best and brightest young minds to apply, dedicate some time to public service and acquire valuable skills."

"Internships provide an opportunity to enhance academic course work with hands-on experience," said Civil Service Commissioner Jerry Boone. "Internship experience can provide an edge in an increasingly competitive job market."

The program is open to resident graduate and undergraduate students as well as students who attend schools in other states, but reside in New York. Opportunities include both paid and unpaid positions. Internships may include academic credit depending on the policy of the educational institution.

To apply, visit nysinternships.com.
