Stay Safe. Respond to Outdoor Warning Siren

Alfred State College has outdoor warning sirens. In the event of life-threatening emergencies, Alfred State will activate the outdoor warning siren.

Any emergency that causes ASC to sound its alarm also has the potential to affect people on our campus. If and when you hear the siren, you should immediately return to a known safe, indoor location. Information about the emergency, including instructions about what to do, will be communicated via E2Campus . If possible, other methods will be used including WALF broadcasts and postings on entrance doors to academic and residence hall buildings.

If you have any questions, please contact the Office of Public Safety at 607-871-2108.

PAUSE

Show Dates: Oct. 4-Dec. 7, 2012

Closing Reception: Thursday, Nov. 29, 2012

Time: 4:30 - 6 p.m.

This special exhibition involves eighteen pieces from the permanent collection. They have a common visual softness - a pillowy, rounded feel that along with their complexity in form, color and intent hope to give you pause. Each piece necessitates a closer look. They range in size from Christine Federighi's tiny 2 -1/2 inches high landscape to Giselle Hicks' sculpture 'embedded' that is 7 feet in depth. The majority of these ceramic pieces have been made with off-the-wheel techniques utilizing the processes of slab building, pinching, and casting. The surfaces are also diverse with detailed drawings, decals, and finger marks, while others are crisp and glossy with no evidence of the human hand.

Included are work by artists J. David Broudo, Christine Federighi, Wayne Higby, Ken Little, David Shaner, Robert Sperry, Toshiko Takaazu and Robert Winokur; MFA Gloryhole work by Giselle Hicks, Jae Won Lee, Jeffrey Kaller, Sinisa Kukec, and Katherine West; and selections from the visiting artist collection by Anton Reijnders and Elsa Sahal. In addition there are historic Chinese pieces.
