### **Be Alert! Keep Your Property Safe.**

Traditionally, there has been an increase in thefts the week before Winter Break on the Alfred University campus. Below you will find some tips to help you keep your property safe.

When you are in the library, residence halls, academic buildings, dining halls, or simply parking your car, keep your wallet, cell phone, and laptop with you. This is the prime time for this type of property to be stolen.

- \* Buy a laptop security cable and use it.
- \* Always close and lock your residence door even if you leave for just a minute. Insist your roommate(s) do the same.
- \* Establish rules with your roommate(s) regarding visitors (above and beyond Alfred University guest policies).
- \* Make sure your car is locked when unattended.

If you witness any suspicious activity, report it to the Office of Public Safety immediately by calling 607-871-2108 or 911.

### **Presentation by Eddie Bernard, Founder of Wet Dog Glass**

Date: Wednesday, Dec. 5  
Time: 6 P.M.  
Location: Room C, Binns Merrill Hall  
Cost to Attend: Free  
Sponsored By: Sculpture and Dimensional Studies

From an early age Eddie Bernard enjoyed working with his hands and figuring out how things are put together. In 1988, at the age of 15, Eddie began working for Craig McCullen making stained glass panels. At 17 years old, he began apprenticing Paulo Dufour in the stained glass trade, and it was Paulo who introduced Eddie to hot glass.

This early interest in glass lead him to School of American Crafts at Rochester Institute of Technology to study glass blowing. While there he had the opportunity to build his first furnace, and a love affair with building equipment was born. After graduating with a BFA in glass in the spring of 1996, Eddie went to the Corning Museum to help install The Studio of the Corning Museum of Glass. He was offered the job as the first Corning Glass studio technician and also took on the role of stained glass program founder and instructor.

Eddie moved back to Louisiana later that same year and founded Wet Dog Glass, LLC, now the preeminent glass blowing equipment manufacturer in the United States.

## Students in Distress - Who to Contact

Dear faculty and staff,

This is the time of year when stress and emotions run high among our students, and our mental health emergency response calls really start to pick up.

If you are concerned for the safety of a student, your 24/7 phone number is 607.871.2108. When Public Safety is not on duty, the call will go to 911. Those dispatchers have phone numbers for our RD on call, our Student Affairs incident coordinator, the counselor on call, the Dean of Students, etc., so please work with 911 just as you would our Public Safety staff.

The Wellness Center/Counseling Service reserves time at the end of the school year for crisis and walk-in needs. Please call 2300 during business hours to consult or refer a student. Counseling Service after-hours message has a recording on how to contact the Counselor on Call.

For non-life threatening concerns please remember to utilize our Care Network at <https://alfred-advocate.s...?>

Thank you.
