Lloyd Named Acting Vice President for Business & Finance

AU President Dr. Charles M. Edmondson has named Giovina M. Lloyd acting vice president for Business & Finance, effective Monday, June 30, 2008. She has been serving as assistant vice president for Business & Finance since July 2004.

Edmondson noted that Lloyd will continue to ensure that the financial infrastructure is in place so that academic and student life programs, as well as campus operations, continue to grow and thrive in the upcoming year.

Lloyd first worked for Alfred University from April-November 1998 in a full-time, temporary position as financial analyst to the vice president for Business & Finance. Prior to that time she was a staff accountant/financial analyst for Dresser-Rand, Inc. Following her seven-month position at AU, she worked for Alstom Transportation Inc., Hornell, before returning to the University in July 1999.

For the past year and a half Lloyd has also performed independent consulting work.

Lloyd earned a master of science degree in business administration with a concentration in accounting from Alfred University. She also earned a bachelor of science degree from AU with a dual major of business administration with a concentration in human resource management and health planning management.

Office Services Invoices

Office Services will be e-maling departments all invoices regarding postage and printing effective July 1, 2008. So, each time a printing job is submitted and processed an invoice will be created and e-mailed to the person that submitted the job request. The same will be done for postage-related charges.

Any department bringing down mail to be metered and processed at Office Services will be e-mailed an invoice. Departments will no longer receive hardcopy invoices and statements at the end of each month.

If you have any questions please contact Sue Peck at x2260.
