MasterCard Help/Training Sessions 1-3 p.m.

Mandatory training is required for all new cardholders as well as new card reviewers (anyone that logs in to reconcile transactions) before a credit card will be given or access to the new MasterCard website.

With the migration to JPMorgan Chase MasterCard in January 2013, including a new website program, we want to offer additional help until everyone feels comfortable with the new program.

We will begin having the help/training sessions on the second Wednesday of each month from 1-3 p.m. The 1-2 p.m. session will be designated for One Card Training for new cardholders; 2-3 p.m. will be designated for Help session. All sessions will be held in the Banner Training room located in Howell Hall beginning Feb. 13, 2013.

To apply for a credit card, an application needs to be completed, including the required signatures. The completed applications should be sent to Office & Procurement Services attention Sue Peck. Once the application is processed the program administrator will receive the card within 7-10 business days. You may have the card training within thirty (30) days of receipt of the card.

We are hoping these extra sessions will be helpful and would appreciate any of your suggestions.

Thank you.
